Star Wars Origami Finger Puppets: A Creative Fusion of Fandom and Craft

star wars origami finger puppets bring together the imaginative universe of Star Wars and the timeless art of paper folding in a delightful and accessible way. Whether you're a longtime fan of the saga or simply love hands-on crafts, these miniature characters offer a fun, creative outlet. They're perfect for storytelling, decorating your workspace, or gifting to fellow enthusiasts. In this article, we'll explore how to create these charming figures, the best materials to use, and why they've captured the hearts of both Star Wars fans and origami hobbyists alike.

What Are Star Wars Origami Finger Puppets?

At their core, star wars origami finger puppets are small, foldable paper creations that sit snugly on your finger, representing beloved characters from the Star Wars franchise. The puppets typically include iconic figures such as Darth Vader, Yoda, Stormtroopers, and Princess Leia. Unlike traditional finger puppets made from fabric or plastic, these puppets are crafted entirely from paper using origami techniques—making them lightweight, inexpensive, and easy to customize.

Origami itself is a centuries-old Japanese art form focused on folding paper into intricate designs without cutting or gluing. Applying this technique to Star Wars characters results in a unique blend of cultural creativity and pop culture fandom. These paper puppets are not just toys; they are miniature works of art that allow fans to engage with the Star Wars universe in a hands-on way.

Materials and Tools You'll Need

Before diving into folding your own star wars origami finger puppets, it's helpful to gather the right supplies. The beauty of origami is its simplicity, but certain materials can elevate your crafting experience.

- **Origami Paper:** Traditional origami paper is thin, square, and often colored. For Star Wars puppets, consider using paper with colors matching the characters—for instance, black for Darth Vader or green for Yoda.
- **Printed Templates:** Some crafters prefer pre-printed Star Wars-themed origami paper that includes facial features or costume details, making the puppets more recognizable.
- **Scissors and Glue (Optional):** While classic origami avoids cutting and gluing, some designs may require minor adjustments or decorations.

- **Markers or Colored Pencils:** To add fine details like eyes, helmets, or insignias, these tools are incredibly handy.

Using quality paper that holds folds well without tearing will make the folding process smoother and the final puppets more durable. Lightweight cardstock can be an alternative if you want sturdier puppets, though it may be more challenging to fold precisely.

Step-by-Step Guide to Making Star Wars Origami Finger Puppets

Creating star wars origami finger puppets can range from very simple folds for beginners to more complex designs for experienced folders. Here's a basic overview of how you can start your own collection:

1. Choose Your Character

Decide which Star Wars character you want to craft. Each character has unique features that will influence the folding style and colors you select. For beginners, starting with simpler characters like a Stormtrooper or Darth Vader is recommended.

2. Prepare Your Paper

Cut or select square paper of approximately 6x6 inches. If you're using plain paper, consider drawing or coloring character-specific details beforehand.

3. Follow a Folding Pattern

Look for origami instructions or diagrams tailored to Star Wars characters. Many free tutorials are available online, offering step-by-step visuals. Begin by folding the basic base shapes—often a “boat” or “pocket” fold that forms the puppet's body and finger slot.

4. Add Details

Once the basic shape is folded, use markers to draw facial features, helmets, or clothing patterns. For example, Darth Vader's mask details or Yoda's distinctive ears can be enhanced this way.

5. Test the Fit

Slip your finger into the bottom opening to ensure the puppet fits comfortably. Adjust folds as needed to make sure it stays on securely without being too tight.

Why Star Wars Origami Finger Puppets Are Gaining Popularity

The resurgence of interest in Star Wars origami finger puppets is driven by several factors that resonate with fans and crafters alike.

Affordable and Accessible Crafting

Unlike collectible figurines or expensive merchandise, origami finger puppets require minimal investment. With just a sheet of paper and some creativity, anyone can create an entire cast of characters. This accessibility makes it an appealing hobby for kids, teens, and adults.

