Room on the Broom Activities: Fun and Engaging Ways to Bring the Story to Life

room on the broom activities offer a wonderful opportunity for children, parents, and educators to dive into the magical world created by Julia Donaldson and Axel Scheffler. This beloved children's book, known for its rhythmic storytelling and vibrant illustrations, inspires countless creative projects that not only entertain but also enhance literacy, motor skills, and imaginative play. Whether you're looking for classroom ideas, party games, or simply ways to engage your little ones at home, there are plenty of fun and educational ways to bring the story of the friendly witch and her animal friends to life.

Why Choose Room on the Broom Activities?

Room on the Broom has become a staple in early childhood education and family reading time because of its rhythmic language, engaging narrative, and themes of friendship and teamwork. Activities based on this story are perfect for fostering a love of reading while encouraging creativity and cooperation among kids. Plus, the story's playful tone and colorful characters make it easy to design games, crafts, and learning experiences that hold children's attention.

Integrating room on the broom activities into your routine can support language development through retelling exercises, improve fine motor skills with crafts, and even introduce basic science concepts using themed experiments. The versatility of the story means you can tailor the activities to different age groups and learning objectives.

Creative Craft Ideas Inspired by Room on the Broom

One of the best ways to engage children with the story is through hands-on crafting. Crafts allow kids

to physically interact with the characters and elements of the book, reinforcing their understanding of the story and sparking imagination.

Making Your Own Broomstick

Creating a broomstick is a classic room on the broom activity. Using simple materials like paper towel rolls, yarn, and colored paper, children can assemble their own mini broomsticks. This craft not only connects them to the central prop in the story but also encourages fine motor development and following instructions.

You can take it a step further by decorating the broomsticks with glitter, stickers, or feathers, allowing kids to personalize their creations. This personalization reinforces engagement and makes the craft even more memorable.

Character Puppets

Another fun project involves making puppets of the witch, the cat, the dog, the bird, and the frog using paper bags, popsicle sticks, or felt. Puppet-making encourages storytelling skills as children can reenact scenes from the book or invent new adventures for the characters.

These puppets can also serve as excellent props during reading sessions, helping shy or reluctant readers to participate more actively by “playing” the characters.

Interactive Storytelling Activities

Room on the broom activities shine when they encourage children to become storytellers themselves. Interactive storytelling builds vocabulary, comprehension, and confidence.

Story Sequencing Games

One effective activity is using picture cards depicting key moments from the story. Children can arrange these cards in the order events occur, helping reinforce narrative structure and memory skills. This type of sequencing game can be adapted for younger children by limiting the number of cards or for older kids by adding more detailed scenes.

Role-Playing and Drama

Encouraging children to act out the story promotes empathy and social skills. Assign roles and invite kids to dramatize the witch's journey, the rescue of the characters, or the friendly dragon encounter. Incorporate simple costumes or props to enhance the experience.

Role-playing can also be a team-building exercise, as kids must collaborate to tell the story smoothly. This makes it ideal for both classroom settings and playdates.

Educational Games and Learning Extensions

Beyond crafts and storytelling, room on the broom activities can be designed to support academic skills in a fun way.

Literacy and Phonics Activities

The repetitive, rhyming text of Room on the Broom lends itself perfectly to phonics games. For example, you can create a "rhyming word hunt" where children identify and match rhyming pairs from the story. This enhances phonemic awareness, a foundational skill in early reading.

Another idea is to use magnetic letters or letter blocks to spell out key vocabulary from the book, such as “witch,” “broom,” “cat,” and “dragon.” This hands-on approach makes spelling practice more engaging.

Math and Counting Games

Incorporate counting and simple addition by using the characters as manipulatives. For instance, children can count how many animals join the witch on her broomstick or create addition problems based on the number of items lost and found during the journey.

Sorting activities can also be introduced, such as grouping characters by size or color, which supports early math concepts like categorization and comparison.

Outdoor and Movement-Based Room on the Broom Activities

Physical activity is crucial for young learners, and there are plenty of ways to combine movement with the story’s themes.

Broomstick Races and Obstacle Courses

Set up a broomstick race where children “fly” around cones or navigate an obstacle course pretending to be the witch and her friends. This encourages gross motor skills and coordination while bringing the story’s adventure to life.

