Issa Rae Writing Program: Unlocking Your Creative Potential in Storytelling

issa rae writing program has quickly become a beacon for aspiring writers, especially those looking to break into television and digital content creation with authentic and diverse voices. Known for her groundbreaking work on HBO's "Insecure," Issa Rae has leveraged her experiences to develop a writing program that nurtures talent, amplifies unique perspectives, and provides practical tools for navigating the entertainment industry. If you're curious about what makes this program stand out or how it can help you sharpen your storytelling skills, you're in the right place.

What is the Issa Rae Writing Program?

The Issa Rae writing program is more than just a workshop or a course; it's an incubator for creative voices that challenge conventional narratives. Designed with inclusivity and empowerment at its core, the program offers participants an opportunity to learn from Issa Rae's journey and the many lessons she's gathered as a writer, producer, and actress.

Unlike traditional writing classes that focus solely on technique, the Issa Rae writing program emphasizes the importance of personal storytelling, cultural relevance, and authenticity. It's tailored for writers who want to create content that resonates with diverse audiences and who are committed to telling stories rooted in real experiences.

Origins and Vision Behind the Program

Issa Rae's own rise in the entertainment world wasn't typical. She began by creating web series like "Awkward Black Girl," which gained massive popularity online before transitioning to mainstream television. Understanding the challenges faced by writers of color and underrepresented communities, Rae envisioned a writing program that would dismantle barriers and create pathways for new talents.

Her program aims to:

- Offer mentorship from industry professionals and peers
- Provide practical writing exercises that enhance creativity and structure
- Encourage writers to embrace their unique voices and perspectives
- Build a supportive community that fosters collaboration and growth

Core Components of the Issa Rae Writing Program

The program covers various aspects of writing and content creation, ensuring participants develop a well-rounded skill set. Here are some of the main features that make the program effective and appealing.

Story Development and Character Building

At the heart of storytelling lies compelling characters and engaging plots. The Issa Rae writing program dedicates significant time to helping writers craft multidimensional characters who feel real and relatable. It encourages exploring complex emotions, motivations, and backgrounds, enabling stories to transcend clichés.

Participants learn how to:

- Create authentic dialogue that reflects diverse voices
- Develop story arcs that maintain tension and audience interest
- Use personal experiences to enrich fictional narratives without losing universal appeal

Writing for Television and Digital Platforms

With the rise of streaming services and digital content, the program also focuses on writing for different media formats. Whether you're interested in scripting a sitcom, a drama, or a web series, the program helps you understand the nuances of each platform.

Key topics include:

- Formatting scripts for television and web series
- Understanding pacing and episode structure
- Adapting stories for short-form vs. long-form content

Industry Insights and Professional Growth

Navigating the entertainment industry can be daunting, especially for emerging writers. The Issa Rae writing program addresses this by incorporating sessions on pitching, networking, and building a

sustainable career. Participants receive advice on how to approach agents, producers, and studios, as well as tips on protecting their creative work.

Why the Issa Rae Writing Program Stands Out

Many writing programs exist, but Issa Rae's approach is distinct due to its focus on representation, authenticity, and community. Here's why it resonates with so many aspiring writers:

Championing Diverse Voices

Issa Rae has always championed stories from marginalized communities, and her writing program reflects that commitment. It actively seeks participants from various backgrounds and encourages them to draw from their cultural identities and personal histories. This focus enriches the storytelling landscape and challenges the industry's traditional gatekeeping.

Hands-On Mentorship

One of the most valuable aspects of the program is its mentorship model. Rather than just offering lectures, it pairs writers with experienced mentors who provide constructive feedback and guidance throughout the creative process. This relationship helps writers refine their craft and gain confidence.

Building a Network of Support

Writing can often feel like a solitary pursuit, but the Issa Rae writing program fosters a sense of community. Participants connect with peers who share their passion and experiences, creating lasting relationships that can lead to collaboration and mutual support long after the program ends.

Tips for Getting the Most Out of the Issa Rae Writing Program

If you're considering joining or have recently enrolled in the Issa Rae writing program, here are some tips to maximize your experience:

1. **Embrace vulnerability:** Authentic storytelling requires openness. Don't be afraid to explore personal themes and raw emotions in your writing.
2. **Engage actively:** Participate fully in discussions, workshops, and mentorship sessions to absorb as much knowledge as possible.

