Twisted Would You Rather Questions: A Fun and Thought-Provoking Challenge

Twisted would you rather questions have become a popular way to spark intriguing conversations and challenge the way we think. Unlike the classic "would you rather" prompts that are often lighthearted and straightforward, twisted versions add unexpected, bizarre, or even dark elements that push the boundaries of imagination. These questions not only entertain but also reveal surprising insights about our values, fears, and preferences. Whether you're looking to break the ice at a party or engage in a deep discussion with friends, twisted would you rather questions can be a fantastic tool.

What Makes Twisted Would You Rather Questions So Engaging?

At their core, would you rather questions present two options that force a choice, often between two equally appealing or unappealing scenarios. When those options take on a twisted or unusual nature, they become more than just simple decisions—they turn into mental puzzles. Twisted would you rather questions typically involve morally ambiguous situations, bizarre hypotheticals, or surreal consequences. This makes the game incredibly engaging because it combines humor, discomfort, and curiosity all at once.

The Psychology Behind Twisted Choices

When faced with twisted questions, people tend to reveal more about their personality and decision-making style. For example, choosing between two challenging moral dilemmas can highlight whether someone prioritizes logic or emotion. These questions also encourage creative thinking, as participants often have to imagine scenarios far removed from everyday life. This kind of imaginative exercise is great for stimulating the brain and fostering empathy, as it requires stepping into unfamiliar perspectives.

Why Use Twisted Would You Rather Questions in Social Settings?

In social gatherings, conversation starters are essential for breaking the ice and keeping the energy alive. Twisted would you rather questions add an element of surprise and unpredictability, making interactions less predictable and more memorable. They can turn awkward silences into bursts of laughter or thoughtful debate. Additionally, these questions are perfect for

virtual hangouts or team-building exercises where participants might not know each other well but want to quickly find common ground or interesting differences.

Examples of Twisted Would You Rather Questions to Try

To give you a taste of how twisted would you rather questions can vary, here are some examples that range from silly to thought-provoking:

- Would you rather have the ability to read minds but only hear negative thoughts, or never be able to speak again but always be understood perfectly?
- Would you rather live in a world where everyone tells the truth all the time, even if it hurts, or a world where everyone lies but never with bad intentions?
- Would you rather be trapped in a horror movie with no weapons or in a romantic comedy where you can't stop falling in love with the wrong people?
- Would you rather lose all your memories from the last five years or never be able to make new memories again?
- Would you rather have a rewind button for your life that only works once or a pause button that lasts for 10 minutes but can be used unlimited times?

These questions are designed to be difficult and stimulate discussion, making them perfect for deep conversations or just some quirky fun.

How to Craft Your Own Twisted Would You Rather Questions

Creating your own twisted would you rather questions can be a rewarding exercise, especially if you want to tailor the game to your group's interests or mood. Here are some tips to help you come up with compelling prompts:

1. **Mix Contrasting Elements:** Pair something desirable with something bizarre or undesirable to create tension in the choice.

2. **Incorporate Moral Dilemmas:** Questions that involve ethical decisions can provoke deeper thought and debate.
3. **Use Imaginative Scenarios:** Draw inspiration from fantasy, sci-fi, or horror genres to add a surreal twist.
4. **Consider Emotional Impact:** Think about how the options might make someone feel—uncomfortable, amused, or challenged.
5. **Keep It Open-Ended:** Avoid overly specific questions that limit discussion; instead, allow room for interpretation.

By following these strategies, you can personalize the experience and keep your group engaged.

Using Twisted Would You Rather Questions to Enhance Creativity and Critical Thinking

Beyond entertainment, twisted would you rather questions serve as excellent tools for developing creative problem-solving skills. When participants are faced with unusual scenarios, they must analyze the consequences of each choice, sometimes thinking several steps ahead. This kind of mental exercise encourages flexibility in thinking and helps build resilience in dealing with uncertainty.

In Educational or Professional Settings

Educators and team leaders have started integrating twisted would you rather questions into workshops and classrooms to encourage engagement. These questions can break monotony and encourage participants to think outside the box. For example, in a writing class, students might be asked to pick a twisted choice and write a story based on it. In a corporate setting, such questions can foster team bonding and improve communication skills by encouraging people to explain their reasoning.

Improving Social Dynamics with Twisted Would You Rather Questions

In social psychology, icebreaker games like twisted would you rather questions help reduce social anxiety and build rapport. They create a safe space for vulnerability, as the questions can be humorous or strange enough to distract from self-consciousness. When people share their answers and

explain their choices, it often leads to mutual understanding and empathy, strengthening relationships.

Where to Find the Best Twisted Would You Rather Questions

If you're eager to explore more twisted would you rather questions, numerous resources are available online and in print. Websites dedicated to party games, trivia, or conversation starters often have curated lists. Additionally, social media platforms like Reddit or Pinterest feature communities that share creative and darkly humorous prompts. Books focused on icebreaker games or team-building exercises also tend to include sections on twisted or challenging would you rather questions.

