The Secret Life of Fidel Castro: Unveiling the Man Behind the Revolution

the secret life of fidel castro is a phrase that evokes images of mystery, controversy, and intrigue. Known worldwide as the fiery Cuban revolutionary and long-time leader, Fidel Castro's public persona often overshadows the complexity of his private life and lesser-known aspects of his character. Beyond the iconic beard, military fatigues, and impassioned speeches, there lies a multifaceted man whose personal habits, relationships, and hidden stories continue to fascinate historians, journalists, and curious minds alike. Let's take a deep dive into the secret life of Fidel Castro, exploring his personal quirks, political maneuverings, and the human side of a man who shaped the course of the 20th century.

The Early Years: Foundations of a Revolutionary

Fidel Alejandro Castro Ruz was born on August 13, 1926, in Birán, Cuba. While many know him as the leader of the Cuban Revolution, fewer are aware of his privileged upbringing. Raised in a wealthy family that owned sugar plantations, Castro's early life was marked by contrasts—comfort and opportunity on one hand, and exposure to social inequalities on the other. This duality played a crucial role in shaping his worldview and fueling his lifelong commitment to social justice and anti-imperialism.

Education and Ideological Formation

Castro's education was extensive and diverse. He attended Jesuit schools, where discipline and rigorous academics honed his critical thinking. Later, he studied law at the University of Havana, where he became deeply involved in student activism. It was during this period that he developed a keen interest in Marxism and anti-colonial thought, influenced by global currents and local grievances. These

formative years are essential to understanding the motivations behind the revolutionary zeal that would later define his public life.

The Private Fidel: Habits and Personal Life

While Fidel Castro's public image was carefully crafted as that of a tireless revolutionary leader, his private life reveals surprising details that contrast with the austere persona he projected.

Daily Routine and Personal Habits

Castro was known for his prodigious energy and work ethic, often working long hours without much sleep. Yet, contrary to popular belief, he had some personal indulgences. He was an avid reader with a particular fondness for history, philosophy, and literature, often quoting classical works in conversations and speeches. His love for cigars is legendary, but interestingly, he reportedly smoked fewer cigars than popularly imagined, favoring quality over quantity.

Family and Relationships

The secret life of Fidel Castro also includes his complex family dynamics. He fathered multiple children, both within and outside his marriage, reflecting a personal life as intricate as his political one. Despite the demands of leadership, Castro maintained close relationships with many of his family members, though he was known to keep his private life guarded from the public eye. His relationships with women, including well-documented romances and discreet liaisons, add layers to the man behind the revolutionary mask.

The Political Strategist: Behind the Scenes of Power

Fidel Castro's role as Cuba's leader is well-documented, but what remains less understood is how he operated behind the scenes and the secret tactics he employed to consolidate power.

Intelligence and Surveillance

Castro's government was notorious for its extensive intelligence network. The secret life of Fidel Castro includes an acute awareness of both allies and adversaries, employing a vast system of informants and surveillance to maintain control. This internal security apparatus was key to quelling dissent and managing political rivals, ensuring the survival of the revolutionary government in the face of external threats like the CIA's covert operations.

Global Diplomatic Maneuvers

Far from being isolated, Castro was a savvy diplomat who navigated Cold War geopolitics with skill. His secret life involved numerous back-channel communications with both friend and foe, including surprising contacts with American officials despite decades of hostility. These diplomatic efforts often went unreported, demonstrating a pragmatic side that balanced ideological commitment with realpolitik.

Myths and Misconceptions About Castro's Secret Life

Many stories about Fidel Castro's secret life have been exaggerated or distorted over time, contributing to a mythic image that can obscure the truth.

The Legend of the Invincible Leader

Castro cultivated an image of invincibility, but behind the scenes, he faced health challenges, political setbacks, and moments of doubt. His secret life included periods of vulnerability, including a well-documented battle with illness in the 2000s that eventually led to his stepping down from power. Recognizing these human aspects helps paint a fuller picture of the man beyond the myth.

The Role of Propaganda and Media

Both Cuban state media and international outlets have contributed to shaping narratives about Castro's secret life. Understanding the role of propaganda—both supportive and critical—is essential to parsing fact from fiction. Scholars and journalists often rely on declassified documents, eyewitness accounts, and interviews to uncover the nuanced realities that official stories may omit or distort.

