

writing an obituary for dad

Writing an Obituary for Dad: A Thoughtful Guide to Honoring His Life

writing an obituary for dad is a deeply personal and often emotional task that many of us face at some point. It's a way to pay tribute, celebrate his life, and share the story of a man who meant so much to you and others. Crafting an obituary for your father is more than just listing facts and dates; it's about capturing the essence of who he was, his values, his achievements, and the legacy he leaves behind.

In this article, we'll explore how to write an obituary that truly honors your dad, offering tips on structure, tone, and what to include. Whether you're writing for a newspaper, an online memorial, or a program for a service, these insights will help you navigate this meaningful but challenging writing process.

Understanding the Purpose of an Obituary for Dad

An obituary serves several important purposes. It informs friends, family, and the community of your dad's passing, providing details about his life and the funeral arrangements. But beyond that, it's a tribute – a way to reflect on his character, his passions, and the impact he had on those around him.

When writing an obituary for dad, remember that it's not only about reporting the facts but also about telling a story. This story helps people who knew him to remember and celebrate his life, and it introduces those who didn't know him well to the kind of man he was.

Why Personalization Matters

Personalizing the obituary is key in making it resonate. Instead of a dry list of accomplishments, include anecdotes, favorite hobbies, or the qualities that made your dad unique. Was he known for his kindness, his humor, or his dedication? Did he have a favorite saying or a memorable habit? These details bring the obituary to life and create a heartfelt tribute.

How to Start Writing an Obituary for Dad

Starting can often feel like the hardest part. Here's a step-by-step approach to help you begin:

1. Gather Essential Information

Before you start writing, collect all the basic facts, including:

- Full name (including any nicknames)
- Date and place of birth
- Date and place of death
- Surviving family members (spouse, children, grandchildren, siblings)
- Predeceased family members
- Funeral or memorial service details

Having this information at hand ensures accuracy and helps structure the obituary logically.

2. Reflect on Your Dad's Life and Legacy

Take some time to think about what made your dad special. Consider his career, hobbies, community involvement, and personality traits. Jot down stories or memories that showcase his character. If you're struggling, talking with other family members and friends can help bring new perspectives and cherished memories to include.

3. Choose a Tone That Fits

While obituaries are formal announcements, they don't have to be overly stiff or impersonal. Writing an obituary for dad allows you to choose a tone that reflects his personality – whether that's warm and humorous, solemn and respectful, or somewhere in between.

Key Elements to Include in an Obituary for Dad

A well-rounded obituary balances factual details with personal touches. Here are the essential components:

Biographical Information

Start with the basics: your dad's full name, age, and a brief summary of his life. Mention where he was born and any significant places he lived. This sets the stage for the reader.

Family and Relationships

List immediate family members, including those who survive him and those who preceded him in death. This acknowledges the family connections and offers comfort to relatives and friends.

Career and Accomplishments

Highlight your dad's professional life and any notable achievements. Did he serve in the military, run a business, or contribute to a particular field? Including this information recognizes his hard work and dedication.

Hobbies, Interests, and Passions

Sharing what your dad loved to do outside of work adds depth. Whether he was an avid fisherman, a dedicated volunteer, or a passionate gardener, these details help paint a fuller picture.

A Personal Message or Tribute

Conclude with a message that reflects your feelings or a quote that meant something to your dad. This personal touch can offer comfort and closure.

Tips for Writing an Obituary That Feels Genuine

Writing about someone so close is never easy, but these tips can help you create a meaningful tribute:

Use Clear and Simple Language

Avoid overly complex phrases or jargon. Your goal is to communicate clearly and warmly, so readers can connect with the words.

Keep It Concise but Comprehensive

Most obituaries are between 200 to 500 words. Focus on the most important aspects of your dad's life without overwhelming the reader.

Incorporate LSI Keywords Naturally

When writing an obituary for dad, related terms such as "memorial announcement," "funeral notice," "celebration of life," and "tribute to father" may come up. Using these expressions naturally can enhance the readability and, if publishing online, improve search visibility.

