Where Did They Film That? Exploring the Magic Behind Iconic Movie Locations

where did they film that – it's a question that often pops into our minds when watching movies or binge-watching TV shows. That breathtaking scenery, the charming small-town streets, or the imposing ancient castles often look so stunning and authentic that you can't help but wonder about the real places behind the camera. Movie and TV productions have the power to transport us to different worlds, and sometimes those worlds are real locations that filmmakers transform into cinematic masterpieces. If you've ever found yourself asking "where did they film that?" while watching your favorite film, you're not alone. Let's dive into the fascinating world of filming locations, uncovering the secrets behind some of the most memorable scenes and why these places were chosen.

Why Do Filmmakers Choose Specific Locations?

Filming locations are not picked at random. There's a complex blend of artistic vision, logistical considerations, and budget constraints that influences where a movie or TV show is shot. When filmmakers scout for locations, they seek places that can authentically represent the story's setting or add a unique visual flair.

Authenticity and Atmosphere

Sometimes, the story demands a particular atmosphere that only a certain place can provide. For example, the moody, mist-covered highlands of Scotland have been used in films like "Braveheart" and "Outlander" to evoke a sense of history and rugged beauty. Authenticity can immerse viewers in the narrative, making the story feel more real.

Cost and Convenience

Budget is always a significant factor. Some productions choose locations offering tax incentives or lower costs. For instance, Canada and Eastern European countries have become popular for big-budget films due to favorable financial conditions. Additionally, accessibility matters: locations near major studios or with good infrastructure can simplify shooting schedules.

Iconic Filming Locations and Their Stories

If you're a movie buff, you might recognize some famous filming spots immediately. Let's explore a few renowned locations that have become almost as famous as the films themselves.

The Shire in New Zealand – The Lord of the Rings Trilogy

Peter Jackson's epic adaptation of J.R.R. Tolkien's novels took full advantage of New Zealand's stunning landscapes. The lush, rolling hills of Matamata were transformed into the idyllic Shire, home to the Hobbits. The scenery perfectly captured the peaceful countryside described in the books. Today, fans can visit Hobbiton Movie Set, a permanent attraction where the original sets remain, allowing visitors to step into the world of Middle-earth.

Alnwick Castle in England – Harry Potter

Many scenes from the first two Harry Potter films were shot at Alnwick Castle, which doubled as Hogwarts School of Witchcraft and Wizardry. The castle's medieval architecture provided an authentic backdrop that CGI alone couldn't replicate. If you're curious about where did they film that magical flying lesson scene or the Quidditch match, Alnwick Castle is your answer.

New York City – The Heart of Countless Films

Few cities have been featured as prominently and diversely as New York City. From the bustling streets in "Spider-Man" to the romantic spots in "When Harry Met Sally," the Big Apple serves as a versatile character in its own right. Iconic locations like Central Park, Times Square, and the Brooklyn Bridge are staples, but filmmakers also love hidden gems like DUMBO or the Flatiron Building for unique shots.

How to Discover Where Did They Film That

If you're eager to find out the filming locations of your favorite movies or TV shows, several tools and approaches can help you satisfy your curiosity.

Online Databases and Websites

Websites like IMDb often list filming locations in the production details section. Additionally, dedicated platforms like "Movie-Locations.com" or "Atlas of Wonders" specialize in mapping out where films were shot around the globe. These resources provide detailed descriptions, photographs, and even maps.

Social Media and Fan Communities

Social media groups and fan forums can be treasure troves of information. Enthusiasts often share behind-the-scenes images, trivia, and personal visits to filming spots. Platforms like Reddit have active communities where users discuss and uncover filming locations, sometimes even for lesser-known productions.

Travel Guides and Tours

Many cities and regions capitalize on their cinematic fame by offering guided tours of famous filming locations. For instance, Dubrovnik in Croatia, known as King's Landing in "Game of Thrones," has multiple tours that take visitors through sets and explain the filming process. These tours offer a unique blend of travel and pop culture exploration.

The Impact of Filming Locations on Tourism and Local Communities

Filming locations often become tourist magnets, drawing fans eager to step into their favorite films. This influx can bring economic benefits but also challenges.

Boosting Local Economy

When a movie becomes a hit, the filming location can see a surge in visitors. This tourism generates revenue for local businesses such as hotels, restaurants, and shops. The "Lord of the Rings" effect in New Zealand is a perfect example, with Hobbiton attracting hundreds of thousands of tourists annually.