Legacy and Impact: What Castro's Secret Life Teaches Us

Exploring the secret life of Fidel Castro is not just an exercise in curiosity; it offers valuable lessons about leadership, ideology, and the complexities of human nature.

The Balance Between Public Persona and Private Reality

Castro's life exemplifies the tension many leaders face between their public image and private selves. His ability to maintain control over his narrative while managing personal complexities is a testament to his political acumen. For students of history and leadership, this balance underscores the importance of understanding the whole person, not just the public figure.

The Influence on Cuban Society and Beyond

The reverberations of Castro's secret life extend far beyond Cuba. His personal decisions, internal governance style, and diplomatic initiatives influenced Latin America's political landscape and global Cold War dynamics. Recognizing the hidden facets of his life enriches our comprehension of this impact and invites a more empathetic and nuanced historical dialogue.

Delving into the secret life of Fidel Castro reveals a man who was as enigmatic as he was influential. Behind the revolution, speeches, and geopolitical drama was a complex individual navigating the challenges of leadership, ideology, and personal identity. Whether one views him as a hero, a tyrant, or something in between, understanding the secret life of Fidel Castro brings us closer to grasping the full story of one of the 20th century's most compelling figures.

Frequently Asked Questions

What is 'The Secret Life of Fidel Castro' about?

'The Secret Life of Fidel Castro' explores the private and lesser-known aspects of Fidel Castro's life, including his personal relationships, political strategies, and controversial decisions during his leadership of Cuba.

The Secret Life of Fidel Castro: An Investigative Review

the secret life of fidel castro remains a subject of fascination and mystery for historians, political analysts, and global observers alike. As the charismatic and controversial leader of Cuba for nearly five decades, Castro's public persona was meticulously crafted through decades of revolutionary rhetoric, political maneuvering, and international posturing. Yet beneath this carefully constructed image lay a complex individual whose private life, personal habits, and undisclosed relationships often contrasted sharply with his public identity. Exploring the secret life of Fidel Castro provides a nuanced understanding of the man behind the legend and sheds light on the contradictions that shaped modern Cuban history.

Unraveling the Private Persona of Fidel Castro

Fidel Castro's public life was dominated by his role as the Cuban revolutionary and statesman, but his private life was guarded with an almost impenetrable veil of secrecy. Unlike many public figures, Castro never allowed the media unrestricted access to his personal spaces, leading to persistent speculation about his lifestyle, relationships, and even health. Reports from defectors, insiders, and intelligence agencies offer glimpses into a man who was at once disciplined yet indulgent, austere yet prone to extravagances.

The Enigmatic Personality Behind the Revolution

Castro's image as a revolutionary leader who lived modestly was a cornerstone of his political legitimacy. However, multiple accounts suggest that the reality was more complex. For instance, while he promoted agrarian reform and equality, Castro himself enjoyed luxuries such as Cuban cigars, fine rum, and a personal yacht. His daily routine was famously rigorous, often involving long work hours and strategic meetings, but there were moments where he embraced leisure activities, including baseball, chess, and lengthy discussions with close confidants.

The secret life of Fidel Castro also included a penchant for reading and intellectual pursuits. Fluent in several languages, he was known to consume vast amounts of literature, ranging from Marxist theory to Latin American poetry. This intellectual curiosity fueled his ideological convictions but also contributed to his reputation as a shrewd and cunning strategist.

Relationships and Family Life

Castro's personal relationships were shrouded in discretion, but some details have emerged over time. He fathered at least nine children with multiple women, though the exact number remains disputed due to the private nature of his family affairs. His relationships ranged from long-term partnerships to brief

liaisons, reflecting a complicated private life that contrasted with the austere image he projected publicly.

Furthermore, Castro's familial ties played a critical role in Cuban politics. His brother, Raúl Castro, was a close ally and successor, highlighting the intertwining of personal and political spheres. The secret life of Fidel Castro, therefore, extends into the dynamics of power within his family, revealing patterns of loyalty, rivalry, and legacy-building.