Educational Value

Origami develops fine motor skills, patience, and spatial reasoning. When combined with Star Wars themes, it becomes an engaging way to educate children about both art and storytelling. Teachers and parents often use these puppets in classrooms or at home to inspire creativity.

Customization and Personalization

Because these puppets are handmade, crafters can personalize each one to match their style or preferences. Want a Stormtrooper with a blue visor? You can do that. Prefer a chibi-style Yoda? Fold it your way. This customization fosters a deeper connection to the characters.

Tips for Perfecting Your Star Wars Origami Finger Puppets

If you're eager to improve your origami skills and create more detailed puppets, consider these helpful pointers:

- **Practice Basic Folds:** Mastering simple folds like valley folds, mountain folds, and squash folds will make complex designs easier.
- **Use High-Quality Paper:** Thin yet sturdy paper ensures crisp folds and longevity.
- **Work Slowly and Precisely:** Origami rewards patience. Take your time to align edges and creases perfectly.
- **Incorporate Mixed Media:** Try adding small stickers or washi tape for intricate details without complicated folds.
- **Watch Video Tutorials:** Visual guides often reveal subtle techniques that written instructions miss.

Expanding Your Star Wars Origami Collection

Once you've mastered a few finger puppets, why stop there? The Star Wars universe is vast, offering endless characters and vehicles to explore. You might try folding paper versions of:

- Millennium Falcon or X-Wing fighters as tabletop models
- Creatures like Ewoks or Tauntauns
- Villains such as Darth Maul or Kylo Ren
- Group scenes for imaginative play or display

Joining online communities dedicated to origami or Star Wars crafts can also inspire you with new patterns and collaborative projects. Sharing your creations on social media often leads to great feedback and ideas from fellow fans.

Bringing Star Wars Origami Finger Puppets to Life

Beyond just folding paper, star wars origami finger puppets open doors to storytelling and interactive fun. Kids can reenact epic battles between the Rebel Alliance and the Empire, while adults might use them as quirky desk companions or conversation starters. The tactile experience of folding and playing with these puppets creates a unique bond with the iconic characters.

Moreover, these puppets make delightful party favors or gifts for friends who appreciate

both Star Wars and DIY crafts. Hosting a crafting party where participants fold their own puppets can be a memorable way to celebrate a birthday or movie release.

The fusion of handmade art and beloved sci-fi characters truly makes star wars origami finger puppets a charming and rewarding pastime. Whether you're new to origami or a seasoned paper artist, there's always a new Star Wars creation waiting to take shape on your fingertips.

Frequently Asked Questions

What materials do I need to make Star Wars origami finger puppets?

To make Star Wars origami finger puppets, you typically need origami paper or any square paper, markers or colored pencils for details, and sometimes glue or tape to secure folds.

Are there tutorials available for making Star Wars origami finger puppets?

Yes, there are many tutorials available online, including step-by-step videos on YouTube and printable instructions on craft blogs that guide you through creating popular Star Wars characters as origami finger puppets.

Which Star Wars characters can I create as origami finger puppets?

Popular Star Wars characters for origami finger puppets include Yoda, Darth Vader, R2-D2, Stormtroopers, and Boba Fett, but you can customize and create many others depending on your skill level.

Can children make Star Wars origami finger puppets?

Yes, children can make Star Wars origami finger puppets with adult supervision, especially simpler designs. Origami helps develop fine motor skills and creativity, making it a fun family activity.

How can I use Star Wars origami finger puppets for storytelling?

Star Wars origami finger puppets can be used to reenact scenes, create new adventures, or engage children in imaginative play by acting out stories from the Star Wars universe, enhancing both creativity and storytelling skills.

Additional Resources

Star Wars Origami Finger Puppets: Crafting the Galaxy One Fold at a Time

star wars origami finger puppets represent an intriguing fusion of two distinct cultural phenomena: the ancient Japanese art of paper folding and the expansive, beloved universe of Star Wars. This niche craft has captivated enthusiasts who seek a hands-on, creative way to engage with the iconic characters of the franchise. Beyond mere collectibles, these origami figures offer a tactile and imaginative experience, inviting fans to both appreciate craftsmanship and revisit the saga's timeless storytelling.

