The Rules by Ellen Fein and Sherrie Schneider: A Guide to Timeless Dating Wisdom

the rules by ellen fein and sherrie schneider have been a significant talking point in the world of dating and relationships since their publication in the 1990s. These guidelines promised to help women find lasting love by adopting a strategic approach to dating that emphasized patience, self-respect, and subtlety. Despite the changes in dating culture over the decades, the principles laid out by Fein and Schneider continue to resonate with many who seek meaningful connections. But what exactly are these rules, and why have they maintained their appeal?

Understanding the essence of the rules by Ellen Fein and Sherrie Schneider requires delving into their core philosophy—encouraging women to prioritize their worth and avoid rushing into relationships. The rules offer a blueprint that challenges common dating norms, urging women to reclaim control over their romantic lives through confidence and calculated behavior.

The Origins and Philosophy Behind the Rules

When Ellen Fein and Sherrie Schneider released "The Rules: Time-Tested Secrets for Capturing the Heart of Mr. Right" in 1995, it quickly became a bestseller. The book outlined a set of dating behaviors meant to reverse the traditional dynamic where men chase and women are chased. Fein and Schneider believed that by following their rules, women could attract genuine, long-term partners rather than fleeting romances.

The philosophy centers around the idea that women should set boundaries, maintain an air of mystery, and not be too readily available. This approach was designed to encourage respect and interest from men, fostering relationships built on mutual admiration rather than desperation or neediness.

Key Principles of the Rules by Ellen Fein and Sherrie Schneider

The rules themselves are a collection of specific do's and don'ts that guide women through the early stages of dating. Here are some of the cornerstone concepts:

1. Be Less Available

One of the most emphasized points in the rules is the importance of not being too available. Fein and Schneider suggest that women should limit the time they spend with men early on, allowing men to invest effort and interest. This creates a dynamic where the man feels challenged and more likely to commit.

2. Don't Initiate Contact Too Often

The rules recommend waiting for men to initiate phone calls, texts, or dates. The idea here is that if a man is genuinely interested, he will make the effort to pursue. This tactic is believed to help women avoid appearing overly eager or desperate.

3. Maintain Mystery and Independence

Keeping an element of mystery is a crucial part of the rules. By not revealing everything about themselves too soon or appearing too available, women can build intrigue. Additionally, demonstrating independence by having a full life outside the relationship signals confidence and self-respect.

4. Set Clear Boundaries

Fein and Schneider encourage women to establish boundaries around physical intimacy and emotional openness. They suggest waiting to become physically intimate until the man has shown commitment, which is intended to prevent heartbreak and ensure that the relationship has a solid foundation.

5. Use Subtle Flirting and Positive Body Language

While the rules discourage overt pursuit, they do advocate for subtle flirting and maintaining positive body language. Smiling, making eye contact, and engaging in lighthearted conversation are ways to communicate interest without appearing desperate.

How the Rules Address Modern Dating Challenges

Dating today is vastly different from when Fein and Schneider first wrote their book. The rise of online dating, social media, and changing gender roles have transformed how people meet and interact. Yet, many of the principles from the rules remain relevant.

Balancing Digital Communication

In the age of texting and social media, applying the rules by Ellen Fein and Sherrie Schneider can be tricky but not impossible. For instance, the advice to avoid excessive calling or texting translates well into not over-messaging or double texting, which can sometimes come off as needy. Waiting for the man to text first or pacing replies can create healthy boundaries that maintain attraction.

Maintaining Self-Respect Amid Casual Dating

The prevalence of casual dating and hookup culture has made it easy to lose sight of personal boundaries. The rules remind women to hold firm to their values and not settle for less than they deserve. This shift in mindset encourages women to seek relationships that honor their worth rather than just passing moments.

Criticism and Controversy Surrounding the Rules

While many praise the rules by Ellen Fein and Sherrie Schneider for empowering women to take control of their dating lives, the approach has also faced criticism. Some argue that the rules promote playing games or encourage outdated gender stereotypes. Critics claim that relationships should be built on open communication rather than strategic withholding.