Health and Longevity: The Hidden Truths

One of the most persistent mysteries surrounding Fidel Castro was his health. Throughout his tenure, rumors about his physical condition circulated widely, fueled by his occasional absences from public view and changes in appearance. Despite these speculations, Castro maintained an active role in Cuban politics until his retirement in 2008.

Medical Secrecy and Public Speculation

The Cuban government was notably secretive about Castro's health, often releasing limited or contradictory information. After undergoing surgery in 2006, he temporarily ceded power to Raúl Castro, leading to intense international speculation regarding his prognosis. Analysts have debated the nature of his ailments, ranging from gastrointestinal problems to more severe conditions.

This secrecy was strategic, preserving the image of invincibility essential to his leadership. The secret life of Fidel Castro in terms of health can be seen as part of a broader pattern of controlling narratives around his persona, ensuring that vulnerabilities did not undermine his authority.

Longevity and Lifestyle Factors

Castro's longevity—living until 90 years old—was remarkable given the high-stress nature of his political career. Some attribute this to his disciplined lifestyle, including his preference for natural foods, regular exercise, and mental stimulation. Others point to Cuba's healthcare system and access to top medical professionals as critical factors.

Interestingly, his daily consumption of cigars, often cited as a symbol of Cuban identity, did not appear to significantly curtail his lifespan, challenging conventional health assumptions. This paradox adds another layer to understanding the secret life of Fidel Castro, blending myth with reality.

Political Intrigue and the Shadow of Espionage

Fidel Castro's leadership was inseparable from the Cold War context, marked by intense espionage and political intrigue. The secret life of Fidel Castro intersected with intelligence operations, covert diplomacy, and international conspiracies that shaped his rule and Cuba's global standing.

Relations with the Soviet Union and Intelligence Networks

Castro's alliance with the Soviet Union was pivotal, providing economic support and military backing. However, this relationship was complex, marked by mutual suspicion and strategic calculations. Declassified documents reveal that Castro maintained his own intelligence apparatus, often operating parallel to Soviet networks.

His leadership style incorporated elements of paranoia and vigilance, fueling an environment where loyalty was continuously tested. The secret life of Fidel Castro, in this context, involved navigating a labyrinth of spies, informants, and political operatives, both domestic and foreign.

Assassination Attempts and Security Measures

One of the more sensational aspects of Castro's secret life is the extensive number of assassination attempts reportedly orchestrated against him. The Central Intelligence Agency (CIA) and other entities allegedly plotted dozens of plans, ranging from poisoning to explosive devices concealed in cigars.

These threats led to heightened security protocols around Castro, including the use of body doubles and strict surveillance of visitors. While many plots were thwarted or exaggerated, they contributed to a climate of fear and suspicion that defined much of his reign.

The Legacy of a Complex Figure

Understanding the secret life of Fidel Castro is essential to grasp the contradictions that defined his leadership. He was at once a revolutionary idealist and a pragmatic autocrat, a man of simple tastes with a taste for luxury, and a public figure whose private life was carefully concealed.

His personal habits, health, relationships, and involvement in espionage reveal a multidimensional character navigating the challenges of power, ideology, and survival. As historical scholarship continues to uncover new information, the enigmatic life of Fidel Castro remains a compelling subject for reexamination and debate in the broader discourse on 20th-century politics.

[The Secret Life Of Fidel Castro](#)

the secret life of fidel castro: The Secret Fidel Castro Servando Gonzalez, 2001 The Secret Fidel Castro is neither a history of the Cuban revolution nor a biography of Fidel Castro. The book was written following what intelligence services call a CPP (short for Comprehensive Personality Profile), similar to the ones intelligence services keep on foreign leaders. It focuses on different aspects of Castro's actions and personality which, for some reasons, have been either ignored, misunderstood, or misrepresented. The main thesis of this book is that there are many different Castros. The most widely known is the symbolic, public one, as it has been portrayed in official Cuban propaganda, Castro-friendly biographies, and mainstream American media. But there are also many secret Castros, highly different from the public one. The Secret Fidel Castro focuses on little

known aspects of Castro's personality, important in the better understanding of the man and his actions? what really makes him tick.

