

seven mountain prophecy

Seven Mountain Prophecy: Understanding Its Meaning and Impact

seven mountain prophecy is a term that has gained significant attention within certain Christian circles, particularly those interested in spiritual revival, cultural transformation, and prophetic teachings. This concept refers to a belief that God has called His followers to influence and transform seven major spheres of society, often referred to as the "mountains" or "kingdoms." These mountains represent key areas of cultural influence that shape the values, behaviors, and direction of society at large.

If you've come across conversations about spiritual warfare, cultural mandates, or the role of the church in society, you might have heard about the seven mountain prophecy. But what exactly does it mean? And why is it such a significant topic among believers who are passionate about seeing change in the world? Let's dive deeper into this intriguing prophecy, exploring its origins, the seven mountains themselves, and how it continues to impact faith communities today.

What Is the Seven Mountain Prophecy?

The seven mountain prophecy is essentially a framework for understanding how Christians can engage with the world to bring about transformational change. It is based on the idea that society is influenced by seven key areas or "mountains": religion, family, education, government, media, arts and entertainment, and business. By influencing these spheres, believers can help shape culture in a way that aligns with biblical principles.

This teaching encourages Christians not only to focus on church activities or personal faith but to actively participate in every area of society. The goal is to see God's kingdom established on earth through the power of influence in these critical domains.

Origins and Popularity

The concept has roots in prophetic words given in the late 20th century, particularly popularized by leaders like Loren Cunningham and Bill Bright. It gained traction through conferences, books, and ministries emphasizing cultural engagement and spiritual warfare. The term “seven mountains” was inspired by a prophetic vision describing the need for believers to take authority over these areas to usher in a new era of spiritual awakening.

Over time, the idea spread and evolved, finding a significant following among charismatic and Pentecostal movements. Today, the seven mountain prophecy continues to inspire believers worldwide who seek to make a meaningful impact beyond traditional church settings.

The Seven Mountains Explained

Each “mountain” represents a sphere of influence that shapes society’s worldview and values. Let’s explore these seven mountains in greater detail:

1. Religion

The mountain of religion refers to spiritual beliefs and institutions. This includes churches, religious organizations, and the overall spiritual climate of a community. The prophecy emphasizes the importance of restoring true biblical faith and spiritual authority in this sphere, often calling for revival and deeper commitment among believers.

2. Family

Family is considered the foundational unit of society, influencing the upbringing of future generations.

The seven mountain prophecy highlights the need for strong, healthy families grounded in biblical principles. This mountain concerns marriage, parenting, and the transmission of values within the home.

3. Education

Education shapes minds and perspectives from an early age and throughout life. This mountain calls for Christian influence in schools, universities, and educational policy to ensure that truth, morality, and critical thinking are fostered in ways that align with God's word.

4. Government

Government encompasses political leadership, lawmaking, and public policy. The prophecy encourages believers to participate in government—whether by voting, holding office, or influencing legislation—to promote justice, righteousness, and godly principles in society.

5. Media

In today's digital age, media wields immense power in shaping public opinion and culture. This mountain includes news outlets, social media platforms, and communication channels. The seven mountain prophecy urges Christians to create and support media that reflects truth and counters negativity or falsehood.

6. Arts and Entertainment

Arts and entertainment influence emotions, creativity, and cultural expression. This mountain covers

music, film, theater, literature, and visual arts. Advocates of the prophecy encourage believers to engage with these industries to promote wholesome, uplifting content that glorifies God.

7. Business

Business affects economic systems, employment, and societal wealth distribution. The prophecy highlights the role of Christian ethics in commerce, entrepreneurship, and corporate leadership. By influencing business practices, believers can foster fairness, generosity, and stewardship.

Why Is the Seven Mountain Prophecy Important?

Understanding the significance of the seven mountain prophecy helps clarify why so many are drawn to this teaching. It offers a comprehensive vision for cultural transformation that extends beyond individual spirituality.

Empowerment for Cultural Impact

One of the key appeals of the prophecy is that it empowers believers to see themselves as agents of change with authority to influence society. Rather than feeling restricted to church walls, Christians are encouraged to step into leadership roles across multiple sectors.

