

my life in paris julia child

My Life in Paris: Julia Child's Culinary Journey and Transformation

my life in paris julia child is not just a phrase; it encapsulates a vibrant chapter in the life of one of the most beloved culinary icons of the 20th century. Julia Child's time in Paris was much more than a relocation; it was a transformative period that ignited her passion for French cuisine and forever altered the way America approached cooking. If you have ever wondered how Julia Child's Parisian experience shaped her career and inspired countless home cooks, this article dives deep into that fascinating journey.

Discovering French Cuisine: Julia Child's Paris Awakening

When Julia Child moved to Paris in the late 1940s, she was far from the celebrity chef we know today. Instead, she was a curious and adventurous soul, eager to explore the food culture of her new home. Paris, with its bustling markets, charming bistros, and rich culinary traditions, offered Julia a world of flavors and techniques that were largely unknown to Americans at the time.

The phrase *my life in paris julia child* often refers to her immersive experience in French cooking, which began in earnest when she enrolled at Le Cordon Bleu, the prestigious culinary school. This rigorous training laid the groundwork for her unique style – one that combined technical skill with approachable, enthusiastic teaching.

Le Cordon Bleu: The Culinary Classroom of Paris

Julia's enrollment at Le Cordon Bleu marked a turning point. Here, she was introduced to the foundational elements of French cooking: sauces, pastries, knife skills, and the art of balancing flavors. Unlike typical cooking classes, Le Cordon Bleu emphasized discipline and precision, pushing Julia to elevate her culinary capabilities.

This experience also exposed her to other passionate cooks and future collaborators, shaping her understanding of French gastronomy. The lessons learned were meticulously documented and later became the backbone of her seminal cookbook, "Mastering the Art of French Cooking."

Life Beyond the Kitchen: Parisian Culture and Inspiration

Julia Child's Parisian life was not confined to kitchens and cookbooks. She absorbed the city's culture, art, and lifestyle, all of which infused her personality and cooking philosophy. Paris in the post-war era was a hub of creativity and resilience—a perfect backdrop for Julia's own reinvention.

Markets and Ingredients: The Heartbeat of French Cooking

One of the most vivid memories Julia often shared was her frequent visits to Parisian markets. Unlike the sanitized grocery stores common in America at the time, Paris markets were vibrant, sensory experiences filled with fresh produce, artisanal cheeses, and freshly baked bread. Julia learned that ingredients were the backbone of any great dish, a lesson she imparted to her readers and viewers.

These markets weren't just about shopping; they were social centers where chefs, farmers, and consumers mingled. This community aspect deeply influenced Julia's approach to cooking as a shared, joyous experience rather than a chore.

Parisian Dining: A Lesson in Simplicity and Elegance

Dining out in Paris taught Julia the importance of simplicity and respect for ingredients. She observed that French chefs let the quality of their produce shine through, often with minimal seasoning or fuss. This contrasted with the more complicated and heavy dishes common in mid-century America.

Her Parisian meals—whether at a humble café or a Michelin-starred restaurant—inspired her to translate these principles into recipes that anyone could replicate at home. This philosophy became a cornerstone of her appeal and legacy.

Collaborations and Friendships That Shaped Julia's Paris Years

Julia's life in Paris was also enriched by meaningful relationships that influenced her work and life. Among these were her husband, Paul Child, and her close friends Simone Beck and Louisette Bertholle, who co-authored "Mastering the Art of French Cooking" with her.

Paul Child: Partner in Life and Culinary Adventure

Paul Child, an artist and diplomat, was Julia's steadfast supporter throughout her Parisian journey. His encouragement and love of French culture helped Julia embrace her newfound passion wholeheartedly. Paul's appreciation for art and aesthetics also inspired Julia's attention to presentation and detail in her cooking.

Simone Beck and Louisette Bertholle: Culinary Collaborators

Julia's friendship with Simone Beck and Louisette Bertholle was pivotal. The trio shared a vision to introduce French cooking to American households. Their collaborative effort resulted in "Mastering the Art of French Cooking," a book that revolutionized home cooking and demystified French cuisine for a broad audience.

This partnership was born out of countless hours in Paris kitchens, experimenting with recipes, tasting, and refining techniques—a testament to how Julia's Paris life was as much about community and collaboration as it was about personal growth.

Lessons from My Life in Paris Julia Child: Tips for Aspiring Home Cooks

Julia Child's Paris experience offers timeless lessons for anyone looking to improve their cooking skills or deepen their culinary appreciation.