3. **Network thoughtfully:** Build genuine relationships with fellow writers and mentors; these connections can be invaluable in your career.
4. **Practice consistently:** Use the writing exercises and assignments to develop discipline and improve your skills steadily.
5. **Be open to feedback:** Constructive criticism is a vital part of growth. Approach it with an open mind and a willingness to revise.

The Impact of Issa Rae's Program on Emerging Writers

Since its inception, the Issa Rae writing program has helped many emerging writers gain confidence and clarity in their storytelling. Graduates often speak about how the program empowered them to embrace their unique voices unapologetically and equipped them with the tools needed to succeed in a competitive industry.

Moreover, the program contributes to a broader cultural shift by increasing the visibility of diverse narratives on mainstream media platforms. As more writers from the program create content, audiences benefit from stories that reflect a wider range of human experiences.

Success Stories and Industry Recognition

Several participants have gone on to secure writing jobs, develop original series, or collaborate on projects that might not have been possible without the program's support. This track record of success highlights the program's effectiveness in bridging the gap between talent and opportunity.

Final Thoughts on the Issa Rae Writing Program

In a world where representation and authentic storytelling matter more than ever, the Issa Rae writing program offers a powerful pathway for writers seeking to make their mark. By combining creative development, professional mentorship, and a supportive community, it creates an environment where stories that might otherwise go unheard can flourish.

Whether you're a beginner eager to learn the craft or a seasoned writer looking to deepen your voice and industry knowledge, this program represents a unique chance to grow alongside a visionary like Issa Rae. It's not just about writing better scripts—it's about telling stories that matter, in your own voice, on your own terms.

Frequently Asked Questions

What is the Issa Rae Writing Program?

The Issa Rae Writing Program is an initiative created by Issa Rae to support and mentor emerging writers, particularly those from underrepresented backgrounds, by providing resources, guidance, and opportunities in the entertainment industry.

Who is eligible to apply for the Issa Rae Writing Program?

The program typically targets aspiring writers, especially people of color and those from marginalized communities, who are interested in developing their skills in television and film writing. Eligibility criteria may vary each year.

How can I apply to the Issa Rae Writing Program?

Applications for the Issa Rae Writing Program are usually submitted online through the official website or associated platforms during the open application period. Applicants may need to submit writing samples, personal statements, and other materials as specified.

What kind of support does the Issa Rae Writing Program provide to participants?

Participants receive mentorship from industry professionals, workshops, networking opportunities, and sometimes financial support or stipends to help them develop their writing projects and advance their careers.

Has the Issa Rae Writing Program helped launch any notable writers or projects?

Yes, the program has helped several emerging writers gain exposure and break into the entertainment industry, contributing to diverse storytelling and increasing representation in film and television.

Additional Resources

Issa Rae Writing Program: Empowering Diverse Voices in Screenwriting

Issa Rae writing program has emerged as a significant initiative within the entertainment industry, aimed at nurturing diverse talent and cultivating fresh, authentic storytelling in television and film. Launched by Issa Rae, an influential writer, producer, and actress best known for her groundbreaking work on the hit series “Insecure,” this program reflects Rae’s commitment to amplifying underrepresented voices in Hollywood. As the demand for inclusive narratives grows, the Issa Rae writing program stands out as a promising platform for emerging writers seeking to break into the competitive screenwriting landscape.

Understanding the Issa Rae Writing Program

At its core, the Issa Rae writing program is designed to identify, mentor, and develop writers from diverse backgrounds, particularly those whose perspectives have historically been marginalized in mainstream media. Unlike traditional writing workshops or classes, this program targets individuals with unique lived experiences and distinct storytelling voices, helping them refine their craft while providing critical industry exposure.

The program typically offers a structured curriculum that combines writing assignments, one-on-one mentorship sessions, and networking opportunities with industry professionals. Participants gain access to guidance from Issa Rae herself, alongside seasoned writers and producers who have contributed to successful projects in film and television. This hands-on approach not only hones technical screenwriting skills but also prepares writers to navigate the complex business side of the entertainment world.

Program Structure and Features

The Issa Rae writing program is often divided into several phases, each focusing on different aspects of screenwriting and career development:

- **Application and Selection:** Prospective writers submit scripts or writing samples, with the program emphasizing originality and narrative voice over prior industry experience.
- **Workshops and Seminars:** Participants engage in interactive sessions covering story structure, character development, dialogue, and pitching techniques.
- **Mentorship:** Writers receive personalized feedback from mentors who provide insights on script revisions and professional growth.
- **Industry Exposure:** The program facilitates introductions to agents, producers, and studios, increasing the likelihood of participants' work gaining traction.