Promotes Holistic Discipleship

The prophecy encourages a balanced approach to discipleship that encompasses faith in action. It reminds believers that spiritual growth is connected to how they engage with the world around them—whether in their careers, families, or communities.

Encourages Unity and Cooperation

By focusing on seven specific spheres, the prophecy fosters collaboration among Christians with diverse gifts and callings. Whether someone is a teacher, artist, politician, or entrepreneur, there's a role to play in advancing God's kingdom.

Criticism and Controversy Surrounding the Seven Mountain Prophecy

As with many prophetic teachings, the seven mountain prophecy has not been without its critics. Some argue that it can lead to an overemphasis on power and control, potentially blurring the line between spiritual and political agendas. Others caution that the focus on societal transformation might inadvertently neglect the personal and relational aspects of faith.

Skeptics also point out the lack of explicit biblical mandates for such a structured approach to cultural influence, suggesting that the prophecy is more of a modern interpretation than a direct scriptural command.

Despite these concerns, many adherents find that the seven mountain prophecy provides a useful framework for thinking about their role in society and motivates them to pursue positive change.

Applying the Seven Mountain Prophecy in Daily Life

If the concept of the seven mountain prophecy resonates with you, there are practical ways to engage with it meaningfully:

- **Identify Your Sphere:** Reflect on which mountain aligns with your skills, passions, and opportunities. Are you involved in education, business, media, or another area?
- **Seek Wisdom and Training:** Equip yourself through study, mentorship, and networking to be effective in your field with integrity and vision.
- **Build Community:** Connect with others who share your commitment to influencing culture positively within the seven mountains framework.
- **Pray and Discern:** Regularly seek God's guidance to understand how best to serve and lead in your sphere.
- **Engage with Culture:** Participate thoughtfully in cultural conversations, create content, support ethical businesses, or run for local office.

By intentionally applying these principles, believers can contribute to meaningful transformation that honors both God and society.

Exploring the seven mountain prophecy reveals a dynamic intersection of faith, culture, and purpose. Whether you view it as a spiritual mandate or a call to cultural engagement, it challenges individuals and communities to think bigger about their impact in the world. As conversations around this prophecy continue to evolve, it remains a powerful catalyst for those seeking to bridge the gap between heaven and earth in practical ways.

Frequently Asked Questions

What is the Seven Mountain Prophecy?

The Seven Mountain Prophecy is a Christian teaching that emphasizes influencing seven key spheres

of society—family, religion, education, media, entertainment, business, and government—to bring about cultural transformation.

Who coined the term 'Seven Mountain Prophecy'?

The term 'Seven Mountain Prophecy' was popularized by Christian author and speaker Loren Cunningham, founder of Youth With A Mission (YWAM), and later expanded by other leaders like Bill Bright and Lance Wallnau.

What are the seven mountains in the prophecy?

The seven mountains are Family, Religion, Education, Media, Entertainment, Business, and Government.

How does the Seven Mountain Prophecy impact Christian activism?

It motivates Christians to actively engage and influence societal institutions in these seven areas to align culture and governance with biblical principles.

Is the Seven Mountain Prophecy biblical?

While the prophecy is inspired by biblical principles of cultural influence, it is not explicitly found in the Bible; it is a modern interpretation encouraging Christians to impact society.

What criticisms exist about the Seven Mountain Prophecy?

Critics argue that it can promote a dominionist mindset, potentially leading to political overreach or undermining the separation of church and state.

How can individuals apply the Seven Mountain Prophecy in daily life?

Individuals can seek leadership roles or influence within their professions and communities in the seven spheres to promote values aligned with their faith.

Has the Seven Mountain Prophecy influenced political movements?

Yes, some Christian political groups and leaders have embraced the prophecy as a framework to shape policy and governance according to their religious beliefs.

Are there conferences or organizations focused on the Seven Mountain Prophecy?

Yes, various ministries and organizations hold conferences and training events to equip believers to engage with the seven mountains effectively.

What role does prayer play in the Seven Mountain Prophecy?

Prayer is considered foundational, with many advocates encouraging intercession for each mountain to bring divine guidance and transformation.