the secret life of fidel castro: The Double Life of Fidel Castro Juan Sanchez, 2015-06-15 The secrets behind one of the world's most secretive dictators. Fidel Castro's life from revolutionary to being one of the wealthiest leaders in the world

the secret life of fidel castro: The Secret Life of Humphrey Bogart Darwin Porter, 2003 Biography gives a controversial closeup of a young, hot and horny Bogart, pre-Casablanca, pre-Bacall, pre-African Queen.

the secret life of fidel castro: El Avatar Jonathan Cahn, 2025-08-31 El Avatar - El nuevo y explosivo libro del autor bestseller del New York Times, Jonathan Cahn, revelará los secretos ocultos que están transformando nuestra cultura, nuestra nación y el mundo. Cahn retoma el misterio donde lo dejó en El regreso de los dioses y expone cómo los antiguos principados y entidades espirituales están reclamando dominio total: infiltrándose en gobiernos, liderazgos mundiales y en la vida de cada persona. Descubre: • El misterio detrás de figuras como Trump, Biden y Kamala Harris. • La conexión entre un intento de asesinato y un antiguo ritual. • El retorno de dioses paganos y su influencia en el presente y futuro de las naciones. • Revelaciones impactantes sobre el rumbo de América... y del mundo. El Avatar te llevará por un viaje profético lleno de símbolos, enigmas y verdades olvidadas. No es solo un libro: es una advertencia urgente y una revelación que cambiará tu forma de ver el mundo.

the secret life of fidel castro: The Avatar Jonathan Cahn, 2025-09-02 THE AVATAR , #1 New York Times bestselling author, Jonathan Cahn's explosive newest book will change the way you see the world. THE AVATAR contains revelations so stunning and so shocking that they cannot even be revealed outside of its pages. Who are the avatars? And what do they have to do with the future of America and the world...and your life? Could they lie behind the outcome of every recent American presidential election and the nation's future? Jonathan Cahn, author of nine New York Times bestsellers, now releases what may be his most explosive book yet! THE AVATAR will reveal what the media will never tell you - the ancient mystery at work, moving in secret, behind world events, behind the transformation of America and the West, behind specific world leaders, behind the changes that are touching each of our lives, and what is yet to come, our future. THE AVATAR will take you on a journey across the earth to uncover the mystery of the ancient gods and avatars - to a land where the gods never left, to a haunted island, to the lady of the forest, and to a god that revealed itself live on television and the web before millions who had no idea what was actually happening. Is there an ancient mystery of kings and queens that will open up, in stunning clarity, the meaning of Donald Trump and every other American leader of recent times - why they rose - why they fell - or why they rose again? Could this be determined from ages past, the exact years of his presidency? What is the mystery behind the day he was born? What is the mystery of the priesthood that lay behind the day his life was almost taken? Could the ancient god-kings and goddess-queens, the avatars, be returning to enter the political realm, our national stage, to take over and rule? THE AVATAR will open up the mystery of the avatar, one who has become a prominent leader on the American political stage and yet who has lived in the image of an ancient deity - of an ancient god, from birth - The American Avatar, instrument of the gods and their agenda. Who is the avatar? And what is the danger that all this poses? Is there an ancient object buried in the sand of the Middle East that foreshadow what is now taking place in America and that holds the key to our future? How much time do we have left? And what must we do? THE AVATAR will reveal... The trickster god The Olympian mystery The return of the king The goddess on the mountaintop The gods of the lake The Cosmic Queen The Altar of Ishtar The god of madness The Black Obelisk The mind-blowing mystery of Sharad Purnima and the Night of the Visitation The geographic formation of another planet that connects to the future of America What lies ahead - and the window of time we have left What you need to know...the answer And of course the Mystery of the Avatar And much, much more... THE AVATAR will not only blow your mind, but change the way you see the world! THE AVATAR - by Jonathan Cahn - The Return of the Ancients & the Future of America. The book you cannot afford

not to read!

the secret life of fidel castro: Vatican Spies Yvonnick Denoel, 2024-12-05 A revelatory history of the priests, nuncios and missionaries whose special operations have served the Holy See and its 1.3 billion Catholics worldwide.

