

being in a relationship with a selfish person

****Navigating the Challenges of Being in a Relationship with a Selfish Person****

Being in a relationship with a selfish person can be a complex and emotionally draining experience. At first, you might overlook certain behaviors or rationalize them as quirks, but over time, the imbalance in give-and-take becomes more apparent. Whether it's a romantic partnership, a close friendship, or even a family relationship, selfishness can erode trust, communication, and intimacy. Understanding the dynamics of such a relationship is essential not only for your emotional well-being but also for making informed decisions about how to move forward.

Understanding Selfishness in Relationships

Selfishness, in the context of personal connections, isn't just about occasional self-centered actions. It often manifests as a consistent pattern where one person prioritizes their own needs, desires, and feelings above those of their partner. This behavior can range from subtle disregard to overt neglect, leaving the other person feeling unappreciated and unheard.

What Does Being Selfish Look Like?

People who exhibit selfish tendencies in relationships might:

- Frequently interrupt or dismiss their partner's opinions.
- Make decisions unilaterally without considering the other's feelings.
- Expect their needs to be met first, often without reciprocating.
- Show little empathy or concern for their partner's struggles.
- Avoid taking responsibility for conflicts or mistakes.

These actions can slowly chip away at the foundation of mutual respect and love, leading to frustration and resentment.

Why Do Some People Act Selfishly?

It's important to recognize that selfishness doesn't always stem from malice. Often, it's rooted in deep-seated insecurities, past trauma, or learned behaviors from childhood. Some individuals might not have developed the emotional skills necessary for empathy or compromise. Others may be caught up in their own challenges and struggles, inadvertently neglecting their

partner's needs.

Understanding the "why" behind selfish behavior can help in approaching the situation with compassion, though it doesn't mean accepting or excusing harmful patterns.

The Emotional Impact of Being in a Relationship with a Selfish Person

When you're in a relationship where selfishness dominates, it can lead to a variety of emotional challenges. The imbalance in emotional investment often leaves one partner feeling drained, undervalued, and lonely despite being with someone.

Feelings of Neglect and Loneliness

Even within a relationship, emotional neglect can create a profound sense of isolation. When your partner consistently prioritizes themselves, your emotional needs may go unmet. This neglect can make you question your worth and the validity of the relationship.

Frustration and Resentment Build Up

Over time, constantly accommodating someone else's selfish behavior without receiving the same in return can breed frustration. Resentment often grows silently, poisoning the relationship's atmosphere. This emotional turmoil can manifest as arguments, withdrawal, or passive-aggressive behavior.

Lowered Self-Esteem and Doubt

Being with a selfish partner might make you doubt your own feelings or needs. You may start to believe that your desires are less important or that you're overreacting when you express dissatisfaction. This erosion of self-esteem can have lasting effects beyond the relationship itself.

How to Cope When Being in a Relationship with a Selfish Person

Facing the reality of selfishness in a relationship is challenging, but there are ways to manage and possibly improve the dynamic. Awareness,

communication, and self-care become critical tools.

Set Clear Boundaries

One of the most effective strategies is establishing clear and firm boundaries. Decide what behaviors you are willing to tolerate and communicate these limits to your partner. Boundaries help protect your emotional health and signal that your needs matter.

Communicate Openly and Honestly

Sometimes, selfishness stems from a lack of awareness. Having an open conversation where you express how their actions affect you can be eye-opening. Use “I” statements to avoid blame, such as, “I feel hurt when my opinions are dismissed.” This can encourage your partner to reflect and possibly change.

Encourage Empathy and Mutual Understanding

Promoting empathy in your relationship might require patience and gentle reminders. Sharing your feelings and experiences can foster understanding. Encourage your partner to consider your perspective and validate your emotions.

Focus on Self-Care and Support Networks

When being in a relationship with a selfish person, it’s vital to nurture your own well-being. Engage in activities that bring you joy, seek support from friends or family, and consider professional counseling if needed. Taking care of yourself builds resilience and clarity.

Deciding When It’s Time to Reevaluate the Relationship

Despite efforts to communicate and set boundaries, some relationships remain one-sided and unhealthy. Recognizing when a relationship is causing more harm than good is essential.

Signs That Selfishness is Irreparable

- Repeated disregard of your feelings and boundaries.
- Consistent lack of effort to change or acknowledge selfish behavior.
- Emotional or psychological harm outweighing any positive moments.
- Feeling trapped, anxious, or unhappy more often than not.