Seven Mountain Prophecy: An Investigative Analysis of Its Origins, Impact, and Contemporary Relevance

seven mountain prophecy is a term that has garnered significant attention within certain Christian circles over the past few decades. Rooted in a vision for cultural transformation, this prophecy suggests that seven key spheres—or "mountains"—of societal influence must be shaped by Christian principles to effect widespread spiritual revival. As this concept continues to influence religious movements, political discourse, and cultural strategies, a thorough examination of its origins, implications, and critiques is crucial for understanding its role in modern faith-based activism.

Unpacking the Seven Mountain Prophecy

The seven mountain prophecy fundamentally posits that societal transformation can be achieved by Christians gaining influence over seven pivotal domains: religion, family, education, government, media, arts and entertainment, and business. The metaphor of "mountains" symbolizes these areas as foundational pillars that shape societal values and norms. Advocates argue that by intentionally engaging and leading within these sectors, believers can steer culture toward biblical principles and moral renewal.

Originating in the late 20th century, the prophecy was popularized by Christian leaders such as Loren Cunningham and Bill Bright but gained substantial momentum through the teachings of Lance Wallnau and Johnny Enlow. Their seminars and writings emphasize strategic cultural engagement as a divine mandate, encouraging believers to seek leadership roles and influence in these seven mountains.

Historical Context and Theological Foundations

The roots of the seven mountain prophecy can be traced back to interpretations of biblical passages such as Isaiah 2:2 and Revelation 17:9, where mountains symbolize kingdoms or authorities. The concept aligns with Dominion Theology, which holds that Christians are called to exercise dominion over societal structures. However, unlike some Dominionist movements focused solely on political power, the seven mountain model advocates a more holistic approach, encompassing both secular and religious spheres.

Theologically, this prophecy challenges traditional notions of separation between church and state by emphasizing active Christian involvement in shaping culture. It reflects a shift from a purely spiritual focus toward an integrative vision where faith informs all aspects of public life.

Impact on Contemporary Christian Movements

The seven mountain prophecy has influenced a range of contemporary evangelical and charismatic movements, inspiring initiatives aimed at cultural transformation. Churches and ministries have incorporated this framework into leadership training, outreach strategies, and community engagement efforts.

Practical Applications and Strategies

Adherents often pursue educational programs designed to equip believers with skills to influence their respective domains effectively. For example, ministries may offer workshops on media literacy, political advocacy, business ethics, or arts leadership, all framed within a spiritual mandate.

Additionally, networking events and alliances have emerged to connect Christian professionals across these seven spheres, fostering collaboration and mutual support. This organized effort seeks to create a pipeline of leaders who can shape policies, cultural narratives, and institutional values.

Examples of Influence Across the Seven Mountains

- **Religion:** Expanding church influence through innovative worship styles and theological education.
- **Family:** Promoting traditional family values and parenting resources aligned with biblical teachings.
- **Education:** Advocating for curriculum reforms and establishing Christian schools and homeschooling networks.

- **Government:** Encouraging voter engagement, running for office, and lobbying for faith-aligned policies.
- **Media:** Producing faith-based content in television, film, and digital platforms.
- **Arts and Entertainment:** Supporting Christian artists and creating culturally relevant art that communicates spiritual themes.
- **Business:** Promoting ethical business practices and Christian entrepreneurship.

Critical Perspectives and Controversies

While the seven mountain prophecy has energized many, it has also attracted considerable criticism from theologians, sociologists, and political analysts. Critics often raise concerns about the implications of merging religious objectives with cultural and political power.

Theological and Ethical Critiques

Some theologians argue that the prophecy risks conflating spiritual mission with worldly ambition, potentially undermining the church's spiritual integrity. There is apprehension that emphasizing dominion over secular institutions may lead to coercive or exclusionary practices, marginalizing those outside the faith.

Ethically, questions arise about the balance between religious freedom and pluralism. The pursuit of influence within government and media, for example, can lead to tensions regarding the separation of church and state, as well as the representation of diverse societal voices.

Political and Social Implications

From a sociopolitical standpoint, the seven mountain strategy has been linked to conservative political activism, particularly in the United States. Some analysts view it as a framework for mobilizing evangelical voters and leaders to shape legislation and public policy according to specific religious values.

This alignment has sparked debates about the role of religion in secular governance and has occasionally heightened polarization. Critics worry that the movement's ambitions might exacerbate cultural divides and challenge democratic principles if religious ideology becomes overly entangled with institutional power.