Preservation and Challenges

However, increased tourism can strain local infrastructure and threaten natural or historical sites. Some locations have faced restrictions or closures to balance preservation with visitor demand. Communities often work with film productions and tourism boards to create sustainable strategies.

Behind the Scenes: How Filming Locations Are Transformed

Even when a location looks perfect on screen, there's often a lot of work done behind the scenes to achieve the desired look.

Set Dressing and CGI Enhancements

Filmmakers often use set dressing – adding props, signs, or temporary structures – to transform a location. For example, a modern street might be altered to look like a 1940s neighborhood. CGI can also enhance or modify locations, such as adding futuristic skyscrapers or fantasy elements.

Weather and Lighting Considerations

Natural light and weather play crucial roles in filming. Some locations are chosen because they offer consistent weather conditions that support the production schedule. Others might require artificial lighting setups to maintain continuity or create a specific mood.

Tips for Visiting Filming Locations

If you're inspired to visit a filming location, here are some tips to make the most of your experience:

- **Research in Advance:** Learn about the best times to visit and any restrictions or entrance fees.
- **Respect Private Property:** Many filming locations are on private land or in residential areas; always follow rules and respect privacy.
- **Join Guided Tours:** When available, tours can provide valuable insights and access to spots you might not find on your own.

- **Bring a Camera:** Capture your visit, but be mindful of other visitors and local regulations.
- **Combine Interests:** Pair your visit with exploring local culture, cuisine, and natural beauty for a richer experience.

Exploring where did they film that opens up a new dimension of appreciation for movies and TV shows. It connects us to real-world places and stories behind the scenes, enriching our viewing experience and perhaps inspiring our next travel adventure. Whether it's the windswept cliffs of Ireland, the desert landscapes of Morocco, or the urban jungle of Tokyo, every filming location has a story to tell beyond the screen.

Frequently Asked Questions

Where was the TV series 'Stranger Things' filmed?

Stranger Things was primarily filmed in and around the Atlanta, Georgia area, including the towns of Jackson and Fayetteville.

Where did they film the movie 'Game of Thrones'?

Game of Thrones was filmed in multiple locations including Northern Ireland, Croatia, Spain, Malta, and Iceland.

Where was 'The Lord of the Rings' trilogy filmed?

The Lord of the Rings trilogy was filmed in various locations across New Zealand, showcasing its diverse landscapes.

Where did they film 'Breaking Bad'?

Breaking Bad was filmed mainly in Albuquerque, New Mexico, which also serves as the show's setting.

Where was 'La La Land' filmed?

La La Land was filmed in various locations across Los Angeles, California, including Griffith Observatory and the Rialto Theatre.

Where did they film 'The Witcher' series?

The Witcher series was filmed in multiple locations across Europe, including Hungary, Poland, and the Canary Islands.

Where was 'Jurassic Park' filmed?

Jurassic Park was filmed on the Hawaiian islands of Kauai and Oahu, utilizing their lush landscapes.

Where did they film 'Friends' TV show?

Friends was primarily filmed on sound stages at Warner Bros. Studios in Burbank, California, though exterior shots were of New York City.

Where was 'Harry Potter' series filmed?

The Harry Potter films were shot at various locations across the UK, including Leavesden Studios, Alnwick Castle, and Gloucester Cathedral.

Where Did They Film That? Unveiling the Locations Behind Iconic Scenes

where did they film that is a question that captivates both casual viewers and cinephiles alike. Film locations often play a pivotal role in shaping the narrative, ambiance, and visual storytelling of movies and television shows. From breathtaking natural landscapes to meticulously crafted urban settings, understanding where productions take place adds a layer of appreciation for the craft of filmmaking. This article delves into the intriguing world of movie and TV show filming locations, exploring their significance, the challenges of location scouting, and some of the most memorable places that have graced the screen.

The Importance of Filming Locations in Visual Storytelling

Filming locations do more than serve as mere backdrops; they often become characters themselves. The choice of location can influence the mood, support the plot, and immerse audiences in the story's universe. When viewers ask, "where did they film that," they are often captivated by how the environment enhances the narrative.

For example, the rugged beauty of New Zealand in "The Lord of the Rings" trilogy not only provided a visually stunning canvas but also a believable Middle-earth. Similarly, the gritty streets of Baltimore in "The Wire" lend authenticity to the show's exploration of urban life and crime. The symbiotic relationship between story and setting underscores why location scouting is a crucial step in pre-production.