Exploring the Appeal of Star Wars Origami Finger Puppets

Origami, with its emphasis on precision, creativity, and patience, provides a unique medium through which fans can recreate their favorite Star Wars personalities. The appeal of star wars origami finger puppets lies not only in their visual charm but also in the interactive potential they afford. Unlike static figurines or digital representations, finger puppets encourage play, storytelling, and personalization, making them particularly attractive to diverse age groups.

The Star Wars franchise, known for its rich character roster and iconic designs, lends itself well to origami interpretation. Characters such as Darth Vader, Yoda, R2-D2, and the Stormtroopers have distinct silhouettes and recognizable features that can be translated into folded paper forms. This synergy between recognizable character design and origami's minimalist aesthetic creates a compelling product for collectors, hobbyists, and educators alike.

Design Complexity and Craftsmanship

One of the key aspects that define star wars origami finger puppets is the level of design complexity. Origami projects range from simple folds suitable for beginners to intricate designs demanding advanced skills. Star Wars origami finger puppets typically strike a balance, offering enough detail to be recognizable while remaining accessible to a broad audience.

For example, a basic Darth Vader puppet might consist of a few folds highlighting his helmet's silhouette and cape, whereas a more advanced model could include folds representing the mask's contours and chest panel. This scalability in design complexity allows creators to adapt patterns based on their skill level, making the hobby inclusive.

Additionally, the choice of paper plays a crucial role. Using colored origami paper or printed templates can enhance the puppets' visual fidelity. Some crafters even incorporate mixed media, such as markers or stickers, to add eyes or insignias, thereby enriching the puppet's character without compromising the purity of origami.

The Role of Star Wars Origami Finger Puppets in Education and Fan Culture

Beyond entertainment, star wars origami finger puppets have found a foothold in educational settings. Teachers and parents utilize these crafts to foster fine motor skills, patience, and spatial reasoning in children. The thematic link to Star Wars serves as a motivational tool, especially for young fans who might otherwise find traditional origami less engaging.

In fan culture, these finger puppets have become a symbol of creative fandom expression. Online communities and social media platforms host tutorials, pattern exchanges, and showcases of completed puppets, fostering a sense of camaraderie among enthusiasts. This participatory aspect aligns with the broader maker movement, which values DIY creativity and sharing.

Comparisons with Other Star Wars Merchandise

When considering star wars origami finger puppets alongside other Star Wars merchandise such as action figures, Funko Pops, or LEGO sets, several distinctions emerge:

- **Interactivity:** Unlike static figures, finger puppets invite active play and storytelling.
- **Cost-effectiveness:** Origami requires minimal investment—primarily paper and time—compared to expensive collectibles.
- **Customization:** Crafters can personalize puppets easily, whereas mass-produced items have fixed designs.
- **Portability:** Origami puppets are lightweight and compact, suitable for on-the-go enjoyment.
- **Environmental impact:** Paper crafts are more eco-friendly, especially when using recycled materials.

However, origami puppets lack the durability and detailed realism often found in premium merchandise. They are more ephemeral by nature, susceptible to wear and tear, which may limit their appeal to serious collectors.

How to Get Started with Star Wars Origami Finger Puppets

For newcomers interested in crafting star wars origami finger puppets, a few practical steps

can facilitate a smooth introduction to the hobby:

Essential Materials

- Origami paper: Preferably square sheets with colors matching Star Wars characters.
- Instructional guides: Books, printable templates, or video tutorials specific to Star Wars origami designs.
- Optional tools: Scissors, glue, markers, or stickers for embellishments.

Learning Resources

The internet hosts a myriad of resources tailored to Star Wars-themed origami. Platforms like YouTube feature step-by-step folding tutorials, while specialized craft websites offer downloadable patterns. Some enthusiasts publish comprehensive guides that range from beginner to advanced levels, incorporating character-specific details.

