Yankee 3rd Baseman History: A Legacy of Grit and Greatness

yankee 3rd baseman history is a fascinating journey through one of baseball's most iconic franchises. The New York Yankees, known for their championship pedigree and legendary players, have seen a remarkable lineage of third basemen who contributed significantly to the team's success over the decades. From defensive stalwarts to offensive powerhouses, the story of Yankee third basemen offers a deep dive into how the position evolved within the franchise and how these players left an indelible mark on the game.

The Early Years: Laying the Foundation

The history of third basemen in the Yankees organization began in the early 20th century when the team was still carving out its identity. Back then, the role of the third baseman was primarily defensive, tasked with guarding the "hot corner" against some of the fastest hitters in the league. Players were valued for their quick reflexes, strong arms, and ability to handle bunts and hard-hit grounders.

One notable figure from this era was Joe Dugan, who played for the Yankees in the late 1910s and early 1920s. Though not a Hall of Famer, Dugan's steady glove work and hustle helped the Yankees secure multiple pennants and World Series titles. His presence highlighted the importance of a reliable third baseman during a time when the team was beginning its ascent to baseball royalty.

The Golden Era: From Defensive Specialists to Offensive Threats

As baseball evolved, so did the expectations for third basemen. The Yankees' history shows a shift during the mid-20th century when players at this position began to blend defensive excellence with offensive firepower. This period saw several standout Yankees who not only excelled with the glove but also contributed significantly at the plate.

Andy Carey and the Post-War Yankees

Andy Carey was one of the key third basemen for the Yankees in the late 1940s and early 1950s. Known for his strong arm and solid defensive skills, Carey was a key part of Yankees teams that dominated the American League. While he wasn't a major offensive force, his consistency and ability to make clutch

plays made him a fan favorite and a dependable member of the lineup.

Clete Boyer: The Defensive Wizard

No discussion about Yankee third baseman history is complete without mentioning Clete Boyer. Playing from the mid-1950s through the mid-1960s, Boyer was revered for his incredible defensive range and strong arm. Often overshadowed by his more flamboyant teammates, Boyer's contributions were critical in helping the Yankees secure multiple championships during his tenure. His ability to turn double plays and make difficult stops became a hallmark of the Yankees' infield defense.

The Modern Era: Power Hitters and Multi-Dimensional Players

The latter part of the 20th century and into the 21st century brought a new wave of Yankee third basemen who combined toughness with offensive production. This era reflects the broader MLB trend where third basemen became expected to be middle-of-the-order hitters, providing home runs and RBIs along with solid defensive play.

Graig Nettles: The Quintessential Yankee Third Baseman

Graig Nettles, who played for the Yankees primarily in the 1970s, is often regarded as one of the greatest third basemen in franchise history. His blend of power hitting and defensive prowess set a standard for the position. Nettles was a nine-time All-Star and won multiple Gold Glove awards, illustrating his excellence on both sides of the game.

Nettles' impact went beyond numbers; his leadership and clutch performances helped the Yankees win two World Series championships in the late 1970s. He became a symbol of grit and determination, embodying the spirit of Yankee baseball during a turbulent decade.

Wade Boggs and the Transition to Contact Hitting

While known primarily for his time with the Boston Red Sox, Wade Boggs also spent a part of his career with the Yankees as a third baseman. Boggs brought a different style to the position, emphasizing contact hitting, on-base skills, and baseball intelligence over sheer power. His approach helped the Yankees in the early 1990s as the team rebuilt towards its late-century

dominance.

21st Century Stars: The New Generation of Yankee Third Basemen

The new millennium has seen the Yankees continue their tradition of strong third basemen, though the role has become more dynamic. Modern players are expected to be athletic defenders, switch hitters, and versatile contributors to the team's offensive strategy.

Alex Rodriguez: Redefining the Position

Arguably the most famous Yankee third baseman in recent history is Alex Rodriguez. Joining the Yankees in 2004, Rodriguez transformed the position with his unprecedented combination of power, speed, and defensive skill. His tenure with the Yankees was marked by MVP awards, multiple All-Star selections, and a pivotal role in the franchise's late 2000s World Series victories.