Factors Influencing Filming Location Choices

Several factors come into play when filmmakers decide where to shoot:

- **Authenticity:** Does the location match the story's setting or period?
- **Budget:** Some cities or countries offer tax incentives or lower production costs.
- **Accessibility:** Ease of transporting cast, crew, and equipment matters.
- **Infrastructure:** Availability of studios, skilled local crews, and facilities.
- **Climate and Weather:** Suitable conditions can affect shooting schedules.

These considerations often lead to surprising filming locations. For instance, the desert landscapes of Jordan have doubled for Mars in science fiction films, and Vancouver frequently stands in for American cities due to its versatile urban scenery and tax benefits.

Iconic Filming Locations and Their Impact

Understanding where productions film reveals intriguing overlaps between fiction and reality. Iconic locations can experience tourism booms following a movie's release, as fans seek to walk the same streets or visit the same landmarks.

Case Study: The Shire in New Zealand

Peter Jackson's adaptation of J.R.R. Tolkien's "The Lord of the Rings" transformed New Zealand's rolling hills into the Shire, Hobbiton, and other fantastical realms. The production team chose Matamata on the North Island for its lush, green pastures that perfectly embodied the idyllic world of hobbits. The set was constructed with attention to detail, and after filming, the site became a permanent tourist attraction.

This example highlights how a filming location can transcend its cinematic purpose, blending storytelling and local economy. It also illustrates the significance of natural settings in creating immersive worlds.

Urban Landscapes and Double Takes

Many urban filming locations serve as stand-ins for other cities or fictional environments. Vancouver is well-known for this, often doubling for Seattle, New York, or even futuristic cities. Its diverse architecture and nearby natural scenery make it a versatile choice.

Similarly, Atlanta has become a hub for filming due to Georgia's generous tax credits. The city's skyline appears in numerous productions, from superhero blockbusters to dramas, sometimes portraying itself, other times disguised as different locales.

Behind the Scenes: Challenges in Location Scouting

While filming on location offers authenticity, it is not without challenges. Production teams must navigate permits, local regulations, and sometimes public interference.

Logistical Complexities

Shooting in busy urban environments can disrupt daily life, requiring coordination with city officials and local communities. Noise, traffic control, and security are constant concerns. Additionally, natural locations may present environmental challenges, such as unpredictable weather or limited access to amenities.

Balancing Cost and Creativity

Producers must weigh the benefits of authentic locations against budget constraints. Constructing sets in studios can sometimes be more cost-effective, allowing for controlled environments and flexibility. However, the trade-off may be a loss of realism.

For example, the HBO series "Game of Thrones" famously combined on-location shooting across Europe—Northern Ireland, Croatia, Spain—with elaborate studio sets in Belfast. This hybrid approach maximized visual impact while managing costs.

How to Discover Filming Locations

For enthusiasts eager to answer the question "where did they film that," various resources and methods exist:

- **Online Databases:** Websites like IMDb and Movie-Locations.com catalog filming sites.
- **Tourism Boards:** Many regions promote their film-friendly reputation and offer guided tours.
- **Behind-the-Scenes Content:** DVDs, documentaries, and interviews often reveal shooting spots.
- **Social Media and Forums:** Fan communities frequently share location insights and photos.

These tools help bridge the gap between screen fiction and real-world geography, satisfying viewers' curiosity and enhancing their appreciation of film artistry.

The Role of Film Tourism

Film-induced tourism has become a significant industry. Locations like Dubrovnik (King's Landing in "Game of Thrones") and Alnwick Castle (Hogwarts exterior in "Harry Potter") attract millions of visitors annually. This trend encourages cities and countries to invest in film infrastructure and marketing.

However, excessive tourism can strain local resources and disrupt communities, raising questions about sustainable practices in film location management.

Conclusion: The Ever-Evolving Landscape of Filming Locations

The question "where did they film that" opens a window into the complex interplay between storytelling, geography, economics, and culture. As filmmakers continue to explore new places and technologies evolve—such as virtual sets and CGI-enhanced environments—the significance of real-world locations remains profound. They ground stories in tangible spaces, evoke emotions, and invite audiences not just to watch but to experience the worlds that cinema creates.