Tips for Successful Folding

- Start with simpler designs to build confidence and technique.
- Use thin, durable origami paper to ensure crisp folds without tearing.
- Follow instructions carefully, paying attention to crease directions and sequence.
- Practice regularly to improve precision and speed.

Market Trends and the Future of Star Wars Origami Finger Puppets

The popularity of star wars origami finger puppets aligns with broader trends in fandom participation and DIY culture. As consumers seek more personalized and hands-on experiences with beloved franchises, products that combine crafting with storytelling gain traction. Social media platforms amplify this trend by enabling sharing and community-building, which, in turn, encourages more people to try their hand at origami.

Manufacturers and independent creators have begun to capitalize on this niche by producing themed origami kits that include pre-printed papers featuring character designs, complete with illustrated instructions. These kits simplify the crafting process and make the hobby more accessible to novices and younger audiences.

Moreover, the integration of augmented reality (AR) and digital tutorials could further revolutionize how star wars origami finger puppets are taught and experienced. Imagine interactive guides that overlay folding steps onto the user's workspace via smartphone or tablet, enhancing understanding and engagement.

The sustainability aspect also contributes to the appeal. As environmental consciousness grows, paper-based crafts like origami offer an eco-friendly alternative to plastic toys, resonating with consumers who prioritize green products.

While star wars origami finger puppets might remain a niche interest compared to mainstream collectibles, their blend of creativity, accessibility, and fandom engagement positions them as a meaningful component of the Star Wars merchandising ecosystem.

Crafting and playing with star wars origami finger puppets not only deepens appreciation for the saga's characters but also nurtures skills and imagination, proving that even in a galaxy far, far away, the simplest materials can spark the most rewarding adventures.

Star Wars Origami Finger Puppets

star wars origami finger puppets: Emperor Pickletine Rides the Bus (Origami Yoda #6)

Tom Angleberger, 2014-08-12 The thrilling conclusion to the New York Times bestselling Origami Yoda series from Tom Angleberger! A field trip without origami? What the Hutt? The Origami Rebel Alliance is off to Washington, D.C.! But there's a hitch. Principal Rabbski has banned origami. Without the Jedi-wise advice of Origami Yoda, how will Tommy and the gang navigate the serious drama of a class trip? Luckily, Dwight comes prepared with green Fruit Roll-Ups that he can whip into emergency Fruitigami Yodas. Unluckily, Harvey also comes prepared with a wrinkly, hateful pickle. Can Fruitigami Yoda figure out why Emperor Pickletine is acting so sour . . . before the Emperor pushes this field trip into the Dark Side? The final battle between the forces of good and evil at McQuarrie has everything: Twists! Snacks! Secrets! But who is keeping the biggest secret of all? Origami Yoda himself, and it's a shocker! Perfect for fans of humor, adventure, and a touch of the Force! Includes instructions for creating your own Origami Yoda. The Origami Yoda series The Strange Case of Origami Yoda Darth Paper Strikes Back The Secret of the Fortune Wookiee The Surprise Attack of Jabba the Puppet Princess Labelmaker to the Rescue! Emperor Pickletine Rides the Bus Art2-D2's Guide to Folding and Doodling: An Origami Yoda Activity Book

star wars origami finger puppets: Darth Paper Strikes Back (Origami Yoda #2) Tom

Angleberger, 2012-08-07 The hilarious, clever, and much-anticipated follow-up to the breakout hit, The Strange Case of Origami Yoda! It is a dark time at Ralph McQuarrie Middle School. After suffering several Origami Yoda-related humiliations, Harvey manages to get Dwight suspended from school for being a "troublemaker." Origami Yoda pleads with Tommy and Kellen to save Dwight by making a new case file—one that will show how Dwight's presence benefits McQuarrie. With the help of their friends, Tommy and Kellen record cases such as "Origami Yoda and the Pre-eaten Wiener," "Origami Yoda and the Exploding Pizza Bagels," and "Origami Yoda and Wonderland: The Musical." But Harvey and his Darth Paper puppet have a secret plan that could make Dwight's