Proofread and Edit

Take the time to review your obituary carefully for typos or errors. Reading it aloud can help ensure the tone sounds natural and heartfelt.

Examples of Phrases and Sentences to Include

If you're looking for inspiration, here are some sample lines that might fit into an obituary for dad:

- "John was a devoted father and grandfather who always put family first."
- "He will be remembered for his infectious laughter and generous spirit."
- "A veteran of the U.S. Army, he served his country with honor and pride."
- "John's passion for woodworking brought joy to many, crafting pieces that will be treasured for years."
- "He leaves behind a legacy of kindness, hard work, and unwavering love."

These phrases can be tailored to reflect your dad's unique story.

Where to Publish an Obituary for Dad

Once your obituary is written, consider where it will be shared. Traditional options include the local newspaper or funeral home website. Increasingly, families also opt for online memorial sites or social media posts to reach a wider audience and allow people to share their condolences.

Tips for Online Obituaries

Online obituaries often allow for photos and guestbooks where people can leave messages. Including a favorite photo of your dad can make the tribute more personal. Also, providing links to charity donations or memorial funds is common practice.

Embracing the Emotional Journey of Writing an Obituary for Dad

Writing an obituary is part of the grieving process. It's a way to reflect on your dad's life and find meaning in his passing. Don't rush the process—allow yourself space to gather your thoughts and emotions. Remember, this tribute is not just for others, but also for you, a way to say goodbye and honor a man who shaped your life.

Whether you write it yourself or collaborate with family members or funeral directors, the most important thing is that the obituary feels true to who your dad was. It's a lasting testament to his life and the love you shared.

Frequently Asked Questions

What are the key elements to include when writing an obituary for dad?

When writing an obituary for dad, include his full name, age, date of birth and death, key life achievements, family members, career highlights, hobbies, personality traits, and details about funeral or memorial services.

How can I make my dad's obituary personal and meaningful?

To make your dad's obituary personal, share specific stories or memories that highlight his character, mention his passions and values, and include quotes or sayings he often used. This creates a heartfelt tribute that reflects who he truly was.

What tone should I use when writing an obituary for my dad?

The tone should be respectful and sincere, balancing between celebrating his life and acknowledging the loss. It can be formal or informal depending on your dad's personality and your family's preferences.

How long should an obituary for dad typically be?

An obituary typically ranges from 200 to 500 words. It should be concise yet comprehensive enough to give readers a clear picture of your dad's life and legacy.

Should I include my dad's cause of death in the obituary?

Including the cause of death is optional. Some families choose to share it for transparency or awareness, while others prefer to keep it private. Consider your family's wishes and the potential impact on readers.

Where can I publish my dad's obituary?

Obituaries can be published in local newspapers, online obituary websites, funeral home websites, and social media platforms. Choose venues that your dad and family would appreciate and that reach the intended audience.

How do I handle sensitive family dynamics when writing an obituary for dad?

Focus on honoring your dad's life rather than family conflicts. Keep the obituary positive and inclusive, mentioning close family members without delving into disputes to maintain respect and unity.

Can I write an obituary for my dad if I am not a professional writer?

Absolutely. An obituary is a personal tribute and does not require professional writing skills. Use simple, clear language and speak from the heart to create a meaningful and authentic memorial.

Writing an Obituary for Dad: A Thoughtful Guide to Honoring His Legacy

writing an obituary for dad is a deeply personal and often challenging task that requires balancing emotion with clarity and respect. An obituary serves as a public tribute, summarizing a father's life, achievements, character, and the impact he had on those around him. Crafting this narrative is not only about recording facts but also about capturing the essence of a man who played a pivotal role in many lives. In this article, we explore the nuances of writing an obituary for dad, offering insights into structure, tone, and content while integrating relevant keywords to assist those navigating this sensitive process.

Understanding the Purpose of an Obituary

Before delving into the mechanics of writing, it is essential to understand what an obituary represents. An obituary is more than just a death notice; it is a celebration of life, a historical record, and a message to the community. When writing an obituary for dad, the goal is to create a narrative that honors his memory, provides factual information about his life, and offers comfort to readers.

