Publisher of A Child Called It: Unveiling the Story Behind the Book

publisher of a child called it plays a crucial role in bringing one of the most impactful memoirs of childhood abuse to readers worldwide. "A Child Called It," written by Dave Pelzer, tells a harrowing yet inspiring story of survival and resilience. Knowing about the publisher behind this powerful narrative not only satisfies curiosity but also sheds light on how such a personal and sensitive story reached millions, sparking conversations about child abuse and recovery.

The Publisher Behind A Child Called It

When discussing the publisher of A Child Called It, it's important to recognize that the book was published by ****Health Communications, Inc. (HCI)****. Founded in 1978 and based in Florida, HCI has built a reputation for publishing inspirational and self-help books, often centered around personal growth, health, and social issues. Their commitment to meaningful narratives made them an ideal home for Pelzer's memoir.

Unlike many large publishing houses, HCI focuses on stories that have transformative potential, especially those dealing with adversity, healing, and awareness. This focus helped A Child Called It not only find a platform but also reach a diverse audience eager to learn about the realities of child abuse and the strength it takes to overcome it.

Health Communications, Inc.: A Closer Look

Health Communications, Inc. has developed a niche in the publishing world by prioritizing books that inspire change. Their catalog includes a variety of titles that tackle health, wellness, personal stories, and motivational themes. By publishing A Child Called It, HCI demonstrated its dedication to giving voice to survivors and educating the public.

One key factor that makes HCI stand out is their strategic approach to marketing books with sensitive content. They understand the delicate nature of such stories and often work closely with authors to ensure the message is delivered respectfully yet powerfully. This approach undoubtedly contributed to the widespread success of Pelzer's memoir.

How the Publisher Influenced the Book's Success

The publisher of A Child Called It did more than just print copies of the book—they carefully crafted its journey from manuscript to bestseller. Here are some ways HCI played a pivotal role:

Strategic Marketing and Distribution

Health Communications, Inc. utilized a targeted marketing strategy that focused on reaching educators, counselors, and advocacy groups dedicated to child welfare. This helped the book gain traction not only in bookstores but also in schools and community centers, where it could make a real impact.

Additionally, the publisher ensured that the book was widely available in various formats, including paperback, hardcover, and later digital editions. This accessibility allowed more readers to engage with the story, further expanding its influence.

Support for the Author

Dave Pelzer's memoir was deeply personal and emotionally intense. The publisher provided editorial support that helped shape his story without compromising its authenticity. This collaboration allowed the memoir to maintain its raw honesty while being coherent and compelling for readers.

Moreover, HCI's experience with sensitive topics meant they could guide the author through potential challenges related to publishing such a revealing narrative, including legal considerations and public reception.

Impact of A Child Called It and Its Publisher on Society

The publisher of *A Child Called It* indirectly contributed to raising awareness about child abuse on a global scale. The book's success opened doors for conversations that were once taboo, encouraging survivors to speak out and seek help.

Raising Awareness Through Publishing

By choosing to publish Pelzer's story, Health Communications, Inc. became part of a larger movement advocating for child protection and mental health awareness. Their role in amplifying the book meant that educators, social workers, and policymakers gained a valuable resource to understand the effects of abuse.

Influence on Memoir Publishing

The success of *A Child Called It* inspired other publishers to take risks on memoirs that delve into difficult subjects. This shift expanded the genre and created space for more survivors to share their stories, contributing to societal empathy and change.

Other Notable Works by Health Communications, Inc.

Understanding the publisher behind *A Child Called It* also means recognizing their broader catalog. HCI has published other influential titles that resonate with themes of personal struggle and growth, including books on addiction recovery, mental health, and inspirational biographies.

Some other works by HCI that have garnered attention include:

- “The 7 Habits of Highly Effective People” by Stephen R. Covey (selected editions)
- Self-help and wellness guides that focus on mindfulness and emotional healing
- Books addressing family dynamics and overcoming trauma

These publications reflect the publisher’s commitment to nurturing content that can transform readers’ lives, much like *A Child Called It*.

Tips for Aspiring Authors of Sensitive Memoirs

If you’re considering writing a memoir about a challenging or sensitive topic, learning about how the publisher of *A Child Called It* handled the book can offer valuable insights:

- **Find a publisher experienced in your subject matter.** A publisher familiar with delicate topics can provide the necessary support and guidance.
- **Collaborate closely with editors.** A good editorial team can help preserve your voice while making the story accessible.
- **Prepare for emotional challenges.** Sharing personal trauma publicly requires resilience and patience.
- **Consider your audience.** Think about who will benefit most from your story and how the publisher can help reach them.