If you notice these signs, it might be time to seriously consider whether continuing the relationship serves your best interests.

Seeking Professional Help

Therapists or relationship counselors can provide valuable insights and strategies, both for individuals and couples. Sometimes, selfishness is a symptom of deeper issues that professional guidance can address.

Finding Balance and Growth After a Selfish Relationship

Whether you choose to stay and work through the issues or decide to move on, healing from the experience of being in a relationship with a selfish person is a journey.

Reflecting on Your Needs and Boundaries

Take time to understand what you want from future relationships. Identifying your non-negotiables and limits helps prevent repeating patterns that lead to imbalance.

Rebuilding Self-Confidence

Engaging in positive self-talk, pursuing passions, and surrounding yourself with supportive people can restore your sense of self-worth.

Embracing Healthier Relationship Dynamics

Look for partners who demonstrate empathy, respect, and mutual care. Healthy relationships involve shared responsibility, open communication, and genuine concern for each other's well-being.

Being in a relationship with a selfish person can be a challenging and eye-opening experience. It tests your patience, self-awareness, and emotional boundaries. While it's not always easy to navigate, understanding the dynamics at play and prioritizing your emotional health can guide you toward healthier and more fulfilling connections in the future.

Frequently Asked Questions

What are common signs that my partner is selfish in a relationship?

Common signs include a lack of consideration for your feelings, consistently prioritizing their own needs over yours, unwillingness to compromise, and rarely supporting you emotionally or practically.

How can I effectively communicate with a selfish partner about my needs?

Use 'I' statements to express how their behavior affects you, choose a calm time to talk, be specific about what you need, and encourage open dialogue to help them understand your perspective without sounding accusatory.

Is it possible to change a selfish partner, and how?

While you can encourage growth by setting boundaries and modeling empathy, change requires the partner's willingness to recognize their selfish behavior and actively work on it, often with self-reflection or professional help.

What impact does being with a selfish person have on my mental health?

Being with a selfish partner can lead to feelings of neglect, low self-esteem, increased stress, and emotional exhaustion, which may contribute to anxiety and depression over time if the imbalance continues.

When should I consider ending a relationship with a selfish partner?

Consider ending the relationship if repeated attempts to address the selfish behavior fail, your emotional needs remain unmet, and the relationship causes more harm than happiness, impacting your well-being and self-worth.

Being in a Relationship with a Selfish Person: Navigating Emotional Challenges and Dynamics

Being in a relationship with a selfish person presents a unique set of challenges that can test the emotional resilience and boundaries of even the most patient partners. Selfishness in intimate relationships often manifests subtly, making it difficult to identify and address until it has taken a toll on emotional well-being. Understanding the characteristics, consequences, and coping strategies involved is essential for anyone seeking to maintain a healthy partnership or deciding whether to continue investing in such a dynamic.

Understanding Selfishness in Romantic Relationships

Selfishness, broadly defined as prioritizing one's own needs and desires over those of others, can vary in intensity and form. In the context of romantic relationships, it is less about occasional self-care and more about a consistent pattern that undermines mutual respect and empathy. Being in a relationship with a selfish person means encountering repeated scenarios where one partner's interests dominate decisions, conversations, and emotional labor.

Psychological studies indicate that selfish behavior in relationships often correlates with traits such as narcissism, low empathy, or unresolved personal insecurities. However, it is crucial to differentiate between occasional self-centered actions and a persistent selfish attitude that erodes the foundation of mutual support.

Signs and Characteristics of Selfishness in Partners

Identifying selfishness early can prevent prolonged emotional distress. Some common indicators include:

- **Lack of empathy:** The partner rarely considers or acknowledges your feelings or perspectives.
- **One-sided communication:** Conversations focus primarily on their experiences, neglecting to ask about or validate your thoughts.
- **Disproportionate decision-making:** Key choices are made unilaterally, without genuine collaboration.

- **Resistance to compromise:** They often dismiss your needs or insist on having their way.
- **Emotional unavailability:** When you require support, they might be indifferent or dismissive.

Recognizing these patterns is a first step toward addressing the imbalance in the relationship dynamic.

The Emotional Impact of Being in a Relationship with a Selfish Person

The psychological toll of consistently accommodating a selfish partner can be profound. Emotional labor, which involves managing not only one's own feelings but also those of the partner and the relationship, often falls disproportionately on the less selfish individual. This imbalance can lead to feelings of neglect, frustration, and diminished self-worth.