Comparative Analysis with Other Cultural Engagement Models

Compared to other models of faith-based cultural engagement, the seven mountain prophecy presents a distinctive, multi-sector approach. Unlike traditional evangelism focused primarily on spiritual conversion, this prophecy advocates transforming societal structures themselves.

For example, liberation theology emphasizes social justice and political activism primarily on behalf of marginalized groups, often critiquing existing power dynamics. In contrast, the seven mountain model emphasizes ascending to positions of influence, focusing on leadership roles within established institutions.

Similarly, the Social Gospel movement historically concentrated on addressing social issues through Christian ethics but did not explicitly call for dominion over all cultural spheres. The seven mountain prophecy's comprehensive scope, therefore, marks a strategic evolution in Christian cultural engagement.

Strengths and Limitations

- **Strengths:** Provides a clear framework for believers to engage culture proactively; promotes leadership development; encourages integration of faith and daily life.
- **Limitations:** Risks overemphasizing power acquisition; potential to alienate pluralistic societies; may blur lines between church and state.

Contemporary Relevance and Future Trajectories

In an era marked by cultural shifts and ideological contests, the seven mountain prophecy remains a significant influence within evangelical and charismatic circles. Its emphasis on cultural leadership resonates with a generation seeking purposeful engagement beyond traditional church settings.

The rise of digital media and globalization has expanded opportunities for advocates to implement the prophecy's vision on a broader scale. Online platforms facilitate networking among believers in diverse fields, enhancing cross-sector collaboration.

At the same time, ongoing debates about religious liberty, secular governance, and cultural pluralism ensure that the prophecy will continue to provoke discussion. Observers will likely monitor how this movement evolves in response to changing societal dynamics and internal critiques.

The seven mountain prophecy, therefore, stands as both a theological framework and a cultural strategy, shaping conversations about the intersection of faith, power, and societal transformation in the 21st century.

Seven Mountain Prophecy

seven mountain prophecy: The Seven Mountain Prophecy Johnny Enlow, 2008 God is preparing a spiritual tsunami to sweep the nations and reclaim our culture for Christ, says author Johnny Enlow. He describes seven culture-shaping areas of influence over each society--media, government, education, economy, family, religion, and celebration (arts and entertainment)--that are the keys to taking a nation for the kingdom of God. The purpose of this book is to draw the church's attention to these areas; help each individual determine his or her specific assignment in this mission; and then to offer insight into the nature of the battles involved in this spiritual tsunami, as the author calls it. Many Christians do not grasp that God's favor for us to succeed is already upon us and is part of His end-time strategy to establish Jesus as Ruler of the Nations before His return. Readers will come to understand that this favor is divinely strategic and corresponds to the place of each person's ministry assignment. Many have a spiritual poverty vision and poor eschatology, two factors that have robbed us of our blessing and caused us to fail to reclaim cultural influences for Christ. The book is laid out to address these two misunderstandings, with the first several chapters specifically aimed at correcting lack of vision and misguided understanding of the end times. Each chapter that follows provides intensive, detailed study of each mountain of influence, how it will be taken and by whom, and what resistance will be encountered by individuals assigned to claim this mountain.

seven mountain prophecy: Seven Mountain Prophecy: Unveiling the Coming Elijah Revolution Johnny Enlow, 2008 God is preparing a spiritual tsunami to sweep the nations and reclaim our culture for Christ, says author Johnny Enlow. He describes seven culture-shaping areas of influence over each society--media, government, education, economy, family, religion, and celebration (arts and entertainment)--that are the keys to taking a nation for the kingdom of God. The purpose of this book is to draw the church's attention to these areas; help each individual determine his or her specific assignment in this mission; and then to offer insight into the nature of the battles involved in this spiritual tsunami, as the author calls it. Many Christians do not grasp that God's favor for us to succeed is already upon us and is part of His end-time strategy to establish Jesus as Ruler of the Nations before His return. Readers will come to understand that this favor is divinely strategic and corresponds to the place of each person's ministry assignment. Many have a spiritual poverty vision and poor eschatology, two factors that have robbed us of our blessing and caused us to fail to reclaim cultural influences for Christ. The book is laid out to address these two misunderstandings, with the first several chapters specifically aimed at correcting lack of vision and misguided understanding of the end times. Each chapter that follows provides intensive, detailed study of each mountain of influence, how it will be taken and by whom, and what resistance will be encountered by individuals assigned to claim this mountain.