You can make the course themed by adding challenges, such as “collecting” items along the way or stopping to “rescue” stuffed animals, mimicking the narrative.

Musical Activities

Create a playlist of songs inspired by the story or use the book's rhymes to develop a musical game. For example, play a variation of "musical chairs" where children sit down when the music stops, but each chair is labeled with a character or item from the story. This reinforces listening skills and character recognition.

Using Technology to Enhance Room on the Broom Activities

Incorporating digital tools can make room on the broom activities even more interactive.

Story Apps and Interactive E-books

There are several apps and e-books based on Room on the Broom that allow children to engage with the story through interactive elements, animations, and read-along features. These can be especially helpful for visual and auditory learners.

Parents and educators can use these digital tools to complement physical activities, reinforcing comprehension and vocabulary.

Creative Digital Projects

Older children may enjoy creating digital art inspired by the story, such as drawing scenes on a tablet or making simple animations. These projects combine storytelling with technology skills, encouraging creativity and digital literacy.

Tips for Making Room on the Broom Activities Successful

To get the most out of room on the broom activities, consider a few helpful tips:

- **Adapt to Age and Ability:** Tailor activities to the children's developmental stages to keep them engaged without frustration.
- **Encourage Imagination:** Allow kids to add their own twists to the story or create new characters, fostering creativity.
- **Use Multiple Senses:** Combine visual, auditory, and tactile experiences for deeper learning.
- **Involve Parents and Caregivers:** Sharing activities at home strengthens the connection between school and family.
- **Keep It Fun:** The goal is to nurture a love for storytelling and learning, so keep the atmosphere light and playful.

Room on the broom activities unlock a treasure trove of opportunities for learning and play. From crafting broomsticks and puppets to acting out the story and engaging in phonics games, these activities bring the enchanting tale to life in joyful and meaningful ways. Whether in the classroom or at home, there's always room for a little magic and adventure with the witch and her wonderful friends.

Frequently Asked Questions

What are some fun 'Room on the Broom' craft activities for kids?

Kids can create their own broomsticks using sticks and paper, make paper plate witches or animals from the story, or design character masks from 'Room on the Broom' for imaginative play.

How can 'Room on the Broom' be used for a themed classroom

activity?

Teachers can organize reading sessions followed by themed crafts, role-playing, and story sequencing activities to engage students with the story's characters and moral lessons.

What sensory activities can be paired with 'Room on the Broom'?

Sensory bins with broomsticks, plastic spiders, and toy animals from the story can be created, or children can explore textures related to the story like feathers, fabric, and rough broom bristles.

Are there any STEM activities inspired by 'Room on the Broom'?

Yes, children can build their own broomsticks using various materials to test which design flies best or holds the most 'passengers,' combining creativity with basic physics and engineering concepts.

How can 'Room on the Broom' be incorporated into literacy activities?

Activities like story sequencing cards, vocabulary matching games, and writing prompts about the characters' adventures help enhance reading comprehension and language skills.

What outdoor activities can be inspired by 'Room on the Broom'?

Organize a broomstick relay race, a scavenger hunt for story-related items, or a nature walk to find materials for making broomstick crafts.

Can 'Room on the Broom' be used for social-emotional learning activities?

Yes, discussions about sharing, helping friends, and teamwork based on the story's themes can be facilitated, along with group activities that promote cooperation.

What are some cooking activities related to 'Room on the Broom'?

Kids can make themed snacks like 'witches' broomstick' pretzel sticks with string cheese or decorate cookies inspired by characters from the story.

How can parents use 'Room on the Broom' for at-home learning activities?

Parents can read the story aloud, engage children in related crafts and role-playing, and ask questions about the plot and characters to improve comprehension and creativity.

Are there printable resources available for 'Room on the Broom' activities?

Yes, many websites offer free printable worksheets, coloring pages, puzzles, and activity sheets themed around 'Room on the Broom' to support educational and creative play.

Additional Resources

Room on the Broom Activities: Engaging Educational Tools for Early Learners

Room on the broom activities have gained significant popularity among educators and parents seeking interactive and imaginative ways to engage young children. Based on the beloved children's book by Julia Donaldson and illustrated by Axel Scheffler, these activities leverage the story's themes and characters to foster literacy, creativity, and social skills. This article delves into the variety of Room on the Broom activities available, their educational benefits, and how they can be integrated into early childhood learning environments.