Rodriguez's presence elevated the expectations for third basemen, proving that the position could be the heart of a lineup while still anchoring the infield defensively. Despite controversies, his impact on Yankee 3rd baseman history remains undeniable.

Modern Prospects and Future Outlook

Today, the Yankees continue to develop and scout for third basemen who can uphold the franchise's high standards. With the increasing emphasis on analytics and defensive metrics, the ideal third baseman must be a well-rounded athlete capable of adjusting to the rapid pace of modern baseball.

Players like Gio Urshela and Miguel Andújar have recently stepped into this role, showcasing power, clutch hitting, and solid defense. Their performances underline how the Yankees value a blend of traditional skills and new-age versatility at the hot corner.

What Makes a Great Yankee Third Baseman?

Reflecting on the rich yankee 3rd baseman history, several key traits stand out that have defined great players at the position:

- **Defensive Excellence:** The ability to field tough grounders, make quick decisions, and throw accurately has always been a cornerstone.
- **Offensive Contribution:** From power hitters like Nettles and Rodriguez to contact specialists like Boggs, offensive skill is critical.
- **Leadership:** Many Yankee third basemen have served as clubhouse leaders, embodying the team's competitive spirit.
- **Durability and Consistency:** Playing a demanding position every day requires resilience and steady performance.

Understanding these qualities helps explain why the Yankees have historically invested so much in securing the right player for third base, balancing both old-school grit and modern baseball intelligence.

Exploring the yankee 3rd baseman history offers not just a timeline of players, but a lens into how the position reflects broader changes in baseball strategy and player development. Each generation brought its own flavor, from the rugged defenders of the early days to the power hitters of recent decades, illustrating the evolving demands and prestige of playing third base for one of the world's most famous sports franchises.

Frequently Asked Questions

Who is considered the greatest third baseman in New York Yankees history?

Alex Rodriguez is widely regarded as the greatest third baseman in New York Yankees history due to his outstanding offensive production and defensive skills during his tenure from 2004 to 2016.

Which Yankee third baseman has the most All-Star selections?

Alex Rodriguez holds the record for the most All-Star selections as a Yankee third baseman, being selected to the All-Star Game multiple times during his career with the team.

When did the Yankees first have a notable third baseman?

The Yankees first had a notable third baseman in Joe Dugan, who played for the team during the 1920s and was part of several World Series-winning teams.

How did Graig Nettles impact the Yankees as a third baseman?

Graig Nettles was a key figure for the Yankees in the 1970s, known for his exceptional defense and clutch hitting, helping the team win two World Series titles in 1977 and 1978.

Who succeeded Alex Rodriguez as the Yankees' starting third baseman?

After Alex Rodriguez's departure, Gio Urshela took over as the Yankees' starting third baseman and was praised for his solid defense and timely hitting.

What are some defensive highlights of Yankees third basemen history?

Yankees third basemen like Graig Nettles and Alex Rodriguez are known for their outstanding defensive plays, including numerous highlight-reel stops, strong arm throws, and Gold Glove awards.

How has the role of the third baseman evolved in Yankees history?

The role of the Yankees' third baseman has evolved from primarily defensive specialists like Joe Dugan to powerful offensive contributors like Alex Rodriguez, reflecting broader changes in baseball strategy and player expectations.

Yankee 3rd Baseman History: A Journey Through Iconic Infield Legacy

yankee 3rd baseman history spans a rich tapestry of baseball excellence, featuring some of the most legendary figures in Major League Baseball. The New York Yankees, a franchise synonymous with winning and tradition, have seen a series of remarkable third basemen who have contributed significantly both offensively and defensively. Exploring this history not only highlights the evolution of the position within the team but also reflects broader changes in baseball strategy and player development over the decades.

The Evolution of the Third Baseman Role in

Yankee History

Traditionally, the third baseman is tasked with guarding the "hot corner," a position requiring quick reflexes, strong defensive skills, and offensive contributions. The Yankees' approach to this role has shifted over time, responding to changing team needs and baseball trends. Early Yankee third basemen were primarily valued for their glove work and situational hitting, while modern players often bring a potent combination of power hitting and athleticism.

