

how to make peace with your past

How to Make Peace with Your Past: Embracing Healing and Growth

how to make peace with your past is a question many of us grapple with at some point in life. Whether it's painful memories, regrets, or unresolved conflicts, our past experiences often shape how we feel today. Yet, holding onto past wounds can hinder personal growth and happiness. Learning to accept, understand, and eventually make peace with what's behind us is a vital step toward emotional freedom and a fulfilling life. In this article, we'll explore practical ways to embrace healing, release lingering pain, and cultivate a peaceful relationship with your past.

Understanding the Importance of Making Peace with Your Past

Our past is like the foundation of a house—sometimes solid and comforting, other times shaky and fraught with cracks. When those cracks represent unresolved trauma, mistakes, or painful memories, they can affect how we build our present and future. Making peace with your past doesn't mean forgetting or excusing what happened; rather, it involves recognizing those events, learning from them, and freeing yourself from their emotional grip.

Why Holding Onto Past Pain Can Be Harmful

Carrying unresolved emotions or regrets can manifest as anxiety, depression, or difficulty forming healthy relationships. It may cause us to repeat negative patterns or constantly relive moments that no longer serve us. Healing from these experiences allows us to grow emotionally and develop resilience.

The Role of Forgiveness

Forgiveness plays a crucial role in making peace with your past. This includes forgiving others who may have hurt you and also forgiving yourself for perceived mistakes. Forgiveness is often misunderstood as condoning wrongdoing, but it's really about releasing the heavy burden of bitterness and anger for your own well-being.

Steps to Make Peace with Your Past

1. Acknowledge Your Feelings Without Judgment

One of the first and most important steps is to honestly acknowledge your feelings about your past.

Suppressing emotions or pretending everything is fine can prevent healing. Instead, allow yourself to feel sadness, anger, or disappointment without self-criticism. Journaling or talking to a trusted friend or therapist can help in this process.

2. Reflect on What You've Learned

Every experience, no matter how painful, can teach us something valuable. Take time to reflect on what your past has taught you about yourself, your boundaries, and your values. This shift from victimhood to empowerment is an essential part of emotional healing.

3. Practice Mindfulness and Acceptance

Mindfulness encourages living in the present moment without judgment and accepting things as they are. By practicing mindfulness meditation or simple breathing exercises, you can reduce the tendency to ruminate on past events and instead cultivate a calm, centered state of mind.

4. Create Healthy Boundaries

Sometimes, making peace with your past involves distancing yourself from toxic relationships or environments that keep triggering old wounds. Setting healthy boundaries protects your emotional space and allows you to focus on your healing journey.

5. Seek Professional Support if Needed

For many, working through deep-seated trauma or complex emotions requires professional help. Therapists, counselors, or support groups can provide guidance, coping strategies, and a safe space to process difficult memories.

Techniques and Practices to Embrace Healing

Writing a Letter to Your Past Self

One therapeutic exercise is writing a compassionate letter to your younger self. This can help you acknowledge the pain you endured and offer kindness and understanding where it was missing. It's a powerful way to foster self-compassion and closure.

Visualization and Guided Imagery

Visualization techniques can assist in mentally releasing past burdens. Imagine placing your painful memories in a box and gently closing it, symbolizing your decision to no longer be controlled by them. Guided imagery exercises often promote emotional release and relaxation.

The Power of Gratitude

Gratitude may seem unrelated to making peace with your past, but focusing on positive aspects of your life can shift your mindset. Recognizing what you have now encourages hope and reduces the hold of negative memories on your emotional state.

Living Forward: Integrating Your Past into a Healthier Present

Making peace with your past is not about erasing what happened but integrating those experiences into your life story in a way that supports growth. When you accept your history, you can make conscious choices free from the shadows of old pain.

Building Resilience Through Self-Care

Engaging in regular self-care nurtures your emotional and physical well-being, making it easier to cope with triggers and setbacks. Activities like exercise, creative hobbies, and spending time in nature replenish your spirit.

Surround Yourself with Positive Influences

The company you keep can either reinforce old wounds or encourage healing. Cultivating relationships with people who uplift and understand you creates a supportive environment for ongoing peace.

Set Goals That Reflect Your True Self

When you're no longer weighed down by past regrets or trauma, you can identify what truly matters to you. Setting meaningful personal or professional goals helps redirect your energy toward a hopeful future.