the secret life of fidel castro: *Never Ending* Isaac M. Flores, 2015-10-16 Suddenly, after more than half a century of antagonism, the great American democracy of the United States and the communist dictatorship of the Castro brothers is on its way to a friendlier relationship. But many question whether they can and whether they should. This is an up-to-date inside look at what's going on now and, significantly, what has gone before. An engrossing tale of two different societies taking another giant leap into their long, often-perilous, history. It shows in compelling detail how Cubans have fared under a regime imposed with an iron fist by Fidel Castro since the 1960s. It graphically depicts Cuban prisons and the tortures of thousands of inmates, the frantic efforts of many of its people to seek exile or death at sea, the many exile incursions into their homeland and the frequent attempts at assassination of their Maximum Leader.

the secret life of fidel castro: Problems of Communism , 1962

the secret life of fidel castro: *Official and Confidential: The Secret Life of J Edgar Hoover* Anthony Summers, 2011-12-09 For nearly fifty years, J. Edgar Hoover held great power in the United States. The creator of the FBI and its Director until his death, he played a role in nearly every major tragedy and scandal in America during the twentieth century. Hoover was lauded when he died as an American hero. Anthony Summers' controversial bestseller, *Official & Confidential, The Secret Life of J. Edgar Hoover*, draws on more than 800 interviews to explode the myths, exposing the dark secrets that remained hidden throughout Hoover's lifetime. Hoover used his intimate knowledge of the John F. Kennedy's sex life to ensure that Lyndon B. Johnson became Vice President, and suppressed evidence about J.F.K's assassination. Hoover himself, meanwhile, was a closet homosexual, which allegedly led to him being blackmailed by the Mafia. This fascinating book reveals that even Hoover's death, on the eve of Watergate, was clouded with mystery. Witnesses have indicated that, in the panic over the secrets he was holding over President Nixon, an operation was mounted to break into his house - possibly even to murder him.

the secret life of fidel castro: *Cuba's Eternal Revolution through the Prism of Insurgency, Socialism, and Espionage* Miguel A. Faria, Jr., 2023-06-21 This book not only relates the defining moments of the Cuban Revolution - such as the Moncada Barracks attack, the assault on Batista's Presidential Palace, the Bay of Pigs invasion, and the Cuban Missile Crisis - but also lesser-known events like the "War Against the Bandits"; the overseas adventures of Che Guevara in the Congo and Bolivia; Fidel Castro's possible prior knowledge of and involvement in JFK's assassination; Cuba's "silent war against the environment"; and ongoing foreign intelligence operations. The book contains information most readers and academicians may not be familiar with and utilizes major tomes as sources that have only been published in Spanish and so are not widely available to international audiences outside of Spain and Latin America. It will enlighten readers about the realities of the Cuban Revolution - its purported achievements as well as its definite shortcomings; its impact on world events in the last seven decades; and correct the record where needed - enhancing the fount of knowledge for further research by social scientists, historians, and political scientists.

the secret life of fidel castro: A Humorous Account of America's Past: 1945 to 2001

Richard T. Stanley, 2011-04-27 In 1945, the United States was the most powerful nation in the world. But an Iron Curtain soon surrounded Eastern Europe, and by 1950, Americans were fighting in Korea. In 1952, I Like IKE! swept the nation, and the Fabulous Fifties began. GM sold the most cars, gas was 29 cents a gallon, and a new house cost \$9,000. In 1955, following President Eisenhower's mild heart attack, America's favorite sick joke had Vice President Dick Nixon greeting Ike at the White House by saying, Welcome back. . . May I race you up the stairs? The Fabulous Fifties of Marilyn Monroe and Elvis Presley gave way to riots, Hippies, and The Beatles during the Radical Sixties. The 1960s began with JFK's New Frontier, grew into LBJ's Great Society and the

Vietnam War, and ended with Nixons Silent Majority and men on the moon. Soon, Nixon resigned, Ford stumbled, Carters brother sold Billy Beer, and the star of Bedtime for Bonzo led the popular Reagan Revolution. In 1989, Reagans Evil Empire collapsed. Soon, George Bush was victorious over Iraq and Panama, and lost to Bill Clinton in 1992. Clinton was eventually impeached, and was later replaced by another Bush. Want more details? Read my book.