Where Did They Film That

where did they film that: Lesson guide for captioned films, XX , 1984

where did they film that: **Hearings** United States. Congress Senate, 1940

where did they film that: **The Flaherty** Patricia R. Zimmermann, Scott MacDonald, 2017-05-15 "[A] history of this singular institution that has indelibly shaped independent and documentary filmmaking, as well as its critical reception." —Film Quarterly This is the inspiring story of The Flaherty, one of the oldest continuously running nonprofit media arts institutions in the world, which has shaped the development of independent film, video, and emerging forms in the United States for more than sixty years. Combining the words of legendary independent filmmakers with a detailed history of The Flaherty, Patricia R. Zimmermann and Scott MacDonald showcase its history and legacy, amply demonstrating how the relationships created at the annual Flaherty seminar have been instrumental in transforming American media history. Moving through the decades, each chapter opens with a detailed history of the organization by Zimmermann, who traces the evolution of The Flaherty from a private gathering of filmmakers to a small annual convening, to today's ever-growing nexus of filmmakers, scholars, librarians, producers, funders, distributors, and others associated with international independent cinema. MacDonald expands each chapter by giving voice to the major figures in the evolution of independent media through transcriptions of key discussions galvanized by films shown at The Flaherty. Discussions feature Frances Flaherty, Robert Gardner, Fred Wiseman, Willard Van Dyke, Jim McBride, Michael Snow, Hollis Frampton, Erik Barnouw, Barbara Kopple, Ed Pincus, Trinh T. Minh-ha, Bruce Conner, Peter Watkins, Su Friedrich, Marlon Riggs, William Greaves, Ken Jacobs, Kazuo Hara, Mani Kaul, Craig Baldwin, Bahman Ghobadi, Eyal Sivan, and many others.

where did they film that: *The Great Movies III* Roger Ebert, 2024-05-31 Roger Ebert has been writing film reviews for the Chicago Sun-Times for over four decades now and his biweekly essays on great movies have been appearing there since 1996. As Ebert noted in the introduction to the first collection of those pieces, They are not the greatest films of all time, because all lists of great movies are a foolish attempt to codify works which must stand alone. But it's fair to say: If you want to take a tour of the landmarks of the first century of cinema, start here. Enter *The Great Movies III*, Ebert's third collection of essays on the crème de la crème of the silver screen, each one a model of critical appreciation and a blend of love and analysis that will send readers back to the films with a fresh set of eyes and renewed enthusiasm—or maybe even lead to a first-time viewing. From *The Godfather: Part II* to *Groundhog Day*, from *The Last Picture Show* to *Last Tango in Paris*, the hundred pieces gathered here display a welcome balance between the familiar and the esoteric, spanning Hollywood blockbusters and hidden gems, independent works and foreign language films alike. Each essay draws on Ebert's vast knowledge of the cinema, its fascinating history, and its breadth of techniques, introducing newcomers to some of the most exceptional movies ever made, while revealing new insights to connoisseurs as well. Named the most powerful pundit in America by *Forbes* magazine, and a winner of the Pulitzer Prize, Roger Ebert is inarguably the most prominent and influential authority on the cinema today. *The Great Movies III* is sure to please his many fans and further enhance his reputation as America's most respected—and trusted—film critic.

where did they film that: **The Female Gaze in Documentary Film** Lisa French, 2021-07-04 *The Female Gaze in Documentary Film - an International Perspective* makes a timely contribution to the recent rise in interest in the status, presence, achievements and issues for women in contemporary screen industries. It examines the works, contributions and participation of female documentary directors globally. The central preoccupation of the book is to consider what might constitute a 'female gaze', an inquiry that has had a long history in filmmaking, film theory and women's art. It fills a gap in the literature which to date has not substantially examined the work of female documentary directors. Moreover, research on sex, gender and the gaze has infrequently

been the subject of scholarship on documentary film, particularly in comparison to narrative film or television drama. A distinctive feature of the book is that it is based on interviews with significant female documentarians from Europe, Asia and North America.

where did they film that: The Color of Theater Roberta Uno, Lucy Mae San Pablo Burns, 2002-01-01 The Color of Theater presents a range of essays, interviews and performance texts that illustrate and examine the process, evolution and dynamics of making theater in the dawning moments of the 21st century. It brings together writings by artists, intellectuals and art activists exploring contemporary practices within multicultural, intercultural and ethnically specific theaters. This provocative and dynamic resource brings forth critical issues of cultural aesthetics engaging theater as a crucial site for examining the intricate intersections of race, gender, class, sexuality and national and global politics. Contributors include: Rustom Bharucha, Thulani Davis, Harry Elam, Guillermo Gomez-Pea, Velina Hasu Huston, Cherrfe Moraga, David Romn, Sekou Sundiata, Diana Taylor, Una Chaudhuri, Alberto Sandoval-Snchez and IO thi diem thy.