Final Thoughts on How to Make Peace with Your Past

The journey to make peace with your past is deeply personal and often non-linear. There may be moments of progress and times when old feelings resurface. This is natural and part of the healing process. Remember, the goal isn't perfection but rather compassion for yourself as you navigate your story.

By embracing your past with kindness and understanding, you unlock the freedom to live more fully in the present. Healing opens doors to new possibilities, richer relationships, and a sense of inner calm. Taking one step at a time, you can transform your past from a source of pain into a foundation for resilience and growth.

Frequently Asked Questions

Why is it important to make peace with your past?

Making peace with your past is important because it allows you to let go of negative emotions, reduce stress, and move forward with a healthier mindset, leading to improved mental and emotional well-being.

What are some effective steps to make peace with your past?

Effective steps include acknowledging your past experiences, forgiving yourself and others, seeking therapy or counseling if needed, practicing mindfulness, and focusing on personal growth and self-compassion.

How can forgiveness help in making peace with your past?

Forgiveness helps release the burden of resentment and anger, allowing you to heal emotionally and break free from the negative impact of past events, which is essential for making peace with your past.

Can journaling aid in making peace with your past?

Yes, journaling can aid in processing emotions, understanding your experiences better, and gaining clarity, which can promote healing and acceptance of your past.

Is it necessary to confront painful memories to make peace with your past?

While not always necessary to confront every painful memory directly, acknowledging and understanding those memories is important for healing and making peace with your past.

How does therapy support making peace with your past?

Therapy provides a safe space to explore and process past experiences, develop coping strategies,

and receive professional guidance, which can facilitate emotional healing and peace.

What role does self-compassion play in making peace with your past?

Self-compassion helps you treat yourself with kindness and understanding rather than judgment, making it easier to accept your past and foster emotional healing.

Can mindfulness practices help in making peace with your past?

Yes, mindfulness practices help you stay present, reduce rumination on past events, and develop a non-judgmental awareness, which supports emotional balance and peace with your past.

How to Make Peace with Your Past: A Comprehensive Guide to Emotional Healing

how to make peace with your past is a question that resonates deeply with many individuals striving for personal growth and emotional well-being. The past, with its mix of joyful memories and painful experiences, often holds significant influence over one's current mental state and future outlook. Yet, learning to reconcile with previous events—whether they involve trauma, regret, or unresolved conflicts—is crucial for achieving inner peace and fostering resilience. This article explores effective strategies and psychological insights into how to make peace with your past, emphasizing practical steps and professional perspectives that can aid in this transformative journey.

Understanding the Importance of Making Peace with Your Past

Before delving into actionable methods, it is essential to understand why making peace with your past matters. Unresolved issues from earlier life stages can manifest as anxiety, depression, or dysfunctional relationship patterns. According to research published by the American Psychological Association, individuals who engage in reflective practices to process past traumas report better emotional regulation and reduced stress levels. Conversely, avoidance or suppression of painful memories often exacerbates psychological distress.

Making peace with your past is not about forgetting or excusing past mistakes. Instead, it involves acknowledging those experiences, understanding their impact, and integrating them into your life narrative in a way that empowers rather than debilitates. This process can foster self-compassion, improve mental clarity, and enhance overall life satisfaction.

Key Approaches to Making Peace with Your Past

1. Acceptance and Mindfulness

One foundational step in how to make peace with your past involves acceptance. Acceptance is a conscious decision to acknowledge your history without judgment or denial. Mindfulness-based therapeutic techniques encourage individuals to observe their thoughts and emotions related to past events with curiosity and openness. Studies have shown that mindfulness practices reduce rumination—a common obstacle in emotional healing—by creating psychological distance from painful memories.

Incorporating daily mindfulness exercises, such as meditation or mindful journaling, can help individuals stay grounded in the present while gently confronting unresolved feelings. This approach prevents the past from dominating one's emotional landscape and fosters a balanced perspective.

2. Reframing and Cognitive Restructuring

Cognitive behavioral therapy (CBT) offers valuable tools for reframing negative beliefs tied to past experiences. When learning how to make peace with your past, it is often necessary to challenge distorted or overly harsh self-perceptions formed as a result of previous events. For example, someone who experienced repeated criticism during childhood might internalize a belief of inadequacy.

