

give us grace an anthology of anglican prayers

Give Us Grace: An Anthology of Anglican Prayers

give us grace an anthology of anglican prayers invites readers into a rich tapestry of spiritual reflection, devotion, and tradition. This collection is more than a book; it's a doorway into the heart of Anglican worship, spanning centuries of heartfelt petitions, praises, and contemplations. Whether you're someone deeply rooted in the Anglican tradition or simply curious about its prayer life, this anthology offers profound insights and a treasure trove of prayers that resonate with timeless grace.

The Essence of Anglican Prayer Life

The Anglican Church, known for its balance between Catholic and Protestant traditions, places a strong emphasis on liturgy and personal devotion. Prayer within this tradition is a dialogue—an ongoing conversation between the individual and God, framed by centuries of theological reflection and poetic expression. “Give us grace an anthology of Anglican prayers” beautifully encapsulates this dynamic, providing prayers that are both communal and deeply personal.

What Makes Anglican Prayers Unique?

Anglican prayers often blend reverence, scriptural language, and poetic beauty. They are crafted to be accessible yet profound, inviting worshippers to engage intellectually and emotionally. This anthology includes prayers from various eras, highlighting the evolution of language and spirituality within the Anglican context. From the formal structure of the Book of Common Prayer to contemporary compositions, each prayer carries a distinctive voice that reflects the Anglican ethos of “via media” – the middle way.

Exploring the Themes in “Give Us Grace”

One of the remarkable features of this anthology is its thematic richness. The prayers are organized around key spiritual and life topics, making it easy for readers to find words that speak to their current journey.

Grace and Forgiveness

At its core, Anglican spirituality deeply values the concept of grace—God’s unmerited favor offered to humanity. Prayers in this section often focus on seeking forgiveness, humility, and renewal. They remind us that grace is not only a gift but also a call to live with compassion and integrity.

Thanksgiving and Praise

Anglicans are known for their joyful expressions of gratitude. The anthology includes prayers of thanksgiving that celebrate God’s providence in daily life, the beauty of creation, and the fellowship of the church community. These prayers help cultivate a spirit of thankfulness, encouraging believers to recognize God’s presence in every moment.

Intercession and Petition

Intercessory prayers are a vital aspect of Anglican worship, reflecting a communal concern for the world. The anthology offers prayers for peace, healing, justice, and guidance. These prayers foster a sense of solidarity and responsibility, inviting readers to lift up the needs of others alongside their own.

The Role of “Give Us Grace” in Personal Devotion

For many, prayer is an intimate practice that shapes daily life. “Give us grace an anthology of Anglican prayers” serves as a companion for personal devotion, meditation, and spiritual growth. It provides a structured yet flexible framework that can be adapted to individual rhythms of prayer.

Using the Anthology in Daily Life

Whether you prefer morning reflection or evening contemplation, this collection offers prayers suited to every time of day. Consider setting aside a few minutes each day to read a prayer aloud or silently, allowing its words to resonate deeply. Over time, these prayers can become a source of comfort and strength, especially during challenging moments.

Incorporating Anglican Prayers into Family or Group Worship

The anthology is also a valuable resource for families and small groups. Reading prayers together can foster a shared sense of faith and connection. It's a meaningful way to introduce children or newcomers to the beauty of Anglican prayer traditions. You might select a prayer that aligns with a particular season, such as Advent or Lent, to enrich your communal worship experience.

Historical and Literary Significance

Beyond its spiritual utility, "give us grace an anthology of Anglican prayers" is a remarkable literary work. Many prayers included are penned by notable Anglican figures—bishops, poets, and theologians whose words have shaped Christian thought.

Noteworthy Contributors

The anthology features prayers from luminaries such as Thomas Cranmer, the principal architect of the Book of Common Prayer, whose contributions define much of Anglican worship. Additionally, prayers by contemporary writers bring fresh perspectives while honoring traditional forms.