Tips for Moderating the Game

When playing with a group, especially one that includes diverse personalities and comfort levels, it's important to moderate twisted would you rather questions with sensitivity. Here are some pointers:

- Gauge the group's mood before diving into more intense or dark questions.
- Encourage respectful discussion and avoid judgment of others' choices.
- Offer an option to pass if a question feels too uncomfortable for someone.
- Balance twisted questions with lighter, fun ones to maintain a comfortable atmosphere.

This approach ensures that everyone enjoys the game and feels safe expressing themselves.

Twisted would you rather questions bring a unique blend of humor, challenge, and introspection to any conversation. They invite us to explore the unexpected, confront dilemmas, and laugh at the absurd. Whether you're aiming to spice up a gathering, stimulate creative thinking, or simply have a good time, these twisted prompts offer endless possibilities to engage and entertain. So next time you want to ignite a lively discussion or break the ice, consider pulling out some twisted would you rather questions and watch how the conversation unfolds.

Frequently Asked Questions

What makes a 'twisted' would you rather question different from a regular one?

A 'twisted' would you rather question typically presents morally challenging, dark, or uncomfortable scenarios that force you to choose between two equally difficult or disturbing options, unlike regular ones which are often light-hearted or fun.

Can twisted would you rather questions be used in therapy or counseling?

Yes, twisted would you rather questions can be used in therapy or counseling to explore a person's values, fears, and decision-making processes in a non-threatening yet revealing way.

What are some examples of twisted would you rather questions?

Examples include: 'Would you rather lose all your memories or never be able to make new ones?' or 'Would you rather know the date of your death or the cause of your death?'

Are twisted would you rather questions appropriate for all audiences?

No, twisted would you rather questions often contain mature, dark, or sensitive themes and may not be suitable for children or sensitive individuals.

How can twisted would you rather questions spark deeper conversations?

They force participants to confront difficult moral dilemmas and personal values, leading to insightful discussions about ethics, priorities, and emotional responses.

Where can I find collections of twisted would you rather questions?

You can find collections on websites dedicated to party games, social media platforms like Reddit, or apps designed for icebreaker and conversation starters.

Twisted Would You Rather Questions: An Analytical Exploration of Their Appeal and Impact

Twisted would you rather questions have become a fascinating and provocative facet of social interaction, challenging participants to choose between two equally unsettling or perplexing scenarios. Unlike traditional would you rather questions that often lean toward lighthearted or mundane choices, twisted variants delve into moral dilemmas, psychological discomfort, or unexpected consequences. This article explores the nature of twisted would you rather questions, their psychological and social implications, and why they continue to captivate audiences across various platforms.

Understanding Twisted Would You Rather Questions

At its core, a would you rather question presents a binary choice, compelling an individual to select one option over another. When the adjective "twisted" is applied, the questions typically incorporate elements of shock, ethical complexity, or dark humor. This twist transforms a simple game into a nuanced exercise in decision-making and self-reflection.

The appeal of twisted would you rather questions lies in their ability to provoke thought and reveal underlying values or fears. For example, a question such as, "Would you rather lose all your memories or never be able to make new ones?" forces participants to weigh the importance of identity against future experiences. These questions often lack a clear "right" or "wrong" answer, making them fertile ground for debate and introspection.

The Psychological Dimensions

Psychologists recognize that games like twisted would you rather serve several cognitive and emotional functions. They can:

- **Stimulate moral reasoning:** Participants confront ethical quandaries that test their principles.
- **Enhance empathy:** By imagining themselves in uncomfortable scenarios, individuals may increase their understanding of others' experiences.
- **Encourage creativity:** Crafting and responding to unusual questions requires imaginative thinking.
- **Provide catharsis:** Engaging with dark humor or challenging topics in a

controlled environment can be a form of emotional release.

Moreover, twisted would you rather questions often reveal personality traits. Studies in social psychology suggest that people's choices in morally ambiguous situations correlate with their ethical frameworks, risk tolerance, and emotional resilience.

Social Dynamics and Engagement

The social aspect of twisted would you rather questions cannot be underestimated. These questions thrive in group settings—whether in-person gatherings or online forums—because they spark lively discussions and sometimes heated debates. They serve as icebreakers, conversation starters, or even tools for team-building by exposing participants' decision-making processes.

Platforms such as social media, gaming communities, and podcast panels have integrated twisted would you rather questions to boost engagement. Their viral potential stems from their shareability and the instinctive human curiosity to understand others' choices and reasoning.

Comparing Twisted Would You Rather to Other Social Games

While similar in format to other party games like "Truth or Dare" or "Never Have I Ever," twisted would you rather questions offer distinct advantages and challenges.