Obituaries traditionally include key details such as birth and death dates, significant life events, family members, and funeral arrangements. However, modern obituaries often go beyond these basics to reflect personality, hobbies, values, and anecdotes, making them a richer, more meaningful tribute.

Key Elements to Include When Writing an Obituary for Dad

Writing an obituary for dad requires attention to several core components. These elements ensure the obituary is comprehensive, respectful, and informative.

1. Essential Biographical Information

Start with the basics:

- Full name (including any nicknames)

- Date and place of birth
- Date and place of death
- Age at the time of passing

Including these details establishes the framework for the obituary and helps readers place the individual in a historical and personal context.

2. Family Relationships

Highlighting family connections is crucial since an obituary often serves to inform extended family and community members. Include:

- Names of spouse(s)
- Children, grandchildren, and great-grandchildren
- Parents and siblings
- Other close relatives or significant relationships

This section not only honors familial bonds but also aids in connecting with those who may share or remember the deceased.

3. Life Achievements and Career

An obituary should reflect a dad's professional journey and accomplishments. Whether he was a dedicated teacher, a military veteran, an entrepreneur, or an artist, these details offer insight into his passions and contributions.

4. Personal Traits and Interests

Including anecdotes or descriptions of your dad's personality, hobbies, and values can transform the obituary from a mere listing of facts into a vivid portrait. For example:

- Volunteer work or community involvement
- Favorite pastimes such as fishing, gardening, or music
- Personal qualities like kindness, humor, or resilience

5. Funeral or Memorial Service Details

If appropriate, provide information about upcoming services to inform those who wish to pay their respects.

Strategies for Writing an Effective Obituary for Dad

Adopting the Right Tone

When writing an obituary for dad, maintaining a neutral yet respectful tone is vital. While the content is naturally emotional, the writing should avoid overly sentimental or euphemistic language, focusing instead on clear, dignified prose that honors your father's memory without embellishment.

Balancing Detail with Brevity

Obituaries often have word limits, especially in newspapers or online platforms. This constraint requires careful editing to include meaningful information while keeping the text concise. Prioritize the most significant aspects of your dad's life and character, and consider supplementary memorials for more extensive tributes.

Incorporating Keywords Naturally

For those publishing an obituary online, integrating SEO-friendly terms such as "writing an obituary for dad," "father's obituary sample," or "how to write a dad's obituary" can improve visibility and reach. However, these keywords should appear organically within the text, ensuring the obituary remains heartfelt and readable rather than keyword-stuffed.

Common Challenges and How to Overcome Them

Emotional Difficulty

Writing about a loved one's passing can be emotionally taxing. Taking breaks, seeking input from family members, or even consulting professional obituary writers can help maintain objectivity and clarity.

Gathering Accurate Information

Ensuring factual accuracy is essential. Cross-check dates, spellings, and family relationships. Sometimes, reaching out to relatives or reviewing personal documents can clarify uncertainties.

Choosing What to Include

Deciding which life events or characteristics to highlight can be difficult.

Focus on elements that best represent your dad's identity and legacy, remembering that an obituary is a snapshot rather than a full biography.

Examples of Obituary Styles for Dad

Obituaries vary widely depending on cultural norms, publication requirements, and personal preferences. Here are a few stylistic examples to consider:

- **Traditional:** Formal language, chronological life summary, straightforward listing of facts.
- **Personalized:** Emphasizes personality, anecdotes, quotes, and unique traits.
- **Concise:** Brief notices focusing on essential information, often used in print media.
- **Extended:** Detailed narratives suitable for online memorials or programs.

Choosing a style depends on the intended audience and medium, as well as how you want your dad's story to be remembered.

Additional Considerations When Writing an Obituary for Dad

Legal and Ethical Aspects

Ensure that all information included is accurate and respectful, avoiding statements that could be misleading or defamatory. Consent from immediate family members is generally advisable, especially when including sensitive details.

Cultural and Religious Sensitivities

Different cultures have varied traditions around death and memorializing loved ones. When writing an obituary for dad, consider these practices to appropriately honor his heritage and beliefs.