Language and Poetic Beauty

One of the delights of this anthology is its linguistic richness. The prayers often employ vivid imagery, metaphor, and rhythm that elevate them beyond mere petitions. This poetic quality not only enhances memorability but also invites meditation on the mysteries of faith.

Why "Give Us Grace" Matters Today

In an era marked by rapid change and uncertainty, prayer remains a vital anchor for many. "Give us grace an anthology of Anglican prayers" offers accessible spiritual resources that connect believers across time and culture.

Fostering Spiritual Resilience

Through its prayers of lament, hope, and trust, the anthology encourages resilience in the face of hardship. It reminds readers that grace is available even in the darkest moments, providing solace and renewed courage.

Bridging Tradition and Contemporary Faith

While rooted in tradition, the anthology speaks to modern concerns. It addresses themes such as social justice, environmental stewardship, and interfaith understanding, demonstrating the Anglican Church's ongoing engagement with the world.

Tips for Engaging with Anglican Prayers

If you're new to Anglican prayer or looking to deepen your practice, here are some suggestions inspired by the anthology:

- **Read Slowly and Reflectively:** Take time to savor the language and meaning behind each prayer.
- **Journal Your Responses:** Writing down thoughts or emotions that arise can deepen your spiritual awareness.
- **Memorize Favorite Prayers:** Committing prayers to memory can provide comfort throughout your day.
- **Experiment with Different Prayers:** Explore prayers from various sections to find those that resonate most deeply.
- **Incorporate Silence:** After reading a prayer, pause to listen and be attentive to your inner response.

Engaging with “give us grace an anthology of Anglican prayers” can become a transformative practice, opening new pathways to divine encounter and personal peace.

The beauty of this anthology lies not only in its content but in its invitation—to come as you are, to speak honestly with God, and to receive grace anew. Whether you turn to it in moments of joy or sorrow, you'll find prayers that echo the heart of Anglican spirituality: a prayerful journey marked by dignity, depth, and hope.

Frequently Asked Questions

What is 'Give Us Grace: An Anthology of Anglican Prayers' about?

'Give Us Grace' is a collection of prayers from the Anglican tradition, compiled to offer readers a rich resource of spiritual reflection and devotion spanning various themes and occasions.

Who is the editor or compiler of 'Give Us Grace: An Anthology of Anglican Prayers'?

The anthology is compiled by Martyn Percy, a noted Anglican theologian and author, who curated prayers from historical and contemporary Anglican sources.

What makes 'Give Us Grace' significant within Anglican spirituality?

The anthology captures the breadth and depth of Anglican prayer life, highlighting theological diversity, poetic expression, and the tradition's emphasis on liturgy and scripture, making it a valuable resource for both personal and communal worship.

Can 'Give Us Grace' be used for daily devotional practices?

Yes, the collection includes prayers suitable for daily use, covering morning and evening prayers, as well as prayers for specific needs and occasions, making it a helpful guide for regular devotional practice.

Does 'Give Us Grace' include prayers from well-known Anglican figures?

Yes, the anthology features prayers from prominent Anglican saints, clergy, and writers such as Thomas Cranmer, John Henry Newman, and contemporary Anglican voices.

Is 'Give Us Grace: An Anthology of Anglican Prayers' suitable for ecumenical use?

While primarily Anglican in perspective, many prayers in the anthology are accessible and meaningful across Christian denominations, fostering ecumenical appreciation and use.

Where can I purchase or access 'Give Us Grace: An Anthology of Anglican Prayers'?

The book is available through major bookstores, online retailers like Amazon, and may also be found in church libraries or Anglican bookstores.

Additional Resources

****Give Us Grace: An Anthology of Anglican Prayers – A Reflective Examination****

give us grace an anthology of anglican prayers stands as a compelling collection that captures the spiritual and liturgical richness of the Anglican tradition. This anthology, thoughtfully curated, serves not only as a resource for personal devotion but also as a significant cultural artifact reflecting centuries of prayer life within Anglicanism. As interest in contemplative and liturgical prayer grows across denominational lines, this compilation offers unique insights into the theological depth and poetic resonance found in Anglican worship.

