crystal academy of advanced healing arts: *How to Be Well* Amy Larocca, 2025-05-13 A deeply researched, lively, and personal exploration of the multibillion-dollar wellness industry -- about why women are feeling so un-well and how this trend has shaped our thinking about health and self-care Peloton. Pilates. Biohacking. Colonics. Ashwagandha. Today, the wellness industry is a \$3.7 trillion behemoth that touches us all. In this timely and clear-eyed book, journalist Amy Larocca peels back the layers behind the wellness movement and reckons with its promises and profits. How did we get here and how did the idea of wellness become integrated with women's lives? And how did we end up spending so much money on products that may not work at all? Amy Larocca takes readers into the communities that swear by their activated charcoal toothpaste and green juice enemas, explaining what each of these practices really is—and what the science says. Larocca holds a magnifying glass to alternative medicine and nouveau lifestyle prescriptions -- and tries a lot herself along the way -- ultimately delivering an assessment of how the wellness industry embodies our (gendered, class-based, racialized) perceptions of care and self-improvement, and how it preys on our unshakable fear of the unknown. She traces the history of how the beauty and fashion industries have peddled snake oil to women for decades—and why we keep coming back for more. A clear-eyed and honest portrait of the weird world of wellness, *How to Be Well* lays bare the ways in which the simple notion of caring for oneself has become a seriously big business.

crystal academy of advanced healing arts: The Seven Archetypal Stones Nicholas Pearson, 2016-11-15 A guide to the mystery teachings of the mineral kingdom for catalyzing spiritual growth and healing • Focuses on 7 essential crystal and gemstone mentors: obsidian, jade, lapis lazuli, emerald, quartz, amethyst, and diamond • Integrates crystal lore from around the world with mineral science to reveal the archetypal wisdom embodied within each stone • Provides crystal healing exercises and meditations on the specific spiritual work each stone archetype supports Stones and crystals are our most ancient teachers. The relationships between the mineral kingdom and the human kingdom are as old as life itself, for the mineral kingdom--comprised of beautiful crystals, dense rocks, sands, clays, and everything in-between--is the very foundation upon which life developed on Earth. Supporting humanity through the eons, these teachers offer curative and restorative properties for healing as well as powerful guidance to catalyze spiritual growth. Integrating gemstone lore from around the world with modern mineral science, Nicholas Pearson guides readers on a journey into the inner realm of the mystery teachings of the mineral kingdom, a journey that mirrors the soul's path to perfection. He reveals the archetypal wisdom embodied within 7 essential crystal and gemstone mentors--obsidian, jade, lapis lazuli, emerald, quartz, amethyst, and diamond--examining each stone's mythological, historical, and cultural associations in tandem with their crystalline structure and chemical composition. He explores each stone's healing and spiritual properties, providing practical exercises, esoteric revelations, and meditations on the specific spiritual work each stone archetype supports. Obsidian, for example, is the stone of initiation, revealing our shadow side and guiding us to places in need of light. Diamond, the final perfected stone of the seven, illuminates Divine Love, purifying us and leading our consciousness to enlightenment, cutting through any vestiges of fear or illusion because it is the hardest, sharpest, most luminous teacher the mineral kingdom has to offer. Enabling each of us to harness the power of stones for spiritual evolution and healing, this guide to the mystery teachings of the mineral kingdom shows how the ancient call to evolve with the crystals and stones that surround us lives on in an unbroken legacy.

crystal academy of advanced healing arts: Crystal Healing for the Heart Nicholas Pearson, 2017-09-12 A gemstone-supported healing journey guided by your heart • Offers hands-on

exercises and meditations with more than 60 gemstones and minerals, each a specific heart-healing stone • Explores the anatomy of the physical heart and its spiritual symbolism • Shows how your heart is itself a sensory organ and coordinator of your energy field • Explains how to fortify your heart with emotional strength, reclaim your will, cultivate forgiveness, and nurture romantic relationships in a meaningful way The word heart can be used in so many different ways. We talk about putting our hearts into our work and wearing our hearts on our sleeves. There are people who are warmhearted and those willing to heal your heartache. Each of us has likely known the pangs of conflict between the head and heart. For all the trials and pains of daily living, many people are taught to distance themselves from their hearts in order to avoid folly and failure. The truth is that only in embracing the language of the heart can we truly know who we are and where we are going. Focusing on the role of crystals in the journey to wholeheartedness, Nicholas Pearson reveals how the heart, as the literal and metaphorical center of one's being, has the power to lead us to greater balance, healing, and happiness. He explores the anatomy of the physical heart and its spiritual symbolism and shows how its four chambers are related to the four elements. Offering hands-on exercises and meditations with more than 60 gemstones and minerals, each a specific heart-healing stone, the author explains how to build a better relationship with the heart as your spiritual center as well as how to fortify your heart with emotional strength, reclaim your will, and cultivate forgiveness. He shows how your heart is the coordinator of your energy field and is itself a sensory organ and information processor, working to enact healing on many levels. He also looks at the heart chakra and how the higher heart chakra is evolving. Providing stone-supported lessons for applying a heart-centered approach in daily life, from expressing yourself to nurturing romantic relationships in a meaningful way, the author shows how the journey to wholeness and wholeheartedness isn't always easy, but it cannot be undertaken without first spending time to hear the soft, gentle voice of your heart and embrace the transformational force of inner alchemy known as love.

crystal academy of advanced healing arts: La sabiduría de los cristales Alejandra Salatino, 2024-08-19 Las piedras trascienden el tiempo y permanecen como registro y testigo de todas las épocas. Guardan la memoria de nuestro planeta, aun del conocimiento perdido u olvidado de aquellos seres abocados a vivir en plena armonía con el Cosmos. Los cristales nos muestran el camino para atraer el espíritu a la materia, para despertar y poner en acción nuestra misión. Nos abren una nueva senda de transformación y purificación en todos los niveles del Ser. Nos enseñan a equilibrarnos, a ir hacia dentro, son armonizadores y nos ayudan a sanar, a encontrar nuestro centro, a enfocarnos sin distracciones, a sentirnos y a evitar la dispersión de la mente inquieta. Son amplificadores, traducen, sincronizan; son verdaderos agentes de cambio. Colaboran con la alquimia interior y nos conectan con el constante fluir de la vida y nos sintonizan con la vibración de nuestra Alma. El verdadero acto de observarnos, cuestionarnos y re-preguntarnos cosas que damos por obvias, exige un trabajo de depuración que nos permite acceder a nuestra espiritualidad para que esta pueda fluir hacia los planos más físicos. Cuando la mente percibe este modo de acceder al conocimiento, comienza a liberarse de viejos programas, sistemas de creencias y a nutrirse de lo nuevo. La sanación es un proceso que se construye. La información se presenta en forma simbólica y lo que se sana es el espacio psíquico en el que vivía ese conflicto dentro nuestro. Una vez que se sana ese espacio interno (las heridas) puede manifestarse en el afuera con acciones nuevas y diferentes a lo que se actuaba en el pasado. Se atraen situaciones nuevas. Los cristales están al servicio de nuestra propia sanación, ayudándonos no solo a despertar consciencia y mirar nuestra vida, sino a crecer y madurar emocional y espiritualmente para vivir una vida plena desde el patrón de nuestra Alma. Este recorrido interno lo hacemos conociendo la Metodología SabiduríaCristal. El proceso de sanación es una etapa profunda a la que te conducen los cristales. Tienes que formular un propósito claro. Tienes que desear sanar y estar dispuesto a comenzar el proceso de sanación.