This layered approach ensures that writers not only improve their storytelling abilities but also build essential relationships and understand the market demands of television and feature films.

Impact on Diversity and Representation

One of the most lauded aspects of the Issa Rae writing program is its focus on diversity and inclusion. The entertainment industry has long faced criticism for its limited representation of minority voices both on-screen and behind the scenes. By actively seeking out writers from varied racial, cultural, gender, and socioeconomic backgrounds, the program helps address systemic barriers that often hinder access to mainstream writing opportunities.

Issa Rae's own career trajectory—from creating a web series to producing a critically acclaimed HBO show—exemplifies the potential of diverse narratives to resonate widely. The program channels this ethos by encouraging writers to bring their authentic experiences into their work, fostering richer, more nuanced storytelling that reflects contemporary society.

Comparisons with Other Writing Programs

When compared to other industry initiatives like the Warner Bros. Writers' Workshop or the Disney ABC Writing Program, the Issa Rae writing program distinguishes itself through its personalized mentorship model and emphasis on social impact. While larger studios offer extensive resources and exposure, they often have stringent requirements and may prioritize traditional Hollywood narratives.

In contrast, Issa Rae's program tends to be more accessible to emerging writers without prior credits, especially those from marginalized communities. This inclusivity is a significant advantage for aspiring screenwriters seeking a supportive environment that validates their unique voices. However, the smaller scale of the program may mean fewer participants per cycle, which can intensify competition for acceptance.

Benefits and Challenges of Participation

Engaging in the Issa Rae writing program offers numerous advantages:

- **Skill Development:** Intensive workshops and feedback help sharpen storytelling techniques and scriptwriting proficiency.
- **Networking Opportunities:** Direct connections with industry insiders can open doors to representation and production deals.
- **Visibility:** Association with Issa Rae's brand enhances a writer's credibility and marketability.
- **Supportive Community:** Participants often form lasting relationships with peers who share similar ambitions and backgrounds.

Nevertheless, the program is not without challenges. The high level of competition means that many talented writers may not gain entry, and the selective nature can potentially overlook unconventional talents. Additionally, as the program is relatively new and evolving, long-term outcomes and success metrics are still being assessed.

Who Should Consider Applying?

The Issa Rae writing program is particularly suitable for:

- Emerging screenwriters seeking mentorship from established creators.
- Writers from underrepresented backgrounds looking for tailored support.
- Individuals interested in writing for television, especially in contemporary drama and comedy genres.
- Those aiming to build industry connections and gain insight into the business aspects of screenwriting.

It may be less ideal for writers focused exclusively on feature films or genres outside the program's primary scope, although the skills taught are broadly applicable.

Looking Ahead: The Future of the Issa Rae Writing Program

As the entertainment industry continues to evolve, the importance of programs like Issa Rae's becomes increasingly evident. With streaming platforms and independent production companies seeking fresh content, writers equipped with diverse perspectives are in higher demand. The program's ongoing refinement and potential expansion could further solidify its role as a vital incubator for tomorrow's storytellers.

Issa Rae's commitment to fostering inclusive storytelling not only contributes to individual career advancement but also influences the broader cultural narrative. By empowering writers to share their truths, the program helps reshape how stories are told and who gets to tell them, ultimately enriching the media landscape with greater variety and authenticity.

issa rae writing program: *The Best American Poetry 2025* David Lehman, Terence Winch, 2025-09-02 Guest edited by Terence Winch—NEA Fellow and editor of the “pick of the week” on the Best American Poetry blog—the 2025 edition marks a poignant farewell to series editor David Lehman, celebrating more than three decades of poetic excellence. For thirty-eight years, The Best American Poetry series has won widespread acclaim as the nation's most influential and vital poetry anthology. BAP, which has inspired similar ventures abroad, has garnered plaudits for its ability to capture the zeitgeist of American poetry. This year's anthology is guest edited by the esteemed poet and songwriter Terence Winch, who brings to the task his work as a musician and poetry editor as well as his many years of experience as head of publications at the Smithsonian's National Museum of the American Indian. Winch, known for his inspired selections on the Best American Poetry blog, curates a vibrant array of compelling voices. The Best American Poetry 2025 is a landmark edition that not only showcases the finest contemporary American poetry but also honors David Lehman's achievement as the anthology's founding editor. “The list of editors is a who's who of US poetry elites,” writes Oxford professor of poetry A. E. Stallings. “And behind it all, the poet David Lehman, the series editor, has labored quietly and diligently ensuring its continuity and continued relevance.”