Research in relationship psychology highlights that partners in selfish relationships report higher levels of stress and lower satisfaction. According to a 2022 survey published in the *Journal of Social and Personal Relationships*, individuals who perceive their partners as selfish are 40% more likely to experience depressive symptoms and anxiety related to relationship stress.

Furthermore, being in a relationship with a selfish person can create a cycle of resentment. The neglected partner may begin to withdraw emotionally or engage in passive-aggressive behaviors, which only complicates communication and intimacy.

Comparing Selfishness with Healthy Boundaries

It is important to distinguish selfishness from healthy boundary-setting. In a balanced relationship, both partners advocate for their needs while respecting the other's. Healthy boundaries foster autonomy and mutual care, whereas selfishness disregards the partner's needs entirely.

For example, a partner requesting alone time to recharge is exercising healthy boundary-setting, not selfishness. Conversely, a selfish partner might monopolize shared time or resources without considering the other's desire for balance.

Strategies for Navigating Relationships with Selfish Partners

When faced with selfishness in a relationship, the path forward depends on several factors, including the severity of the behavior, willingness to change, and individual coping capacities. The following strategies can help manage or mitigate the negative effects:

1. Clear Communication and Setting Boundaries

Articulating your feelings and needs assertively is essential. Use “I” statements to express how certain behaviors affect you, avoiding accusatory language that may trigger defensiveness. For instance:

“I feel unheard when decisions are made without discussing them with me.”

Establishing boundaries about what is acceptable behavior and what isn't can protect your emotional health.

2. Encouraging Empathy and Mutual Understanding

Sometimes, selfishness stems from a lack of awareness. Couples therapy or relationship counseling can foster empathy and help both partners gain insight into how selfish behaviors impact the relationship.

3. Evaluating the Relationship's Viability

In cases where selfishness is pervasive and resistant to change, it may be necessary to reassess the relationship's sustainability. Continual emotional neglect can lead to long-term psychological harm, and prioritizing personal well-being is crucial.

4. Seeking Support Networks

Engaging with friends, family, or support groups can provide perspective and emotional reinforcement. Isolation often exacerbates the negative effects of being in a relationship with a selfish person.

The Role of Self-Reflection and Growth

While it is essential to address the partner's behavior, self-reflection on one's own boundaries and expectations also plays a role. Sometimes, individuals tolerate selfishness due to fear of conflict, low self-esteem, or misplaced hope for change. Understanding these internal dynamics can empower one to make healthier decisions.

Moreover, fostering personal growth can increase resilience. Practices such as mindfulness, journaling, and therapy can help clarify what is acceptable in a relationship and improve emotional regulation.

Long-Term Outcomes and Relationship Dynamics

The long-term impact of being in a relationship with a selfish person varies. Some couples successfully negotiate and transform selfish tendencies through consistent effort and communication. Others find that the imbalance ultimately leads to separation or redefined relationship boundaries.

Statistical data suggests that couples who engage in mutual empathy-building exercises and maintain open communication report higher satisfaction, even when initial selfish behaviors were present. Conversely, relationships lacking these interventions are more likely to deteriorate.

- **Potential positive outcome:** Increased self-awareness for both partners, leading to more balanced interactions.
- **Potential negative outcome:** Emotional exhaustion and eventual relationship dissolution.

Conclusion: Navigating Complexity Without Simplistic Judgments

Being in a relationship with a selfish person is a complex emotional experience that requires careful navigation and honest evaluation. It is neither a simple matter of condemning a partner nor unquestioningly accepting detrimental behavior. Instead, through understanding, communication, and sometimes professional support, individuals can determine the healthiest path forward—whether that involves fostering change or choosing to step away.

Ultimately, awareness of the subtle and overt ways selfishness can infiltrate a relationship empowers individuals to protect their emotional well-being and seek partnerships grounded in respect, empathy, and shared growth.

Being In A Relationship With A Selfish Person

being in a relationship with a selfish person: When a WoMan is Fedup Ralston O'Connor, 2010-05 According to a female friend of mine show me a woman in her early 40's or younger who has never been married, and says that she does not want to get married and I will show you a liar. Unfortunately many of these women are in what they think are dead end relationships. These women are characterized as bitter and angry because of their relationship situations. This book will give you some insight into the habits you develop, things you do, and attitude that you portray that will only give the man in your life a serious moment of pause when the discussion of marriage arises. Admittedly the issues presented are from a decidedly male point of view, but the author believes that it was important that women got a clear idea into how the male mind works.