Exploring the Essence of Give Us Grace: An Anthology of Anglican Prayers

At its core, **Give Us Grace** presents a wide-ranging selection of prayers that span historical periods, theological perspectives, and liturgical contexts. The anthology is not merely a book of prayers but a curated experience that invites readers to engage with the Anglican ethos of worship—marked by reverence, scriptural grounding, and pastoral sensitivity. It encapsulates prayers for various occasions, including daily devotion, rites of passage, and seasons of the church calendar, making it a versatile tool for both clergy and laypersons.

The anthology's strength lies in its careful balance between tradition and accessibility. While many prayers retain the classic Elizabethan English style characteristic of Anglican liturgy, others are presented in contemporary language, bridging the gap between historical roots and modern spirituality. This linguistic diversity broadens its appeal, making the collection relevant for a wide audience searching for meaningful prayer texts.

The Theological and Liturgical Significance of Anglican Prayers

Understanding **Give Us Grace** requires some contextualization of Anglican

prayer itself. Anglicanism, historically situated between Catholicism and Protestantism, embraces a "via media" that manifests in its prayer life. The prayers in this anthology reflect this middle way by combining sacramental richness with scriptural clarity. Many entries emphasize themes such as grace, redemption, and the presence of God in everyday life, which resonate deeply with Anglican theology.

Moreover, the anthology showcases the structure of Anglican prayer—from confession and thanksgiving to intercession and benediction—highlighting the rhythm that shapes Anglican worship services. This structure is often rooted in the Book of Common Prayer, a foundational text that has shaped Anglican spirituality since the 16th century. *Give Us Grace* respects this heritage while also incorporating prayers from less well-known sources, including contemporary Anglican voices, thereby expanding the traditional canon.

Comparing Give Us Grace to Other Prayer Anthologies

When juxtaposed with other collections of Christian prayers, *Give Us Grace* stands out for its specifically Anglican perspective. Unlike generic prayer books that may draw from a broad ecumenical pool, this anthology maintains a focused identity, which enhances its value for those seeking prayers aligned with Anglican doctrine and worship style.

For example, compared to Roman Catholic anthologies that often emphasize Marian devotion and the saints, *Give Us Grace* prioritizes prayers that reflect Anglican emphases on scripture and the priesthood of all believers. Meanwhile, evangelical prayer collections might lean heavily on spontaneous or charismatic prayer forms, whereas *Give Us Grace* preserves more formal, liturgical expressions.

This focused approach can be both a strength and a limitation. Readers looking for prayers rooted explicitly in Anglican history and theology will find the anthology indispensable. Conversely, those seeking a wider ecumenical range might find the scope narrower than desired.

Features and Highlights of the Anthology

Several features contribute to the anthology's appeal:

- **Diverse Sources:** Prayers drawn from historic texts such as the Book of Common Prayer, alongside contemporary Anglican writers.
- **Seasonal and Thematic Organization:** Prayers arranged according to liturgical seasons like Advent, Lent, Easter, and Ordinary Time, as well

as themes like healing, peace, and justice.

- **Accessible Language:** A blend of traditional and modern English to accommodate a broad readership.
- **Ecumenical Sensitivity:** While distinctly Anglican, the prayers often resonate beyond denominational boundaries without compromising theological integrity.

Additionally, the anthology includes prayers for specific life moments—such as birth, marriage, and death—making it a practical companion for clergy and families alike.

Practical Applications in Worship and Personal Devotion

The utility of **Give Us Grace** extends beyond its literary and theological merits. In parish settings, the anthology can serve as a supplemental resource for worship leaders seeking fresh or traditional prayers to enrich services. Its variety enables customization of liturgies to suit different congregational needs without straying from Anglican identity.