However, supporters counter that the rules are not about manipulation but about fostering respect and self-care. They emphasize that the guidelines help women avoid common pitfalls like over-investing too soon or settling for less than they deserve.

Practical Tips for Applying the Rules Today

If you're interested in incorporating the rules by Ellen Fein and Sherrie Schneider into your dating life, here are some practical ways to do so without feeling constrained:

- **Prioritize Your Own Interests:** Continue to pursue hobbies, friendships, and goals outside of dating. This independence makes you more attractive and confident.
- **Let Men Take the Lead Early On:** While it's okay to show interest, allow the man to initiate dates or calls to gauge his genuine desire.
- **Communicate Boundaries Clearly:** Don't shy away from expressing your limits around physical or emotional intimacy in a respectful way.

- **Be Patient:** Resist the urge to rush the relationship. Taking time to truly get to know someone can lead to stronger, more lasting connections.
- **Stay Authentic:** While maintaining mystery, be true to yourself. Authenticity is key to attracting the right partner.

The Lasting Appeal of the Rules by Ellen Fein and Sherrie Schneider

Despite the evolving landscape of love and dating, the rules by Ellen Fein and Sherrie Schneider continue to resonate because they tap into universal desires: respect, love, and meaningful connection. Their emphasis on self-worth and measured pacing challenges the often frantic pace of modern dating and encourages women to slow down and value themselves.

Whether you agree with every point or not, these rules provide a starting framework for women who feel overwhelmed by the dating world. They offer a reminder that love isn't about chasing; it's about mutual interest, respect, and timing. For many, this timeless wisdom remains a beacon in the sometimes murky waters of romance.

Frequently Asked Questions

What is the main premise of 'The Rules' by Ellen Fein and Sherrie Schneider?

The main premise of 'The Rules' is a set of dating guidelines designed to help women attract and secure a committed relationship by encouraging them to be more reserved, self-respecting, and strategic in their romantic interactions.

Are 'The Rules' still relevant in today's dating culture?

While some of the advice in 'The Rules' may feel outdated due to changes in social norms and dating practices, many readers find value in its emphasis on self-respect, setting boundaries, and fostering genuine connections.

What are some key rules outlined in 'The Rules'?

Key rules include not calling a man first, not accepting dates on his terms, being a little mysterious, and focusing on oneself rather than trying to

change the man or chase after him.

How do Ellen Fein and Sherrie Schneider suggest women handle communication with men according to 'The Rules'?

They advise women to avoid excessive calling or texting, to be patient in responding, and to let men take the initiative in pursuing, which is intended to create attraction and maintain a power balance.

What criticisms have been raised about 'The Rules'?

Critics argue that 'The Rules' promote outdated gender stereotypes, encourage playing games rather than authentic communication, and may limit women's agency by suggesting they conform to traditional dating roles.

Can 'The Rules' be adapted for modern dating scenarios, such as online dating?

Yes, many readers adapt the principles of self-respect, patience, and not appearing overly available to online dating by being selective with responses and maintaining boundaries, though the specifics of the rules may require modification for digital communication.

The Rules by Ellen Fein and Sherrie Schneider: An In-Depth Review of Their Dating Philosophy

the rules by ellen fein and sherrie schneider have been a significant cultural phenomenon since their publication in 1995. Marketed as a dating guide for women seeking long-term relationships and eventual marriage, "The Rules" outline a set of behavioral guidelines designed to help women attract and maintain the interest of men. Over the decades, these rules have sparked both admiration and controversy, influencing dating practices and discussions about gender roles. This article delves into the core principles behind The Rules, explores their societal impact, and critically examines their relevance in modern dating culture.

Understanding The Rules: Origins and Purpose

Ellen Fein and Sherrie Schneider introduced The Rules during a period when traditional courtship norms were perceived to be eroding. Their book, officially titled **The Rules: Time-Tested Secrets for Capturing the Heart of Mr. Right**, proposes a strategic approach to dating, emphasizing patience,

mystery, and traditional femininity. The authors argue that by following these guidelines, women can reverse the dating power dynamics and encourage men to commit seriously.

