Jean Paul Sartre and Simone de Beauvoir: Icons of Existentialism and Feminism

jean paul sartre and simone de beauvoir are two towering figures in 20th-century philosophy and literature, whose lives and works remain deeply intertwined and influential. Both French intellectuals, they not only shaped existentialist thought but also redefined ideas about freedom, responsibility, and gender roles. Their partnership, marked by mutual respect and intellectual collaboration, was as unconventional as it was inspiring. Exploring their philosophies and personal dynamics provides valuable insights into modern existentialism, feminist theory, and the cultural upheavals of their time.

The Intellectual Partnership of Jean Paul Sartre and Simone de Beauvoir

Jean Paul Sartre and Simone de Beauvoir first met at the prestigious École Normale Supérieure in Paris in the late 1920s. Both were exceptional students, drawn together by their shared passion for philosophy and literature. Their relationship transcended traditional boundaries, evolving into a lifelong intellectual and emotional partnership that influenced their writing and thinking.

While Sartre is often recognized as the face of existentialism, de Beauvoir's contributions were equally groundbreaking, especially in feminist philosophy. Together, they challenged conventional norms around love, freedom, and human existence, creating a dynamic dialogue that enriched both their oeuvres.

The Philosophy of Freedom and Responsibility

At the core of their philosophy lies the concept of freedom—an idea Sartre famously articulated as "existence precedes essence." This means that humans are not born with a predefined purpose; instead, they create their own meaning through choices and actions. Sartre emphasized that with this radical freedom comes immense responsibility, as individuals must own the consequences of their decisions.

Simone de Beauvoir extended these existentialist ideas, particularly in her exploration of gender and oppression. She argued that women, historically relegated to a secondary status, were often denied the freedom to define themselves independently. Her seminal work, **The Second Sex**, remains a foundational text in feminist theory for its insightful analysis of how societal structures limit women's freedom.

Literary Contributions and Philosophical Works

Both Sartre and de Beauvoir were prolific writers, producing a wealth of philosophical

treatises, novels, essays, and plays. Their literary styles differed but complemented each other, offering diverse perspectives on similar themes.

Jean Paul Sartre's Major Works

Sartre's writings are notable for their exploration of existential angst, freedom, and authenticity. His philosophical masterpiece, **Being and Nothingness**, delves deeply into consciousness and human existence. Additionally, his plays like **No Exit** and novels such as **Nausea** explore existential themes in accessible and dramatic forms.

Sartre was also politically active, engaging with Marxism and advocating for social change. His commitment to political activism showcased his belief that philosophy should not be confined to academia but must influence real-world struggles.

Simone de Beauvoir's Groundbreaking Feminism

While Sartre's work focused broadly on existential freedom, de Beauvoir zeroed in on the lived experiences of women. **The Second Sex** (1949) is a profound study of how women have been historically "Othered" in relation to men, limiting their autonomy and subjectivity. Her existentialist lens allowed her to argue that gender roles are socially constructed rather than innate.

De Beauvoir also wrote novels such as **She Came to Stay**, which explore themes of freedom, identity, and interpersonal relationships. Throughout her career, she remained a vocal advocate for women's rights and social justice, influencing subsequent generations of feminist thinkers and activists.

The Personal Dynamics of Jean Paul Sartre and Simone de Beauvoir

Their relationship was unconventional for its time and continues to fascinate those interested in the intersection of love and philosophy. Sartre and de Beauvoir maintained an open relationship, rejecting traditional monogamy in favor of intellectual companionship and personal freedom.

A Relationship Based on Equality and Intellectual Exchange

Unlike many couples of their era, they saw each other as equals—partners who challenged each other's ideas and encouraged independent personal growth. This mutual respect allowed them to maintain a close bond without the constraints of jealousy or possessiveness.

They famously referred to their bond as a "necessary love" (*l'amour nécessaire*), which provided a stable foundation, while also allowing "contingent loves" (*l'amours contingentes*) outside their relationship. This arrangement reflected their existentialist belief in freedom and choice, though it was not without its complexities and challenges.

Influence on Modern Thought and Culture

Their personal and professional lives became a model for intellectual couples, showing how love and philosophy can coexist and enrich each other. Their relationship defied societal expectations, embodying the existential idea that individuals must define their own values and ways of living.