Early Years and Defensive Specialists

During the early 20th century, Yankee third basemen like Joe Dugan and Frank Crosetti were known more for their defensive reliability than offensive firepower. Crosetti, in particular, played a pivotal role during the Yankees' first dynastic run in the 1920s and 1930s. His ability to field bunts, execute double plays, and provide steady infield leadership was invaluable in an era when small ball tactics dominated.

The Gehrig Era and Offensive Expectations

Though Lou Gehrig primarily played first base, the Yankees' infield during his era set high standards for offensive production. The demand for third basemen to be offensive threats grew, influenced by the power-hitting culture the team embraced. However, the 1930s and 1940s saw few standout third basemen for the Yankees, as the position often featured utility players or those transitioning to other roles.

Iconic Yankee Third Basemen: Legends and Impact

Several players have defined the yankee 3rd baseman history with their unique blend of talent, leadership, and clutch performances. Their contributions have helped the Yankees secure multiple World Series titles and maintain their reputation as baseball royalty.

Andy Carey: The Transitional Figure

Andy Carey played third base for the Yankees during the 1950s, a period marked by the team's continued dominance. Carey was known for his solid defense and consistent bat, helping the Yankees win five World Series championships. While not a Hall of Famer, Carey exemplified the dependable, all-around third baseman the Yankees valued during this era.

Clete Boyer: Defensive Excellence and Durability

Clete Boyer's tenure as the Yankees' third baseman in the 1960s and early 70s is often celebrated for his defensive prowess. Considered one of the best defensive third basemen of his time, Boyer had excellent range, a strong arm, and a knack for making highlight-reel plays. Offensively, he was a competent hitter, adding power and run production to the lineup. His presence anchored the Yankees' infield during a transitional phase for the franchise.

Graig Nettles: The Quintessential Yankee Third Baseman

Arguably the most iconic yankee 3rd baseman in franchise history, Graig Nettles embodied the perfect balance of offense and defense during his decade-long stint from 1973 to 1983. Nettles was an eight-time All-Star and two-time Gold Glove winner, known for his clutch postseason performances and towering home runs. His ability to handle pressure and deliver in critical moments helped the Yankees capture two World Series titles in the late 1970s. Nettles' aggressive style and gritty play left an enduring imprint on the position and set a high standard for successors.

Don Mattingly: The Modern Era's Offensive Powerhouse

Though primarily a first baseman, Don Mattingly briefly played third base early in his career and represents the Yankees' shift toward prioritizing offensive production from traditionally defensive positions. Mattingly's exceptional batting average, on-base skills, and leadership qualities symbolize the evolving expectations for infielders in the 1980s and 1990s. His success helped pave the way for future third basemen who could impact the game with the bat as much as the glove.

Recent Decades: Challenges and New Talents

In the late 20th and early 21st centuries, the Yankees faced challenges in finding a long-term solution at third base. The position saw a revolving door of players with varying degrees of success, reflecting broader roster construction challenges and shifting team priorities.

Wade Boggs and Scott Brosius: Moments of Brilliance

Wade Boggs, a Hall of Famer, played third base for the Yankees from 1993 to 1997, bringing his trademark hitting prowess and high on-base percentage to

the lineup. While his defensive skills were sometimes questioned, his offensive consistency was a boon during his tenure.

Scott Brosius, meanwhile, emerged as an unexpected hero during the late 1990s, earning the 1998 World Series MVP award. Brosius combined solid defense with timely hitting, exemplifying the Yankees' ability to extract value from role players and veterans.

Alex Rodriguez: A Defining, Controversial Figure

No discussion of Yankee 3rd baseman history is complete without mentioning Alex Rodriguez, who played the position from 2004 to 2007 before shifting to first base. Rodriguez's tenure was marked by stunning offensive numbers, including multiple MVP awards and record-breaking seasons. His ability to hit for power and average redefined the offensive ceiling for third basemen in the Yankees organization. However, his career was also marred by controversies that complicated his legacy within the franchise.