Exploring the Appeal of Room on the Broom Activities

The enduring charm of *Room on the Broom* lies in its rhythmic storytelling, vivid illustrations, and themes of friendship and cooperation. Activities inspired by this book often harness these elements to create immersive learning experiences. Educators appreciate that these activities are not only fun but also support curriculum goals such as language development, fine motor skills, and problem-solving.

When compared to other story-based activities, *Room on the Broom* offers a unique combination of fantasy and relatable social dynamics, making it an excellent choice for thematic units in preschool and early primary classrooms. The versatility of the story allows for a broad range of activities, from simple crafts to complex role-playing games.

Types of Room on the Broom Activities

Room on the Broom activities span multiple formats, each serving different developmental and educational purposes. The most common categories include:

- **Craft and Art Projects:** Children can create their own broomsticks, character masks, or storyboards, which enhance creativity and fine motor coordination.
- **Literacy-Based Activities:** These include sequencing cards, word matching games, and storytelling prompts that reinforce reading skills and narrative understanding.
- **Dramatic Play and Role-Playing:** Acting out scenes from the book encourages social interaction, empathy, and verbal expression.
- **STEM and Sensory Activities:** Incorporating elements like building broomsticks from various materials or sensory bins themed around the story adds a tactile dimension to learning.

Each of these activity types can be tailored to different age groups and learning objectives, making Room on the Broom a flexible resource for educators.

Educational Benefits of Room on the Broom Activities

The educational value of Room on the Broom activities extends beyond mere entertainment. They contribute to a range of developmental domains:

1. **Literacy Development:** Engaging with the story through reading and related activities promotes vocabulary acquisition, comprehension skills, and narrative sequencing.
2. **Social-Emotional Growth:** The story's themes of sharing and friendship provide a platform for discussions about kindness, cooperation, and empathy.
3. **Fine Motor Skills:** Craft projects that involve cutting, gluing, and coloring aid in the development of hand-eye coordination.
4. **Cognitive Skills:** Problem-solving activities, such as puzzles or matching games based on the story, enhance memory and critical thinking.

Research in early childhood education supports the use of story-based activities as effective tools for holistic development, and Room on the Broom activities align well with this approach.

Implementing Room on the Broom Activities in Educational Settings

Integrating Room on the Broom activities into classroom routines or home learning schedules requires thoughtful planning. The best practices involve aligning activities with learning standards and considering the interests and abilities of the children involved.

Curriculum Integration and Customization

Teachers often incorporate Room on the Broom activities into literacy centers, thematic units on fairy tales, or Halloween celebrations. Customizing activities to meet specific learning goals enhances their effectiveness. For example:

- Using sequencing cards to teach story structure during reading lessons.
- Incorporating character masks to support role-play in social studies or drama sessions.
- Designing STEM challenges where students build simple broomsticks, linking to physics concepts like balance and gravity.

This integrative approach not only maximizes engagement but also ensures that activities contribute meaningfully to educational outcomes.

Digital and Printable Resources

The digital age has expanded access to Room on the Broom activities through printable worksheets, interactive apps, and online games. These resources offer convenience and variety, catering to diverse learning styles and settings. Printable coloring pages and story sequencing cards are staples for many educators, providing tangible materials that children can manipulate.

Conversely, interactive apps may include read-along features and animated storytelling, which support auditory and visual learners. However, it is important to balance screen time with hands-on activities to maintain a well-rounded learning experience.

Challenges and Considerations

While Room on the Broom activities are widely praised, some challenges warrant attention. One potential drawback is the overreliance on themed activities which may overshadow other curricular content if not balanced properly. Additionally, crafting activities may require materials that are not always readily available or budget-friendly.

Another consideration is inclusivity. Educators should ensure that activities accommodate children with varying abilities and backgrounds. For example, role-playing exercises should be adaptable for children who may feel shy or have communication difficulties.

Popular Room on the Broom Activities and How They Engage Children

To illustrate the practical application of these activities, here are several popular examples that have proven effective in educational contexts:

The Broomstick Craft

Crafting a broomstick allows children to engage tactilely with the story. Using simple materials like paper towel rolls, colored paper, and yarn, children construct their own versions of the witch's broom. This activity fosters creativity, fine motor skills, and a connection to the narrative.