seven mountain prophecy: The Seven Mountain Mantle Johnny Enlow, 2009-11-25 In this follow-up to his first release, *The Seven Mountain Prophecy*, Enlow explains how God revealed His plan to raise up Josephs--sons and daughters who would bear His favor, dream His dreams, and reclaim the seven mountains, or sectors, of society for His glory. Instead of the global meltdown seen in today's society, the Lord promises to send His grace on our nation, other nations, and the church. Enlow proceeds to explain to readers what they will have to do to become one of these Josephs and how they can discern the role God desires them to play in His vision for the days to come.

seven mountain prophecy: The Seven Mountain Renaissance Johnny Enlow, 2015 You Are Living in a New Era History's greatest Renaissance--a spiritual one--is now unfolding. In his first two Seven Mountain books, *The Seven Mountain Prophecy* and *The Seven Mountain Mantle*, Johnny Enlow showed how Christians are called to manifest the kingdom of God in the seven primary spheres of society: religion, education, family, government, economy, media, and celebration/arts. Now, he reveals the sweeping changes he expects to take place over the next several decades in

each of these spheres as he unveils his vision and strategy through 2050. We have entered an Era of Renaissance that will not be complete until the nature and character of the invisible God are made visible in the world through the influence of His ambassadorial children. The first Renaissance in history showcased the achievements of man, but this new Renaissance will display the brilliance and works of God for the whole world to see. By 2050, an on-fire, loving church with a hope-filled worldview will be globally advancing, walking in unprecedented signs and wonders and supernatural manifestations of power. Many nations on earth will walk in a high level of national transformation. What is your part in this new Renaissance? Which Mountain is your primary realm of influence? As this extraordinary Renaissance progresses, you will carry God's life-changing truth and light to transform the world. There will be such an increase in the knowledge of God and His ways that life on earth will be changed forever.

seven mountain prophecy: The New Apostolic Reformation John Weaver, 2016-04-27 From Justin Bieber, to Sarah Palin and Michele Bachmann, to the controversial documentary Jesus Camp (2006), the New Apostolic Reformation's influence can be seen everywhere in mainstream America. Beginning with an examination of the Latter Rain, Church Growth and Shepherding movements, this book explores how the new Reformation has become one of the most powerful movements in modern evangelical Christianity and a major influence on American political and cultural life. The author describes the New Apostolic Reformation's organization, how the movement spread and its national and international objectives.

seven mountain prophecy: Foundations of the International Legal Rights of the Jewish People and the State of Israel Cynthia D. Wallace, 2012 Laws may change, perceptions may vary, but historical fact is immutable.

seven mountain prophecy: Religious Right A.F. Alexander, 2012-04-02 There is a deceptive movement to take over the government, courts, education system, media outlets, and American culture with stealth – and it's true. How is this possible? Find out in the pages of this expose, written by an insider who left the Religious Right fold, and now shares why they believe they are mandated to have dominion over every aspect of life in the United States. It reveals how their vision for America is not a democracy at all. – Understand the Religious Right network's blueprint for America. – Meet the Christian Reconstructionists and Dominionists. – Understand the Seven Mountains Mandate, which provides the strategy for a successful takeover. – See why Quiverfull is the template for a proper, traditional family. – Finally, understand the attacks on public schools and teachers. – Find out who the leaders of the movement really are and their successful tactics. – This book explains the rewriting of our nation's history. – Complete with interviews, research, and bibliography included. – Presentation is organized and systematic, while in plain English. – Shares how to get involved and make a difference in your community to protect your rights and preserve democracy.