Through cognitive restructuring, individuals can identify these maladaptive thoughts and replace them with more balanced and compassionate narratives. This shift not only alleviates emotional pain but also empowers a healthier self-image. Mental health professionals frequently utilize this technique to aid clients in resolving lingering issues related to their history.

3. Forgiveness: A Double-Edged Sword

Forgiveness is frequently cited as a critical component in how to make peace with your past. However, it is important to understand that forgiveness is a deeply personal and sometimes complex process. It does not necessarily mean condoning harmful behavior or forgetting transgressions but rather releasing the burden of resentment.

The pros of forgiveness include emotional relief, reduced hostility, and improved interpersonal relationships. On the other hand, premature or forced forgiveness might suppress legitimate feelings or enable toxic dynamics. Therefore, it is advisable to approach forgiveness gradually and authentically, often with guidance from counselors or support groups.

4. Seeking Professional Support

While self-help strategies are valuable, professional support can significantly enhance the process of making peace with your past. Psychologists and therapists offer structured environments to explore difficult memories safely. Techniques such as Eye Movement Desensitization and Reprocessing (EMDR) have been effective in treating trauma-related conditions by helping patients reprocess distressing experiences.

Furthermore, group therapy or peer support networks provide communal validation, reducing feelings of isolation that often accompany unresolved past issues. Investing in professional help can accelerate healing and provide tailored interventions suited to individual circumstances.

Practical Steps to Implement in Daily Life

Embracing the theoretical frameworks is crucial, but translating them into daily practices solidifies progress. Here are some practical steps that support how to make peace with your past:

- **Journaling:** Writing about your experiences and emotions can clarify thoughts and reveal patterns.
- **Setting Boundaries:** Protect yourself from toxic relationships that trigger old wounds.
- **Engaging in Creative Expression:** Art, music, or dance can provide alternative outlets for processing emotions.
- **Practicing Self-Compassion:** Treat yourself with kindness and patience during setbacks.
- **Creating a Ritual:** Symbolic acts such as letter-writing or ceremonies can mark the transition from pain to acceptance.

Each of these practices reinforces the gradual transformation necessary for genuine peace with one's past.

Challenges and Common Obstacles

Embarking on the journey of making peace with your past is rarely linear or easy. Resistance, fear of vulnerability, or deeply ingrained denial can hinder progress. Additionally, societal stigma around mental health may discourage individuals from seeking the necessary support. Awareness of these barriers is crucial to developing realistic expectations and compassionate self-management.

Moreover, some may struggle with the paradox of wanting to move forward while feeling tethered to past identities. Recognizing that healing is a lifelong process rather than a one-time fix can mitigate frustration and promote perseverance.

The Role of Time in Healing

Time plays a nuanced role in how to make peace with your past. While some wounds may heal naturally with the passage of time, others require active intervention. Patience is indispensable, as rushing the process can lead to superficial resolutions that fail to address root causes.

Longitudinal studies in psychotherapy reveal that sustained efforts over months or years often yield the most robust outcomes. Therefore, cultivating resilience and maintaining commitment to healing practices is essential for lasting peace.

The endeavor to reconcile with one's history is both challenging and deeply rewarding. Through acceptance, cognitive reframing, forgiveness, and supportive interventions, individuals can transform the weight of past experiences into a foundation for growth and renewed hope. Ultimately, how to make peace with your past is a personalized journey that demands courage, reflection, and ongoing care.

how to make peace with your past: [Making Peace with Your Past](#) H. Norman Wright, 1997-11-01 Much of who we are, what we do, and how we feel is determined by our past. Whether they're relationships from our childhood or pressures from recent years, the events of the past can have a significant impact on our current behavior. A continual bestseller now re-launched with a new look for new readers, this insightful and perceptive book shows readers how to face and move beyond the negative events and feelings of their past. Writing from a compassionate, Christian perspective, H. Norman Wright helps readers understand who they are, who is responsible for their character, and how they can let go of the things of the past in order to live with confidence and enthusiasm.