where did they film that: **Albert Maysles** Joe McElhaney, 2010-10-01 Albert Maysles has created some of the most influential documentaries of the postwar period. Such films as Salesman, Gimme Shelter, and Grey Gardens continue to generate intense debate about the ethics and aesthetics of the documentary form. In this in-depth study, Joe McElhaney offers a novel understanding of the historical relevance of Maysles. By closely focusing on Maysles's expressive use of his camera, particularly in relation to the filming of the human figure, this book situates Maysles's films within not only documentary film history but film history in general, arguing for their broad-ranging importance to both narrative film and documentary cinema. Complete with an engaging interview with Maysles and a detailed comparison of the variant releases of his documentary on the Beatles (What's Happening: The Beatles in the U.S.A. and The Beatles: The First U.S. Visit), this work is a pivotal study of a significant filmmaker.

where did they film that: *Finish Your Film! Tips and Tricks for Making an Animated Short in Maya* Kenny Roy, 2014-04-29 Finish Your Film! Tips and Tricks for Making an Animated Short in Maya is a first-of-its-kind book that walks the reader step-by-step through the actual production processes of creating a 3D Short film with Maya. Other books focus solely on the creative decisions of 3D Animation and broadly cover the multiple phases of animation production with no real applicable methods for readers to employ. This book shows you how to successfully manage the entire Maya animation pipeline. This book blends together valuable technical tips on film production and real-world shortcuts in a step-by-step approach to make sure you do not get lost. Follow along with author and director Kenny Roy as he creates a short film in front of your eyes using the exact same methods he shows you in the book. Armed with this book, you'll be able to charge forth into the challenge of creating a short film, confident that creativity will show up on screen instead of being stifled by the labyrinth that is a 3D animation pipeline.

where did they film that: **Murder Movie Makers** Matthew Edwards, 2020-05-28 Serial killers, mass murderers, spree killers, outlaws, and real-life homicidal maniacs have long held a grim fascination for both filmmakers and viewers. Since the 1970s, hundreds of films and television movies have been made covering killers from Charles Manson to Ted Bundy and the Zodiac Killer creating a uniquely morbid sub-genre within horror and thrillers. This collection of interviews sheds light on 17 filmmakers and screenwriters who tackled this controversial subject while attempting to explore the warped world of infamous killers. The interviews include John McNaughton (Henry: Portrait of a Serial Killer), Tom Hanson (The Zodiac Killer), David Wickes (Jack the Ripper), Chris Gerolmo (Citizen X), Chuck Parelo (The Hillside Stranglers), David Jacobson (Dahmer) and Clive Saunders on his ill-fated experience directing Gacy. Offering candid insights into the creative process behind these movies, the interviews also show the pitfalls and moral controversy the filmmakers had to wrestle with to bring their visions to the screen.

where did they film that: *Arts Review* , 1985

where did they film that: *FLYING START : - Jilid 1B* ,

where did they film that: *I'll Do It My Way: The Incredible Journey Of Aamir Khan* C

Danielsrole , 2012 I'll Do It My Way: The Incredible Journey Of Aamir Khan is the story of Aamir Khan's journey as an actor, producer, director, and one of the true mavericks of Indian cinema. Beginning with Qayamat Se Qayamat Tak, his debut film as an actor, the book traces his rise to stardom and his evolution as an actor, who is very often talked about as a cut above the rest. All through a career spanning several years, Aamir has been known to be very discerning in his choice of films. He has admirably balanced offbeat movies with box-office hits, neither compromising on innovation nor commercial success. He has re-invented himself at every turn, constantly bringing a fresh perspective to film-making. His entrance into film production and direction was every bit as groundbreaking as it was expected to be. The book covers 20 years of Aamir's journey in Bollywood and highlights several of his landmark movies such as 1947 Earth, Lagaan, Dil Chahta Hai, and Dil. The information contained in the book is backed by research into 20 years worth of press coverage. The author also interviewed numerous people who collaborated with Aamir on various projects over the years, including Rakeysh Omprakash Mehra, Mahesh Bhatt, Ronnie Screwvala, Aditya Bhattacharya, Indra Kumar, Mansoor Khan, Vidhu Vinod Chopra, Asin, A.R. Murugadoss, Nandita Das, and Rajkumar Hirani. The author has worked on the book for 3 years to give the readers interesting insight into the growth and success of Aamir Khan - a unique, versatile Indian actor in a league of his own. I'll Do It My Way: The Incredible Journey Of Aamir Khan was published in 2012 by Om Books International.