These considerations can make the publishing process smoother and more impactful.

Where to Find *A Child Called It* Today

Thanks to the efforts of its publisher, *A Child Called It* remains widely available in bookstores, libraries, and online retailers. Health Communications, Inc.’s dedication to keeping the book in circulation has

ensured that new generations continue to discover Pelzer's story.

Today, you can find the book in multiple formats, including eBooks and audiobooks, making it accessible for different reading preferences. This accessibility is a testament to how a thoughtful publisher can extend the life and reach of a meaningful work.

The story of "A Child Called It" is not just about the memoir itself but also about how the publisher of A Child Called It facilitated its journey into the hands of readers around the world. Health Communications, Inc.'s role goes beyond printing pages—it represents a commitment to storytelling that educates, heals, and inspires.

Additional Resources

Publisher of A Child Called It: An In-Depth Look at the Book's Origins and Impact

publisher of a child called it holds a significant place in the literary world due to the book's raw and compelling narrative. "A Child Called It," authored by Dave Pelzer, is a harrowing memoir that recounts the author's experiences with severe childhood abuse and neglect. The publisher behind this influential work played a crucial role in bringing this intense and poignant story to a wide audience, contributing to its status as a bestseller and a catalyst for discussions on child abuse and resilience.

Understanding the background of the publisher of A Child Called It provides insight into how the book was positioned in the market and why it resonated so powerfully with readers across the globe.

The Publisher Behind A Child Called It

"A Child Called It" was published by Health Communications, Inc., a publishing company known for its focus on health, wellness, and inspirational literature. Health Communications, Inc. has a reputation for releasing books that delve into personal struggles, survival stories, and psychological well-being, making it a fitting home for Pelzer's memoir.

The choice of Health Communications as the publisher was instrumental in framing the book's narrative as not just a personal story but also a broader discourse on child abuse awareness and recovery. By aligning with a publisher experienced in sensitive health-related topics, "A Child Called It" gained credibility and a targeted audience already interested in transformative personal stories.

Health Communications, Inc.: Publisher Profile

Health Communications, Inc., established in the 1970s, has developed a niche in publishing books that combine personal testimony with educational and therapeutic value. Their catalog includes works on mental health, addiction recovery, and inspirational biographies. This focus allows their publications to serve both as engaging narratives and as resources for readers seeking understanding or support.

For "A Child Called It," Health Communications' expertise in marketing to health-conscious readers and institutions like schools, libraries, and counseling centers was a key factor in the book's widespread distribution and success.

Marketing Strategy and Distribution

The publisher of *A Child Called It* undertook a marketing approach that emphasized the book's real-life impact and potential to raise awareness about child abuse. Early promotional efforts targeted book clubs, educators, and advocacy groups, leveraging the memoir's emotional depth and social relevance.

In addition, Health Communications ensured that the book was accessible in multiple formats, including paperback and later e-book editions, expanding its reach. The availability of the book in libraries and schools helped embed it into educational discussions, further solidifying its importance beyond commercial success.

Impact of the Publisher on the Book's Reception and Legacy

The role of the publisher in shaping "A Child Called It" extended beyond printing and distribution. Health Communications, Inc. provided editorial support that preserved the authenticity of Pelzer's voice while ensuring the narrative was approachable for a broad audience. This balance was critical because the book's subject matter was both sensitive and challenging.

Moreover, the publisher's commitment to responsible storytelling meant that resources accompanying the book often included guidance on child abuse awareness and support services. This educational component distinguished "A Child Called It" from other memoirs and contributed to its lasting impact.

Comparison with Other Publishers in Memoir Genre

When compared to larger mainstream publishers, Health Communications, Inc. operates with a specialized focus that benefits memoirs like "A Child Called It." While major publishing houses often prioritize marketability and commercial appeal, Health Communications places a strong emphasis on social impact and educational relevance.

This approach sometimes means smaller print runs and more targeted marketing, which can limit initial exposure but often results in a more dedicated readership. For Pelzer's memoir, this strategy

proved effective as the book grew organically through word-of-mouth and advocacy group endorsements.