At its core, *The Rules* focus on cultivating a sense of value and respect by maintaining a degree of emotional distance and self-restraint. Fein and Schneider advocate for women to avoid appearing too available or eager, suggesting that such behavior diminishes attraction. The rules reflect a philosophy that positions men as pursuers and women as gatekeepers of affection and intimacy.

The Rules' Core Tenets

The book outlines more than 30 specific "rules," but some of the most frequently cited include:

- ****Don't talk to a man first (and don't ask him out).****
- ****Don't call him and rarely return his calls.****
- ****Don't see him more than once or twice a week.****
- ****Don't meet him halfway or go out of your way.****
- ****Don't accept a date on the first invitation.****
- ****Always end phone calls first.****
- ****Dress attractively and be a little mysterious.****

These rules aim to create an aura of allure and independence, encouraging men to invest effort and commitment.

Analyzing the Impact of The Rules on Dating Culture

The Rules by Ellen Fein and Sherrie Schneider quickly gained popularity, especially among women seeking traditional relationships in an era of shifting social norms. The book's message resonated with readers who felt confused by the complexities of modern dating, offering a seemingly straightforward blueprint.

Effectiveness and Criticism

Supporters of The Rules argue that the guidelines empower women by encouraging self-respect and setting boundaries. By not appearing desperate or overly available, women may foster more genuine interest from men who value commitment. Anecdotal success stories have contributed to the book's enduring appeal.

However, critics contend that The Rules promote outdated gender stereotypes and encourage manipulative behavior. The insistence on women withholding communication and playing "hard to get" can be viewed as fostering dishonesty or gamesmanship. Moreover, some argue that this approach reduces relationships to a contest of control rather than mutual respect and open communication.

Research into dating dynamics suggests that while some elements of mystery and pacing can enhance attraction, effective relationships are more often built on transparency and emotional honesty. The rigid application of The Rules may alienate potential partners or create unrealistic expectations.

Comparison with Contemporary Dating Advice

In contrast to The Rules, many modern dating experts advocate for authenticity and direct communication. The rise of online dating platforms, social media, and evolving social norms has transformed how people approach relationships. Advice emphasizing mutual respect, personal growth, and emotional intelligence often supersedes prescriptive behavioral formulas.

Interestingly, some principles in The Rules—such as maintaining personal boundaries and valuing oneself—align with contemporary self-help teachings. However, the emphasis on gendered roles and strategic withholding tends to diverge from today's more egalitarian views on dating.

Key Features of The Rules and Their Practical Application

For readers curious about implementing The Rules, it is important to understand their practical implications and potential challenges.

Features of The Rules

- **Structured Approach:** The Rules provide a clear, step-by-step framework for dating behavior.

- **Emphasis on Patience:** Encourages women to slow down the pace of physical and emotional intimacy.
- **Role Reinforcement:** Presupposes traditional gender roles with men as active pursuers.
- **Psychological Strategy:** Uses principles of scarcity and intrigue to influence attraction.

Challenges in Modern Contexts

Applying The Rules in today's dating landscape can be complicated. The prevalence of digital communication makes it difficult to strictly control contact frequency without appearing disengaged. Furthermore, many men and women reject the notion of fixed gender roles, seeking partnerships based on equality and mutual initiative.

Additionally, The Rules do not account for diverse sexual orientations or cultural differences in dating norms. Their one-size-fits-all approach can feel restrictive or irrelevant to many individuals.

Pros and Cons of Following The Rules

1. Pros:

- Encourages self-confidence and personal boundaries.
- Helps some women avoid appearing overly eager, which may increase attraction.
- Provides a clear framework for navigating complex dating situations.

2. Cons:

- Can promote manipulative or inauthentic behavior.
- May reinforce outdated and stereotypical gender roles.
- Could hinder open communication and emotional intimacy.
- Less applicable in non-traditional or diverse relationship contexts.