the secret life of fidel castro: *The Psychology of Authoritarian Leaders* Edward Dunbar, 2024-11-19 The book examines the issue of authoritarian leadership through an evidence-based methodology. The original research addresses: (a) social risk factors the leader exploits to take power, (b) describe how these leaders influenced their followers, (c) the accomplishments of their regimes, and (d) how the society adjusted after the leader's demise.. in separate chapters, the subtypes of authoritarian leaders are detailed (AL) - the charismatic, the thug, and the populist. In addition, clinical profiles are provided describing leaders' relationships with families, friends, and followers. The book will examine how the subject assumed power, how they governed, and how they ceded power. The analysis highlights typical achievements and failures of authoritarian regimes. The final chapter describes the social consequences of authoritarian governance and discusses how liberal democracies need to protect their institutions from authoritarian take over. This work includes analyses and, statistical methods which are presented in a manner, making the book accessible to a wide readership. Scholars in psychology, sociology, political science and cultural studies will find this volume a revealing and necessary addition to their libraries.

the secret life of fidel castro: *The NBA's Global Empire* Joshua K. Wright, 2025-02-21 During the 1992 Summer Olympics in Barcelona, the Dream Team, a collective of the National Basketball Association's top talent led by Michael Jordan, Magic Johnson, Larry Bird and Charles Barkley, shook up the world as they amazed spectators and opponents on their way to winning gold. Their success introduced the world to the NBA's charismatic superstars and their artistic brand of basketball. Over the next two decades, youth outside of America dreamed of becoming the next Michael Jordan, Kobe Bryant, and LeBron James. The NBA took advantage of its popularity in China by forming lucrative television and streaming deals and opening training academies. By the 2022-23 NBA season, there were 109 international players from 39 countries, a Canadian franchise, and a league in Africa. Today's best players are Africans, Canadians and Europeans like Nikola Jokic and Victor Wembanyama. This book presents the history of the NBA's ascension to a billion-dollar global empire, analyzing the globalization of American sports since the end of the Cold War and the dawn of the millennium. How essential is globalization for the NBA to thrive in the 21st century? Do the benefits outweigh the geopolitical controversies associated with being a global brand? Is globalization responsible for a decline in American-born NBA players and declining domestic popularity? These questions and others are answered in this first treatment of the NBA's global reach.

the secret life of fidel castro: *Fidel Castro and Africa's Liberation Struggle* Sabella Ogbobode Abidde, Charity Manyeruke, 2020-10-01 The post-1959 Cuban government's engagement with Africa, which was led by its charismatic and revolutionary leader, Fidel Castro, had two connecting dimensions: military internationalism and humanitarian internationalism. While African states and societies benefited immensely from these engagements, it was Fidel Castro's military assistance towards the decolonization of and the pushback of Apartheid South Africa that received the loudest attention and ovation in the developing world. Fidel Castro, this book argues, was never motivated by economic, selfish, or geopolitical considerations; but rather, by the altruism and the certainty of his worldview and by the historical connection between the peoples of Cuba and Africa. The principle of international solidarity, socialism, and the emancipation of Africa was a much-desired aspiration and attainment. Beginning covertly in Algeria in 1961 and the Congo and Guinea-Bissau in 1964; and more conspicuously in Angola in 1975, Fidel Castro and his socialist government was at the forefront supporting liberation movements in their struggle against colonialism. Defining Castro's engagement with Africa was his support for the People's Movement for the Liberation of Angola (MPLA) against the United States-backed Apartheid South Africa, which supported the

National Liberation Front of Angola (FNLA) and the National Union for the Total Independence of Angola (UNITA).

the secret life of fidel castro: *William D. Pawley* Anthony R. Carrozza, 2012-03 The amazing true story of a businessman-adventurer who changed the world

the secret life of fidel castro: *Latino History and Culture* David J. Leonard, Carmen R. Lugo-Lugo, 2015-03-17 Latinos are the fastest growing population in America today. This two-volume encyclopedia traces the history of Latinos in the United States from colonial times to the present, focusing on their impact on the nation in its historical development and current culture. *Latino History and Culture* covers the myriad ethnic groups that make up the Latino population. It explores issues such as labor, legal and illegal immigration, traditional and immigrant culture, health, education, political activism, art, literature, and family, as well as historical events and developments. A-Z entries cover eras, individuals, organizations and institutions, critical events in U.S. history and the impact of the Latino population, communities and ethnic groups, and key cities and regions. Each entry includes cross references and bibliographic citations, and a comprehensive index and illustrations augment the text.