The Legacy of Jean Paul Sartre and Simone de Beauvoir in Today's World

Decades after their deaths, the ideas and writings of Jean Paul Sartre and Simone de Beauvoir continue to resonate in academic circles and popular culture alike. Their contributions to existentialism and feminism remain relevant as contemporary society grapples with questions about identity, freedom, and equality.

Existentialism's Enduring Appeal

The existentialist focus on individual freedom, authenticity, and responsibility has found new audiences in the 21st century. Whether in philosophy, psychology, or literature, Sartre and de Beauvoir's insights invite people to reflect on the meaning of their choices and the construction of their identities.

Feminism and Gender Studies

Simone de Beauvoir's groundbreaking work laid the foundation for modern feminist theory and gender studies. Her analysis of the social construction of gender paved the way for later movements advocating for women's rights, LGBTQ+ rights, and intersectional feminism. Her influence can be seen in contemporary debates about gender roles, equality, and liberation.

Lessons from the Lives and Works of Jean Paul Sartre and Simone de Beauvoir

For those interested in philosophy, literature, or social justice, the partnership of Jean Paul Sartre and Simone de Beauvoir offers several valuable lessons:

- **Embrace intellectual curiosity:** Their relationship thrived on continuous questioning and dialogue, showing the power of open-mindedness.
- **Value freedom and responsibility:** Both emphasized the importance of owning one's choices and living authentically.
- **Challenge societal norms:** De Beauvoir's feminist critique encourages us to question and dismantle oppressive structures.
- **Balance personal and intellectual life:** Their unconventional relationship exemplifies how love and ideas can coexist without sacrificing individuality.

Engaging with their works provides an enriching experience that challenges readers to think critically about existence, ethics, and social roles. Whether you are a student of philosophy, a feminist scholar, or simply curious about human freedom, the legacy of Jean Paul Sartre and Simone de Beauvoir offers timeless wisdom and inspiration.

Frequently Asked Questions

Who were Jean-Paul Sartre and Simone de Beauvoir?

Jean-Paul Sartre and Simone de Beauvoir were influential French existentialist philosophers, writers, and intellectuals known for their contributions to philosophy, literature, and feminist theory in the 20th century.

What was the nature of the relationship between Jean-Paul Sartre and Simone de Beauvoir?

Sartre and de Beauvoir had a lifelong intellectual and romantic partnership characterized by an open relationship that challenged traditional norms and was rooted in mutual respect and shared philosophical beliefs.

How did Jean-Paul Sartre influence Simone de Beauvoir's work?

Jean-Paul Sartre's existentialist philosophy greatly influenced Simone de Beauvoir's work, especially in her exploration of freedom, responsibility, and the construction of identity, which she expanded upon in feminist contexts.

What is Simone de Beauvoir's most famous work and how does it relate to Sartre's philosophy?

Simone de Beauvoir's most famous work is "The Second Sex," which applies existentialist concepts, particularly those developed by Sartre, to analyze the oppression of women and

lay groundwork for modern feminism.

Did Jean-Paul Sartre and Simone de Beauvoir collaborate on any philosophical works?

While they did not co-author major philosophical texts, Sartre and de Beauvoir influenced each other's writings deeply and often engaged in intellectual dialogue that shaped their individual works.

How did Sartre and de Beauvoir contribute to existentialism?

Both Sartre and de Beauvoir expanded existentialism by addressing issues of freedom, responsibility, authenticity, and human existence, with de Beauvoir also incorporating feminist perspectives into existentialist discourse.

What role did politics play in the lives of Sartre and de Beauvoir?

Both were politically active, engaging with Marxism and leftist causes, and used their philosophical ideas to critique social and political injustices, including colonialism and gender inequality.

How did Simone de Beauvoir challenge traditional gender roles?

Through her existentialist framework, de Beauvoir argued that gender is a social construct rather than an innate fact, famously stating "One is not born, but rather becomes, a woman," challenging traditional gender roles and expectations.

What legacy have Sartre and de Beauvoir left in philosophy and literature?

Sartre and de Beauvoir left a profound legacy by shaping existentialism, influencing feminist theory, and inspiring generations of thinkers and writers to explore freedom, ethics, and identity in new ways.

Additional Resources

Jean Paul Sartre and Simone de Beauvoir: A Philosophical Partnership That Shaped Existentialism and Feminism

jean paul sartre and simone de beauvoir stand as two of the most influential intellectual figures of the 20th century, whose intertwined lives and works profoundly impacted philosophy, literature, and social thought. Their partnership was not only personal but also deeply intellectual, fostering the development of existentialism and feminist

theory. Exploring the complexities of their relationship and their individual contributions reveals a nuanced portrait of two minds that challenged conventions and reshaped modern thought.