Pros and Cons of the Publisher's Involvement

- **Pros:** Specialized marketing, authentic editorial support, focus on social impact, strong connections with educational and advocacy networks.
- **Cons:** Smaller initial distribution compared to major publishers, potentially limited mainstream media exposure early on.

The Publisher's Role in Subsequent Editions and Adaptations

Following the success of "A Child Called It," Health Communications, Inc. continued to publish Dave Pelzer's related works, including sequels like "The Lost Boy" and "A Man Named Dave." This ongoing partnership suggests a strong publisher-author relationship that supported the expansion of Pelzer's narrative universe.

Furthermore, the publisher was involved in managing rights and licensing agreements that allowed the memoir to reach international markets and multimedia formats. While a direct film adaptation has not been officially produced, the publisher's efforts have paved the way for the memoir's potential adaptations and continued cultural relevance.

International Reach and Translations

The publisher of A Child Called It facilitated the book's translation into multiple languages, broadening its impact worldwide. This international presence helped raise global awareness about child abuse issues and positioned the memoir as a universal story of survival.

Health Communications' experience with international distribution channels ensured that the book maintained consistent quality and messaging across different editions, a critical factor for sensitive, real-life stories.

Conclusion: The Publisher's Essential Contribution

The publisher of A Child Called It, Health Communications, Inc., played a pivotal role in the memoir's journey from a personal account to a globally recognized work. Their specialized focus on health and inspirational literature, combined with strategic marketing and editorial dedication, helped the book

reach diverse audiences and foster meaningful conversations about child abuse and resilience.

By choosing a publisher attuned to the book's delicate subject matter and social mission, Dave Pelzer's memoir gained a platform that respected its gravity and amplified its message. This partnership underscores the importance of selecting a publisher aligned not only with commercial goals but also with the deeper purpose of a book's narrative.

Publisher Of A Child Called It

publisher of a child called it: *A Child Called It* David J. Pelzer, Dave Pelzer, 1995-09 An inspirational story; one child's courage to survive.

publisher of a child called it: *A Child Called 'It'* David J. Pelzer, 2014 Dave Pelzer was brutally beaten and starved by his emotionally unstable, alcoholic mother -- a mother who played tortuous, unpredictable games. She no longer considered Dave a son, but a slave; no longer a boy, but an 'it'. His bed was an old army cot in the basement, his clothes were torn and unwashed, and when he was allowed the luxury of food it was scraps from the dog's bowl. The outside world knew nothing of the nightmare played out behind closed doors. But throughout Dave kept alive dreams of finding a family to love him. This book covers the early years of his life and is an affecting and inspirational book of the horrors of child abuse and the steadfast determination of one child to survive.

publisher of a child called it: *The Publisher* , 1901

publisher of a child called it: *A Child Called It* Dave Pelzer, 2010-06-24 A harrowing and inspiring true story of a young boy's abusive childhood, from international bestseller Dave Pelzer. 'A story where love, kindness, patience and endurance triumph' Daily Mail ***** Brutally beaten and starved by his emotionally unstable and alcoholic mother, Dave became a slave; he was no longer a boy, but an 'it'. His bed was an old army cot in the basement, his clothes torn and unwashed, and when he was allowed the luxury of food it was scraps from the dog's bowl. The outside world knew nothing of the nightmare played out behind closed doors. But throughout it all, Dave kept alive dreams of finding a family to love him. *A Child Called 'It'* shares the emotional story of the early years of his life, detailing the horrors of child abuse and the steadfast determination of one child to survive. It is the first book in the My Story trilogy. 'Heartfelt... cannot fail to move you' Heat

publisher of a child called it: *The Book Publishing Industry* Albert N. Greco, Jim Milliot, Robert M. Wharton, 2013-07-31 This volume provides an innovative and detailed overview of the book publishing industry, including details about the business processes in editorial, marketing and production. The work explores the complex issues that occur every day in the publishing industry.