- **Embrace the Basics:** Master fundamental techniques like knife skills, sauce making, and proper cooking methods before diving into complex recipes.
- **Focus on Quality Ingredients:** Seek out fresh, seasonal produce and authentic ingredients to elevate your dishes.
- **Patience and Practice:** Cooking is an evolving skill—don't be afraid to make mistakes and learn from them.
- **Enjoy the Process:** Approach cooking as a joyful experience, not a chore, much like Julia did in Paris.
- **Learn from Others:** Whether through classes, cookbooks, or friends, seek out opportunities to expand your culinary knowledge.

The Importance of Cultural Immersion

Julia Child's story reminds us that understanding the culture behind a cuisine enhances the cooking experience. Immersing yourself in local traditions, dining customs, and food history can transform the way you perceive and prepare food.

Even if traveling to Paris isn't feasible, exploring authentic recipes, watching documentaries, or visiting cultural festivals can bring that spirit into your kitchen.

My Life in Paris Julia Child: A Legacy That Lives On

Julia Child's years in Paris were the fertile ground from which her culinary legacy grew. The lessons, friendships, and experiences she gathered there shaped not only her career but also the American culinary landscape. Her approachable style, rigorous technique, and infectious enthusiasm continue to inspire chefs and home cooks around the world.

Her story encourages us to embrace curiosity, step outside our comfort zones, and recognize that passion combined with education can lead to extraordinary transformations. So next time you whip up a French dish in your own kitchen, remember that behind every recipe there's a story—one of learning, discovery, and the unforgettable life Julia Child lived in Paris.

My Life in Paris Julia Child: A Culinary Journey That Changed American Cooking

my life in paris julia child stands as a pivotal phrase embodying the transformative years Julia Child spent in France, which not only shaped her culinary philosophy but also revolutionized American home cooking. Julia Child's immersion in French culture, cuisine, and techniques during her years in Paris is a rich narrative of discovery, adaptation, and eventual mastery that remains influential decades later. This article delves into the nuances of her Parisian experience, exploring how it influenced her iconic cooking style, her seminal works, and her role as a culinary ambassador.

Julia Child's Parisian Years: The Foundation of a Culinary Icon

Before Julia Child became a household name in America, she was an American expatriate navigating the vibrant, gastronomic world of post-war Paris. Her life in Paris was not just about living abroad; it was a profound educational journey that introduced her to the intricacies of French cuisine, which at the time was virtually unknown to most Americans.

Child moved to Paris in 1948 with her husband, Paul Child, who was assigned

there as a diplomat. This relocation proved to be a turning point. Immersed in French culture, Julia enrolled at the prestigious Le Cordon Bleu cooking school, which was instrumental in her formal culinary education. The immersion in Parisian culinary traditions enabled her to develop a deep appreciation for the art and science of cooking, emphasizing techniques, fresh ingredients, and the joy of creating meals.

The Influence of Le Cordon Bleu and French Gastronomy

Le Cordon Bleu, renowned for its rigorous curriculum and emphasis on classical French cooking methods, provided Julia with a structured framework that contrasted sharply with the more casual American home cooking styles prevalent at the time. This education equipped her with:

- Technical mastery of sauces, pâtés, and baking
- An understanding of the importance of presentation and flavor balance
- Exposure to traditional French recipes rarely documented in English

Her training there was complemented by visits to Parisian markets, restaurants, and interactions with French chefs, which enriched her knowledge with practical, real-world experience. This blend of formal education and cultural immersion became a hallmark of her approach.

From Parisian Kitchens to American Homes: Bridging Two Culinary Worlds

The phrase **my life in paris julia child** encapsulates more than a memoir; it signifies the bridging of two vastly different culinary cultures. Upon returning to the United States, Julia Child faced the challenge of translating the complex French culinary arts into accessible, understandable, and replicable recipes for American home cooks.

The Creation of Mastering the Art of French Cooking

One of the most significant outcomes of Julia's Parisian experience was the co-authorship of **Mastering the Art of French Cooking**, published in 1961. This cookbook was groundbreaking because it:

1. Demystified French cooking techniques for the American audience
2. Presented detailed, step-by-step instructions with clear explanations
3. Encouraged experimentation with ingredients and methods while respecting tradition

The book's success can be directly attributed to Julia's deep understanding of French culinary principles gained during her life in Paris. It brought an unprecedented level of sophistication to the American kitchen and helped launch the modern American food movement.