For individuals, the anthology offers a structured yet intimate approach to prayer. The contemplative nature of many prayers encourages reflective spirituality, making it well-suited for daily devotion or retreat environments. Its accessible language invites engagement from newcomers to Anglicanism as well as lifelong adherents.

Potential Limitations and Considerations

While **Give Us Grace** offers many strengths, some readers might note the following considerations:

- **Theological Scope:** The anthology primarily reflects mainstream Anglican theology; readers from more liberal or conservative wings of Anglicanism may find some prayers less aligned with their perspectives.
- **Language Preferences:** The mix of Elizabethan and modern English, while intentional, might feel uneven to some readers who prefer a consistent style.
- **Ecumenical Reach:** Its focus on Anglican tradition may limit appeal for those seeking more interdenominational content.

These factors, however, do not detract significantly from the overall value the anthology offers to its intended audience.

Why Give Us Grace Resonates in Contemporary Anglicanism

In an era marked by spiritual searching and liturgical renewal, **Give Us Grace** taps into a growing desire for rootedness in tradition coupled with contemporary relevance. The anthology reflects a broader Anglican movement to reclaim and revitalize historic prayer practices for modern contexts.

Furthermore, the anthology's emphasis on grace—a central tenet of Anglican theology—speaks to a universal human need for mercy, forgiveness, and divine companionship. This focus enhances its accessibility and emotional resonance, inviting readers from diverse backgrounds to find solace and inspiration.

By compiling prayers that are both theologically rich and pastorally sensitive, **Give Us Grace** contributes to ongoing conversations about the role of prayer in personal and communal faith journeys within Anglicanism.

In sum, **Give Us Grace: An Anthology of Anglican Prayers** emerges as a thoughtfully curated resource that honors the depth and diversity of Anglican prayer life. Its blend of tradition and contemporary expression makes it a valuable companion for worship, study, and personal devotion, securing its place as a meaningful contribution to Anglican spiritual literature.

give us grace an anthology of anglican prayers: *Give Us Grace* Christopher Webber, 2004

give us grace an anthology of anglican prayers: *The Living Church* , 1948

give us grace an anthology of anglican prayers: A Time to Turn Christopher Webber, 2004-11 A Time to Turn draws on the best sermons, books, poems, and hymns of Anglican writers throughout the centuries, with a reading for each day of Lent and Easter week, followed by the brief suggestion for focusing the reader's meditations.

give us grace an anthology of anglican prayers: This Anglican Church of Ours Patricia Bays, 2012 This book is a guide to the Anglican church for those already travelling an Anglican path as well as for those who wish to explore it. Patricia Bays, who knows and loves her church, writes about all aspects of Anglicanism in an approachable style. She takes us from Celtic and Tudor England through the Reformation and Industrial Revolution to 21st century Canada and describes how the Anglican Church has met the challenges of change. Topics include: is there an Anglican theology? How do Anglicans make ethical decisions? What happens when we become ill or die? Who are the Anglicans?

give us grace an anthology of anglican prayers: The Minister's Manual Lee R. McGlone, 2010-08-09 For more than 80 years, The Minister's Manual has been the standard by which all other preaching annuals are measured. In its completely revamped and renewed format, new editions of the Manual will work for a broad audience with its content, design, and CD-ROM that allows access to all the text in the Manual. Still the single most comprehensive resource for preaching and worship available, the 2011 edition is more relevant, attractive and easy to use.

give us grace an anthology of anglican prayers: Bead One, Pray Too Kimberly Winston, 2008 In stories and pictures, this book shows how people of all faith traditions use prayer beads as a spiritual tool and a means of expressing their creativity. Every major world religion has a tradition of praying with beads and all are explored here, including the history and use of beads and specific prayers. Describes in detail and with diagrams how to make sets of prayer beads for personal use.