publisher of a child called it: *The American Psychiatric Publishing Textbook of Personality Disorders* John M. Oldham, Andrew E. Skodol, Donna S. Bender, 2014-05-05 This new edition of *The American Psychiatric Publishing Textbook of Personality Disorders* has been thoroughly reorganized and updated to reflect new findings, expanded treatment options and considerations, and future directions, such as translational research, enhancing the text's utility while maintaining its reputation as the foremost reference and clinical guide on the subject. In four exhaustive and enlightening sections, the book covers basic concepts of personality disorders, etiology, clinical assessment, diagnosis, and treatment, and it addresses special issues that may arise with specific populations or settings. In addition, the text offers many features and benefits: Several chapters describe the intense efforts to identify the scientifically strongest -- and clinically relevant -- approaches to conceptualizing and enumerating personality traits and pathology. The book does not sidestep ongoing controversies over classification but addresses them head-on by including chapters by experts with competing perspectives. The hybrid dimensional/categorical

alternative model of classification for personality disorders included in the DSM-5 is included in an appendix and thoroughly referenced throughout the volume and discussed in detail in several chapters. Coverage of current research is up-to-date and extensive. Longitudinal naturalistic studies, which have shown surprising patterns of improvement in patients with selected personality disorders, as well as new and more rigorous treatment studies, have yielded critical findings in recent years, all of which are thoroughly addressed. Dozens of vivid and detailed case examples are included to illustrate diagnostic and treatment concepts. The editors have selected a roster of contributors second to none, and the text has been scrupulously edited for consistency of language, tone, and coverage. As clinical populations become better defined, new and more rigorous treatment studies are being conducted with increasingly promising results. The American Psychiatric Publishing Textbook of Personality Disorders offers clinicians, residents, and trainees in all disciplines a front row seat for the latest findings and clinical innovations in this burgeoning field.

publisher of a child called it: *A Publisher and His Friends* Samuel Smiles, 2022-09-04 In *A Publisher and His Friends*, Samuel Smiles delves into the intricate world of publishing in the 19th century, presenting a vivid tapestry of biographies and anecdotes that illuminate the relationships and challenges faced by contemporary publishers. Rich in narrative style, the book combines the charm of personal reflections with a critical examination of the publishing industry, emphasizing the notable impact of figures like James Hogg and Thomas Palgrave. Smiles' work stands as a testament to the literary zeitgeist of the Victorian era, where the interplay between authors, publishers, and societal norms shaped the literary canon as we know it today. Samuel Smiles, a prominent Scottish author and reformer, was deeply immersed in the dynamics of social progress and self-help philosophies. His experiences with various authors and publishers instilled in him a unique appreciation for the struggles and triumphs of literary figures. This background not only influenced his perspective but also inspired him to highlight the significance of perseverance and camaraderie within the literary community, showcasing how these relationships fostered innovation and resilience in the publishing world. *A Publisher and His Friends* is an essential read for anyone curious about the evolution of publishing and the personal narratives that underpin it. Smiles' insightful observations and engaging prose invite readers to explore the intricate connections that have sustained the literary arts, making this work a valuable addition to the library of scholars, writers, and history enthusiasts alike.

publisher of a child called it: *The American Psychiatric Publishing Textbook of Substance Abuse Treatment* Marc Galanter, Herbert D. Kleber, Kathleen T. Brady, 2015-04-01 No other text available today offers what *The American Psychiatric Publishing Textbook of Substance Abuse Treatment* can: completely updated treatment information on a broad range of substance use disorders that is consistent with the new DSM-5 classification and thus reflective of how psychiatry is practiced today. Designed for researchers and mental health professionals ranging from trainee to licensed practitioner, the book is also appropriate for a diverse array of rehabilitation settings, from inpatient to community-based treatment. Full coverage is provided on 12-step programs, as well, including the latest outcomes research. Much of the material is new to this edition: A chapter has been added on science in the treatment of substance abuse, in which the authors discuss the history of scientific intervention in substance abuse and explore what happens to the brain when addicting drugs are consumed, review animal models and imaging techniques, and discuss current progress in the science of addiction. Chapters have been added on screening and brief intervention, reflecting the development of brief screening tools and research on the efficacy of interventions, and the role of recovery in chronic care disease management -- specifically what the treatment models for alcohol dependence and for diabetes can effectively borrow from each other. A new chapter focuses on the treatment of alcohol intoxication and withdrawal -- the first steps in treatment of alcohol use disorder. Two chapters on marijuana -- one on the neurobiology and one addressing treatment have been added. Given the accelerating trend toward decriminalization and legalization of this substance, clinicians will find this information of increasing importance. The section on substance use issues among gay men and lesbians has been expanded to include bisexual and transgender

people in recognition of increased diversity among the population. Well-structured, with topics that follow logically and many practical, treatment-oriented features, such as quick reference tables and lists of recommended readings, The American Psychiatric Publishing Textbook of Substance Abuse Treatment is a classic that will enhance the education and practice of clinicians.