seven mountain prophecy: Global Renewal Christianity Vinson Synan, Amos Yong, Miguel Alvarez, 2016 This book gives an overview of one-hundred years of Pentecostal history in Latin America and addresses the move of the Holy Spirit in nations such as Brazil, Columbia, Argentina Guatemala, Costa Rica, Nicaragua, and Mexico, as well as the Caribbean.,

seven mountain prophecy: Mission in Crisis Ralph Kunz, Henning Wrogemann, 2024-04-26 »Mission in crisis« – this diagnosis makes immediate sense in view of the rapid decline of European Christian churches. However, there is a great deal of controversy as to what exactly this crisis consists of, what its actual causes are and what dynamics the crisis discourse itself exhibits. The contributions in this volume were held on an international conference that took place from November 25-27, 2022 at the University of Zurich. They pursue these questions from a mission-theological perspective and seek to open up new perspectives for the future of the church in both secular and plural societies. With contributions from: Heike Breitenstein, John G. Flett, Ralph Kunz, Sabrina Müller, Stefan Paas, Henk de Roest, Stefan Schweyer, Patrick Todjeras, Graham Tomlin, Benno van den Toren, and Henning Wrogemann. [Mission in der Krise. Über eine unerledigte Aufgabe der Kirche] »Mission in der Krise« – diese Diagnose leuchtet im Blick den rapiden Niedergang europäischer christlicher Kirchen unmittelbar ein. Allerdings ist heftig

umstritten, worin genau diese Krise besteht, was ihre eigentlichen Ursachen sind und welche Dynamik der Krisendiskurs selbst aufweist. Die Beiträge des vorliegenden Bandes stammen von einer internationalen, vom 25.-27.11.2022 an der Universität Zürich abgehaltenen Tagung. Sie gehen diesen Fragen in missionstheologischer Perspektive nach und suchen neue Perspektiven für die Zukunft von Kirche in ebenso säkularen wie pluralen Gesellschaften zu eröffnen.

seven mountain prophecy: America, Christianity, And The Forgotten Link Allen Wooten, 2013-06-10 Prov 18:17, He who tells his story first makes people think he is right, until the other comes to test him. For almost seventy years now, we've been taught American history primarily from a secularist's viewpoint, with seemingly convincing arguments for a Godless America and Constitution that it sounds right. Yet, Christian Americans have heard enough. And we're now stepping up to cross-examine their claims with books like this one. What were the religious beliefs of most of our nation's founders? Was America founded as a Christian nation and what does this mean? Where did the concept of religious freedom originate; and, how did it evolve into what it is today? If we started out as a Christian republic, then what went wrong? How can we restore our founders' original intent to America? This book highlights the Christian influences in America's exploration, colonization, national formation, and progression. Once you've heard this other side of the story, you must make up your own mind and then act on it.

seven mountain prophecy: Change Agent Os Hillman, 2011 If Christians are to impact any nation for Jesus Christ, then they must affect the seven spheres, or mountains of society that are the pillars of any society--business, government, media, arts and entertainment, education, the family, and religion.

seven mountain prophecy: Prayers that Avail Much for Leaders Germaine Copeland, Lane M. Holland, 2008 This unique edition, written just for leaders--in business, ministry, and public service--includes powerful quotes and encouragement from historical leaders, as well as Germaine Copeland's personal teaching on the effectiveness of scriptural prayer.

seven mountain prophecy: Short Essays on Your Enemy's Vicious Thoughts Bob Jackson, 2012 What are the thoughts of the enemy of God concerning the entire human race? His thoughts are to steal, kill, and destroy; he is the ultimate thief in human history. He will steal your possessions, your loved ones, your parents, your family, and your friends. He will steal your health, steal your wealth, steal your reputation, steal your means of making a living, and steal your joy of life. He is the unseen ruler of this world. How does the enemy kill? How does he slay, murder, slaughter, execute, destroy, exterminate, eradicate, and assassinate? How does he massacre and dispatch members of the human race? He and his demons accomplish this by continuously attacking God's creation, especially humans, by promoting every form of deceit and everything that God disapproves of with the intent of destroying life, especially the lives of those who refuse to love the truth. How does the enemy destroy? How does he defeat, crush, subdue, demolish, annihilate, overcome, overthrow, and wipe out the unbelieving populations of adults and the innocent on planet earth? He does this through hate. The enemy hates God, and he hates what God loves; he hates integrity, he hates creation, and he hates Zion, and he especially hates those who love God, because God is love. This book is a series of short, descriptive essays on the thoughts and plots of the enemy who wants to destroy Love and all of His creation. On the last page of each essay are comments. Think about each essay; what are your thoughts? Let these essays remind you to take on the whole armor of God and be ready to stand against the evil one, by knowing, understanding, teaching, speaking, and applying the Word as you go about your everyday life.

seven mountain prophecy: The Prophetic History of the Christian Religion Explained; Or A Brief Exposition of the Revelation of St. John; John George Schmucker, 1821

seven mountain prophecy: Leadership in the Age of Narcissism Rickardo Bodden, 2020-09-01 **God needs you to lead.**

This leadership development guidebook offers a practical antidote to the poison of narcissism. It is filled with biblical principles and methods for implementing leadership modeled by Jesus Christ.