Utilizing Technology and Online Platforms

The rise of digital memorials offers new avenues to share a father's obituary widely. Publishing on funeral home websites, social media, or dedicated memorial portals can help reach distant friends and family. Additionally, some platforms offer templates and guidance, simplifying the writing process.

Reflecting on the Impact of a Well-Written Obituary

An obituary is often one of the first public remembrances of a dad's life and death. It shapes how others perceive his legacy and can provide solace during grief. A thoughtfully composed obituary not only informs but also connects readers emotionally, fostering collective remembrance and respect.

Writing an obituary for dad is a profound responsibility that blends factual recounting with personal tribute. By carefully considering tone, content, and audience, families can create memorials that honor their father's life with dignity and grace, preserving his memory for generations to come.

Writing An Obituary For Dad

writing an obituary for dad: Day-by-Day Devotions for Dads Jay Payleitner, 2020-05-05 Not Your Dad's Devotional Save the sermons for Sunday and join bestselling author and proud papa Jay Payleitner on a quest to become a better dad, one day (and devotion) at a time. Ollie never lets the reader slip into the easy sadness of cliché - instead they guide us through the realities and contradictions of losing someone you love and of death - reminding us that they need not be one and the same.

writing an obituary for dad: Dad Bob Seay, 2021-04-09 Can an underachieving son reconnect with his father before it's too late? Jacob's life is already complicated enough. Now his Dad, whose mind isn't as sharp as it once was, is driving out for a visit. Or he was, before he got lost along the way. Now it's up to Jacob to get this right. A touching story about families, relationships, and aging parents. Editorial Review by Jon Michael Miller of Readers' Favorite In Dad by Bob Seay, we meet Jacob, our narrator and protagonist, in his mid to late thirties, struggling both in his professional world and in his marriage. With his compulsion to tell everybody everything, he tells us his story as if we are his best friends, exposing all his failures and amusing quirks. Brooke, his wife, wants all his money, and he has lost his job as a high school teacher. In survival mode, he lives in Colorado and works as a ghost-writer of term papers for college students. He lives and works online from the back room of a laundry. His squalid existence is interrupted when he is informed by his brother back in Cincinnati that their dad, suffering from Alzheimer's, has hit the road and is in a hotel room in

Kansas City, Missouri. Jacob is the logical person to collect his old man. In so doing, he finds his dad having lunch with a hotel maid Amelia, who is watching over him. We soon become familiar with the sights along Interstate 70, as his dad tells Jacob about installing communications devices in St. Louis's Gateway Arch. He has other stories about his activities on Mars and in submarines. Despite Jacob's honest flaws and his relentless search for self and redemption, I came to like and even to identify with him. Yes, he is largely responsible, as he admits, for his own problems. Fortunately, he is in a stable, tight-knit family, all intent on taking care of their sad, but sometimes funny dad. But I felt that Dad is the vehicle of the real underlying story, which is Jacob trying to dig himself out of the hole he has dug for himself. He meets his female spiritual twin in the person of Amelia, not really a hotel housekeeper but a refugee from nursing and an aspiring artist. She escapes from an abusive, Confederate flag-flying boyfriend into Jacob's black Mustang convertible, nicknamed Beast, which hauls Jacob back and forth several times between Denver, Kansas City, Topeka, and Cincinnati. "We're all doing the best we can," says Amelia compassionately. I was both sadly moved and often amused by Jacob's search for a better life. And along with the story, we learn a lot from the various topics Jacob ghost-writes about—nursing burnout, the Feds, Buddhism, and neo-Nazis, to name only a few. Oh, yes, and the Stanford Marshmallow Index, which somehow nibbles at Jacob's core. And we meet a quirky, loving family in the turmoil of losing the family patriarch, who is quite an overarching backdrop in his own right. Author Bob Seay dedicates his novel Dad "to all families with aging parents," and I cannot imagine a more accurate portrayal or one more moving.