Story Sequencing Games

Sequencing cards that depict key events from *Room on the Broom* help children understand story order and causality. This activity supports comprehension and memory, which are critical components of early literacy development.

Character Role Play

By donning masks or costumes representing the witch, cat, dog, bird, and frog, children enact scenes from the book. This immersive experience promotes verbal skills, empathy, and cooperative play, reinforcing social-emotional learning objectives.

Interactive Read-Aloud Sessions

Educators often complement activities with interactive read-alouds, asking predictive and inferential questions to deepen engagement. Combining storytelling with movement or sound effects enhances attention and retention among young learners.

Conclusion: The Enduring Value of Room on the Broom

Activities

Room on the Broom activities serve as more than mere entertainment; they are valuable educational tools that support a broad spectrum of developmental skills in young learners. Their adaptability, thematic richness, and alignment with early childhood learning objectives make them a favored choice among educators and parents alike. As resources continue to evolve, integrating these activities thoughtfully can create enriching, playful learning environments where children thrive both academically and socially.

room on the broom activities: *Room on the Broom* Jean Evans, 2012-01-01 Read & Respond: Room on a Broom provides teachers with a wealth of resources to teach Room on a Broom by Julia Donaldson and Axel Scheffler. Notes and activities reflect the way that teachers teach now and include shared texts, guided reading notes, reading activities, speaking and listening activities, writing projects and assessment guidance. Room on a Broom is another beautiful picture book from the team who brought us The Gruffalo.

room on the broom activities: Creative Activities for the Early Years Barbara Melling, 2005 Annotation Whether your topic is the autumn, the Chinese New Year, the coastline or kings and queens, you can be sure that children will find the art and music ideas in Creative Activities for the Early Years interesting and entertaining. The activities encourage children to use their imagination to communicate ideas, and develop their gross and fine motor skills. The activities are grouped by popular early years themes and can be used as a complete programme or as a dip-in resource. Never be stuck for art and craft ideas again!

room on the broom activities: Room on the Broom Activity Book Spl Donaldson Julia S, 2012-11-01

room on the broom activities: Talking with Your Toddler Activity Book Teresa Laikko, Laura Laikko, 2021-06 Help your child learn and practice talking with this fun activity book packed with family-friendly exercises, conversation topics, and vocabulary recommendations—perfect for parents who want to make sure their child develops a firm grasp of language and speech. Teaching your child to talk doesn't have to be all work and no play! This ready-to-use activity book is perfect for practicing talking and encouraging verbalizing, whether you're at home or on the go. Packed with interactive exercises that promote verbalization and vocabulary-building in young children, this book includes: Coloring pages Cut-and-paste activities Seasonal and holiday-themed projects And much more! Written by experienced speech professionals, the activities in this book make for a wonderful bonding experience between parents and children, and can also be used by speech

language teachers as a supplement to their lessons. The end of each activity, you'll find conversation topics, book suggestions, and relevant songs to sing to get you and your child talking and communicating effectively!

room on the broom activities: The Reading Aloud Resource Book Katie Walsh, Maria Bracken, 2023-05-11 This practical guide is the ideal tool for the busy practitioner or speech and language therapist to provide an effective, meaningful, and contextualised approach to language development using picture books. Drawing from up-to-date, evidence-based research, each chapter shows you how to get the most out of picture books to support language development, with a focus on the range of opportunities that reading aloud can bring. The guide offers a complete package to promote speech, language, and early literacy, and to enrich language comprehension, vocabulary, phonological awareness, and oral language – all by using books to provide a context for meaningful language learning. The resource also includes advice on how to develop intervention goals and outcome measures for reading aloud, with practical suggestions covering topics from creating a reading routine and book nooks, to encouraging reluctant readers and reading aloud challenges. Language skills are essential for academic, social and communication success and this reading aloud resource will be valuable reading for early year educators, primary teachers, and speech and language therapists working with young children aged 0-7.

room on the broom activities: Halloween Room on the Broom Activity Book Zerobyte Creativity, 2020-10-12 A Wonderful Halloween Gift This is a fun activity book for kids with a variety of different activities. * Halloween designs * Letters, Numbers, Practices * 36+ Activity pages : Dot to Dot, Jokes, Coloring and Stickers. * The perfect gift for this Halloween season!