where did they film that: Handbook of Research on Teaching Literacy Through the Communicative and Visual Arts James Flood, Shirley Brice Heath, Diane Lapp, 2011 The Handbook of Research on Teaching Literacy Through the Communicative and Visual Arts, a comprehensive overview of research on this topic, extends conceptualizations of literacy to include all of the communicative arts (reading, writing, speaking, listening, viewing) and the visual arts of drama, dance, film, art, video, and computer technology.

where did they film that: The Art of the Short Fiction Film Richard Raskin, 2002-06-12 This work is the first of its kind to single out individual short fiction films for comprehensive presentation and close study. Two Men and a Wardrobe (Roman Polanski, Poland, 1958, 15 min.), Coffee and Cigarettes (Jim Jarmusch, USA, 1986, 6 min.), Sunday (John Lawlor, Ireland, 1988, 8 min.), Cat's Cradle (Liz Hughes, Australia, 1991, 12 min.), Eating Out (Pal Sletaune, Norway, 1993, 7 min.), Come (Marianne Olsen Ulrichsen, Norway, 1995, 4.5 min.), Wind (Marcell Ivanyi, Hungary, 1996, 6 min.), Possum (Brad McGann, New Zealand, 1997, 14 min.), and The War Is Over (Nina Mimica, Italy, 1997, 7 min.) are the nine short fiction films studied. The films represent a broad range of storytelling approaches and a number of very different film cultures. Each film has a chapter of its own, including a shot-by-shot reproduction of the film with a still from every shot. In most cases, an interview with the director and an original screenplay and storyboard is also included. The book also describes a new conceptual model, derived from the films studied in the work, which can be used both for analyzing the ways in which a short fiction film tells its story and as a set of guidelines for student filmmakers writing their own screenplays. Instructors considering this book for use in a course may request an examination copy here.

where did they film that: Masculinity at the Movies Thomas Keith, 2025-06-05 Masculinity at the Movies takes a deep dive into masculinity in film and how Hollywood movies continue to produce and promote masculine stereotypes that place boys and men in constraining identities and dysfunctional patterns of behaviour. From classic film stars to those of the present day, this textbook unpacks the development of the main male stereotypes in film - villains, heroes, and oafs - and how movies can develop healthy new male representations. Alongside Hollywood studio productions, it delves into Black, Native American, Latino, and Asian representation as well as LGBTQ masculinity. Going beyond the present, it proposes what healthy masculinity at the movies looks like and where Hollywood should set its sights to create more progressive models of masculinity for the 21st century. Masculinity at the Movies will provide students of gender studies, media studies, and cultural studies with new insights into stereotypes of men in contemporary film.

where did they film that: Beyond the Screen Marta Braun, Charlie Keil, Rob King, Paul Moore, 2012-08-22 This scholarly anthology presents a new framework for understanding early cinema through its usage outside the realm of entertainment. From its earliest origins until the beginning of the twentieth century, cinema provided widespread access to remote parts of the globe and immediate reports on important events. Reaching beyond the nickelodeon theatres, cinema became part of numerous institutions, from churches and schools to department stores and charitable organizations. Then, in 1915, the Supreme Court declared moviemaking a "business, pure and simple," entrenching the film industry's role as a producer of "harmless entertainment." In *Beyond the Screen*, contributors shed light on how pre-1915 cinema defined itself through institutional interconnections and publics interested in science, education, religious uplift, labor organizing, and more.

where did they film that: Deathtripping Jack Sargeant, 2007-12-01 This exhaustive study focuses on the New York filmmakers that coalesced around the radical manifesto espoused by downtown filmmaker Nick Zedd: "none shall emerge unscathed." Placing their work within the wider alternative film and downtown post-punk scenes, *Deathtripping* offers detailed analyses of the movement's films alongside interviews with the filmmakers and their collaborators, including Richard Kern, Nick Zedd, Tommy Turner, Beth B, Joe Coleman, and Lydia Lunch. Also discussed are seminal influences such as the Kuchar brothers, Jack Smith, and Andy Warhol as well as the history of underground and trash cinema.

where did they film that: Film Voices Gerald Duchovnay, 2004-06-17 Interviews with prominent filmmakers, actors, and others on the art, craft, and business of moviemaking.