give us grace an anthology of anglican prayers: Yours Is the Day, Lord, Yours Is the Night Jeanie Gushee, 2012 Yours Is the Day, Lord, Yours Is the Night gives a framework for prayerful devotions with a morning and evening prayer for each day of the year. The prayers have been selected to reflect the seasons and the liturgical calendar. They are intended not to replace your personal, spontaneous prayers but to serve as a springboard for them. Editors Jeanie and David Gushee have collected inspiring contributions from Protestant, Catholic, and Eastern Orthodox sources; from all continents; from the Old Testament; and from each century of Christian history. Yours Is the Day, Lord, Yours Is the Night will enhance your commitment to God and personal connection to the Christian tradition and the Church universal.

give us grace an anthology of anglican prayers: Christian Psalms for Worship and Prayer Christopher L. Webber, 2019-05-16 The familiar biblical psalms are a basic and irreplaceable part of Christian worship but they come from an age so distant from ours that a few are no longer usable and none reflect the experience of Christians over the centuries. Christians have, of course, written hymns, but most of the ones we use come from the last two hundred years and few have the meditative quality of the biblical psalms. In Christian Psalms, Christopher L. Webber has constructed psalms from the writings of the greatest teachers and witnesses in Christian history: Saint Augustine, Julian of Norwich, Dorothy Day, Oscar Romero, and many more. Recommended for private prayer and meditation as well as congregational use in worship.

give us grace an anthology of anglican prayers: God's Good Earth Anne Rowthorn, Jeffery Rowthorn, 2018-11-30 God's Good Earth offers Christians and their communities an engaging resource for prayer, reflection, and worship that reflects and nourishes their efforts to serve God and care for God's creation. Compilers Anne and Jeffery Rowthorn have prepared 52 beautiful, ready-made prayer services, each around a specific theme, drawing from a rich variety of ecumenical resources: psalms and other responsive readings, Scripture, hymns, prayers, and reflections from the world's most engaging nature writers and interpreters of the social and cultural landscape. Each section can be used in full, or the user may select smaller sections; permission is granted to the purchaser to reproduce for use in public prayer.

give us grace an anthology of anglican prayers: The Blackwell Companion to Christian Ethics Stanley Hauerwas, Samuel Wells, 2011-06-07 Featuring updates, revisions, and new essays from various scholars within the Christian tradition, The Blackwell Companion to Christian Ethics, Second Edition reveals how Christian worship is the force that shapes the moral life of Christians. Features new essays on class, race, disability, gender, peace, and the virtues Includes a number of revised essays and a range of new authors The innovative and influential approach organizes ethical themes around the shape of Christian worship The original edition is the most successful to-date in the Companions to Religion series

give us grace an anthology of anglican prayers: The Apostolic Succession and the Catholic Episcopate in the Christian Episcopal Robert David Redmile, 2006-09

give us grace an anthology of anglican prayers: Taking the Plunge Anne E. Kitch, 2006-12 For practising Christians, however, there is a definite significance to Baptism and this book is useful for those who are having their children baptised or know other people who are, as it looks at how

Baptism shapes the role of a parent and their relationship to their children, God as well as the wider community.

give us grace an anthology of anglican prayers: Black Battle, White Knight Michael Battle, 2011-06-01 A fascinating profile of one of the most colorful, controversial and celebrated religious figures of our time, Malcolm Boyd—best-selling author, civil rights activist, gay cleric, and spiritual director. Through unparalleled access to the personal recollections, writings, and archival records of Malcolm Boyd, Michael Battle provides profound insight into one of America's most celebrated—and reviled—public religious figures. In the dialogue between Battle, a younger, black heterosexual Christian, the reader comes to view this older, white, gay Christian's life of activism and ministry with a fresh perspective.