Modern Era and Future Prospects

The current era has seen players like Miguel Andújar and Gio Urshela attempt to fill the third base role with varying success. Both players bring a mix of defensive skill and offensive potential that aligns with contemporary baseball's emphasis on versatile, multi-dimensional infielders. The Yankees continue to seek a long-term solution at third base, balancing veteran presence with emerging talent from their farm system.

Key Attributes and Trends in Yankee Third Baseman History

Analyzing the Yankee 3rd baseman history reveals several recurring themes and evolving trends that define the position within the franchise:

- **Defensive Importance:** From the early days through the 1970s, defensive reliability was paramount, with players like Clete Boyer and Graig Nettles setting defensive benchmarks.
- **Offensive Expectations:** The role increasingly demanded power and run production, especially from the 1970s onward, as exemplified by Nettles and Rodriguez.
- **Versatility:** Many Yankees third basemen have demonstrated the ability to shift positions or adapt roles, reflecting the fluid nature of modern

baseball rosters.

- **Clutch Performances:** Postseason success has been a hallmark, with third basemen often stepping up in critical moments to influence championship outcomes.

Comparative Insights

When compared to third basemen from other franchises, Yankees players often blend traditional defensive skills with a pronounced offensive contribution, a reflection of the team's winning culture and high expectations. While some teams prioritize defensive specialists or offensive sluggers exclusively, the Yankees have historically sought a well-rounded athlete capable of impacting all facets of the game.

The franchise's emphasis on postseason success further elevates the importance of mental toughness and clutch performance at third base, setting a higher bar than regular-season statistics alone might suggest.

Legacy and Cultural Impact

The yankee 3rd baseman history is not only a record of individual achievements but also a narrative that intersects with the broader cultural significance of the Yankees as an American sports institution. Players who have donned the No. 3 jersey or manned third base have become symbols of resilience, excellence, and the relentless pursuit of greatness.

Graig Nettles, in particular, occupies a revered place in the hearts of fans and historians alike, embodying the gritty spirit of the Bronx Bombers. Meanwhile, Alex Rodriguez's tenure, with all its complexities, sparked nationwide debates on performance, ethics, and redemption in sports.

Through decades of change, the third baseman position has mirrored the Yankees' ongoing evolution—balancing tradition with innovation, and individual prowess with team success.

The history of Yankee third basemen offers a fascinating lens through which to examine not only the team's infield dynamics but also the shifting paradigms of baseball itself. From defensive stalwarts to offensive powerhouses, the players who have patrolled the hot corner in pinstripes have left an indelible mark on the franchise and the sport, continually shaping what it means to be a Yankee at third base.

yankee 3rd baseman history: The Yankee Encyclopedia Walter LeConte, Mark Gallagher, 2003

yankee 3rd baseman history: *The Lean Years of the Yankees, 1965-1975* Robert W. Cohen, 2015-01-27 The New York Yankees' history is filled with great achievements, outstanding performances, and unprecedented success. For more than 40 years, from 1921 to 1964, the Yankees and their fans had much to cheer about--the team won 29 pennants and 20 world championships and featured such greats as Babe Ruth, Lou Gehrig, Joe DiMaggio, Mickey Mantle, Bill Dickey, Yogi Berra and Whitey Ford. Yankee haters waited endlessly for the fall of the seemingly unbeatable team from New York, and finally, in 1965, the Yankees began to flounder. The team didn't win anything for the next eleven years. Each losing season, from 1965 through 1975, is fully covered in this book. The author maintains that in their long losing streak and mediocrity, the Yankees somehow acquired a more endearing quality that had not previously existed. The team that had once offered its fans Ruth, Gehrig, DiMaggio, Mantle and other greats now offered Bill Robinson, Danny Cater, Jerry Kenney and Jake Gibbs, and standouts Bobby Murcer, Mel Stottlemyre, Thurman Munson and Roy White--men who knew the Yankees' long and glorious history, but also knew first-hand the decade of frustration and disappointment that Yankees players and fans had to live through.