suspension permanent . . . This is the second case file in the blockbuster bestselling Origami Yoda series, written by Tom Angleberger, author of *Star Wars: Return of the Jedi: Beware the Power of the Dark Side*, showcasing his proven knack for authentically capturing the intrigues, fads, and dramas of middle school in “a satisfying tale of friendship and just resistance to authority” (Kirkus Reviews, starred review). Praise for *Darth Paper Strikes Back* STARRED REIVEW “Angleberger’s just-as-funny follow-up to *The Strange Case of Origami Yoda* delves deeper into the mystery of the helpful paper Yoda in a satisfying tale of friendship and just resistance to authority. Pitch-perfect middle-school milieu and enough Star Wars references (and laughs) to satisfy fans and win new ones.” —Kirkus Reviews, starred review “In this imaginative sequel...author Tom Angleberger has his finger puppet squarely on the erratic pulse of middle-school life, with its shifting allegiances, squeals, moans and misgivings.” —Washington Post “As with this story’s predecessor, the well-observed middle-school dynamics (and Angleberger’s sharp sense of humor) are greatly amplified by the book’s design, which includes faux wrinkled pages, abundant doodles, and other scrawled marginalia. It’s a natural step up from the *Wimpy Kid* series, with more text and narrative complexity, but just as much on-target humor and all-around fun.” —Publishers Weekly “This book is honest, funny, and immensely entertaining. The illustrations and design will engage readers. Based on the positive reception *Origami Yoda* has received, kids will be clamoring for this sequel. They won’t be disappointed.” —School Library Journal “The Force is with Tom Angleberger in this sequel to his funny and clever novel/comics hybrid, *The Strange Case of Origami Yoda*. A sequel to equal the funny and clever novel/comics debut of the *Origami Yoda*, as Dwight’s friends try to save him from reform school.—Shelf Awareness “With the same deft touch that made *The Strange Case of Origami Yoda* a pleasure, Angleberger takes readers through the ups and downs of adolescence.” —Portland Book Review “*Darth Paper* offers further proof that Angleberger really understands middle-schoolers and the daily dramas that engulf them, while still finding the humor inherent in their situations.—Scripps News

star wars origami finger puppets: *The Strange Case of Origami Yoda (Origami Yoda #1)* Tom Angleberger, 2012-08-07 Strange things are happening at McQuarrie Middle School in the opener to the New York Times bestselling series from Tom Angleberger! It takes the wisdom of Yoda to survive the sixth grade. Meet Dwight, a sixth-grade oddball. Dwight does a lot of weird things, like wearing the same T-shirt for a month or telling people to call him Captain Dwight. But Dwight does one cool thing. He makes origami. One day he makes an origami finger puppet of Yoda. And that's when things get mysterious. Origami Yoda can predict the future and suggest the best way to deal with a tricky situation. His advice actually works, and soon most of the sixth grade is lining up with questions. Dwight's friend Tommy wants to know how Origami Yoda can be so smart when Dwight is so clueless. Is Yoda tapping into the Force? This is Tommy's case file of his investigation into *The Strange Case of Origami Yoda*. Includes instructions for folding your own Origami Yoda.

star wars origami finger puppets: *The Origami Yoda 6-Book Collection* Tom Angleberger, 2024-11-19 Dive into the hilarious and heartwarming world of middle school with the *Origami Yoda* series! This captivating 6-book collection follows the adventures of Dwight, a quirky sixth grader who creates an origami Yoda puppet that dispenses surprisingly wise advice to his classmates. Key Features: * Humor and Relatability: Packed with laugh-out-loud moments and relatable middle school scenarios, these books are perfect for young readers navigating the ups and downs of school life. * Unique Concept: The ingenious idea of a paper Yoda offering sage advice adds a delightful twist that will captivate both kids and Star Wars fans. * Engaging Characters: Meet a diverse cast of characters, each with their own unique quirks and stories, making it easy for readers to find someone to connect with. * Life Lessons: Through the whimsical wisdom of Origami Yoda, the series subtly imparts valuable lessons about friendship, courage, and self-acceptance. * Interactive Fun: Includes instructions for making your own origami creations, adding an interactive and creative element to the reading experience. Join Dwight and his friends as they navigate the challenges of middle school with the help of Origami Yoda's mysterious and often funny guidance. Perfect for fans of humor, adventure, and a touch of the Force! A not so long time ago, in a galaxy not so far away. . .