writing an obituary for dad: Dad's Book Beth Hindle, 2024-03-01 If you want to know how to live beyond the age of 99 with joy in your heart, then read this book. Share in the wisdom, stories, and adventures of a man living through the 20th century, who fought the Nazis first in Africa and then in Europe, never being able to return home in three years. Born shortly after the First World War when peace was thought to be guaranteed, his exploits throughout his life rival any of today's adventurers. This is also a story of a romance told in letters, the trials of a working-class family, and how friendships support us through the ups and downs of life. It's a story of a seemingly ordinary man, the writer's father, who did amazing things throughout his life. His history is all of our history. Why? Because the 20th Century with both its fantastic achievements and terrible destructive forces has shaped our today. How do we look back to the past to help us prepare for our unpredictable tomorrow? Answering that question is vital to us all. What can we learn from the past and his life to help our futures?

writing an obituary for dad: Why Did I Come into This Room? Joan Lunden, 2020-03-10 A New York Times Bestseller! Why Did I Come into This Room? is a funny "What to Expect When You're Expecting" for the aging woman. "I'm too old for Snapchat, but too young for Life Alert." In her most candid and revealing book yet, acclaimed broadcast journalist and Baby Boomer Joan Lunden delves into the various phases of aging that leave many feeling uncomfortable, confused, and on edge. In her hilarious book, Lunden takes the dull and depressing out of aging, replacing it with wit and humor. After all, laughing is better than crying—unless it makes you pee! Whether you're in your 40s, 50s, 60s, or more, this book is full of helpful information to embrace—or at least prepare for—the inevitable. Funny, captivating, and raw, no topic is off limits. Lunden goes where others fear to tread, openly talking about wrinkles and age spots (which Lunden insists are sunspots), expanding waistlines (no, you didn't shrink your jeans), diminished energy (my get-up-and-go got up and went), weak pelvic floors (yes, we're talking about leaking), hot flashes (they suck), disrupted sleep (the morning host is an expert on lack of sleep), changes in sex drive (oh yeah, she goes there), ageism (it exists and it pisses us off), and yes, the real reasons we suddenly find ourselves always searching for those car keys! Through her poignant and often laugh out loud funny personal experiences, Lunden candidly shares her anxieties and breakthroughs and how she's coping with the realities of aging. She's talking about the good, the bad and the ugly, elevating the conversation on topics often considered "taboo." Why Did I Come into This Room? also explores the science of aging, including how it impacts the body and brain, while dispelling myths and revealing useful options to stave off the aging process as long as possible. Even more importantly, Lunden goes beyond the physical

aspects of aging by closely examining the mental and emotional minefields that come with our advancing years. As she explores the value of asking ourselves important questions including, “Am I still relevant?”, “Do I have meaningful friendships?”, and “Am I leaving an impactful legacy?” Lunden also examines the freedom in “letting go,” the importance of managing stress, and how joy and a sense of purpose all play an impactful role in slowing the aging process. In a society where youth is revered and aging feared, *Why Did I Come into This Room?* is the long-awaited tell-it-like-it-is guide for women of all ages. As Lunden says, “Aging ain’t for sissies...you better be prepared.”

writing an obituary for dad: *The Good Goodbye* Maureen P. Keeley, Ph.D., Julie M. Yingling, Ph.D., 2025-06-17 Communication experts offer examples and expertise about end-of-life conversations to inspire, teach, and encourage the reader to have their own and to grow from them. Death is one thing we cannot control. We will all face the death of a loved one. And many, if not most, people in our culture will be hesitant and unprepared to say goodbye. *The Good Goodbye* is meant to help those who must say goodbye to a loved one who is dying. In it, readers will discover how culture affects final conversations, and that often the last interactions may not consist of words but gestures and expressions. They will find examples from real people interviewed over many years, with themes that include love, everyday talk, taking care of business, identity messages, spiritual messages, and healing difficult relationships. Readers will learn about the positive outcomes of final conversations, both from the advice of children and the detailed stories of adults who were changed profoundly in their attitudes and life paths. They will also see that many people have experienced communication with their loved one after that loved one has passed. Finally, readers will discover how others have overcome negativity to engage in the good goodbye, and how they can improve their own preparedness to have final conversations. Anyone who faces the death of a loved one—and that will be all of us—can gain from reading this book. We have found that hospice workers, nurses, caregivers, assisted-living personnel, spiritual advisors, and grief groups are especially interested. But anyone who is walking the path with someone close who is dying will seek this information and enjoy the inspiration. The main message: Be there. Listen. Love. Be grateful for the opportunity to grow.