how to make peace with your past: *Make Peace with Your Past* GREGORY L. JANTZ (PH.D.), Jantz Ph D Gregory L, 2025-11-18 We all want to feel energized, optimistic, and fulfilled each day, thankful for the meaningful people and activities in our lives. Yet many people lack this kind of joy and vitality. Why? One major reason is they have not made peace with their past. Often people carry pain from past troubled relationships into their current relationships. They are weighed down by shame that toxic people once tried to put on them. Or they hold on to mistakes and failures, never able to forgive themselves. Either way, they struggle to find the freedom that God offers. *Make Peace with Your Past* offers essential principles and practical steps for moving beyond these painful experiences. Dr. Gregory Jantz takes readers from hurt to healing by exploring the power of forgiving others and themselves, accurately seeing themselves as God does, living fully in the moment with him, and allowing the upward call of God in Christ Jesus to define their future (Philippians 3:14, ESV). The past may have been disappointing or it may have been disastrous--but when we make peace with those circumstances, our present and future can be better than we ever imagined. Dr. Gregory L. Jantz is the author of over forty-five books, the host of the national Hope & Possibility podcast, a regular contributor to Psychology Today, and a popular keynote speaker. He is a leader in holistic treatment. Under Dr. Jantz's leadership, The Center: A Place of HOPE is among the top ten facilities in the United States for the treatment of depression.

Because the best moments of life are happening right now—don't miss them.

how to make peace with your past: Revealing the Hidden Hope: Entering in at the Strait Gate, Through The Doorway to an Already Decided Destiny Dr. Xavier T. Carter Sr., 2014-03
The Reverend Dr. Xavier Trone Carter, Sr. During his last thirty-eight years of practicing preaching--thirty-one of them as a pastor in preparation--Dr. Carter has striven to manifest the Incarnate Word by the spoken word, from the written word. In those years he joined with some of the greatest and most courageous preachers of our time who have devoted their lives to the pursuit of truth over tradition, good over evil and salvation over sin. However, unlike his predecessors, Dr.

Carter, a brilliant Educator, Author, Pastor and Teacher, made the decisive-decision to take traditional Christian practices to the next level. His theories have provoked controversy in the local Church for well over thirty years. With the publishing of *Revealing the Hidden Hope: Entering in at the Strait Gate, Through the Doorway to an Already Decided Destiny* he now seeks to alter the course of human events in Christendom by painting a literal portrait of what it means to apprehend and adhere to the Principles of God, with the full expectation of enjoying the Promises of God, while we yet live. James Francis Brooks, Senior Pastor Lily Baptist Church, Tarrant City, Alabama by precept and example this book is a literal road map of how to get from where you are to where you desire to go; that is from earth's sorrow to heaven's joy, while you yet live. Dr. Carter has pulled no punches: he calls a spade a spade and sin by its right name, letting the chips fall where they may. By following his directions any believer can apprehend and adhere to the Divine Order of Authority in this world and subsequently enjoy the promises of God. It's all a matter of belief plus action, commonly known as faith. Dorothy Collins Publisher and Editor of the Lily Light Lily Baptist Church, Tarrant City, Alabama

A young army commander is put to the ultimate test when his planet comes under attack from the evil Flametorm's forces, led by the purest of all evil (War Lord ZID) as foretold by the ancient Dark Seed prophecy that Commander Desmond Wes fear has come to pass. Together, with the help of two galaxy rangers, two bounty hunters, and a handful of others he'll launch a desperate plan to retake his planet and save his people and the tubys from the evil Zid and whomever the Dark Seed is.

how to make peace with your past: *The Secret Sauce Is YOU!-Being Your 'Ownmate'* Swati Sharma, 2021-02-08 About The Book The Law of gravity is an inescapable truth of the universe. Sometimes, tectonic shifts happen, lightning strikes, earth shatters, and we fall flat on our face at rock-bottom. We find ourselves engulfed in darkness, silence, and solitude- Finding this to be a perfect breeding ground, our opportunistic demons crawl into our minds gnawing us with their scrawny mindsets. We give in and lose it. We break and how! But how do you know what you're truly made up of? When you break open! Incidentally, that's how stars are made too! About The Author Swati Sharma was born & brought up in New Delhi, INDIA. She lives in her den in Gurugram-Haryana, INDIA. Her parents named her 'Abhilasha' (A Wish!) as she was born. However, Swati got her first name changed when she was barely three years old since she didn't like it! Swati carries her steel-willed (not iron-willed for iron rusts!) mother's maiden surname. Simply because her much evolved father (A Great Man ahead of time itself!) didn't believe that both- Legacy & lineage should be in the father's surname only! After all, both a sperm and an egg make a life!