give us grace an anthology of anglican prayers: The Student's Companion to the Theologians Ian S. Markham, 2013-04-01 As browsable as it is useful, this encyclopedic volume reads like a leisurely conversation among old friends. It will refresh professors, inspire students, and delight all who love the church. This is a book that will be fun to read in the short term but will last a long time on your library shelf. —Stephen H Webb, Wabash University This two-volume companion brings together a team of contemporary theologians and writers to provide substantial introductions to the key people who shaped the Christian story and tradition. Comprises over 75 entries on the most important and influential figures in the history of Christianity, written by an international team of nearly 50 contemporary theologians A to Z entries range from substantial essays to shorter overviews, each of which locates the theologian in their immediate context, summarizes the themes of their work, and explains their significance Covers a broad span of theologians, from Augustine to Thomas Aquinas, through to C. S. Lewis, James Cone, and Rosemary Radford Reuther Accessibly structured around five periods: early centuries, middle ages, reformation period, the Enlightenment, and the twentieth-century to the present Provides profiles of key Catholic, protestant, evangelical, and progressive theologians Explains the technical details of theology in accurate and accessible ways, and includes a variety of student aids, including a timeline to orientate the reader, reading lists, and a glossary of key terms

give us grace an anthology of anglican prayers: The Blackwell Companion to the Theologians, 2 Volume Set Ian S. Markham, 2009-04-27 This two-volume companion brings together a team of contemporary theologians and writers to provide substantial introductions to the key people who shaped the Christian story and tradition. A substantial two-volume reference work, bringing together over 75 entries on the most important and influential theologians in the history of Christianity Structured accessibly around five periods: early centuries, middle ages, reformation period, the Enlightenment, and the twentieth-century to the present A to Z entries range from substantial essays to shorter overviews, each of which locates the theologian in their immediate context, summarizes the themes of their work, and explains their significance Covers a broad span of theologians, from Augustine to Thomas Aquinas, through to C. S. Lewis, James Cone, and Rosemary Radford Reuther Provides profiles of key Catholic, protestant, evangelical, and progressive theologians Includes a useful timeline to orientate the reader, reading lists, and a glossary of key terms

give us grace an anthology of anglican prayers: Lean Logic David Fleming, 2016 *Lean Logic* is David Fleming's masterpiece, the product of more than thirty years' work and a testament to the creative brilliance of one of Britain's most important intellectuals. A dictionary unlike any other, it leads readers through Fleming's stimulating exploration of fields as diverse as culture, history, science, art, logic, ethics, myth, economics, and anthropology, being made up of four hundred and four engaging essay-entries covering topics such as Boredom, Community, Debt, Growth, Harmless Lunatics, Land, Lean Thinking, Nanotechnology, Play, Religion, Spirit, Trust, and Utopia. The threads running through every entry are Fleming's deft and original analysis of how our present market-based economy is destroying the very foundations--ecological, economic, and cultural-- on which it depends, and his core focus: a compelling, grounded vision for a cohesive society that might weather the consequences. A society that provides a satisfying, culturally-rich context for lives well

lived, in an economy not reliant on the impossible promise of eternal economic growth. A society worth living in. Worth fighting for. Worth contributing to. The beauty of the dictionary format is that it allows Fleming to draw connections without detracting from his in-depth exploration of each topic. Each entry carries intriguing links to other entries, inviting the enchanted reader to break free of the imposed order of a conventional book, starting where she will and following the links in the order of her choosing. In combination with Fleming's refreshing writing style and good-natured humor, it also creates a book perfectly suited to dipping in and out. The decades Fleming spent honing his life's work are evident in the lightness and mastery with which *Lean Logic* draws on an incredible wealth of cultural and historical learning--from Whitman to Whitefield, Dickens to Daly, Kropotkin to Kafka, Keats to Kuhn, Oakeshott to Ostrom, Jung to Jensen, Machiavelli to Mumford, Mauss to Mandelbrot, Leopold to Lakatos, Polanyi to Putnam, Nietzsche to Næss, Keynes to Kumar, Scruton to Shiva, Thoreau to Toynbee, Rabelais to Rogers, Shakespeare to Schumacher, Locke to Lovelock, Homer to Homer-Dixon--in demonstrating that many of the principles it commends have a track-record of success long pre-dating our current society. Fleming acknowledges, with honesty, the challenges ahead, but rather than inducing despair, *Lean Logic* is rare in its ability to inspire optimism in the creativity and intelligence of humans to nurse our ecology back to health; to rediscover the importance of place and play, of reciprocity and resilience, and of community and culture. ----- Recognizing that *Lean Logic*'s sheer size and unusual structure could be daunting, Fleming's long-time collaborator Shaun Chamberlin has also selected and edited one of the potential pathways through the dictionary to create a second, stand-alone volume, *Surviving the Future: Culture, Carnival and Capital in the Aftermath of the Market Economy*. The content, rare insights, and uniquely enjoyable writing style remain Fleming's, but presented at a more accessible paperback-length and in conventional read-it-front-to-back format.