writing an obituary for dad: *Remembering - Riding Life's Waves* Susan Cobbs MacKenzie, 2022-08-26 Part of a service family, the author was born in South Carolina but was quickly on her journey into and around the word - to include five elementary schools; two junior high schools; four high schools; four colleges/universities; three husbands; four children; numerous cats, dogs, and lovers; and a host of people, some memorable, some not.

writing an obituary for dad: *My Father and Other Strangers* Terry Isham, 2022-04-05 The young man standing by his father's hospital bed is stunned when his father tells him to pull the plug! Thus begins a lifetime quest to understand his father's preference for death and how each of us faces their own death differently.

writing an obituary for dad: *Along the Path...One Woman's Journey Through Grief...* Suzi Decker, 2016-07-26 I started these notes which turned into a blog which helped me process my grief from the loss of both parents, and my husband...plus loss in other areas of life. We are comforted by God and in turn we have the opportunity to comfort others along their paths as well....

writing an obituary for dad: *How To Tie A Tie* Steven L. Denlinger, 2025-09-20 What happens when the rules meant to save your soul become the chains that break your spirit? Raised in a Mennonite world where God's love came with a belt, Steven Denlinger was taught to fear hell—but it was life within his own community that became the source of his deepest wounds. ‘How To Tie a Tie’ is an inspiring memoir of how he found the courage to walk away from religious trauma and discover a new faith that heals rather than harms. The first-born son of a large and raucous family, Steven always knew his community felt strange. Being a good Christian meant following a list of rules to avoid hellfire. No movies. No radio. Women wore cape-like dresses to disguise their sinful bodies. Parents and teachers had the right to beat you. Long before his teens, these earnest sermons and rigid dictates sent him fleeing to the kitchen screaming, “I’m dying, I’m dying.” Decades later,

he finally discovered he was suffering from religious trauma due to the ritualized physical abuse he experienced within a Christian setting. Steven's need to escape and his passion for a first-rate education led to a Rotary Foundation Scholarship that sent him abroad to the sinners' mecca of London. His struggles to assimilate, detailed in vulnerable letters home, inspired his family to send an emissary—pleading with him to return. Steven's final break with his Mennonite community launched him on a confusing journey of grief, loss, and discovery. Outwardly a successful high school English teacher and theatrical director, his struggles to assimilate with the modern world led to many stumbles. Eventually, he found personal transformation and built a vibrant new community in his diverse world. Written in a wry, raw, and reflective tone, "How To Tie a Tie" is a powerful and timely memoir—the quest to discover a new faith that offers hope and a path to personal freedom for anyone still trapped in a patriarchal fundamentalist community.

writing an obituary for dad: Homeward Bound Amy Zietlow, Naomi R. Cahn, 2017

Introduction -- The new normal in American family caregiving -- Caregiving begins -- The costs of care -- Decision-making: with advance direction -- Decision-making: looking for direction -- Mourning rubrics and burial -- The intricacies of wealth transfer -- 21st century caregiving

writing an obituary for dad: It's a Wonderful Unfinished Life Carla Kringer, 2013-11 Our personal choices in life have profound often devastating effects on the lives others. This is the story of Jo Jo Gigliotti; he lived a wonderful, unfinished life. His daughter, Carla shares the journey her family was forced to take after they were left to pick up the pieces of their shattered lives when his life was taken by a drunk driver on April 24, 2008. The book is written in keeping with the vow the family made to be the voice of her dad and other victims of drinking and driving. It will take you into the heart of the tragedy where the family's healing was hindered due to the criminal proceedings involved with the prosecution of the drunk driver. Families facing a similar situation will find detailed information and resources to help them understand and navigate the complex criminal justice system. You will receive a glimpse into the roles of law enforcement, prosecutors, and defense attorneys during the prosecution of the drunk driver and the heart-wrenching toll the process takes on the family. Carla's life was forever changed that day. She has embraced the traumatic event a drunk driver embedded in her family history, in hope that others will gain knowledge while receiving comfort, and healing, knowing they can emerge from the darkness brought by death and grief. You may not emerge the same person you were but you can emerge a survivor with peace and hope restored in your life once again. That is Carla's wish for you as you read her father's story and share in her family's walk through grief.