Cultural and Culinary Adaptations

Julia Child's experience highlighted the cultural adjustments necessary when introducing French cuisine to American households. She recognized that certain French ingredients were scarce or unfamiliar in the U.S., prompting her to suggest practical substitutes and tips. This adaptability was crucial in making French cooking approachable without sacrificing authenticity.

Her television show, which followed after the book's success, further exemplified this by demonstrating techniques in a clear, patient manner, much like a teacher guiding students. Her Paris years gave her the credibility and depth to confidently educate audiences about French culinary arts, fostering a lasting appreciation.

The Lasting Legacy of Julia Child's Paris Experience

Julia Child's life in Paris is often romanticized, but it was also marked by rigorous study, experimentation, and a passion for food that transcended cultural boundaries. Her influence persists in various dimensions of the culinary world today.

Impact on American Culinary Education

Julia's Parisian training introduced a new standard for culinary education in the United States. The detailed recipes and emphasis on technique in her cookbook and shows have inspired countless chefs and cooking enthusiasts to pursue greater culinary knowledge. The concepts she championed—precision, respect for ingredients, and the joy of cooking—remain central to many cooking schools and professional kitchens.

Changing American Food Culture

Prior to Julia Child, French cuisine was perceived by many Americans as elitist and inaccessible. Her ability to humanize and democratize French cooking contributed significantly to the shift in American food culture. Today's diverse culinary landscape, with its emphasis on international flavors and techniques, owes much to the foundations laid by Julia's Parisian-inspired work.

Challenges and Critiques

While Julia's impact is undeniable, some culinary purists argue that her adaptations diluted authentic French cuisine. However, her pragmatism in ingredient substitutions and simplification was necessary for the American context and arguably helped preserve the essence of French cooking in a new environment.

Additionally, Julia's approach was heavily Eurocentric, reflecting the culinary values of her time. Modern culinary discourse now embraces a broader spectrum of global cuisines and techniques, yet her contributions remain a critical chapter in culinary history.

Exploring Julia Child's Paris Through Modern Media

Interest in Julia Child's Paris years has been reignited through books, documentaries, and dramatizations. These portrayals offer fresh perspectives on her formative years, emphasizing the cultural and personal transformation that Paris catalyzed.

- **Biographical Films:** Movies like *Julie & Julia* explore her journey from Paris to American kitchens, highlighting the significance of her Parisian education.
- **Documentaries:** Detailed accounts of her life in Paris provide insights into her learning process and the post-war French culinary scene.
- **Culinary Tours:** Some travel experiences now focus on visiting the places Julia frequented in Paris, blending gastronomy and history.

These resources help contemporary audiences appreciate the depth of Julia Child's connection with Paris and the enduring influence of that period on her work.

The phrase *my life in paris julia child* is more than a nostalgic reflection; it represents a critical juncture where culture, education, and passion converged to redefine cooking for generations. Julia Child's Parisian adventure remains a testament to the transformative power of immersive learning and cultural exchange, with effects that resonate far beyond the kitchen.

my life in paris julia child: *My Life in France* Julia Child, 2009-03-12 When Julia Child arrived in Paris in 1948, a six-foot-two-inch, thirty-six-year-old, rather loud and unserious Californian, she spoke barely a few words of French and did not know the first thing about cooking. What's a shallot? she asked her husband Paul, as they waited for their sole meunière during their very first lunch in France, which she was to describe later as 'the most exciting meal of my life'. As she fell in love with French culture, buying food at local markets, sampling the local bistros and taking classes at the Cordon Bleu, her life began to change forever, and *My Life in France* follows her extraordinary transformation from kitchen ingénue to internationally renowned (and loved) expert in French cuisine. Bursting with adventurous and humorous spirit, Julia Child captures post-war Paris with wonderful vividness and charm.

my life in paris julia child: *My Life in France* Julia Child, Alex Prud'homme, 2006 In her own words, here is the captivating story of Julia Child's years in France, where she fell in love with French food and found her true calling.