yankee 3rd baseman history: *New York Yankees IQ* Tucker Elliot, 2009-08-04 Think you know Yankees baseball? Think again. Find out how smart you really are about the New York Yankees. Are you a rookie? Are you a tested, hardcore veteran? Or will you be clearing waivers for your pending release halfway through the book? We'll let you know. Five chapters, ten categories, more than 250 questions: The Numbers Game, Rookies, Veterans, Legends, Hitters, Pitchers, Managers and Coaches, Fabulous Feats, Teams, and Miscellaneous. That's what you're up against, and we're keeping score. Test your skills. Wrack your brain. It's the ultimate New York Yankees IQ test.

yankee 3rd baseman history: Champions Glenn Dickey, Vida Blue, 2013-07-01 Three eras of baseball excellence are profiled in this history of the Oakland Athletics by respected columnist Glenn Dickey. From the Charles Finley years of the early 1970s—during which the A's won five straight divisional championships and three straight World Series—through the power years of Mark McGwire and José Canseco, to the “Moneyball” era of Billy Beane, this retrospective examines the characters and moments that contributed to the Oakland club's storied history. Fans of the A's will not want to miss out on this book that celebrates the glorious past of their favorite team and looks forward to a promising future.

yankee 3rd baseman history: *100 Things Yankees Fans Should Know & Do Before They Die* David Fischer, 2018-04-15 Most Yankees fans have taken in a game or two at Yankee Stadium, have seen highlights of stars like Mickey Mantle and Joe DiMaggio, and can tell the story of Babe Ruth's called-shot home run in 1932. But only real fans know who designed the team's iconic NY logo, have spent time at the Babe Ruth Museum, or have visited the site of the Yankees' original home ballpark. *100 Things Yankees Fans Should Know & Do Before They Die* is the ultimate resource for true fans of the Bronx Bombers. Whether your favorite player is Lou Gehrig, Derek Jeter, or even Aaron Judge, these are the 100 things all fans need to know and do in their lifetime. In this revised and updated edition, featuring Judge and the Yankees' exciting next generation, author David Fischer has collected every essential piece of Yankees knowledge and trivia, as well as must-do activities, and ranks them all from 1 to 100, providing an entertaining and easy-to-follow checklist as you progress on your way to fan superstardom.

yankee 3rd baseman history: *Red Sox Vs. Yankees* Harvey Frommer, Frederic J. Frommer, 2005 Red Sox vs. Yankees: The Great Rivalry covers nearly a century's worth of epic battles on and off the baseball field between these age-old rivals. Featuring exclusive interviews with former governors Mario Cuomo of New York and Michael Dukakis of Massachusetts, former press secretary Ari Fleischer, former New York City Mayor Rudy Giuliani, congressmen, reporters, broadcasters,

and especially players, coaches, managers and front-office execs from the Red Sox and Yankees including Don Zimmer, Nomar Garciaparra, Derek Lowe, Jason and Jeremy Giambi, Lou Meroni, Dwight Evans, and Theo Epstein. Two unique features of the book are a Rivalry Timeline and a Talkin' Rivalry section, a free-for-all in print among fans, journalists, and players who all have something to say. Other chapters include Marker Moments, in-depth profiles of Joe DiMaggio and Ted Williams, Fenway Park and Yankee Stadium. More than two years in the making, this coffee-table book will have nearly 256 pages of text and more than 125 photos, some in color, some archival. A perfect book for Yankee fans, Red Sox fans, and all baseball fans.

yankee 3rd baseman history: *Congressional Record* United States. Congress, 1991 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