publisher of a child called it: The American Psychiatric Association Publishing Textbook of Personality Disorders Andrew E. Skodol, John M. Oldham, 2021-03-31 The subject of personality -- what makes each of us unique and different from one another -- has long been a topic of universal fascination. From a medical perspective, research on personality disorders has expanded with the advent of standardized diagnostic systems. This continuing and increased activity and progress in the field spurred the development of this third edition of The American Psychiatric Association Publishing Textbook of Personality Disorders. With an emphasis on updating the information most relevant to clinicians, this new edition features contributions from established experts in the field as well as a new generation of scientists. Dozens of tables, illustrative figures, and real-life case examples summarize the vast data that continue to accumulate in five key areas: Clinical concepts, including theories of personality disorders, as well as their manifestations, assessment, and diagnosis. This opening section also describes the Alternative DSM-5 Model for Personality Disorders in detail. Risk factors for, and the etiology and impact of, personality disorders. This section of the book examines data on prevalence, sociodemographics, and levels of functional impairment associated with personality disorders. It offers both a developmental and a genetic/neurobiological perspective and describes the symptomatic and functional outcomes of personality disorders. Treatment options across therapeutic modalities. A new, cutting-edge chapter argues for the early identification of borderline psychopathology in children and young adolescents, in an effort to prevent full-blown disorder later in life. Additional chapters delve into an array of individual psychotherapies, pharmacotherapeutic options, and group, family, and couples therapies. Guidance on forming and maintaining a therapeutic alliance and on avoiding boundary violations in treating patients with personality disorders is provided. Special problems, populations, and settings, including suicide, substance use disorders, antisocial behavior, personality pathology in general medical settings, and personality disorders among active-duty military. The usefulness of translational research to deepen understanding of the biopsychosocial nature of the personality disorders, particularly borderline personality disorder. This comprehensive textbook is an essential resource for clinicians looking to stay on the vanguard of a rapidly growing field.

publisher of a child called it: Deliver Us From Evil Ron Corcoran, 2016-08-02 Safety, Acceptance, Belonging. These words come to mind when we hear about families. Having a mother, father, and twelve siblings living in a strong Christian faith should mean plenty of love, laughter and companionship. But what if, inexplicably, one's parents selectively manipulated and mistreated some of the children and not the others? How would you deal with being one of three children who constantly bore unprovoked wrath and abuse — while watching the others receive the love, affirmation and nurturing you so desperately needed and craved? Would you ask yourself if your life was worth anything to anyone at all? Would you feel that God had overlooked and abandoned you? Would you despair of God for being unresponsive when you cried out for relief? Ron Corcoran's frank and honest memoir courageously proclaims that no matter how wretched, broken or angry we may be, we can indeed be delivered, redeemed and transformed by the love of the living, eternal God.

publisher of a child called it: The Sonicbond Publishing Progressive Rock Sampler Stephen Lambe, 2024-08-27 Since Sonicbond Publishing launched at the end of 2018, iwe have published books that span most genres in popular music, from easy listening to psychedelia and from pop to metal. However, it is in the world of progressive rock that we have found our most comfortable home. This book features eleven chapters from books on some of the greats of the genre, including from our On Track series Yes, Genesis, Caravan, ELP, Gentle Giant, Jethro Tull, Pink Floyd, Porcupine Tree and Steve Hackett solo. Our Decades series offers up chapters on Marillion in the 1980s and Van Der Graaf Generator in the 1970s and our Year In series has a

chapter on Aphrodite's Child's seminal 666. This is just the tip of the iceberg, though, and for the up-to-date list, check out the complete stocklist at the back of this book. The book contains two exclusive pieces that you won't find in printed books anywhere else. Nick Holmes' detailed chapter on Porcupine Tree's Closure/Continuation can be found in the current E-book but not yet in the printed version. Stephen Lambe has rewritten his own chapter on Yes' 'lost album' Talk, released 30 years ago. Contents: Closure/Continuation (2022) from Porcupine Tree On Track (Revised Edition) by Nick Holmes (to be published in 2025) Talk (1994) from Yes On Track by Stephen Lambe. Revised version for future Editions Aphrodite's Child - 666 (1972) from 1972: The Year Progressive Rock Ruled The World by Kevan Furbank If I Could Do It All Over Again It Again I'd Do It All Over You (1970) from Caravan On Track by Andy Boot Tarkus (1971) from Emerson, Lake & Palmer On Track by Mike Goode Wind & Wuthering (1976) and the Spot The Pigeon EP from Genesis On Track by Stuart Macfarlane Acquiring The Taste (1971) from Gentle Giant On Track by Gary Steel Songs From The Wood (1977) from Jethro Tull On Track by Jordan Blum 1985: The Heart That We Have Live from Marillion in the 1980s by Nathaniel Webb Meddle (1971) from Pink Floyd On Track by Richard Butterworth Defector (1980) from Steve Hackett On Track by Geoffrey Feakes 1975: The Undercover Men From Van der Graaf Generator In The 1970s by Steve Pilkington