God wants to develop you into a better representation of him. I believe self-leadership is the basis for all leadership, so your personal

development is crucial. God wants more Christian leaders to impact lives and influence culture. He has designed the church, his people, to lead. You are challenged to look at the inner you. The focus is not about things leaders need to “do” but on how to “be.” In this training manual you will find answers to what godly leadership is, learn solid biblical values, and discover thought-provoking lessons to apply to your life now. Do not put off your growth any longer. This book will transform your life.

seven mountain prophecy: The Gospel According To Noah Andrew Magrath, 2014-12-16 Noah’s ark is the prototype of every believer. What Noah built in the physical realm, God is now building in the spirit realm. The three levels of Noah’s ark reveal how the Trinity works with redeemed man to unveil the Christ man; spirit, soul, and body. In this book you are about to discover how each floor of the ark represents a significant work of the Trinity in the believer’s life. • Level one of the ark provides us with a powerful revelation of the scope of grace. For many, this book will be a new view of Jesus and of His ongoing work of grace in our lives. • Level two reveals a unique insight into the transformation of the soul through Father’s love. Here the orphan loveless view of life is exposed and healed and the spirit of sonship comes alive. • Level three unveils the supernatural ministry of Holy Spirit in our lives. It is a world of encounters, prophetic language, and angelic assistance. This all awaits you in ‘The Gospel according to Noah’ – it is the unveiling of the mystical cycle of the Kingdom.

seven mountain prophecy: Handbook of Research on Education and Technology in a Changing Society Wang, Victor C. X., 2014-05-31 Technology has become an integral part of our everyday lives. This trend in ubiquitous technology has also found its way into the learning process at every level of education. The Handbook of Research on Education and Technology in a Changing Society offers an in-depth description of concepts related to different areas, issues, and trends within education and technological integration in modern society. This handbook includes definitions and terms, as well as explanations of concepts and processes regarding the integration of technology into education. Addressing all pertinent issues and concerns in education and technology in our changing society with a wide breadth of discussion, this handbook is an essential collection for educators, academicians, students, researchers, and librarians.

seven mountain prophecy: Exploring Heavenly Places - Volume 2 - Revealing of the Sons of God Paul Cox, Rob Gross, 2017-09-20 For centuries millions of believers have suffered as the unseen forces of wickedness in the heavenly realms have waged war against the church. In this book the authors will unpack the biblical basis for the fallen sons of God and how these 'little gods' have infiltrated society and the family of God through covenant breaking sex, child sacrifice and star worship. Paul L. Cox and Rob Gross provide a biblical framework for understanding the revelation of the sons of God. This revelation is directly tied to the church becoming mature as sons (and daughters) and being able to access the divine resources set aside for us in eternity past to fulfill the Great Commission. This volume will also share insight about the spirit of Elijah and how this end time move of God will bring healing to the land by turning the hearts of the fathers back to the children and vice versa.

seven mountain prophecy: Handbook of Research on Technologies for Improving the 21st Century Workforce: Tools for Lifelong Learning Wang, Victor C.X., 2012-10-31 As the 21st century has seen, lifelong learning has become more important as many countries have emerged into [learning societies]. With these learning societies, adult and community education, along with new technologies, play a major role in shaping and reshaping their economic, political, and cultural realities. Handbook of Research on Technologies for Improving the 21st Century Workforce: Tools for Lifelong Learning addresses how technologies impact the combination of workforce education and adult learning. This comprehensive collection of research from leading authorities and front line faculty seeks to equip adult learners/employees with the right knowledge and skills to continue to contribute to the economy given the importance of the essential role of technologies.

seven mountain prophecy: Divine decree, and free will: or, More notes on prophecy [an interpretation of the book of Revelation] by the author of 'The spiritual and physical history of our

fallen and redeemed world'. Divine decree, 1878