room on the broom activities: 100 Ideas for Early Years Practitioners: Forest School Tracey Maciver, 2018-01-11 Forest School sessions have risen in popularity in recent years, with many nurseries and pre-schools offering them as part of their regular programme of activities. This new title in the best-selling 100 ideas series is filled with easy-to-implement ideas for introducing Forest School activities and concepts into each day, without putting pressure on the practitioners' time or the setting's budget. 100 Ideas for Early Years Practitioners: Forest School promotes the use of natural resources and the environment, as well as encouraging and instigating child-led learning and play. It addresses health and safety in the outdoor classroom, discusses issues and myths surrounding Forest School, and explores how integrating it into early years settings and provision can enhance children's learning as well as developing a range of 'soft skills' such as self-confidence, working with others, sharing, problem solving, empathy and respect for self, others and their environment.

room on the broom activities: If You Give . . . Series Guide Language Learning Activities Tracy Pearce, 2015-02-01 These activities for the If You Give...Series practice key language convention skills. The activities integrate literature with learning about grammar, word choice, and sentence structure. Learning can be fun when it's connected to literature.

room on the broom activities: Blended Learning: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources, 2016-08-18 Traditional classroom learning environments are quickly becoming a thing of the past as research continues to support the integration of learning outside of a structured school environment. Blended learning, in particular, offers the best of both worlds, combining classroom learning with mobile and web-based learning environments. Blended Learning: Concepts, Methodologies, Tools, and Applications explores emerging trends, case studies, and digital tools for hybrid learning in modern educational settings. Focusing on the latest technological innovations as well as effective pedagogical practice, this critical multi-volume set is a comprehensive resource for instructional designers, educators, administrators, and graduate-level students in the field of education.

room on the broom activities: If You Give . . . Series Guide Vocabulary Activities Tracy Pearce, 2015-02-01 These vocabulary activities for the If You Give...Series incorporate key skills from the Common Core. The activities integrate vocabulary with the study of the texts. Includes text-dependent questions, definitions, and text-based sentences.

room on the broom activities: The Room on the Broom Play Julia Donaldson, 2008-10-04 Now everyone can join the witch and her cat for a magical adventure with this fun and accessible playscript, adapted by the author from the bestselling picture book *Room on the Broom*. The *Room on the Broom Play* has been designed with rehearsals and performance in mind, with a clear layout and colour-coding for each character, perfect for helping children to follow their lines and join in the action! The book also contains a hints and tips section, which includes helpful advice on staging the play and ideas for props. There are also ideas for themed *Room on the Broom* activities. With Axel Scheffler's bright and characterful illustrations and Julia Donaldson's hilarious and witty rhyming playscript, this wonderful, dramatic way to share the classic story is sure to delight teachers, parents and children everywhere.

room on the broom activities: 101 Activities for Fast Finishers Teacher Created Resources, 2011 Keep fast finishers busy while other students are still working. Choose from 35 Lively Language Arts activities, 35 Mind-Bender Math activities, and 31 Beyond Brainy activities that focus on critical thinking. Each activity is labeled with an estimated amount of time it will take to complete--usually just 5 to 15 minutes.

room on the broom activities: Activity Learning Diane J. Cook, Narayanan C. Krishnan, 2015-02-23 Defines the notion of an activity model learned from sensor data and presents key algorithms that form the core of the field *Activity Learning: Discovering, Recognizing and Predicting Human Behavior from Sensor Data* provides an in-depth look at computational approaches to activity learning from sensor data. Each chapter is constructed to provide practical, step-by-step information on how to analyze and process sensor data. The book discusses techniques for activity learning that include the following: Discovering activity patterns that emerge from behavior-based sensor data Recognizing occurrences of predefined or discovered activities in real time Predicting the occurrences of activities The techniques covered can be applied to numerous fields, including security, telecommunications, healthcare, smart grids, and home automation. An online companion site enables readers to experiment with the techniques described in the book, and to adapt or enhance the techniques for their own use. With an emphasis on computational approaches, *Activity Learning: Discovering, Recognizing, and Predicting Human Behavior from Sensor Data* provides graduate students and researchers with an algorithmic perspective to activity learning.