yankee 3rd baseman history: *My Sixties Revisited* Martin G Kavanaugh, 2024-01-14 My Sixties Revisited is an autobiographical book of memories, history, and opinions, during the author's life in two fascinating decades. You will see life from the author's perspective during the tumultuous nineteen sixties as a pre-teen and teenager and during his 60's as an adult. The two decades, roughly 50 years apart, look at the past, present, and possibly a glimpse into our country's future. Topics include family life, primary schooling at St Andrew, sports, and music from the nineteen sixties. You will also read about political points of historical importance during that decade including Vietnam, civil rights. protests, space, and political assassinations. A 'bridge' covering forty-three years carry the author from the nineteen sixties to the author's 60's in short bullet points. The author's 60's look at life in the years 2013 to 2023 from his seasoned perspective. You will read about things that mattered to the author but also had an impact on many people. We continue to look at sports and family events but also the political landscape and a thing called Covid. The author's 60's focus on his interest in travel including seeing his favorite sports team and takes a deep dive into his love of the game of golf. You will walk fairways with the author at St Andrews and other iconic 'True Links' layouts in the U.K. and Ireland. You will notice similarities and differences in America fifty years apart. References are used often. I hope you enjoy.

yankee 3rd baseman history: World Series '64 John G. Robertson, Carl T. Madden, 2024-09-20 In 1964, the New York Yankees were the undisputed champions of Major League Baseball. This book presents, in all its context, the story of the upstart St. Louis Cardinals, improbable champions of the National League, taking the Bronx Bombers to game seven in a harrowing World Series that ended with the toppling of an MLB dynasty and the ascension of an exciting new St. Louis Cardinals. Herein is the story of Bob Gibson, Tim McCarver, Mickey Mantle, Bobby Richardson, and numerous others who made baseball history and captivated the public during that exciting Fall Classic.

yankee 3rd baseman history: Dynasty Peter Golenbock, 2010-03-01 In this definitive history, bestselling journalist Golenbock focuses on a particularly dominant period of the Yankees' past, when the Bronx Bombers won nine World Series titles on the strengths of such Hall of Famers as DiMaggio, Mantle, Berra, and Ford. Includes interviews of players and coaches, vintage photos, and a new introduction.

yankee 3rd baseman history: *Baseball Players of the 1950s* Rich Marazzi, Len Fiorito, 2015-06-08 The playing and post-playing careers of all 1,560 players who appeared in a major league box score between 1950 and 1959--the golden age, many say--are profiled in this exhaustive work. From Aaron to Zuverink: this treasure-trove of anecdotes, many gathered from personal interviews, is full of historical facts, controversy, and trivia. Readers will be reminded, that Milwaukee Braves pitcher Humberto Robinson was asked by a gambler to fix a game against the Phillies (he refused), Joe Adcock chased Giants pitcher Ruben Gomez around the field with a bat, Bob Turley reached the top of the corporate ladder after his playing days, Casey Wise became an

orthodontist, Bobby Brown became a heart surgeon and president of the AL, and that Chuck Connors became an actor. All of this and much more can be found here.

yankee 3rd baseman history: 100 Things Yankees Fans Should Know and Do Before They Die Consultant on Nuclear Proliferation Issues Formerly Special Consultant to Director of International Atomic Energy Agency David Fischer, 2012-02 Being a Yankees fan is about more than watching the team win multiple World Series, and this book helps fans get the most out of it. Taking 110 years of Yankees history, the book distills it to the absolute best and most compelling moments, identifying the personalities, events, and facts every Yankees fan should know without hesitation. Numbers with huge import, such as 3, 7, and 56; nicknames such as Babe, Iron Man, and Yankee Clipper; plus memorable moments, singular achievements, and signature calls all highlight the list. Experiences are another important part of the fabric of being a fan, so the book also includes things Yankees fans should actually see and do before they join Mickey Mantle and others at the Pearly Gates. From taking in a brew at the best Yankees bars across the country to visiting the Babe Ruth Museum in Baltimore and enjoying the highlights of the new Yankee Stadium, this book contains numerous tips and suggestions for enjoying all aspects of being a Yankees fan.