being in a relationship with a selfish person: STRONG: A Relationship Field Guide for the Modern Man Kristal DeSantis, 2023-03-11 The traditional roles of men and women in relationships are changing rapidly, and men are looking for ways to distinguish themselves as high-value partners in the current relationship landscape. STRONG: A Relationship Field Guide for the Modern Man distills the existing research on mental health and relationship science into the six essential green flags a modern woman is looking for in a man. In this book, you will find: • Self-regulation skills for healthy conflict • Tips for increasing your emotional connection • The types of sexual desire and tips on nurturing pleasure • The five love languages and how you and your partner may differ • The four positions of a constructive conversation • Tools for repair after conflict • The role of attachment styles and trauma in relationships . . . and so much more. STRONG provides the motivated modern man with immediately applicable tools and skills to step up his relational game and come out on top.

being in a relationship with a selfish person: 14 Reasons Why People Leave You Soughtout Nkemjika, 1. being in a relationship with a selfish person: The Desired Marriage Lokey Howell IV, 2023-02-09 I wrote this book because God told me to. Nobody ever got married with the intentions of getting divorced. Many of us have no idea what to do after the wedding. What does that even look like? What about generational curses? What about demonic warfare? The Bible says that we wrestle NOT against flesh and blood. We hear aEURfor better or worse,aEUR but what do we do when it gets worse? God has details on what that looks like. The Holy Ghost told me what to say. God never wastes any time, and pain always births purpose. God used all the experiences that I have encountered personally and with people that I have counseled to put together detailed learned lessons. You ever ask God for help, and you want God to be specific? There were things that I went through that I had no control over, and there were times when I ignored GodaEUR(tm)s warnings. Do you follow your heart or your head? This is why the title is the Desired MarriageaEURto help you have the marriage that God has designed for you, the relationship that you desire that can lead to the marriage, how during the relationship both of you can work on things that can better prepare you for later. IaEUR(tm)ve seen small things that could have been fixed, but some didnaEUR(tm)t know how this could end the relationship or marriage. They just didnaEUR(tm)t know how to go about things. This book will push you to your potential and challenge you to be the best you that you can be. The person you are married to deserves a better version of you. This book will help you deal with friction between the person that you have a child/children with. The Bible tells us to walk by faith and not by sight. God had you in mind when He created this book. being in a relationship with a selfish person: Loving the Sexually Mature Christian Man Waymon Geans, 2013-03-18 When talking about sexual maturity you have to keep an open mind and realize we are talking more than just sexual intercourse. Sexual intercourse can be a part of your sexual maturity growth but also understand you dont have to have intercourse to sexually grow. The main objective for the author of this book is to make the readers aware of the difference in their sexual maturity and to open doors for discussion about matters that someone may not have known how to bring up. If so, the author has accomplished his intention of getting couples to understand their sexual maturity and how to grow together.

being in a relationship with a selfish person: Overcoming A Narcissistic Relationship Grace Richards, 2021-07-11 Do you often feel as though you lack the ability to satisfy your partner's needs, no matter how hard you try? Are you a victim of abuse by a narcissistic relative, romantic partner or friend? You may have a lot of questions about what happened to you and why. Most of all, you would like to know how to keep it from ever occurring to you again. A narcissistic relationship is a common feature of our society responsible for triggering long-lasting emotional and psychological damage to the victims. This book will help you understand why a narcissist chooses to focus on you in the very first place and how you can successfully break free from such a toxic relationship. You'll

learn how you can successfully deal with a narcissist and what you can do to set yourself up to change the nature of a toxic relationship. Some of the topics covered in the book are: - Who Narcissists are - What Is a Psychopath Compared to a Narcissist? - Different Level and Types of Narcissism - Difference Between Narcissism and Egocentrism - Valuing Yourself and Increasing Your Self-Worth - How Narcissist/Toxic Relationships Affect You Whether the narcissistic individual is your employer, your lover, a family member, or even a friend, this book will help you to understand what you need to do to regain control of your life and guide the relationship in whichever direction is best for you and others. It takes you through a healing process, so you can determine where you are and where you wish to go in the journey of self-healing and help you get to the next level and keep progressing out of the gravity of the past so you can develop a life of purpose, peace, meaning and joy. If you fear that you might have a narcissist somewhere within your life, it is time to take the steps forward to learn more about narcissistic relationships and recognize whether you are being abused without even knowing it. Grab your copy now!