my life in paris julia child: *The Hidden Gardens of Paris* Susan Cahill, 2025-06-25 For the seasoned Parisian traveller or the novice looking to get off the beaten track Cahill provides a roadmap to parts of the city most visitors will never see In a city that is the destination of millions of travelers every year, it can be difficult to find your way to its lovely, serene spaces. Away from the madding crowds, the gardens of Paris offer the balm of flowers, tall old trees, fountains, ponds, sculptures, with quiet Parisians reading *Le Monde*, taking the sun, relishing the peace. These places are often tucked away, off the beaten tourist track, and without a guide they're easy to miss: The Jardin de l'Atlantique, out of sight on the roof of Gare Montparnasse. The enchanting Jardin de la Vallée Suisse, invisible from the street, accessible only if you know how to find the path. The Square Boucicaut, its children's carousel hidden inside a grove of oak and maples. Square Batignolles, the shade of the old chestnut trees an inspiration to the painter Édouard Manet and poet Paul Verlaine. Hidden Gardens of Paris features 40 such oases in quartiers both posh and plain, as well as dozens of others Nearby to the featured green space. It is arranged according to the geographic sections of the city— Île de la Cité, Left Bank, Right Bank, Western Paris, Eastern Paris—a lively and informative guide that focuses on each place as a site of passionate cultural memory.

my life in paris julia child: *Longing for Paris* Sarah Mae, 2015-08-04 For anyone who has ever daydreamed of another life . . . Most days, you wouldn't trade what you have for the world. You love your husband and your kids, and you are grateful to God for your life. But there are days when you feel as though life is rolling over you in waves and you are just going through the motions. You find yourself aching for something more, something that is calling to depths of who you are, maybe for something you can't even name. For Sarah Mae, it was Paris, a place that is known for breathtaking beauty, inspiring art, and exquisite food. But as she searched her heart, she found there was more to her longings than she anticipated. Join Sarah Mae in *Longing for Paris*, a soul-searching, light-filled journey for the woman who knows she can't uproot her life to discover herself and her longings, but who desperately wants to uncover them so she can get unstuck and choose a life that is filled with beauty, adventure, and deep joy . . . right where she is.

my life in paris julia child: *Becoming Madame* Ollivia de la Valliere, 2015-08-14 Have you ever

wished that your life could be more than a treadmill, an endless succession of daily responsibilities coupled with the relentless drive to succeed? You wouldn't be alone. After the completion of a law degree, Ollivia pursued a legal career at a big-city law firm. Ambition drove her for a few years—until she took a hard look at her life and goals and decided . . . to give it all up and move to France. This leap of faith was based entirely on an aching and unexplainable desire for something more. In 2006, Ollivia quit her job, left her life, including her fiancé, and moved to Paris for what was supposed to be a five-month sabbatical to learn French, a childhood dream. But Paris and French life passionately impaled her heart. The rest is *Becoming Madame*

my life in paris julia child: What's France got to do with it? Juliana de Nooy, 2020-07-30 While only one book-length memoir recounting the sojourn of an Australian in France was published in the 1990s, well over 40 have been published since 2000, overwhelmingly written by women. Although we might expect a focus on travel, intercultural adjustment and communication in these texts, this is the case only in a minority of accounts. More frequently, France serves as a backdrop to a project of self-renovation in which transplantation to another country is incidental, hence the question 'What's France got to do with it?' The book delves into what France represents in the various narratives, its role in the self-transformation, and the reasons for the seemingly insatiable demand among readers and publishers for these stories. It asks why these memoirs have gained such traction among Australian women at the dawn of the twenty-first century and what is at stake in the fascination with France.

my life in paris julia child: Women's Fiction Deborah Philips, 2014-06-19 Now in its second edition and with new chapters covering such texts as Elizabeth Gilbert's *Eat, Pray, Love* and 'yummy mummy' novels such as Allison Pearson's *I Don't Know How She Does It*, this is a wide-ranging survey of popular women's fiction from 1945 to the present. Examining key trends in popular writing for women in each decade, *Women's Fiction* offers case study readings of major British and American writers. Through these readings, the book explores how popular texts often neglected by feminist literary criticism have charted the shifting demands, aspirations and expectations of women in the 20th and 21st centuries.