The Intellectual Bond Between Jean Paul Sartre and Simone de Beauvoir

Jean Paul Sartre and Simone de Beauvoir met in 1929 at the École Normale Supérieure in Paris, a meeting that marked the beginning of a lifelong collaboration. Both were exceptional students, sharing an intense passion for philosophy and literature. Their relationship transcended romantic norms, embracing an open partnership that allowed for intellectual freedom alongside emotional and physical independence.

Their philosophical synergy was essential in articulating existentialism, a movement centered around individual freedom, responsibility, and the search for meaning in an absurd world. Sartre's doctrine of "existence precedes essence" and Beauvoir's exploration of freedom and oppression created complementary frameworks that enriched existentialist discourse.

Philosophical Contributions and Collaborative Influence

Jean Paul Sartre's philosophical oeuvre is characterized by his exploration of consciousness, freedom, and bad faith. His seminal work, "Being and Nothingness," laid the groundwork for existential phenomenology, analyzing human existence as a constant project of self-definition. Sartre argued that individuals are condemned to be free, bearing the weight of creating their essence through choices.

Simone de Beauvoir, while influenced by Sartre's existentialism, carved her own path, particularly with her groundbreaking work "The Second Sex." This text critically examined the social construction of womanhood, introducing concepts that would become foundational in feminist theory. De Beauvoir's assertion that "one is not born, but rather becomes, a woman" challenged essentialist views and highlighted gender as a cultural rather than biological construct.

Together, their ideas intersected on themes of freedom, oppression, and authenticity. Beauvoir's feminist perspective expanded existentialism beyond the individual to include social structures, while Sartre's political engagement underscored existentialism's commitment to praxis and social change.

The Dynamics of Their Relationship: More Than a Couple

The relationship between Jean Paul Sartre and Simone de Beauvoir defied traditional norms,

characterized by openness and mutual respect for each other's autonomy. They famously maintained a pact that allowed for extramarital affairs without jealousy or possessiveness, emphasizing intellectual companionship above conventional romance.

This unconventional arrangement was both praised and criticized. Supporters argue that it exemplified a radical commitment to freedom and authenticity, consistent with their philosophical ideals. Critics, however, point out potential imbalances, noting how their intellectual and personal freedoms were negotiated within the context of gender dynamics prevalent at the time.

Their partnership also served as a platform for collaborative creativity. They often exchanged ideas, critiqued each other's works, and engaged in political activism, particularly during and after World War II, when both took active stances against fascism and colonialism.

Impact on Feminism and Existentialism

Simone de Beauvoir's role in feminist philosophy cannot be overstated. "The Second Sex" remains a foundational text, inspiring waves of feminist thought and activism. Beauvoir's interrogation of female identity, otherness, and liberation introduced existentialist concepts to gender politics, influencing both academic and social movements.

Jean Paul Sartre's existentialism, meanwhile, influenced a broad range of disciplines, from literature and psychology to political theory. His emphasis on freedom and responsibility resonated with post-war intellectuals grappling with issues of alienation and moral ambiguity.

Together, they contributed to a cultural milieu that questioned authority and tradition, advocating for personal and collective emancipation. Their legacy extends beyond philosophy into literature, with both producing novels, plays, and essays that continue to be studied for their artistic and intellectual merit.

Legacy and Contemporary Relevance

The partnership of Jean Paul Sartre and Simone de Beauvoir exemplifies how personal relationships can serve as crucibles for intellectual innovation. Their combined work demonstrates the power of interdisciplinary thinking, blending philosophy, literature, politics, and gender studies.

In contemporary discourse, their ideas remain pertinent. Existentialist themes of authenticity, freedom, and ethical responsibility continue to influence debates in philosophy and psychology. Beauvoir's feminist analysis remains central to gender studies, queer theory, and discussions on identity politics.

Despite controversies—such as critiques of their personal lives or Sartre's political choices—their contributions endure as cornerstones of modern thought. Their writings invite ongoing analysis and reinterpretation, underscoring their status as intellectual giants.

whose partnership shaped the course of 20th-century philosophy.