The Legacy of The Rules by Ellen Fein and Sherrie Schneider

More than two decades after their release, *The Rules* remain a reference point in conversations about dating strategies and gender dynamics. The book has spawned sequels, adaptations, and a variety of critiques, reflecting its enduring influence.

While some dismiss it as antiquated, others find value in its call for self-respect and measured pacing in relationships. *The Rules* underscore ongoing tensions between traditional dating expectations and evolving social norms.

Ultimately, the appeal of *The Rules* by Ellen Fein and Sherrie Schneider lies in their promise of clarity amidst the often confusing world of romance. Whether one embraces or rejects their philosophy, understanding these rules offers insight into the complex interplay of attraction, power, and communication that defines human relationships.

Here are new Rules tips for: - Long-distance relationships - Turning a friend into a boyfriend - Second chances-getting back an ex - Romance at the office - Dating a man who is separated - Giving him gifts - Getting him to the altar ...and much more, including how The Rules apply to mature women, on-line dating, personal ads and dating services, and same-sex relationships. Now available for the first time in paperback, THE RULES II clarifies and expands your knowledge of the only dating method that makes this dream come true: getting

married to the man you love...and keeping him deeply, totally in love with only you.

the rules by ellen fein and sherrie schneider: *All the Rules* Ellen Fein, Sherrie Schneider, 2008-11-15 Learn how to find (and keep!) a man who'll treat you with the respect and dignity you deserve, with the help of this traditional, simple rule book of dating do's and don'ts. The dating landscape has drastically changed in the past 30 years, especially with Instagram, TikTok, and dating apps overcomplicating communication. But biology has stayed the same--hopeless romantics still want to find The One. All The Rules is the essential guide for the modern woman to have in her back pocket--whether you're eighteen or eighty, these time-tested techniques will help you find the man of your dreams. This book combines *The Rules* and *The Rules II*. These common sense guidelines will help you: •Lead a full, satisfying, busy life outside of romance. •Accept occasional defeat and move on. •Bring out the best in you and in the men you date. Blunt, effective, and hilarious, All the Rules will lead you to where you want to be: in a healthy, committed relationship.

the rules by ellen fein and sherrie schneider: The Rules Handbook Ellen Fein, Sherrie Schneider, 2023-09-12 Millions of women have already learned these time-tested lessons of love. The world has changed . . . Now it's time for a new generation to find "the one." In their #1 New York Times bestseller, *THE RULES*... Ellen Fein and Sherrie Schneider shared their time-tested techniques for finding the "one." Controversial yet effective, *THE RULES* has changed millions of women's lives all over the world since 1995. From Oprah to the Today Show, they helped women attract love through confidence and self-esteem. Over the past 30 years, the world has changed dramatically. Today, anything goes with fast paced dating and social media. While technology has accelerated the change (Instagram, texting, TikTok), biology has remained the same. It was time for a much needed reminder. *The Rules Handbook* was written out of necessity. Ellen and Sherrie were hearing from many of their readers who had successfully applied the original Rules' formula but experienced frustration when dealing with others. They wanted a similar strategy to create loving and lasting relationships outside of romance as well. This led to coaching workshops to help others establish their own self-esteem, boundaries, and life philosophies. *The Rules Handbook* will do the same for you while helping attract the right people into your life and preventing or minimizing any unnecessary hurt or disrespect. This new book is organized to help you focus on your own life first, remain happy and busy, and nurture your Higher Self, as opposed to your Lower Self. You can then set healthy boundaries with confidence, and not lose your power to distance yourself from opinions or comments others make in person or on social media. *The Rules Handbook* will empower you to gracefully step away from difficult people and instead, invest all that time and energy on yourself and the ones who truly love and respect you.