yankee 3rd baseman history: *The Legend of The Mick* Jonathan Weeks, 2023-03-01 In the 1950s, America entered the television age. And Mickey Mantle, a country boy from Commerce, Oklahoma, was made for the moment. Signed by the New York Yankees as a teenager, he made his major league debut in 1951 as a right fielder alongside Joe DiMaggio. When DiMaggio retired at the end of the season, Mantle inherited not only Joltin' Joe's position in centerfield but also his stature as the face of the franchise. His boyish good looks, breathtaking power from both sides of the plate, and blazing speed on the basepaths made him an instant superstar. He won league MVP three times, came in second three times, was a 16-time All-Star, a Triple Crown winner in 1956, and a seven-time World Series champion. Mickey Mantle's career was the stuff of legend and in this book, Jonathan Weeks tells us why. Mantle's extraordinary (and at times incredible) tales carry readers on an enthralling journey through the life of one of the most celebrated sports figures of the twentieth century. All of the most popular anecdotes (such as the Mantle's mammoth blasts, which led to the phrase "Tape Measure Home Runs") are thoroughly covered along with many lesser-known narratives. The book is divided into two sections. In Part One, Mantle's life and career are recounted chronologically. Part Two contains assorted stand-alone anecdotes in shorter form. Appendices include statistics, a chronology, and salary details among other bits of pertinent information.

yankee 3rd baseman history: The Ultimate Yankee Book Harvey Frommer, 2017-10-24 The perfect gift for the diehard fan, an enviable treasure for yourself, The Ultimate Yankee Book is the most current and comprehensive source of trivia, people and stories from the team's creation in 1901 to today. Harvey Frommer, the celebrated baseball historian and author of eight books about the Yankees, including The New York Yankee Encyclopedia and Remembering Yankee Stadium, has outdone himself this time around. The Ultimate Yankee Book combines oral history with stories of legendary figures and epic Yankee feats. Featuring an exhaustive timeline, a challenging 150-question Yankee quiz, entertaining sections on Yankees by the numbers and nicknames and profiles of dozens of Yankee legends and luminaries, this is a book to treasure and turn to again and again. Yankee fans have bragging rights to call their team the greatest of all time. Not only have the Yankees won the most World Series championships and placed the most players in the Hall of Fame, but the franchise is also the most widely featured team in news, social media and books. This groundbreaking work gives fans what they love: the best stories and a mother lode of data right through 2016. More than 125 archival photos and images are a special feature of The Ultimate Yankee Book.

yankee 3rd baseman history: **Bums No More** Brian M. Endsley, 2014-11-21 This is the story of the 1959 Dodgers, a team that rose above its disastrous first season on the West Coast for an out-of-nowhere World Series title. One of baseball's greatest underdog champions, the '59 Dodgers were a rag-tag team made of long shots salvaged from the minor leagues and over-the-hill ballplayers who reached back for one final triumph. After surviving a thrilling three team pennant

race, they met fellow long shots the Chicago White Sox in an underdog World Series. Here, the team's story is recounted in detail, with game-by-game highlights, and set against the cultural backdrop of the civil rights movement, the Cold War, and the rock and roll cultural revolution.

yankee 3rd baseman history: *The 50 Greatest Players in New York Yankees History* Robert W. Cohen, 2012-03-09 The New York Yankees are Major League Baseball's most renowned and successful franchise. Baseball greats such as Babe Ruth, Mickey Mantle, and Derek Jeter have all worn the famous navy blue and white pinstripes. The Yankees have won twenty-seven World Series, and twenty-nine players who spent at least a year with the team have been inducted into the Baseball Hall of Fame. With so many Hall of Famers to choose from, selecting the best players in the history of the franchise might seem impossible; yet, that is exactly what Robert W. Cohen has done. This book carefully examines the careers of the players who made the greatest impact on the most successful franchise in the history of professional sports. The ranking was determined based on such factors as the extent to which each player added to the Yankees legacy, the degree to which he impacted the fortunes of his team, and the level of dominance he attained while wearing the Yankee uniform. Features of *The 50 Greatest Players in New York Yankees History* include Each player's notable achievementsRecaps of the player's most memorable performancesSummaries of each player's best seasonQuotes from opposing players and former teammates Yankees fans and baseball fans in general will find *The 50 Greatest Players in New York Yankees History* a fascinating collection of bios, stats, recaps, quotes, and more. And with such iconic figures as Yogi Berra, Lou Gehrig, Joe DiMaggio, Alex Rodriguez, and Andy Pettitte, this book is sure to inspire debate and controversy among true Yankees fans.

