lets get deep couple questions: How to Catch Feelings for Jesus Andrew Christopher Uttaro, 2022-11-09 Jesus Christ is a character not unlike Elvis to many of us born into places that have historically been bathed in Christianity. Sure, maybe he's a decent guy, but I don't want to put on the shiny blazers. The whole idea of a relationship with Jesus may be quite off-putting on the face of it for those of us not keen on throwing our hands up in the air in praise concerts or kneeling and reciting centuries-old creeds on a weekly day off. The way to a relationship with Jesus that often gets lost in all the preaching is that it's caught, not taught. As someone who began his relationship with Jesus with a simple "I'll give this Jesus thing a try," Uttaro still struggles with the awkwardness of it all. Sometimes the only way we can get past all the deafening noise of the faith as it exists in our culture is to give ourselves the opportunity to catch feelings instead of endure being taught the same tired anachronisms that orbit that name Jesus. In How to Catch Feelings for Jesus, we will go about a personal step-by-step journey to such a relationship with Jesus.