room on the broom activities: The Room on the Broom Party Book Julia Donaldson, 2019-09-05 Plan a wonderful, witchy party with *The Room on the Broom Party Book*, perfect for themed birthday and Halloween parties! Based on the bestselling picture book, *Room on the Broom*, by Julia Donaldson and Axel Scheffler, *The Room on the Broom Party Book* is filled with lots of magical games and activities such as a witch's treasure hunt, broomstick games, magic bog slime and more! Also included are invitations and spooky decorations, recipes for tasty party food, and instructions for making your very own witch's cauldron piñata - plus the *Room on the Broom Song*, jokes and over 200 stickers.

room on the broom activities: Room on the Broom Sticker Book Julia Donaldson, 2020-09-03 A fun sticker book, based on the bestselling *Room on the Broom*, packed full of activities and over four hundred stickers.

room on the broom activities: Working with Childhood Apraxia of Speech Kathryn Murrell, 2023-12-18 This resource will lead the reader through the practicalities of assessment, diagnosis, and therapeutic intervention for children of all ages with features of childhood apraxia of speech. It provides the theory and underlying principles upon which to work with children who have this fascinating but challenging disorder in collaboration with families and schools. Chapters are clearly laid out, with hands on activities for intervention and helpful summaries. There is a focus on alternative and augmentative means of communication and multidisciplinary working, as well as a wealth of case studies and teaching notes for training other professionals. Fresh ways of working are addressed, such as the use of teletherapy and other techniques such as group therapy and the consultative approach are discussed. Key features include: A theoretical overview of current thinking about childhood apraxia of speech A structured assessment format with a chapter

specifically focused on how to take a detailed speech sample Clear guidance on how to make a differential diagnosis How to spot early indicators of childhood apraxia of speech Advice sheets for parents and schools Downloadable record forms for case history taking and assessment. This book can be read cover to cover or dipped into for quick and easy therapy ideas and is presented in an easy-to-read format, with chapters broken down into bite-sized chunks. It is an essential handbook for all speech and language therapists and students, whatever their level of experience.

room on the broom activities: Emotional Literacy Andrew Moffat, 2017-07-05 This is an exciting, hands-on resource comprising over 200 whole-class lesson plans. These can be used with a class in their very first week at school in Year 1 right through to their last week in Year 6. Each lesson plan focuses on a text, provides prompts for discussion and gives clearly explained, engaging activities to suit all learning styles. The lesson plans are based on 152 popular children's books. There are many cross-curricular opportunities, with specific links to literacy, particularly through the drama, speaking and listening plans of the Renewed Primary Strategy. The scheme also includes Circle Time games specially selected for their positive effect on the emotional well-being of the child. The author, who is an Advanced Skills Teacher, spent two years developing the scheme of work. Each lesson plan has been tried and tested in many schools and is steeped in excellent primary practice. The scheme is designed to support the aims of the Every Child Matters agenda. The plans are differentiated by year group and are set out in modules which each last for six weeks, making the resource a manageable format for class teachers to use and an ideal solution to the delivery of SEAL Primary.

room on the broom activities: 1001 Great Ideas for Teaching and Raising Children with Autism Veronica Zysk, Ellen Notbohm, 2012-10-01 Anyone browsing autism books might question that two authors could amass this many ideas and that all of them would be 'great,' but this book delivers." — from the Foreword by Dr. Temple Grandin Over 1800 try-it-now tips, eye-opening perspectives, and time-saving strategies abound in this revised edition of the 2004 multi-award-winning book that has been read and reread again and again by hundreds of thousands of people in fourteen languages around the world. Readers can easily find explanations and solutions that speak to the diverse spectrum of developmental levels, learning styles, and abilities inherent in autistic children, at home, at school, and in the community. Ideas are offered in six domains: Sensory Integration, Communication and Language, Behavior, Daily Living, Thinking Social, Being Social, and Teachers and Learners. The Table of Contents details more than 330 subjects, making it easy to quickly pinpoint needed information. Accessible ideas that don't require expensive devices or hours of time to implement. Relatable ideas and solutions to situations that most parents, educators, and/or family members will recognize. Functional ideas that help prepare the autistic child for a meaningful adulthood. Awards for 1001 Great Ideas: Winner of the Eric Hoffer Book Award for Legacy Nonfiction Winner of the American Legacy Book Award for Education/Academic Winner of the American Legacy Book Award for Parenting and Relationships Silver medal, Independent Publishers Book Awards Gold award, Mom's Choice Awards Finalist, American Legacy Book Awards, Cross-genre Nonfiction Teachers Choice Award, Learning magazine