Lehman's vision and dedication have shaped these collections into much-anticipated annual events, sparking lively discussion, controversy on occasion, and always a jubilant affirmation of modern American poetry. This year's edition stands as a testament to David Lehman's legacy—and to the enduring power of poetry.

issa rae writing program: *A Concise Companion to Visual Culture* A. Joan Saab, Aubrey Anable, Catherine Zuromskis, 2021-03-08 Provides an up-to-date overview of the present state Visual Cultural Studies, featuring new original content, topics, and methods The Wiley Blackwell Concise Companion to Visual Culture brings together original research by both established scholars and new voices in the dynamic field, exploring the history, current state, and possible future directions of visual cultural studies. Offering a unique approach to the subject, this timely resource: Presents new work from a diverse group of scholars with a broad range of social, cultural, and generational perspectives Emphasizes the importance of activism and political urgency in humanities scholarship Discusses engaging objects and discourses beyond film and art, such as architecture, video games, political activism, and the nonhuman Highlights the diverse and interconnecting elements of visual culture scholarship Includes case studies and short introductions that provide context and reinforce core concepts The Wiley Blackwell Concise Companion to Visual Culture is essential reading for advanced undergraduate students, graduate students, and scholars in the fields of visual studies, art history, film studies, and media studies.

issa rae writing program: *Labors of Fear* Aviva Briefel, Jason Middleton, 2023-06-20 2024 Best Edited Collection, Midwest Popular Culture Association / Midwest American Culture Association (MPCA/ACA) How work and capitalism inspire horror in modern film. American ideals position work as a source of pride, opportunity, and meaning. Yet the ravages of labor are constant grist for horror films. Going back decades to the mad scientists of classic cinema, the menial motel job that prepares Norman Bates for his crimes in *Psycho*, and the unemployed slaughterhouse workers of *The Texas Chain Saw Massacre*, horror movies have made the case that work is not so much a point of pride as a source of monstrosity. Editors Aviva Briefel and Jason Middleton assemble the first study of horror's critique of labor. In the 1970s and 1980s, films such as *The Shining* and *Dawn of the Dead* responded to deindustrialization, automation, globalization, and rising numbers of women in the workforce. *Labors of Fear* explores these critical issues and extends them in discussions of recent works such as *The Autopsy of Jane Doe*, *Midsommar*, *Survival of the Dead*, *It Follows*, *Get Out*, and *Us*. Covering films ranging from the 1970s onward, these essays address novel and newly recognized modes and conditions of labor: reproductive labor, emotion work and emotional labor, social media and self-branding, intellectual labor, service work, precarity, and underemployment. In its singular way, horror continues to make spine-tingling sense of what is most destructive in the wider sociopolitical context of US capitalism.

issa rae writing program: *Write to TV* Martie Cook, 2020-08-11 In *Write to TV* (third edition) industry veteran Martie Cook offers practical advice on writing innovative television scripts that will allow you to finally get that big idea out of your head and onto the screen. With this book you'll learn to craft smart, original stories and scripts for a variety of television formats and genres, including comedy, drama, pilots, web series, and subscription video on demand. This new edition has been updated with expanded coverage on writing for global audiences, content creation for streaming services such as Netflix, Amazon and Hulu, as well as writing the web series, podcasts and utilizing free platforms such as YouTube. It also features new chapters on writing for niche markets; breaking

into the writers' room; creating binge-worthy series and how to accompany pilot scripts with a series pitch document. Plus, expanded information on creating complex and compelling characters including writing anti-heroes and strong female protagonists and much, much more. Including information directly from studio and network executives, agents, and managers on what they're looking for in new writers and how to avoid common pitfalls, advice from successful creators and showrunners on creating original content that sells, and tips from new writers on how to get into a writers room and stay there. This book contains information from more than 20 new interviews, access to sample outlines, script pages, checklists, and countless other invaluable resources, and is the ideal book for anyone who wants to break into the TV writing industry.