give us grace an anthology of anglican prayers: *Beyond the Broken Church* Sarah Raymond Cunningham, 2014-04-22 *Beyond the Broken Church* is a collection of heartfelt learnings from Sarah Cunningham, a young adult raised in the faith, about the church she's not always sure she wants to be part of. The book engages concerns of a disillusioned generation head on and offers hope and honest, practical ideas for moving beyond one's frustrations. In the end *Beyond the Broken Church* tells a story that will be familiar to many: the journey of overcoming disillusionment and staying the course. This revised and expanded version of the popular book *Dear Church* revisits the existing book with additional chapters, fresh statistics, new insights into why people are leaving the church, and a resource guide for those who care about the disillusioned and want to understand them better. *Beyond the Broken Church* will be a breath of fresh air to others who have experienced frustration in church as well as an insider's guide for those seeking to understand current trends in church attendance, particularly among the younger generation.

give us grace an anthology of anglican prayers: *Tables in the Wilderness* Preston Yancey, 2014-09-30 In *Tables in the Wilderness*, Preston Yancey arrived at Baylor University in the autumn of 2008 with his life figured out: he was Southern Baptist, conservative, had a beautiful girlfriend he would soon propose to, had spent the summer living in southeast Asia as a missionary, and planned to study political science. Then God slowly allowed Preston's secure world to fall apart until every piece of what he thought was true was lost: his church, his life of study, his political leanings, his girlfriend, his best friend . . . and his God. It was the loss of God in the midst of all the godly things that changed Preston forever. One day he felt he heard God say, "It's going to be about trust with you," and then God was silent—and he still hasn't spoken. At least, not in the ways Preston used to think were the only ways God spoke. No pillars of fire, no clouds, just a bit of whisper in wind. Now, Preston is a patchwork of Anglican spirituality and Baptist sensibility, with a mother who has been in chronic neurological pain for thirteen years and father still devoted to Southern Baptist ministry who reads saints' lives on the side. He now shares his story of coming to terms with a God who is bigger than the one he thought he was worshiping—the God of a common faith, the God who makes tables in the wilderness, the God who is found in cathedrals and in forests and in the Eucharist, the God who speaks in fire and in wind, the God who is bigger than narrow understandings of his will, his

desire, his plan—the God who is so big, that everything must be his.

give us grace an anthology of anglican prayers: Turning Points in the Expansion of Christianity Alice T. Ott, 2021-11-16 This readable survey on the history of missions tells the story of pivotal turning points in the expansion of Christianity, enabling readers to grasp the big picture of missional trends and critical developments. Alice Ott examines twelve key points in the growth of Christianity across the globe from the Jerusalem Council to Lausanne '74, an approach that draws on her many years of classroom teaching. Each chapter begins with a close-up view of a particularly compelling and paradigmatic episode in Christian history before panning out for a broader historical outlook. The book draws deeply on primary sources and covers some topics not addressed in similar volumes, such as the role of British abolitionism on mission to Africa and the relationship between imperialism and mission. It demonstrates that the expansion of Christianity was not just a Western-driven phenomenon; rather, the gospel spread worldwide through the efforts of both Western and non-Western missionaries and through the crucial ministry of indigenous lay Christians, evangelists, and preachers. This fascinating account of worldwide Christianity is suitable not only for the classroom but also for churches, workshops, and other seminars.