Key Aspects of Their Intellectual Partnership

- **Mutual Influence:** Both thinkers shaped each other's philosophical inquiries and literary outputs.
- **Open Relationship:** Their personal lives reflected their philosophical commitment to freedom and authenticity.
- **Political Engagement:** Active participation in anti-fascist and anti-colonial movements.
- **Gender and Existentialism:** Beauvoir's feminist critique complemented Sartre's existentialist framework.
- **Literary Legacy:** Their novels and plays remain influential in literary and philosophical circles.

The story of Jean-Paul Sartre and Simone de Beauvoir is not merely about two individuals, but about a dynamic intellectual partnership that challenged and expanded the boundaries of philosophy, literature, and social thought. Their lives and works continue to inspire critical reflection on freedom, identity, and the human condition.

Jean Paul Sartre And Simone De Beauvoir

jean paul sartre and simone de beauvoir: Witness to My Life Jean-Paul Sartre, 1992

jean paul sartre and simone de beauvoir: Simone De Beauvoir And Jean-paul Sartre Kate Fullbrook, Edward Fullbrook, 1994-02-15 Using newly available documentary evidence in diaries and letters, the authors present a startling new view of one of the legendary sexual and intellectual partnerships of the 20th century--the relationship between the matriarch of modern feminism and father of existentialism.

jean paul sartre and simone de beauvoir: Hearts and Minds Axel Madsen, 2015-03-17 A dual biography of the two most influential socio-political moralists of the twentieth century, whose lives were intertwined personally and intellectually for more than forty-six years. Madsen provides an engrossing view of the luminously transparent relationship that was unconventional yet faithful to its ideals.

jean paul sartre and simone de beauvoir: Quiet Moments in a War Jean-Paul Sartre, 2002-05-21 In the companion volume to the acclaimed *Witness of my Life*, Jean-Paul Sartre reveals his life as a soldier, a German prisoner, and a man of Resistance through letters between himself and his "beloved Beaver," Simone de Beauvoir. *Quiet Moments in a War* tells the story of Jean-Paul Sartre at the peak of his powers and renown through the exchanging of ideas and intimacies with Simone de Beauvoir from 1940 to 1963. In the pages of this book, readers will find details on Sartre's war and his path to fame with the publication of his major works. From September 1939 to

June 1940, Sartre wrote Beauvoir almost daily as he waited from the frontlines for a German attack. While it was a time of fear and uncertainty, it doubled as a time of great productivity for Sartre as he completed the novel *The Age of Reason* and sketched out *Being and Nothingness*. This collection of the letters between Sartre and Beauvoir completes the extraordinary correspondence of one of modern history's most celebrated couples while documenting the emergence of a great intellectual figure.

jean paul sartre and simone de beauvoir: All Said and Done Simone de Beauvoir, 1974 In this rich and spacious book Simone de Beauvoir writes of the last ten years of her full and varied life, continuing her autobiography from 1962, where the third volume, *Force of circumstance*, ended on a note that some readers took for a cry of despair, an acknowledgment of failure.--Dust jacket.

jean paul sartre and simone de beauvoir: After The Second Sex Alice Schwarzer, Simone de Beauvoir, 1984

jean paul sartre and simone de beauvoir: Sex and Philosophy Edward Fullbrook, Kate Fullbrook, 2008-06-01 An intriguing and highly readable new book examining the fascinating personal and intellectual relationship between Jean-Paul Sartre and Simone de Beauvoir.

jean paul sartre and simone de beauvoir: Tete-a-Tete Hazel Rowley, 2009-10-13 "Enthralling . . . Here we find an ugly, walleyed existentialist philosopher, the elegantly beautiful author of *The Second Sex* and the Gallic equivalent of a bevy of young starlets who share the bed of one or the other--or sometimes both. Readers will turn these pages alternately mesmerized and appalled." — Michael Dirda, *Washington Post Book World* Passionate, freethinking existentialist philosopher-writers Simone de Beauvoir and Jean-Paul Sartre are one of the world's legendary couples. Their committed but notoriously open union generated no end of controversy in their day. Biographer Hazel Rowley offers the first dual portrait of these two colossal figures and their intense, often embattled relationship. Through original interviews and access to new primary sources, Rowley portrays Sartre and Beauvoir up close. *Tête-à-Tête* magnificently details the passion, daring, humor, and contradictions of a remarkably unorthodox relationship.