Spending just a few days in the city? Try Rick Steves Pocket Paris.

my life in paris julia child: Cuisine and Symbolic Capital Cheleen Mahar, 2010-05-11 This collection of interdisciplinary essays examines food as it mediates social relationships and self-presentation in a variety of international films and literature. Authors explore the ways that making, eating and thinking about food reveals culture. In doing so the essays highlight how food and foodways become a type of symbolic capital, which influences the larger concern of cultural identity. Essays are organized into three central themes: Culinary Translations of Identity: From Britain to China; Food as Metaphor in Contemporary German Writing; and Love, Feasting and the

Symbolic Power of Food in French Writing. Each essay investigates the uses of food as a way to apprehend cultural meaning. The essays presented provide theoretical templates for the study of food in a wide range of international film and literature,

my life in paris julia child: *Meet Me in Paris* Sasha Hart, 2024-07-30 I have a plan...but the city of love has a plan of its own. My late grandfather's inheritance has two conditions: 1) Not a cent until I've traveled Europe for a month. (I mean, it's a sacrifice I'm willing to make.) 2) My estranged sisters and I must travel together. (Sister bonding. Gag.) Oh, and a third condition—our journey starts in Paris. City of Love. The place I've dreamed of visiting since I first spotted a postcard of the Eiffel Tower at age six. I've seen nearly every English movie about Paris ever made. I've studied French for years. I even have a bucket list of romantic experiences I want to have there with the first handsome Parisian I can find. (Seine River tour, anyone?) There's just one problem. It's also where my childhood best friend, Hunter, lives. The last time I saw the boy next door, he kissed me on the hood of his beat-up Pontiac and asked me to move to Paris with him. He should have known I couldn't say yes. With my life crumbling by the minute and all my family problems—I mentioned my sisters, right?—I couldn't just leave it all behind. Ultimately, it's fear that has kept me rooted in the same small town I'd lived in my entire life. What if Paris isn't everything I dreamed it would be, after all? And worse—what if being with Hunter is? Nope, definitely safer to leave my dreams in the past. I'll slip into the city, check off my list, and escape without ever seeing my best friend. I'll get this stupid trip over with, put money in the bank, and live happily ever after without him as was always the plan. Above all, I'll finally forget that toe-curling kiss between us ever happened at all. Paris, here I come. Three sisters. Three cities. A traveling family saga full of misadventures, laughter, forgiveness, and falling in love.

my life in paris julia child: *Mostly French* Makenna Held, 2025-04-22 Mostly French is a stunningly beautiful cookbook developed and photographed at La Pitchoune, Julia Child's home in Provence. Inspired by the olive trees and hills of lavender, thyme, and wild asparagus, author and cooking instructor Makenna Held shares 150 recipes that pay homage to the serenity of Southern France. Through dishes such as Roasted Chicken with Lemon and Sumac, Caprese with Peaches and Strawberries, and Lavender Salted Caramels, among dozens of others that lean into France and ease, she channels the best of French cooking: simple ingredients, technique, and balanced flavors.

my life in paris julia child: *Going Places* Robert Burgin, 2013-01-08 Successfully navigate the rich world of travel narratives and identify fiction and nonfiction read-alikes with this detailed and expertly constructed guide. Just as savvy travelers make use of guidebooks to help navigate the hundreds of countries around the globe, smart librarians need a guidebook that makes sense of the world of travel narratives. *Going Places: A Reader's Guide to Travel Narratives* meets that demand, helping librarians assist patrons in finding the nonfiction books that most interest them. It will also serve to help users better understand the genre and their own reading interests. The book examines the subgenres of the travel narrative genre in its seven chapters, categorizing and describing approximately 600 titles according to genres and broad reading interests, and identifying hundreds of other fiction and nonfiction titles as read-alikes and related reads by shared key topics. The author has also identified award-winning titles and spotlighted further resources on travel lit, making this work an ideal guide for readers' advisors as well a book general readers will enjoy browsing.

my life in paris julia child: *French Gastronomy in the US* Thérèse Migraine-George, 2025-03-03 This book focuses on the (re)invention of French food in the US, probing the intricate transatlantic dynamics underlying notions of cooking and eating French. By looking at French gastronomy as both a symbolic formation and an exclusionary practice closely tied to power, class, and race, this book re-centers histories that have been marginalized in traditional narratives of French gastronomy. Rather than focusing on food itself, this book explores transatlantic foodways and the complex and changing nexus of historical, socioeconomic, cultural, political, and ideological routes and trajectories, both real and imaginary, that have connected France and the US around a range of gastronomical practices and representations. Foregrounding the gastronationalism that

subtends the idea of “eating French” in the US, this book also looks at how a diverse group of contemporary chefs is working to deconstruct stereotypical and constrictive representations of French food and to create new cuisines that are, in turn, more inviting, inclusive, hospitable, and convivial as well as more globally sustainable. Exploring the transatlantic relation between France and the US through the lens of food offers a significant point of entry into the ways in which imagined gastronomies reflect imagined communities past, present, and future in an ever-globalizing world. This book will be of great interest to students and scholars from a wide range of interdisciplinary fields of study including food studies, global French and Francophone studies, cultural studies, media studies, Black/African American studies, history, and ethnography.