Here are the books included in this set: See the mystery of Origami Yoda unfurl in *The Strange Case of Origami Yoda*. Watch Tommy learn to stand up for himself and others in *Darth Paper Strikes Back*. Find out where Dwight went in *The Secret of the Fortune Wookiee*. Join the newly formed Rebel Alliance to combat mind-numbing standardized testing in *The Surprise Attack of Jabba the Puppett*. Negotiate with Principal Rabbski in *Princess Labelmaker to the Rescue!*. Finally, travel with Tommy and his friends to Washington, DC, where they must learn to survive without origami, in *Emperor Pickletine Rides the Bus*. Plus, make origami Star Wars characters at home with the help of step-by-step guides found in every book!

star wars origami finger puppets: *Princess Labelmaker to the Rescue!* Tom Angleberger, 2014-03-04 The battle for seventh grade continues in the New York Times–bestselling series featuring origami Star Wars puppets you can make at home! Help us, Principal Rabbski. You’re our only hope. In their fight against FunTime, the tedious, elective-crushing test prep program, Origami Yoda and the Rebel Alliance have found allies in unexpected places. But the allegiance of one mysterious, all-powerful figure remains to be seen: Principal Rabbski. She says she’ll help the rebels, but the state standard tests are just a month away, and the FunTime Menace is as strong as ever. With time running out, one rebel decides to take matters into her own hands. Code name: Princess Labelmaker. Convinced that the Alliance’s case file will persuade Rabbski to join the fight, Princess Labelmaker steals it and delivers it right to the principal herself! Will the case file convert the principal . . . or bring about the Alliance’s doom? Includes instructions for folding your own Leia and Luke.

star wars origami finger puppets: *The Secret of the Fortune Wookiee (Origami Yoda #3)* Tom Angleberger, 2012-08-07 *The Secret of the Fortune Wookiee* is the third case file of the New York Times bestselling Origami Yoda series from Tom Angleberger! Is it possible to have a case file without Origami Yoda? With Dwight suspended, McQuarrie Middle School is missing its most famous attendee: Origami Yoda. And no Yoda means no case file mystery to solve. But then something BIG happens. Something BIG and HAIRY. It’s a Fortune Wookiee, a paper fortune teller in the form of Chewbacca. Sara brings it to school as a gift from Dwight, and it seems to give advice that’s just as good as Yoda’s. Mysterious, it is! Tommy, Kellen, and Harvey are on the case. And when their classmates start having strange “Dwight sightings” (sightings of Dwight in which he is acting WAY too normal), the boys have TWO mysteries to solve. The closer they get, the more possible it seems that Origami Yoda will be back . . . “A chorus of spot-on middle-school voices and plenty of laughs are wrapped around this tale of friendship and seasoned with Star Wars references.” —Kirkus Reviews (Starred Review) Includes Black-and-White Illustrations and Instructions for folding your own origami Chewbacca. The Origami Yoda series *The Strange Case of Origami Yoda* *Darth Paper Strikes Back* *The Secret of the Fortune Wookiee* *The Surprise Attack of Jabba the Puppett* *Princess Labelmaker to the Rescue!* *Emperor Pickletine Rides the Bus* *Art2-D2’s Guide to Folding and Doodling: An Origami Yoda Activity Book*

star wars origami finger puppets: *Origami Finger Puppets* Muneji Fuchimoto, 2016-12-01 Put on your very own origami finger puppet show! You can create your own origami theater by making a full range of finger puppet characters! *Origami Finger Puppets* includes 25 adorable and entertaining step-by-step designs and 25 sheets of origami paper to practice with! Recreate the characters from your favorite movie or Broadway show, or let your imagination guide the characters you create - the possibilities are endless!