jean paul sartre and simone de beauvoir: Letters to Sartre Simone de Beauvoir, 2011-12-12 Simone de Beauvoir and Jean-Paul Sartre formed one of the most famous literary couples of the twentieth century. Their relationship took on the quality of legend and served as a model of openness and honesty for countless men and women. Sartre was revered during his lifetime as a paradigm of the modern philosophe and intellectual, but since de Beauvoir's death in 1986, her literary reputation has threatened to eclipse Sartre's. Her work *The Second Sex* is, by any standard, one of the most important and influential books of the twentieth century. When these private and revealing letters were published in France in 1990, they caused a storm of controversy. Here de Beauvoir tells Sartre everything, tracing the extraordinary complications of their triangular love life. These letters reveal de Beauvoir not only as manipulative and dependent, but also as vulnerable, passionate, jealous, and committed. This reissue of a *New York Times* Notable Book will inspire philosophers, writers, and lovers of literature for decades to come.

jean paul sartre and simone de beauvoir: Tete-a-Tete Hazel Rowley, 2005-10-04 They are one of the world's legendary couples. We can't think of one without thinking of the other. Simone de Beauvoir and Jean-Paul Sartre -- those passionate, freethinking existentialist philosopher-writers -- had a committed but notoriously open union that generated no end of controversy. With *Tete-a-Tete*, distinguished biographer Hazel Rowley offers the first dual portrait of these two colossal figures and their intense, often embattled relationship. Through original interviews and access to new primary sources, Rowley portrays them up close, in their most intimate moments. We witness Beauvoir and Sartre with their circle, holding court in Paris cafes. We learn the details of their infamous romantic entanglements with the young Olga Kosakiewicz and others; of their efforts to protest the wars in Algeria and Vietnam; and of Beauvoir's tempestuous love affair with Nelson Algren. We follow along on their many travels, involving meetings with dignitaries such as Roosevelt, Khrushchev, and Castro. We listen in on the couple's conversations about Sartre's *Nausea*, *Being and Nothingness*, and *Words*, and Beauvoir's *The Second Sex*, *The Mandarins*, and her memoirs. And we hear the

anguished discussions that led Sartre to refuse the Nobel Prize. The impact of their writings on modern thought cannot be overestimated, but Beauvoir and Sartre are remembered just as much for the lives they led. They were brilliant, courageous, profoundly innovative individuals, and Tete-a-Tete shows the passion, energy, daring, humor, and contradictions of their remarkable, unorthodox relationship. Theirs is a great story -- and a great story is precisely what Beauvoir and Sartre most wanted their lives to be.

jean paul sartre and simone de beauvoir: *Adieux* Simone De Beauvoir, 2013-01-09 Simone de Beauvoir's account of the last ten years of Jean-Paul Sartre's life provides a focus for understanding one of the greatest thinkers of the twentieth century. But the book, consisting of both a year-by-year account of Sartre's last decade and a conversation between him and de Beauvoir about his life and work, is more than just a philosophical examination. It is also a personal dialogue of astonishing frankness that illuminates one of the most famous and complex relationships of the twentieth century. Translated by Patrick O'Brian

jean paul sartre and simone de beauvoir: *Simone de Beauvoir* Lisa Appignanesi, 2008-09-01 Simone de Beauvoir was a member of the intellectual elite of philosopher-writers whose feminist ideas revolutionised conventional thinking. She is known primarily for her monumental work: *The Second Sex*, (1949) a scholarly and passionate seminal work, which became a classic of feminist literature but also for her partnership with the philosopher Jean-Paul Sartre, France's most celebrated and unconventional intellectual couplings.

jean paul sartre and simone de beauvoir: *Philosophical Writings* Simone de Beauvoir, 2004 Despite growing interest in her philosophy, Simone de Beauvoir remains widely misunderstood. She is typically portrayed as a mere intellectual follower of her companion, Jean-Paul Sartre. In *Philosophical Writings*, Beauvoir herself shows that nothing could be further from the truth. Beauvoir's philosophical work suffers from a lack of English-language translation or, worse, mistranslation into heavily condensed popular versions. *Philosophical Writings* provides an unprecedented collection of complete, scholarly editions of philosophical texts that cover the first twenty-three years of Beauvoir's career, including a number of recently discovered works. Ranging from metaphysical literature to existentialist ethics, *Philosophical Writings* brings together diverse elements of Beauvoir's work while highlighting continuities in the development of her thought. Each of the translations features detailed notes and a scholarly introduction explaining its larger significance. Revelatory and long overdue, *Philosophical Writings* adds to the ongoing resurgence of interest in Beauvoir's thought and to her growing influence on today's philosophical curriculum.