the rules by ellen fein and sherrie schneider: The Rules 2 Ellen Fein, Sherrie Schneider, 1997 Sequel to the world bestseller 'The Rules', the most notorious dating handbook ever written. This book gives Rules fans more tips - this time showing how to keep your man hooked, desperate for more...and how to clinch that deal with a wedding of your dreams. The 10 most-asked questions of Rules readers are answered here, plus Rules for new situations, such as long distance relationships, what to do when he has kids and office romances.

the rules by ellen fein and sherrie schneider: *The Rules 3-in-1 Collection: The Rules, The Rules 2 and The Rules for Marriage* Ellen Fein, Sherrie Schneider, 2014-02-13 Ellen Fein and Sherrie Schneider's dating guides - *The Rules*, *The Rules 2* and *The Rules for Marriage* - showed women how to find, marry and keep Mr. Right. Now, these three notorious books are available for the first time in a single eBook-only volume.

the rules by ellen fein and sherrie schneider: *The Rules (TM)* Ellen Fein, Sherrie Schneider, 2001-06-06 You are a creature unlike any other (Rule #1)--that's why you need . . . *The Rules*. A simple set of dos and don'ts, *The Rules* will lead you to where you want to be: in a healthy, committed relationship. Unlike today's haphazard dating customs, *The Rules* recognizes certain facts of life. That men know what they want. That a man is either attracted to you--or not! That men want a challenge, not an instant or easy victory. When you follow these commonsense guidelines, you treat yourself with respect and dignity--and demand that men do likewise. Although they sound

old-fashioned (Don't see him more than once or twice a week), they encourage you to lead a full, satisfying, busy life--outside of romance. Although they seem tough (Don't talk to a man first), they will teach you how to accept occasional defeat and move on. And although they require discipline (No more than casual kissing on the first date), they will bring out the best in you and in the men you date. The goal? Marriage, in the shortest time possible, to a man you love, who loves you even more than you love him.

the rules by ellen fein and sherrie schneider: *The Rules* Ellen Fein, Sherrie Schneider, 1997-02-01 Shows women--from teenagers to divorcees with children--that having high self-esteem and feelings of self-sufficiency is the best way to attract the man they want, and offers rules for dealing with dating

the rules by ellen fein and sherrie schneider: *The Rules for Online Dating* Ellen Fein, Sherrie Schneider, 2002-07-29 What the international phenomenon of *The Rules* did for conventional dating, *The Rules for Online Dating* does for the search for love on the Internet. You'll never hit the reply button the same way again. Millions of women around the world are meeting men on the Internet, or they've met in person and are corresponding by e-mail. But though e-mail and Net-based dating services have revolutionized the dating landscape, they've created their own pitfalls and challenges. Women need new strategies that will improve their chances of capturing Mr. Right. Boasting the same time-tested formula and romantic spirit that made *The Rules* an international bestseller and launched thousands of women down the path to committed relationships, *The Rules for Online Dating* shows all women -- regardless of age, status, or computer savvy -- how to use electronic communication to relate to men in a way that maintains self-esteem and leads to a healthy relationship. Here is a comprehensive list of dos and don'ts that will help every woman conduct an e-courtship safely and successfully; find and keep the interest of suitable mates; and save time, energy, and potential heartache by weeding out dead wood. *The Rules for Online Dating* takes women through the process -- step by step, Rule by Rule -- to the ultimate goal: a relationship based on mutual attraction, interest, and respect.

the rules by ellen fein and sherrie schneider: *The Rules(TM) for Marriage* Ellen Fein, Sherrie Schneider, 2007-11-01 You did the Rules-And They Worked! You captured the heart of your Mr. Right and are, at the very least, engaged. Maybe you're married ... or perhaps you and your partner got together without the help of *The Rules*. Now You're Looking for Ways to Keep Your Relationship Happy and Healthy. *The Rules For Marriage* is Here! In this book, the authors of *The Rules* offer forty-two time-tested tips for keeping your marriage healthy and happy. Some will sound familiar, others are completely new. But they all lead to the same wonderful future--the one in which you and your husband stay together forever! Discover: Rule #4: Keep up your own interests (have a life!) Rule #15: Say what you mean, but don't say it mean Rule #21: Don't force him to talk Rule #35: Don't find fault with things you knew about when you married him Whatever your marital problems, *The Rules for Marriage* can help.