my life in paris julia child: Impressions from Paris: Women Creatives in Interwar Years France Sylvie Eve Blum-Reid, 2024-01-16 ‘Impressions from Paris’ studies the contributions of various women artists and writers who lived in Paris during the Interwar Years, from the 1920s to 1940. The “Roaring Twenties” constituted years of experimentation and freedom to test new techniques and lifestyles at a time affected by serious political changes leading to World War II. Their trajectories have left traces that can be mapped out, studied, and addressed today, a hundred years later. The volume revisits their experiences through various lenses that include art history, gender, fashion, literary analysis, psychology, philosophy, as well as film and food. The volume revisits the artistic, literary, and journalistic contributions of women worldwide, including France, as they flocked to Paris from the 1920s to 1940. The overall principle lies in the inclusion of female painters, visual artists, and writers from diverse international and national backgrounds. Scholars who participate in the volume explore the possibilities presented in a modern literary and artistic history while building on previous scholarship. Two seminal books and a documentary film inspire this project: Shari Benstock’s ‘Women of the Left Bank. Paris 1900-1940’ (Texas UP 1986) and Andrea Weiss’s ‘Paris was a woman. Portraits from the Left Bank’ (HarperSanFrancisco 1995), which in turn produced an eponymous film (Greta Schiller/Andrea Weiss 1996). These works highlight the community of women artists, editors and writers during the interwar years in Paris. There is scholarship in the area, although most of it is scattered in single monographs, crossing various genres, and various languages, from (recent) graphic novels, to fiction, biographical studies, cultural histories as well as scholarly artistic and literary studies.

my life in paris julia child: Rick Steves Paris 2017 Rick Steves, Steve Smith, Gene Openshaw, 2016-12-20 You can count on Rick Steves to tell you what you really need to know when traveling in the City of Light—Paris. With the self-guided tours in this book, you'll explore the grand Champs-Élysées, the eye-popping Eiffel Tower, and the radiant cathedral of Notre-Dame. Learn how to save money and avoid the lines at the Louvre and Orsay Museums. Enjoy the ambience of Parisian neighborhoods, and take a day trip to the glittering palace of Versailles, or to the Champagne-soaked city of Reims. Then grab a café crème at a sidewalk café and listen to the hum of the city. You'll see why Paris remains at the heart of global culture. Rick's candid, humorous advice will guide you to good-value hotels and restaurants in delightful neighborhoods. You'll learn how to navigate the Paris Métro, and which sights are worth your time and money. More than just reviews and directions, a Rick Steves guidebook is a tour guide in your pocket.

my life in paris julia child: Savoring Gotham Andrew F. Smith, 2015 Savoring Gotham traces the rise of New York City's global culinary stardom in 570 accessible, yet well-researched A-Z entries. From the Native Americans who arrived in the area 5,000 years before New York was New York, and who planted the maize, squash, and beans that European and other settlers to the New World embraced centuries later, to Greek diners in the city that are arguably not diners at all, this is the first A-Z reference work to take a broad and historically-informed approach to NYC food and drink.

my life in paris julia child: Les Parisiennes Anne Sebba, 2016-07-14 WINNER OF THE FRANCO-BRITISH SOCIETY BOOK PRIZE 2016 June, 1940. German troops enter Paris and hoist the swastika over the Arc de Triomphe. The dark days of Occupation begin. How would you have survived? By collaborating with the Nazis, or risking the lives of you and your loved ones to resist?

The women of Paris faced this dilemma every day - whether choosing between rations and the black market, or travelling on the Metro, where a German soldier had priority for a seat. Between the extremes of defiance and collusion was a vast moral grey area which all Parisiennes had to navigate in order to survive. Anne Sebba has sought out and interviewed scores of women, and brings us their unforgettable testimonies. Her fascinating cast includes both native Parisiennes and temporary residents: American women and Nazi wives; spies, mothers, mistresses, artists, fashion designers and aristocrats. The result is an enthralling account of life during the Second World War and in the years of recovery and recrimination that followed the Liberation of Paris in 1944. It is a story of fear, deprivation and secrets - and, as ever in the French capital, glamour and determination.