how to make peace with your past: *Healthy Past 100* Steven M. Teagarden DC, 2023-08-10 *Healthy Past 100* was written explicitly for those longing to be extraordinarily healthy—even past their 100th birthday. This breakthrough book is based on thousands of cutting-edge science articles identifying the causes of optimal health vs sickness and disease. *Healthy Past 100* puts a wealth of cutting-edge, science-based healthcare information at your fingertips, empowering you to make the healthiest choices for you and your family. *Healthy Past 100* is several books in one, and it also contains a mouthwatering keto cookbook that's exclusively based on the most nourishing ingredients

you can consume. This life-changing book is based on the Short List, i.e., a distillation of the core factors involved in being healthy past 100. The Short List includes: The Metabolic Masterplan Diet: the Metabolic Masterplan Diet may be the world's most advanced ketogenic diet. Nothing improves your health as much as following this research-based, anti-inflammatory, gut-healing ketogenic diet. Nutrition and Supplements: providing your cells with all the nutrients they require to function optimally is key to a long, healthy life. Healthy Past 100 shows you exactly which nutrients you need and which ones to supplement with. Metabolism: carbohydrates and sugar damage your metabolism (the process of creating energy in your cells), causing serious health issues. Healthy Past 100 teaches you to heal and optimize your metabolism, and which tests to rely on to know—not guess—that your metabolism is as healthy as can be. Chronic Inflammation: this widespread health issue underlies all diseases, and must be healed to experience optimal health. Healthy Past 100 rids you of chronic inflammation—now and forever—paving the way to lasting health. Gut Health: most humans deal with significant gut issues. Fortunately, Healthy Past 100's innovative gut healing method leads to lifelong optimized gut health. Psychology: psychology is how you think, feel, act, behave and respond to life's circumstances. Healthy Past 100 provides the tools to heal and optimize your psychology, which is foundational to a healthy, fulfilling life. Thyroid Physiology: inefficient thyroid physiology impairs your body and mind, zaps your energy and causes many diseases. Healthy Past 100 explains how thyroid physiology works, how to heal it, and the tests determining if it's in tip-top shape. Exercise: crucial to your health and well-being, exercise must be performed regularly. Healthy Past 100 teaches you which exercises help you become healthy past 100. Detoxification: humans are routinely exposed to dangerous heavy metal toxins. Healthy Past 100 shows you how to rid these harmful metals from your body and minimize your exposure to them in the future. Oxidative Stress: oxidative stress is a primary cause of aging, sickness, disease and death. It has many causes, including carbohydrates, sugar, poor nutrition and impaired gut health. Healthy Past 100 helps you optimize oxidative stress where it matters most: within the mitochondria in your cells. Spiritual/Religious Life: extraordinary health stems from optimal physical, psychological and spiritual well-being. It's just as important to focus on your spiritual fitness as it is to heal your physical body, and Healthy Past 100 helps you do both. This pioneering book has been written to help you experience extraordinary health past your 100th birthday. If you're ready to be healthy past 100, this is the book you've been waiting for!

how to make peace with your past: *Emotional Empowerment* Patrizia Patz, 2022-03-10

Feelings and emotions are part of our everyday life. Sometimes we are supposed to show them, sometimes we are supposed to hide them - in other words, to control our emotions. But when we look at it soberly, we are emotionally illiterate. We don't really know what to do with our feelings. Why have we forgotten how to deal with them? Or have we just never learned it? This book provides answers to these questions. Because in order to come to our senses again, we need a different attitude towards feelings. They can be a gateway to and a tool for manipulation. Or a catalyst of our innermost being and thus a source of empowerment. But without awareness, we have no choice. Only when we know our feelings do we gain clarity and are able to take responsibility for changing something. Patz relentlessly dispels outdated myths about feelings and shows practical and attractive ways to live our authentic potential.

how to make peace with your past: Be Happy Now Laura Barrette Shannon, 2012-03-30 Is happiness something that you believe will come attached to some future event or a special person? Are you postponing happiness until you have the ideal job, live in your dream home, find the perfect mate, retire, or some other future situation? If you find yourself caught up in these thoughts or are missing passion, joy, or inner peace, then this book is for you! Through a series of practical lessons, you will learn the tools for raising self-awareness, leading to a path of personal transformation, which will allow you to experience a life of peace and happiness.