jean paul sartre and simone de beauvoir: *The Legacy of Simone de Beauvoir and Jean-Paul Sartre* Christina Angelfors, 1991

jean paul sartre and simone de beauvoir: *Simone De Beauvoir and Jean-Paul Sartre* Kate Fullbrook, Edward Fullbrook, 1994 He was France's best-known philosopher & chief arbiter of intellectual fashions; she was the most influential forerunner of today's feminist movement. Using newly available documentary evidence from diaries & letters, the authors shed astonishing new light on who the dominant partner was in this relationship. The book provides decisive insights into the lives, literature, & ideas of these major figures on the modern cultural scene & raises profound questions about the psychological needs, sexual politics, & bad faith that led Beauvoir & Sartre to give misleading accounts of the inner workings of their relationship.

jean paul sartre and simone de beauvoir: *What Is Existentialism?* Simone De Beauvoir, 2021-06-08 The groundbreaking writings on the philosophy of the individual by iconic feminist and social thinker, Simone de Beauvoir How should we think and act in the world? These writings on the human condition by one of the twentieth century's great philosophers explore the absurdity of our notions of good and evil, and show instead how we make our own destiny simply by being. Throughout history, some books have changed the world. They have transformed the way we see ourselves - and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives--and upended them. Now Penguin brings you a new set of the acclaimed Great Ideas, a curated library of selections from the

works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization and helped make us who we are.

jean paul sartre and simone de beauvoir: *The Ethics of Ambiguity* Simone de Beauvoir, 2018-05-08 From the groundbreaking author of *The Second Sex* comes a radical argument for ethical responsibility and freedom. In this classic introduction to existentialist thought, French philosopher Simone de Beauvoir's *The Ethics of Ambiguity* simultaneously pays homage to and grapples with her French contemporaries, philosophers Jean-Paul Sartre and Maurice Merleau-Ponty, by arguing that the freedoms in existentialism carry with them certain ethical responsibilities. De Beauvoir outlines a series of "ways of being" (the adventurer, the passionate person, the lover, the artist, and the intellectual), each of which overcomes the former's deficiencies, and therefore can live up to the responsibilities of freedom. Ultimately, de Beauvoir argues that in order to achieve true freedom, one must battle against the choices and activities of those who suppress it. *The Ethics of Ambiguity* is the book that launched Simone de Beauvoir's feminist and existential philosophy. It remains a concise yet thorough examination of existence and what it means to be human.

jean paul sartre and simone de beauvoir: *The Existential Phenomenology of Simone de Beauvoir* Wendy O'Brien, Lester Embree, 2001-08-31 While earlier research considered Simone de Beauvoir in the perspectives of Existentialism or Feminism, this work is the first to emphasize her reflective and descriptive approach and the full range of issues she addresses. There are valuable chapters and sections that are historical and/or comparative, but most of the contents of this work critically examine Beauvoir's views on old age (whereon she is the first phenomenologist to work), biology, gender, ethics, ethnicity (where she is among the first), and politics (again among the first). Besides their systematic as well as historical significance, these chapters show her philosophy as on a par with those of Merleau-Ponty and Jean-Paul Sartre in quality, richness and distinctiveness of problematics, and the penetration of her insight into collective as well as individual human life within the socio-historical world.

jean paul sartre and simone de beauvoir: *Quiet Moments in a War* Jean-Paul Sartre, 1994-01

jean paul sartre and simone de beauvoir: *The Existential Phenomenology of Simone de Beauvoir* Wendy O'Brien, Lester Embree, 2013-06-29 While earlier research considered Simone de Beauvoir in the perspectives of Existentialism or Feminism, this work is the first to emphasize her reflective and descriptive approach and the full range of issues she addresses. There are valuable chapters and sections that are historical and/or comparative, but most of the contents of this work critically examine Beauvoir's views on old age (whereon she is the first phenomenologist to work), biology, gender, ethics, ethnicity (where she is among the first), and politics (again among the first). Besides their systematic as well as historical significance, these chapters show her philosophy as on a par with those of Merleau-Ponty and Jean-Paul Sartre in quality, richness and distinctiveness of problematics, and the penetration of her insight into collective as well as individual human life within the socio-historical world.