being in a relationship with a selfish person: The Theory of True Love Yaping Chen, 2022-05-16 True love not only does exist but is also found in most romantic relationships. By nature, we all need to love and to be loved during childhood and adult life. Unfortunately, key personality conflicts do not allow many people in relationships to sustain their true love toward each other. Recognizing the red- and green-light scenarios described in this book will help people identify possible (and impossible) situations caused by personality differences. Establishing the proper boundaries is also key for a romantic relationship to succeed. Defining and maintaining the proper boundaries is often a difficult process because of opposite personality differences. This book provides you with a 4-Step Method to help you develop the proper boundaries, with two sets of rules for each party to follow. This book aims to help you improve your relationships of any kind: romantic relationships, parent-child relationships, working relationships, friendships, and so on. This theory should help you more efficiently find the right long-term romantic partner. If you have been married for years but are not very happy with each other, applying Yaping's theory of true love might just change your life. Understanding the theory of true love can enhance your belief in true love and bring more happiness to the people in the world!

being in a relationship with a selfish person: The Ethical Demand Knud Ejler Løgstrup, 2020 The Ethical Demand (1956) by K. E. Løgstrup is one of the great works of modern moral philosophy: it is presented here in a new translation with introduction and notes. Løgstrup sees morality in terms of our vulnerability to each other and how this gives rise to an 'ethical demand' on us to care for each other.

being in a relationship with a selfish person: The Ethics of Relationships , 2025-09-04 Relationships are of utmost importance to our lives in that they give rise to various kinds of goods. Yet, they also make us vulnerable to distinct kinds of wrongs and harms. So far, philosophers have given some attention to the topics of friendship, parent-child relationships, and love, but many other kinds of relationships have been neglected. Moreover, philosophical theorizing has mostly focused on the value of relationships, while the wrongs and harms involved in leading a particular relationship have hardly been investigated. Similarly, relationships have been analyzed as rather static phenomena, but once we realize that they wax and wane and can even come to an end, further moral challenges come into view. This edited volume makes a major contribution to establishing an ethics of relationships through its analysis of many different kinds of relationships. The chapters in this collection offer an in-depth understanding of the distinct nature and value of relationships, while also highlighting the dark sides of relationships and their distinct moral intricacies. Contributions cover the relationship to self, sibling relationships, friendships, and romantic partnerships including relationships between former partners. More socially mediated connections are also discussed, such as neighbours, colleagues, students, and teachers, as well as fans and celebrities. In addition, negative relationships-like those between enemies and those between victims and perpetrators-are explored in detail. The final chapters examine relationships with non-human entities, including companion animals and AI systems. Through its wide-ranging coverage and insightful analysis, The

Ethics of Relationships significantly broadens the scope of discussion and elucidates the normative significance of relationships.

being in a relationship with a selfish person: Are You a Victim of Insane Relationships?

Gary L. Garside, 2022-10-04 Here's what you'll find inside Are You a Victim of Insane Relationships? Why newly found seemingly ideal relationships often quickly fall apart Why those who look for love are those least likely to find it Why you can intensely hate your partner but not be able to break up the relationship How your partner can psychologically change your behavior--without you ever knowing it How your partner can destroy your identity and ruin your lifestyle, forcing you into a position of a helpless--but willing--victim How someone you don't like and are incompatible with can talk you into marriage Also includes 14 pseudo loves which we often mistake for real love Over 50 types of defenses which keep us from knowing our loved ones--and ourselves Over 55 intimacy-thwarting games which plague our relationships Over 101 common forms of anxiety which keep us from feeling secure Over 750 glossary terms to help us understand our relationships

being in a relationship with a selfish person: All You Wanted To Know About Love, But Refused To Accept J. E. White, 2013-12 You ever wanted love, but didn't know what it was? You ever been hurt by what you thought was love? You ever missed love, because you couldn't recognize it? All You Wanted To Know About Love, But Refused To Accept is a book about love that explains the true meaning of love. It discusses the character traits of love, to enable you to recognize it. This book also explains the main ingredient of love, without which love cannot exist. The information in this book will help you avoid the hurt, the deception, and the heartache that often comes with erroneous concepts about love. This book will enable you to look at love from a new perspective, and hopefully, enjoy it more.

being in a relationship with a selfish person: You Are A Born Fighter Chandan Giri, 2024-12-29 You Are a Born Fighter is an empowering self-help book that taps into the inherent fighter instinct within every individual. This book is designed to help readers recognize, nurture, and unleash their inner strength to overcome life's obstacles and achieve success. It serves as both a motivational guide and a practical roadmap, providing readers with actionable lessons that instill resilience, courage, and unwavering determination. Millions of Americans feel stuck in dead-end jobs that are getting them nowhere. Often they think, despite their best efforts, that no one will notice or reward their success. How to Be the Employee Your Company Can't Live Without shows you how to excel at the office and garner the recognition you've worked hard to earn. Master these principles and apply them every day at work and unlimited success will be your reward.