writing an obituary for dad: Growing Beyond Our Genetics Paula M. Potter, 2007

writing an obituary for dad: Write of Passing Janie Owens, 2024-07-29 Holly Donnelly writes obituaries from her apartment in Daytona Beach, Florida. She loves her job even though it comes with one oddity: as she writes the obituaries, each spirit pays a visit, manifesting in unique ways. The ghosts succeed in creating humorous conditions, annoying pranks and scaring Holly's boyfriends. But one spirit in particular has another reason to visit, and Holly is on a mission to solve the mystery of who the ghost is and why she is visiting this apartment sixty-six years after her death. Whether being a friend to a young woman in an abusive relationship, enduring her drama queen mother's antics, or dealing with her own commitment issues, Holly's precious Chihuahua is an ever-present comforter and moral support. The perfect escape to humor, excitement and ghostly encounters, WRITE OF PASSING is the third book in Janie Owens' Daytona Beach series of cozy mysteries.

writing an obituary for dad: The Last Word Gerri Lewis, 2024-02-20 An obituary writer finds one of her neighbors dead before her time in this debut cozy mystery perfect for fans of Jenn McKinlay and Eva Gates. Obituary writer Winter Snow is no stranger to grief, and writing obituaries for the citizens of Ridgefield, Connecticut, is her way of providing comfort to those who have been in her shoes. But funerals and eulogies are meant for the dead, so when the very much alive Leocadia Arlington requests her own obituary by the end of the week, Winter's curiosity is piqued. Even more so when she finds Mrs. Arlington dead soon after. Officer Kip Michaels and his relentless partner

Tom Bellini make it clear that Winter is under suspicion for the death. Drafting an obituary for someone who hadn't died yet certainly looks bad, but Winter knows that it wasn't her, and she becomes obsessed with trying to figure out the real killer. She dives headfirst into the investigation to give Mrs. Arlington and herself some peace. When Winter realizes Mrs. Arlington was working on a revealing memoir that has now gone missing, Winter begins to wonder if the death wasn't exactly random-accident or otherwise. With the help of her foodie Uncle Richard, her wise octogenarian neighbor Horace, her best friend Scoop, and Diva, the Great Pyrenees puppy she inherited from Mrs. Arlington, Winter must uncover the killer before the next obituary written is her own.

writing an obituary for dad: Gypsy Bags & Traveling Jackets Mica Rath, 2013-07 *Gypsy Bags & Traveling Jackets* is a journey of faith chronicled in journals spanning twenty-three years. A miniseries of periods, question marks, and exclamation points arranged in patterns of reflections, answers and awestruck moments that reflect not just collections of recorded events but jumbled thoughts in a soul-searching exercise of discovery. These are stories tailored in transparency; stories of faith rewarded, hope rekindled and love poured out in ways unimaginable.