issa rae writing program: The SAGE Handbook of Television Studies Manuel Alvarado, Milly Buonanno, Herman Gray, Toby Miller, 2014-12-09 Genuinely transnational in content, as sensitive to the importance of production as consumption, covering the full range of approaches from political economy to textual analysis, and written by a star-studded cast of contributors - Emeritus Professor Graeme Turner, University of Queensland Finally, we have before us a first rate, and wide ranging volume that reframes television studies afresh, boldly synthesising debates in the humanities, cultural studies and social sciences...This volume should be in every library and media scholar's bookshelf. - Professor Ravi Sundaram, Centre for the Study of Developing Societies Bringing together a truly international spread of contributors from across the UK, US, South America, Mexico and Australia, this Handbook charts the field of television studies from issues of ownership and regulation through to reception and consumption. Separate chapters are dedicated to examining the roles of journalists, writers, cinematographers, producers and manufacturers in the production process, whilst others explore different formats including sport, novella and soap opera, news and current affairs, music and reality TV. The final section analyses the pivotal role played by audiences in the contexts of gender, race and class, and spans a range of topics from effects studies to audience consumption. The SAGE Handbook of Television Studies is an essential reference work for all advanced undergraduates, graduate students and academics across broadcasting, mass communication and media studies.

issa rae writing program: Expanding the Black Film Canon Lisa Doris Alexander, 2019-08-30 If the sheer diversity of recent hits from *Twelve Years a Slave* and *Moonlight* to *Get Out*, *Black Panther*, and *BlacKkKlansman* tells us anything, it might be that there's no such thing as black film per se. This book is especially timely, then, in expanding our idea of what black films are and, going back to the 1960s, showing us new and interesting ways to understand them. When critics and scholars write about films from the Blaxploitation movement—such as *Cotton Comes to Harlem*, *Shaft*, *Superfly*, and *Cleopatra Jones*—they emphasize their importance as films made for black audiences. Consequently, Lisa Doris Alexander points out, a film like the highly popular, Oscar-nominated *Blazing Saddles*—costarring and co-written by Richard Pryor—is generally left out of the discussion because it doesn't fit the profile of what a black film of the period should be. This is the kind of categorical thinking that Alexander seeks to broaden, looking at films from the 60s to the present day in the context of their time. Applying insights from black feminist thought and critical race theory to one film per decade, she analyzes what each can tell us about the status of black people and race relations in the United States at the time of its release. By teasing out the importance of certain films excluded from the black film canon, Alexander hopes to expand that canon to include films typically relegated to the category of popular entertainment—and to show how these offer more nuanced representations of black characters even as they confront, negate, or parody the controlling images that have defined black filmic characters for decades.

issa rae writing program: Black Women Navigating Historically White Higher Education Institutions and the Journey Toward Liberation Logan, Stephanie R., Good, Tyra L., 2022-05-27 Black women in higher education continue to experience colder institutional climates that devalue their presence. They are relied on to mentor students and expected to commit to service activities that are not rewarded in the tenure process and often lack access to knowledgeable mentors to offer career support. There is a need to move beyond the individual

resistance strategies employed by Black women to institutional and policy changes in higher education institutions. Specifically, higher education policymakers and administrators should understand and acknowledge how the race and gender makeup of campuses and departments impact the successes and failures of Black women as they work to recruit and retain Black women graduate students, faculty, and administrators. *Black Women Navigating Historically White Higher Education Institutions* and *The Journey Toward Liberation* provides a collection of ethnographies, case studies, narratives, counter-stories, and quantitative descriptions of Black women's intersectional experience learning, teaching, serving, and leading in higher education. This publication also provides an opportunity for Black women to identify the systems that impede their professional growth and development in higher education institutions and articulate how they navigate racist and sexist forces to find their versions of success. Covering a range of topics such as leadership, mental health, and identity, this reference work is ideal for higher education professionals, policymakers, administrators, researchers, scholars, practitioners, academicians, instructors, and students.

issa rae writing program: *Breaking In* Lee Jessup, 2017-03-31 *Breaking In: Tales from the Screenwriting Trenches* is a no-nonsense, boots-on-the-ground exploration of how writers REALLY go from emerging to professional in today's highly saturated and competitive screenwriting space. With a focus on writers who have gotten representation and broken into the TV or feature film space after the critical 2008 WGA strike and financial market collapse, the reader will learn from tangible examples of how success was achieved via hard work and specific methodology. This book includes interviews from writers who wrote major studio releases (*The Boy Next Door*), staffed on television shows (*American Crime*, *NCIS New Orleans*, *Sleepy Hollow*), sold specs and television shows, placed in competitions, and were accepted to prestigious network and studio writing programs. These interviews are presented as Screenwriter Spotlights throughout the book and are supported by insight from top-selling agents and managers (including those who have sold scripts and pilots, had their writers named to prestigious lists such as *The Black List* and *The Hit List*) as well as working industry executives. Together, these anecdotes, learnings and perceptions, tied in with the author's extensive experience in and knowledge of the industry, will inform the reader about how the industry REALLY works, what it expects from both working and emerging writers, as well as what next steps the writer should engage in, in order to move their screenwriting career forward.