the secret life of fidel castro: Hard Right Turn Jerry Carrier, 2015-10-01 In America, even the left is right of center; just how far right is subject to debate. There really is no longer an American left, as it has been systematically destroyed. This rightward drift is seen in historic events like the Red Scare of the 1920s where thousands of innocent Russian and Jewish-Americans were imprisoned and deported by J. Edgar Hoover under President Wilson. There were plots like the secret financing of Hitler's rise to power by the Rockefeller, Harriman and Bush-Walker families managed by the Dulles Brothers. There was the Businessmen and Banker's Plot to overthrow Roosevelt and install a fascist government in the United States just before WWII. There was the OSS/CIA cooperation with the Catholic Church in the Ratlines to hide and bring Nazi war criminals into the United States. American phobias against communism, socialism and the left have allowed those on the right to suppress and eliminate the left and to harass, imprison or assassinate its leaders since 1848. The US government has eliminated and assassinated the left, and with no counterbalance the country veers further and further to the right. In this book Jerry Carrier seeks to define Left as it applies in the United States. He traces some of the original influences and provides a succinct history of the American left, including the McCarthy witch hunts and the xenophobia of the China Lobby. That history includes illegal CIA and FBI operations to stop the left, civil rights, anti-war, Latino, Asian, Native American, gay and women's movements. It includes the US intelligence service's long ties to the Mafia and the Unione Corse, the French Mafia, and their illegal drug activities. It includes the assassinations of JFK, RFK and MLK. It includes the treasonous acts of Nixon and Kissinger to win in 1968, by Reagan and Bush in 1980, and the buying of elections by the Koch Brothers. From Rousseau to Obama, this book gives the rise and fall of the American left. Victims includes Mother Jones, Eugene Debs, Big Bill Haywood, Gus Hall, and Angela Davis. It includes the assassinations of foreign leaders like Patrice Lumumba and even UN Secretary General Dag Hammarskjold and attempts on Sukarno and Castro as well as dozens of US inspired coups.

the secret life of fidel castro: *In the Closet of the Vatican* Frederic Martel, 2020-02-18 A startlingly revealing and detailed account of corruption and hypocrisy at the heart of the Vatican.

the secret life of fidel castro: The Man to See Evan Thomas, 2012-12-04 This bestselling biography of legendary trial lawyer Edward Bennett Williams is a skillful and lively portrait of a larger-than-life lawyer (Kirkus Reviews). Legendary attorney Edward Bennet Williams was arguably the best trial lawyer ever to practice. Now, for the first time, bestselling author Evan Thomas takes us into the courtrooms of Williams's greatest performances as he defends Godfather Frank Costello, Jimmy Hoffa, Frank Sinatra, The Washington Post, and others, as well as behind the scenes where the witnesses are coached, the traps set, and the deals cut. In addition to being a lawyer of unprecedented influence, Williams was also an important Washington insider, privy to the secrets of America's most powerful men. Thomas tells the truth behind the stories that made Williams one of the most talked about public figures of his time, including Williams's role in the publication of the

Pentagon Papers and the possibility that Williams may have been Watergate's Deep Throat. Based on Thomas's exclusive access to Williams's papers, The Man to See is an unprecedented look at the strategies and influence of this exceptional man.

the secret life of fidel castro: Why Jesus Returned Peter Walton, 2020-07-21 For as Jonas was three days and three nights in the whale's belly; so shall the Son of man be three days and three nights in the heart of the earth. - Matthew 12:40 The premise of this book is that during these three days, Jesus was bombarded with images from Satan of future human events, trying to convince him that he should not return to the Earth versus images from God's angels showing him future human events to convince him to return. Here's a few examples of the over forty chapters of the book: I Wear the Chain I Forged in Life; Alone with the Sky, Nature, and God; That Others May Live; The Evolution Scam; Broken Down Computers.