publisher of a child called it: The American Psychiatric Publishing Textbook of Suicide Assessment and Management Robert I. Simon, Robert E. Hales, 2012 This new edition of Textbook of Suicide Assessment and Management follows the natural sequence of events in evaluating and treating patients: assessment, major mental disorders, treatment, treatment settings, special populations, special topics, prevention, and the aftermath of suicide.

publisher of a child called it: **Women in Independent Publishing** Stephanie Anderson, 2024-12-15 Women in Independent Publishing is a collection of interviews with and resources about women actively engaged in small-press publishing between the 1950s and the 1980s. The interviewees include Hettie Jones, Margaret Randall, Bernadette Mayer, and many others. The scope and range of the interviews showcase a variety of types of publishing possible within the small press community. These interviews illuminate the unifying and diverging elements between multiple publishing "scenes" and reveal their particularities and commonalities. Women in Independent Publishing is a timely and urgent documentation of literary history and reveals and celebrates the multifaceted roles of women editors and publishers and the communities they built. The book includes a critical introduction, an afterword by contemporary small-press publisher M. C. Hyland and a robust resources section that provides further paths for reading and literary recovery.

publisher of a child called it: **Transition of the Mind** Tony Cloud, 2013-12-12 Author Tony Cloud grew up in Wheaton, Maryland, when the metropolitan area of Washington, DC, earned the title Crime Capital of the World. He knows firsthand the ugliness that crime perpetuates. In Transition of the Mind, he shows how drugs and violence have affected the hearts of the entire world and discusses how action must be taken before it's too late. This study journeys into the hearts of deprived, devalued, and distressed inner-city children. Based on real lives and true events in the ghetto and suburban areas, it answers many questions that have been asked by parents and grandparents around the nation: Why are so many young people joining gangs, and how do we get them out? What kinds of laws or rules are necessary for inner-city survival? How has poverty cheapened the value of life? Besides abortion, how are children murdered without a weapon? What is the power of a gangsta in underprivileged areas? Is racism truly alive, and does it exist on every level of life? Heartfelt and raw, Transition of the Mind provides insight into the challenges of street life for many young people in inner-city settings. It shows that through discipline and faith in God and themselves, they can overcome the challenges and become righteous people.

publisher of a child called it: *Released* Gypsy-Rose Blanchard, Melissa Moore, Michele Matrisciani, 2024-01-09 Gypsy-Rose Blanchard discovered that her whole life was a lie. After

eight-and-a-half years of incarceration, she can finally tell you the truth—with this exclusive collection of interview transcripts and journal entries, plus her own illustrations and photos. While incarcerated for her role in her mother's death, Gypsy saw her story told by others again and again in the media, from news reports and podcasts to TV series like *The Act* (Hulu). Now, granted early parole and preparing to start a new life, she's free to speak directly to her supporters and the world. Falsely told that she suffered from debilitating, chronic illnesses, Gypsy grew up enduring physical and emotional abuse at the hands of her mother Dee Dee, including unnecessary medication and surgery. But her desperate attempts to escape a lifetime of isolation led Gypsy into the grip of another abuser, ultimately resulting in her mother's murder. Released is Gypsy's frank, unflinching, and deeply personal reflection on her past, present, and hoped-for future, and includes: Exclusive interviews with Gypsy recorded during her time in prison Gypsy's contemplative writing on trust and betrayal, love and freedom, self-worth and identity, prison life, her marriage, and other personal issues Personal photos, drawings, and other memories from years past Created with writers Melissa Moore and Michele Matrisciani, Released is a declaration of Gypsy's resolve to turn her pain into perseverance, take accountability for her actions, and help others escape the trap that circumscribed her life for so long.