issa rae writing program: *Breaking Into New Hollywood* The Los Angeles Times, 2025-08-12 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

issa rae writing program: *White Lies and Allies in Contemporary Black Media* Emily Ruth Rutter, 2022-12-23 This book considers the ways in which Black directors, screenwriters, and showrunners contend with the figure of the would-be White ally in contemporary film and television. *White Lies and Allies in Contemporary Black Media* examines the ways in which prominent figures such as Issa Rae, Spike Lee, Justin Simien, Jordan Peele, and Donald Glover centralize complex Black protagonists in their work while also training a Black gaze on would-be White allies. Emily R. Rutter highlights how these Black creators represent both performative White allyship and the potential for true White antiracist allyship, while also examining the reasons why Black creators utilize the white ally trope in the wider context of the film and television industries. During an era in which concerns with White liberal complicity in anti-Black racism are of paramount importance, Rutter explores how these films and television shows, and their creators, contribute to the wider project of dismantling internal, interpersonal, ideological, and institutional White hegemony. This book will be of interest to students and scholars of Film and Media Studies, Television Studies, American Studies, African American Studies, and Popular Culture.

issa rae writing program: *Film Makers* Lyn Miller-Lachmann, Tanisia Moore, 2022-09-06 In Hollywood, women don't have to be in front of the camera to shine. Each of the 15 women profiled in *Film Makers* shares a common trait: she is, as Shonda Rhimes says, First. Only. Different. These phenomenal women have redefined the film and television industry, winning awards historically given to a male counterpart, being the only woman in a writers' room, or portraying stories no one

else could tell. While their resumes are impressive, it is how they live their lives that has made a greater impact in the communities they serve. Many of them, like Gina Prince-Bythewood and Greta Gerwig, mentor other women. Some, like Agnieszka Holland and Chlo  Zhao, have stood up to those who seek to ignore or silence them. All of them tell their stories with passion and integrity, serving as role models and champions for future generations. We hope they will inspire you to use the tools of film to tell your story!

issa rae writing program: *Branding Black Womanhood* Timeka N. Tounsel, 2022-06-17
CaShawn Thompson crafted *Black Girls Are Magic* as a proclamation of Black women's resilience in 2013. Less than five years later, it had been repurposed as a gateway to an attractive niche market. *Branding Black Womanhood: Media Citizenship from Black Power to Black Girl Magic* examines the commercial infrastructure that absorbed Thompson's mantra. While the terminology may have changed over the years, mainstream brands and mass media companies have consistently sought to acknowledge Black women's possession of a distinct magic or power when it suits their profit agendas. Beginning with the inception of the *Essence* brand in the late 1960s, Timeka N. Tounsel examines the individuals and institutions that have reconfigured Black women's empowerment as a business enterprise. Ultimately, these commercial gatekeepers have constructed an image economy that operates as both a sacred space for Black women and an easy hunting ground for their dollars.

issa rae writing program: *Black Women and the Changing Television Landscape* Lisa M. Anderson, 2023-04-20 Black women's work in television has been, since the beginning, a negotiation. *Black Women and the Changing Television Landscape* explores the steps black women, as actors, directors, and producers, have taken to improve representations of black people on the small screen. Beginning with *The Beulah Show*, Anderson articulates the interrelationship between US culture and the televisual, demonstrating the conditions under which black women particularly, and black people generally, exist in popular culture.

issa rae writing program: *The Colour of God* Ayesha S. Chaudhry, 2021-04-15 Shortlisted for the William Saroyan International Prize 2022 'Engrossing...brilliant' Monica Ali 'Heartbreaking and really funny' Ross Gay 'This book fell into my heart' Sabrina Mahfouz 'The kind of authentic voice that is rarely heard' Saima Mir Ayesha tells the story of growing up in a fundamentalist Muslim household; of parents who spent most of their lives away from Pakistan; of stealing her mother's hijabs to wear to school as a five-year-old; of revisiting the beliefs and ideals she was raised with; of failed dreams and heartbreaks, but also of joy and love. Life-affirming and funny, *The Colour of God* uncovers surprising answers to questions of faith, belonging, family and liberation, and offers a vision of freedom that isn't measured in fabric.