the rules by ellen fein and sherrie schneider: *The Rules (TM) Dating Journal* Ellen Fein, Sherrie Schneider, 1997-10-01 *The Rules Dating Journal* gives Rules followers a perfect place to record every dating move. Using a week-at-a-glance format, it includes one Rule tip, reminder, or piece of advice per week to help keep women on track.

the rules by ellen fein and sherrie schneider: *Rules for Online Dating* Ellen Fein, Sherrie Schneider, 2002-07-01 From the authors of the bestselling *The Rules* comes the ultimate compendium of advice for meeting and dating Mr. Right online--the etiquette of e-courtship.

the rules by ellen fein and sherrie schneider: *The Rules: How to Capture the Heart of Mr Right* Ellen Fein, Sherrie Schneider, 2012-02-02 Now available as an ebook for the first time, the notorious dating handbook bought by millions of women is women's answer to *THE GAME*. Refreshingly blunt, astonishingly effective, and at times hilarious, *THE RULES* will show women who is a keeper and how to get 'a ring on it', if that is what they want.

the rules by ellen fein and sherrie schneider: *The Manual of How to Cheat on Your Wife* Grace Ann Neff, 2002-06

the rules by ellen fein and sherrie schneider: *Not Your Mother's Rules* Ellen Fein, Sherrie Schneider, 2013-01-08 The authors behind the ubiquitous dating bible that launched a worldwide movement are back, accompanied by their daughters, with brand new advice updated for the modern era. How long should I wait to respond to his text message? Can I friend him on Facebook? Why did he ask for my number but never call me? When *The Rules* was published in 1995, its message was straightforward: be mysterious. But for women looking for love today, it's not quite so simple. In a world of instant messaging, location check-ins, and status updates, where hook-ups have become the norm and formal one-on-one dates seem a thing of the past, it's difficult to retain the air of mystery that keeps men interested. Now, with help from their daughters, the original Rules Girls Ellen Fein and Sherrie Schneider share their thoroughly modern, fresh take on dating that will help women in today's information age create the happy love lives they want and deserve. Whether you're a 20-something dating for the first time, a 30-something tired of being single, a 40-something giving advice to your daughter, or a 50-something getting back in the dating game, this book has the answers you've been waiting for. The Rules include: Stay Away from his Facebook Profile Make Yourself Invisible and Other Ways to Get Out of Instant Messaging Stop Dating a Guy Who Cancels More than Once Text-Back Times Chart Don't Just Hang Out or See Him 24/7 TTYL: Always End Everything First-- Get Out of There! And much, much more! Providing the dos and don'ts you need to stop making mistakes and start finding romance, *Not Your Mother's Rules* will revolutionize dating today just as *The Rules* did nearly 20 years ago!

the rules by ellen fein and sherrie schneider: *New Millennial Sexstyles* Carol Siegel, 2000 *New Millennial Sexstyles* questions the twin feminist orthodoxies that the 1960s sexual revolution failed women and that the sexual attitudes most prominent in current youth cultures are deplorably regressive. Comparing the American sexscape she inhabits to the vision of contemporary culture produced by feminist theorists, Carol Siegel considers whether the sexual revolution may have succeeded, but in ways not recognized by current academic studies of gender and sexuality. In discouraging undomesticated heterosexuality, academic feminism ignores the connection between mainstream opposition to all unrestrained sexual expression and the growth of new forms of homophobia in our times. At the same time, the youth subcultures' challenges to these views of sexuality and gender have been dismissed as insignificant, or misunderstood as sexist. In this book, they receive more respectful attention. Siegel draws on her own experience as a college student to create a personal history of academic feminism's early sympathy with bourgeois values. She looks at the development of American sex advice literature and at the reception of such transgressive popular films as *Basic Instinct*, *Thelma and Louise*, and *Natural Born Killers* to demonstrate that the most profoundly capitalist feminist theories have always been the most culturally authoritative. A more encouraging vision emerges in the book's second half, where a record of conversations about sex and gender with young people, and of their responses to products designed for their consumption, takes the reader through some of today's most radical youth cultures and suggests new directions for gender studies.