yankee 3rd baseman history: Tigers and Their Den John McCollister, 1999-10-01 Share the fascinating stories about those who have brought to Detroit the unvarnished excitement unique to Tiger baseball.

yankee 3rd baseman history: *Gil Hodges* Mort Zachter, 2015-03 In descriptions of athletes, the word hero is bandied about and liberally attached to players with outstanding statistics and championship rings. Gil Hodges: A Hall of Fame Life is the story of a man who epitomized heroism in its truest meaning, holding values and personal interactions to be of utmost importance throughout his life--on the diamond, as a marine in World War II, and in his personal and civic life. A New York City icon and, with the Brooklyn Dodgers, one of the finest first basemen of all time, Gil Hodges (1924-72) managed the Washington Senators and later the New York Mets, leading the 1969 Miracle Mets to a World Series championship. A beloved baseball star, Hodges was also an ethical figure whose sturdy values both on and off the field once prompted a Brooklyn priest to tell his congregation to go home, and say a prayer for Gil Hodges in order to snap him out of the worst batting slump of his career. Mort Zachter examines Hodges's playing and managing days, but perhaps more important, he unearths his true heroism by emphasizing the impact that Hodges's humanity had on those around him on a daily basis. Hodges was a witty man with a dry sense of humor, and his dignity and humble sacrifice sometimes masked a temper that made Joe Torre refer to him as the Quiet Inferno. The honesty and integrity that made him so popular to so many remained his defining elements. Firsthand interviews of the many soldiers, friends, family, former teammates, players, and managers who knew and respected Hodges bring the totality of his life into full view, providing a rounded appreciation for this great man and ballplayer.

yankee 3rd baseman history: *The View from the Dugout* William M Anderson, 2009-06-26 Somewhere, if they haven't been destroyed, there are hundreds of pages of typewritten notes about American League players of that era, notes which I would love to get my hands on. -Bill James, in *The New Bill James Historical Baseball Abstract*, on the journals of Red Rolfe Red Rolfe's journal for his years as manager of the Detroit Tigers is the kind of precious source researchers yearn for. In combination with William M. Anderson's well-done text, *The View from the Dugout* will be of great interest to general readers and of immense value to students of baseball history. -Charles C. Alexander, author of *Breaking the Slump: Baseball in the Depression Era* Red Rolfe was one of baseball's most astute observers. This is 'inside' baseball from the inside. -Donald Honig, author of

Baseball America, *Baseball When the Grass Was Real*, and other books in the Donald Honig Best Players of All Time series In his lucid journals Red Rolfe has provided an inside look at how an intelligent baseball manager thinks and prepares. -Ray Robinson, Yankee historian and author of *Iron Horse: Lou Gehrig in His Time* Baseball players as a rule aren't known for documenting their experiences on the diamond. Red Rolfe, however, during his time as manager of the Detroit Tigers from 1949 to 1952, recorded daily accounts of each game, including candid observations about his team's performance. He used these observations to coach his players and to gain an advantage by recording strengths, weaknesses, and tendencies of opposing players and managers. Rolfe's journals carry added value considering his own career as an All-Star Yankee third baseman on numerous world champion teams, where he was a teammate of Lou Gehrig and Joe DiMaggio. Today, in the era of televised broadcasts, networks often wire a manager so that viewers can listen to his spontaneous comments throughout the game. Red Rolfe's journals offer an opportunity to find out what a manager is thinking when no one is around to hear. William M. Anderson is Director of the Department of History, Arts and Libraries for the State of Michigan. His books include *The Detroit Tigers: A Pictorial Celebration of the Greatest Players and Moments in Tigers' History*.

yankee 3rd baseman history: *Birding and Mysticism Volume 2* George E. Lowe, 2009-09-29 In volume 2 of *Birding and Mysticism: Enlightenment Through Bird Watching*, there is no traditional table of contents; rather, there are the five main parts and their sections and subsections, which contain the substantive ideas and memes of volume 2, followed by six appendices. The main thrust of volume 2 concerns the many aspects, faces, and forms of mysticism: religious, spiritual, rational, scientific, personal, and practical.