writing an obituary for dad: Prevail Annette L. Saenz, 2012-12 Throughout my life, expressing my thoughts and feelings on paper was a way to pacify what was troubling me. So it was only natural, during my acute respiratory distress syndrome recovery, that I began to document what I remembered and what I was told about my illness. I started to recreate what transpired during those thirteen days I was hospitalized. Being the organized person that I am, I arranged all of this information in chronological order. The missing pieces of my life suddenly started to make sense and that made me feel better. Basically, writing this book became my own personal therapy. But as I recalled some of the horrific events of my illness, it was evident that faith was what held me together. When I continued to examine myself and reflect on how I had reached this point in my life, I saw a pattern in what had always sustained me. With all of the disappointments and all of the pain throughout the years, both emotionally and physically, I always relied on my faith and the healing power of our Lord. This near death experience taught me valuable lessons and allowed me to draw upon the strength of many. What began as a therapeutic tool for my own benefit, and possibly my immediate family, has become a book filled with testaments of faith, healing, and a family's love. We can never fully prepare ourselves for adversity, illness, or tragedy; therefore, I pray my words will give hope to those who face life's challenges and inspire those to draw strength from our Heavenly Father, so by His grace ... you too can PREVAIL. --Annette L. Saenz About the Author Annette L. Saenz lives in Brownsville, Texas, with her husband and two children. She is a registered nurse and practices as a certified nurse case manager. She has owned and operated her own business since 1998. On February 27, 2008, she became seriously ill and was subsequently diagnosed with ARDS (acute respiratory distress syndrome). She was given a fifty/fifty chance of survival. Annette made a full recovery and is considered an ARDS survivor/miracle. For more information on acute respiratory distress syndrome, please visit the ARDS Foundation at www.ardsusa.org. The ARDS Foundation is a national not-for-profit organization for individuals who have been personally affected by acute respiratory distress syndrome. The mission is to raise awareness, increase education, and assist in funding medical research while providing a forum for all of those in the ARDS community.

writing an obituary for dad: The Last Practicing American Michael T. Wagner, 2014-07-22 This book was not written for the weak kneed, spineless, politically correct, non-practicing American. It is instead for those of us who have witnessed the methodical dismantling of traditional morals and values thus exhausting the limits of our tolerance. The contents of this book will detail our cultural mutation which applauds deviance, rewards failure and elects the corrupt in terms designed to wake up the lethargic patriot in all of us, in an effort to re-enforce the urgency in our resolve so we may reverse our current descending cultural trajectory thus sparing future generations from an otherwise inevitable implosion.

writing an obituary for dad: Collaborative Writing as Inquiry Ken Gale, Jane Speedy, Jonathan Wyatt, 2014-03-17 *Collaborative Writing as Inquiry* is a new and overdue contribution to the recently burgeoning literature on writing as a branch of qualitative inquiry. The book places a diversity of

approaches to collaborative writing alongside each other, and explores these methods and the spaces between them as critical arts-based inquiry practices within the social sciences. It is not intended or written as any kind of a handbook, more of a scrapbook, containing summative and rich prologues to each section, and substantive chapters (some adapted from work previously published in international peer-reviewed journals), fragments and snippets of 'writing in progress', as well as more extensive excursions into a range of approaches to writing collaboratively, including: collective biography; call and response (to people, to landscapes and to 'what happens' in the writing spaces); 'take three words'; poetic writing; and writing in scholarly communities and/or on retreat. This book illuminates, investigates and interrogates these emergent spaces, particularly as a critical gesture towards the individualised, market-driven agendas and neo-liberal practices of the contemporary academy.

writing an obituary for dad: The Devil Emails at Midnight Mita Mallick, 2025-09-30 Must read exposé of the 13 types of bad bosses to help you become a better leader In *The Devil Emails at Midnight: What Good Leaders Can Learn From Bad Bosses*, Mita Mallick shares how bad bosses aren't born. Bad bosses are made. They are a product of their circumstances. She shares hilarious and heartbreaking stories of the 13 bad bosses she once endured and survived, even including when she was a bad boss in her career. She challenges us both current and aspiring leaders to avoid the pitfalls of bad boss behavior. With powerful storytelling and practical advice, she covers bad behaviors like: Never having time for our teams (except at midnight) Micromanaging and re-doing all of the team's work Being completely disengaged, and disinterested in leading Ruling with fear in hopes of driving business results Loving the spotlight and taking credit for all of the work and much, much more *The Devil Emails at Midnight: What Good Leaders Can Learn From Bad Bosses* is a must read guide on how not to become that bad boss for anyone on their journey to be a better leader. Mita reminds us that a good leader can be the difference maker: ensuring we are recognized and valued for our contributions in our organizations. So remember that the devil emails at midnight. Let's make sure that devil doesn't become you.