being in a relationship with a selfish person: *Moses Dobruska and the Invention of Social Philosophy* Silvana Greco, 2022-01-19 This book proposes, for the first time, an in-depth analysis of the *Philosophie sociale*, published in Paris in 1793 by Moses Dobruska (1753-1794). Dobruska was a

businessman, scholar, and social philosopher, born into a Jewish family in Moravia, who converted to Catholicism, gained wide recognition at the Habsburg court in Vienna, and then emigrated to France to join the French Revolution. Dobruska, who took on the name Junius Frey during his Parisian sojourn, barely survived his book. Accused of conspiring on behalf of foreign powers, he was guillotined on April 5, 1794, at the height of The Terror, on the same day as Georges Jacques Danton. From Dobruska's ideas, which were widely used between the late eighteenth century and the first decades of the nineteenth century without attribution to their author, emerge some of the key concepts of the social sciences as we know them today. An enthusiastic and unfortunate revolutionary and sometimes a brilliant theorist, Moses Dobruska deserves a role of his own in the history of sociology. [Click here for a video book presentation by the author.](#)

being in a relationship with a selfish person: The Emotionally Destructive Relationship

Leslie Vernick, 2007-08-15 Leslie Vernick, counselor and social worker, has witnessed the devastating effects of emotional abuse. Many, including many in the church, have not addressed this form of destruction in families and relationships because it is difficult to talk about. With godly guidance and practical experience, Vernick offers an empathetic approach to recognizing an emotionally destructive relationship and addresses the symptoms and the damage with biblical tools. Readers will understand how to: Reveal behaviors that are meant to control, punish, and hurt Confront and speak truth when the timing is right Determine when to keep trying, when to get out Get safe and stay safe Build an identity in Christ This practical and thorough resource will help countless individuals, families, and churches view abuse from God's perspective and understand how vital it is for victims to embrace His freedom from the physical, emotional, spiritual, and generational effects of emotionally destructive relationships.

being in a relationship with a selfish person: So You Want Seven Wives? Tee Bates, 2020-06-12 So You Want Seven Wives? encourages men to be honest about their want for multiple relationships and to be themselves in it, to know that some men are just built that way. And to be proud, responsible, and also truthful with their decision. Therefore, allowing the monogamous to be monogamous (i.e., not holding women captive in a lie), and the ethical consensual nonmonogamist to be themselves, all in peace with prosperity. It promotes truth to arise while assisting the woman or women through their journey. And, women, So you Want Seven Wives? indeed will help you to learn to be selfless in all that you are. How many of us can honestly say that we are in a monogamous relationship? In addition, So You Want Seven Wives? indisputably comes from a complete place of love, compassion, and understanding. So You Want Seven Wives? shares spiritual and wholistic wisdom that will help to heal mankind. It touches relationships, as a whole, from a spiritual, mental, emotional, and physical perspective. Furthermore, this book strives to unite religious concepts as it relates to relationships, thus bringing forth spirituality rather than religiosity, as religion undeniably separates us. In essence, So You Want Seven Wives? is a solved equation built for the success of mankind's relationships.

being in a relationship with a selfish person: Yes, Only to the Right Person O.D. Chimex, 2025-01-06 In the words of Mahatma Gandhi: You can give someone the permission unknowingly to hurt you. This is very true in a relationship, if one chooses the wrong person. One can also decide not to give someone that permission to hurt him or her by saying yes only to the right person. Just like in a business, before starting a partnership, one is expected to choose a potential business partner based on strict business rules of engagements. Being involved romantically with someone is a serious business too. And before you handover your heart to someone, you are expected to do the needful, that is, making the right choice based on strict relationship guidelines. Loving someone is not just enough to think you have chosen the right person. And a few displays of affections by this person are not also enough to risk your heart to a stranger. More to it is accessing this person before giving your heart. Is there a right person? How will I know if this person is the right person? How will I know if it s real love? How can I avoid making mistake in choosing a partner? Can I minimize the chances of heartbreak or divorce? Can I still fix my crumbling relationship? How can I become a right partner? Yes only to the Right Person: A guide to Choosing the Right Partner