star wars origami finger puppets: *The Strange Case of Origami Yoda* Tom Angleberger, 2010-03-01 When unpopular sixth grader Dwight successfully dispenses sound advice to his classmates via an origami finger puppet, his classmate Tommy investigates the source of Dwight's accuracy and makes a surprising discovery.

star wars origami finger puppets: *The Strange Case of Origami Yoda* Tom Angleberger, 2010-03-01 For use in schools and libraries only. When unpopular sixth grader Dwight successfully dispenses sound advice to his classmates via an origami finger puppet, his classmate Tommy investigates the source of Dwight's accuracy and makes a surprising discovery.

star wars origami finger puppets: *Darth Paper Strikes Back* Tom Angleberger, 2011-08-01 Harvey, upset when his Darth Paper finger puppet brings humiliation, gets Dwight suspended, but Origami Yoda asks Tommy and Kellan, now in seventh grade, to make a new casefile to persuade the School Board to reinstate Dwight.

star wars origami finger puppets: The Surprise Attack of Jabba the Puppett (Origami Yoda #4) Tom Angleberger, 2013-08-06 The Surprise Attack of Jabba the Puppett is the fourth case file of the New York Times bestselling Origami Yoda series from Tom Angleberger! Some problems are too big for Origami Yoda alone . . . This semester, Dwight, Tommy, Sara, and the gang must face their deadliest enemy yet: the FunTime Education System. Meant to raise standardized test scores, the mind-numbing videos of Professor FunTime and his singing calculator are driving everybody crazy! And worse yet, to make time for FunTime, all electives—drama, art, band—have been canceled! Naturally, the kids turn to Origami Yoda for help, but he tells them that this enemy is too strong for him to fight alone. If they want to get their favorite classes back, they must form a Rebel Alliance. Soon dozens of kids, each with his or her own origami puppet, join the Alliance. But will the Force be with them—or will they be defeated by the FunTime Menace? “Fans of the series will relish the side drawings’ goofy humor, the new puppets to make, and the cliff-hanger promising more to come.” —School Library Journal Includes instructions for folding your own origami Jabba and Ewok. The Origami Yoda series The Strange Case of Origami Yoda Darth Paper Strikes Back The Secret of the Fortune Wookiee The Surprise Attack of Jabba the Puppett Princess Labelmaker to the Rescue! Emperor Pickletine Rides the Bus Art2-D2’s Guide to Folding and Doodling: An Origami Yoda Activity Book

star wars origami finger puppets: *El Extrano Caso de Yoda Origami (the Strange Case of Yoda Origami)* Tom Angleberger, 2013-11-15 Dwight es un chico que hace muchas cosas raras, como usar la misma camiseta durante un mes o pretender que los demás lo llamen Capitan Dwight'. Esto es patético, sobre todo para Tommy, que se sienta junto a él durante el almuerzo. Pero hay algo que Dwight hace muy bien, origami. Ha creado un Yoda de papel y lo lleva en el dedo. Y ahí es donde las cosas se ponen misteriosas. Yoda Origami puede predecir el futuro y aconsejar la mejor forma de resolver un problema delicado. Sus consejos realmente funcionan, y todos los chicos del colegio se acercan a consultarle.

star wars origami finger puppets: Emperor Pickletine Rides the Bus Tom Angleberger, 2014 In this final book in the series, the seventh graders of McQuarrie Middle School and their Star Wars-inspired Origami finger puppets go on a field trip to Washington, D.C., on what proves to be a very long trip full of shifting alliances, betrayals, carsickness, and sugar rushes.

star wars origami finger puppets: Quill & Quire , 2002