the rules by ellen fein and sherrie schneider: *Black Woman Redefined* Sophia Nelson, 2012-11-20 It's time for a REDEFINITION among black women in America. In its 2011 hardcover release, *Black Woman Redefined* was a top-selling book and took home a 2011 Best Non-Fiction Book of the Year Award from the African American Literary Awards. Author Sophia A. Nelson won the 2012 Champions of Diversity Award, given each year by diversity business executives in Fortune 100 companies. *Black Woman Redefined* was inspired in part by what Nelson calls "open season on accomplished black women: from Don Imus's name-calling of black female basketball players in 2007 and a 2009 Yale University study titled "Marriage Eludes High-Achieving Black Women, to the more recent revelation that First Lady Michelle Obama is concerned about being painted as an "angry, black woman. In *Black Woman Redefined*, Nelson sets out to change this cultural perception, taking readers on a no-holds-barred journey into the hearts and minds of accomplished black women to reveal truths, tribulations, and insights like never before. This groundbreaking book provides black women of a new generation with essential career and life-coaching advice. Based on

never-before-done research on college-educated, career-driven black women, Nelson offers her fellow “sisters—and those who know, love, and work with them—a feel-good volume for personal and professional success that empowers them without tearing others down.

the rules by ellen fein and sherrie schneider: Cosmopolitan Culture and Consumerism in Chick Lit Caroline J. Smith, 2007-12-12 Cosmopolitan Culture and Consumerism in Chick Lit examines the way in which the popular women’s fiction genre of the late 1990s, known as chick lit, responds to women’s advice manuals such as women’s magazines, self-help books, romantic comedies, and domestic-advice manuals.

the rules by ellen fein and sherrie schneider: Wife, Inc. Suzanne Leonard, 2020-05-01 A fascinating look at the changing role of wives in modern America After a half century of battling for gender equality, women have been freed from the necessity of securing a husband for economic stability, sexual fulfillment, or procreation. Marriage is a choice, and increasingly women (and men) are opting out. Yet despite these changes, the cultural power of marriage has burgeoned. What was once an obligation has become an exclusive club into which heterosexual women with the right amount of self-discipline may win entry. The newly exalted professionalized wife is no longer reliant on her husband’s status or money; instead she can wield her own power provided she can successfully manage the business of being a wife. Wife, Inc. tells a fiercely contemporary story revealing that today’s wives do not labor in kitchens or even homes. Instead, the work of wifedom occurs in online dating sites, on reality television, in social media, and on the campaign trail. Dating, marital commitment, and married life have been reconfigured. No longer the stuff of marriage vows, these realms are now controlled by brand management and marketability. To prosper, women must appear confident, empowered, and sexually savvy. Guiding readers through the stages of the “wife-cycle,” Suzanne Leonard follows women as they date, prepare to wed, and toil as wives, using examples from popular television, film, and literature, as well as mass market news, women’s magazines, new media, and advice culture. The first major study to focus on this new definition of “working wives,” Wife, Inc. reveals how marriage occupies a newly professionalized role in the lives of American women. Being a wife is a business that takes a lot more than a vow to maintain—this book tells that story.

the rules by ellen fein and sherrie schneider: Love in America Lawrence R. Samuel, 2019-11-29 Widely considered the most complex of human emotions, romantic love both shapes and reflects core societal values, its expression offering a window into the cultural zeitgeist. In popular culture, romantic love has long been a mainstay of film, television and music. The gap between fictitious narratives of love and real-life ones is, however, usually wide--American's expectations of romance and affection often transcend reality. Tracing the history of love in American culture, this book offers insight into both the national character and emotional nature.