how to make peace with your past: *Breaking The Chain And Being Delivered From Sin* Pastor Servonte Ephriam, 2023-03-06 What is Deliverance? Deliverance Means ? It Means The Action of Being Rescued Or Set Free What Does The Bible have to say about TRUE Deliverance From Sin? Deliverance can mean liberation, freeing, rescue, or salvation. What Is Salvation : deliverance from the power and effects of sin. : the agent or means that effects Salvation Many of us In Life, we are Going through A lot of Different situations Naturally and Spiritually. God wants us to be Delivered and set free from the Bondage of Sin and the weights that comes along with it(Hebrews 12:1) . One main reason why we cannot let things go is because we have Not Made peace with out past while we are living in the Present, and our Future is hindered. There way we could ever get what God has for us is to Accept Your Past, Embrace Your Present, Plan for Your Future Instead, it often means embracing and accepting your experiences so you can live in the present. So recognize the emotional toll that dwelling on something is taking on you, and then give yourself permission to move forward.

how to make peace with your past: How to be a Good Lover Kwabena Osei, 2022-07-10 It is meaningful to talk about love. Love is the universal language. The essence of life is the divine love. Love beautifies life. Life without love is meaningless. The circle of life operates on the energy of love and sex. To be ignorant about love and sex, through which you existed for the human experiences on the mother earth is suicidal. Let us talk about love and sex in the open platform to enlighten mankind. Awareness in the divine principles of love automatically upgrades your romances through loving-kindness to boost your sexual capabilities to be a good lover. Lack of the knowledge about the true love and the false love, alike, rushing in love for possessiveness, many people are perishing each and every day by the edge of the hidden sword of the false love. This precious book; "how to be a good lover" is very significant for the human race. It is meant to serve as the preventive measures against the deceptions and the atrocities being caused consistently in the name of love. Life, relationship, or marriage is all about self-expression through loving-kindness and caring for each other to make the world a safer place for mankind.

how to make peace with your past: *Bond of Love* Amy Suzanne, 2013-12-06 As a picturesque

mother and wife, forty-one year old Avery Richards seems to have it all. Married to a successful veterinarian named Noah and mother to a spunky daughter named Kara, her life is far from awful but she is stuck. With the recent move of their daughter, who has just flown the coop for college, this story examines the deep and often-tumultuous bond between mother and child and the lengths we are willing to go to, as mothers, to sacrifice our own happiness for the ones we love. As we watch Avery walk through her 'new' way of daily life, without her ambitious and stubborn child around to mother any longer, we are given a very unique opportunity to tip toe in the front row of their lives, from three VERY separate views. We will see life as it plays out through Avery's mature and motherly eyes, through Kara's young and sheltered heart, and then through 'someone else's eyes' that has a deeply-vested interest in them both. As Avery's well-hidden web of lies come crashing down in an unexpected way, her secrets that she's safeguarded for years will threaten to rip her peaceful world apart, as well as the world of the ones she loves most. As readers, we will watch how ONE single choice can alter everything. Each character will then be forced to examine what the true meaning of love and forgiveness means to them. Every gamut of emotion will be explored: humor, sadness, love, joy, betrayal, hate, and forgiveness. Bond of Love will leave you pondering the age-old question: How well do YOU actually know the ones you love most?

how to make peace with your past: *My Pocket Gratitude* Courtney E. Ackerman, 2019-11-05
Silence your inner critic and offer yourself the kindness and acceptance you deserve with these 150 guided meditations to embracing your true self. Self-compassion provides you with the tools to understand yourself, give and receive love, and cope with life's struggles. We are often kinder to others than we are to ourselves. But self-compassion is vital to helping you understand your emotions, giving and receiving love, letting go of past mistakes, moving forward with more confidence, and so much more. Now you can cultivate and practice self-compassion through 150 guided meditations in *My Pocket Meditations for Self-Compassion*. With easy-to-follow instructions on beginner meditation, you can learn how to express kindness and compassion towards yourself, make peace with your emotions, build your resiliency, and learn not only to accept, but appreciate exactly who you are. Featuring meditations on self-appreciation, being body positive, accepting love, meeting your emotions, and more, this book will help you start living with more self-awareness, kindness, and peace every day.