- **Complexity:** Unlike "Truth or Dare," which can sometimes be superficial or embarrassing, twisted would you rather questions delve deeper into participants' values and thought patterns.
- **Inclusivity:** Because they do not require physical action or exposure, these questions are suitable for a broader range of social contexts, including professional settings.
- **Emotional Impact:** The emotional weight of twisted scenarios can be intense, which may lead to discomfort or conflict if not moderated carefully.

However, the very nature of their complexity can be a double-edged sword. Misjudged questions might alienate or distress participants, calling for

sensitivity when deploying these questions in mixed groups.

Examples of Twisted Would You Rather Questions

To better understand their scope, consider the following examples:

1. Would you rather know the exact day you will die or the cause of your death?
2. Would you rather lose the ability to lie or believe every lie you're told?
3. Would you rather be forgotten by everyone you know or never be able to make new friends?
4. Would you rather save a loved one and sacrifice ten strangers, or save the ten strangers and lose your loved one?
5. Would you rather live with no internet access for a year or no human interaction for a month?

Each question forces the respondent to weigh personal values against broader ethical concerns, often generating intense reflection or discussion.

Creating Effective Twisted Would You Rather Questions

Crafting impactful twisted would you rather questions involves balancing challenge and engagement. Effective questions typically share several characteristics:

- **Ambiguity:** Open-ended scenarios without clear winners or losers encourage debate.
- **Relatability:** Situations that resonate on a universal level heighten emotional investment.
- **Provocativeness:** Questions that unsettle or surprise maintain interest.
- **Ethical complexity:** Incorporating moral dilemmas prompts deeper analysis.

For instance, a question like “Would you rather have the power to read minds but never control your own thoughts, or control your thoughts but never understand others’?” integrates cognitive intrigue with an ethical twist.

Potential Pitfalls and Considerations

Despite their popularity, twisted would you rather questions require thoughtful application. Overuse or insensitivity can lead to negative outcomes such as:

- **Emotional distress:** Some participants may find certain topics triggering or upsetting.
- **Social friction:** Disagreements arising from moral differences can strain relationships.
- **Exclusion:** Overly complex or niche questions may alienate some participants.

Facilitators or participants should be mindful of context, audience, and the group dynamic to maximize the benefits of these questions while minimizing risks.

The Digital Evolution of Twisted Would You Rather

The advent of digital communication has amplified the reach and diversity of twisted would you rather questions. Mobile apps, online quizzes, and social media challenges have democratized access to these thought experiments. Algorithms often highlight the most provocative or controversial questions, boosting visibility.

Moreover, content creators frequently leverage twisted would you rather questions to increase engagement. YouTube personalities, podcasters, and influencers incorporate these questions into their content to generate authentic reactions and sustained viewer interest.

Analytics from social media platforms reveal that posts featuring twisted would you rather questions tend to have higher interaction rates compared to neutral content, underscoring their effectiveness as an engagement tool.

Customization and Personalization

Technology also allows for personalized twisted would you rather experiences. Some apps use artificial intelligence to tailor questions based on users' previous answers, creating a dynamic and evolving challenge. This customization enhances user retention and satisfaction.

These innovations demonstrate the adaptability and enduring appeal of twisted would you rather questions, as they continue to evolve alongside communication trends.

Twisted would you rather questions occupy a unique niche at the intersection of entertainment, psychology, and social interaction. Their power lies not only in the challenge they pose but also in their ability to spark meaningful conversations and self-exploration. Whether used casually among friends or incorporated into digital platforms, they remain a compelling tool for engagement, reflection, and human connection.

Twisted Would You Rather Questions

twisted would you rather questions: Would You Rather... ?'s Mindf*cks Justin Heimberg, David Gomberg, 2008-04 For those who enjoy messing with other people's heads -- or who wish to channel his or her inner performance artist -- this irreverent guide is the perfect companion. It contains 1,000 off-the-wall things to do in over 50 locations, all of which are guaranteed to disturb or disgust those unfortunate enough to be nearby. From conducting a job interview in interpretive dance to ending a relationship with the help of a big foam You're #1 finger, Mindf*cks makes the most of any mundane situation.

twisted would you rather questions: Would You Rather... ? : Pop Culture Edition Justin Heimberg, David Gomberg, 2007-05 The demented minds that created the original Would You Rather...? collection and its best-selling follow-up, Would You Rather...?: Love and Sex, are back with even more preposterous predicaments and irreverent inquiries. Plumbing the depths of the current zeitgeist, Would You Rather...?: Pop Culture Edition is packed with over 300 wickedly funny -- and deceptively thought-provoking -- questions regarding sex, celebrities, hot trends, newsmakers, movies, video games, household products, and unusual combinations thereof. Would you rather be machine-gunned to death with Lite-Brite pegs or be assassinated by Cabbage Patch Dolls? Would you rather fight The Rock or fifteen clones of Barbara Bush to the death? Would you rather have phone sex with the Moviefone guy or Jar Jar Binks? Ideal for parties and road trips, these weighty philosophical questions are also perfect for moments of solitary reflection.

twisted would you rather questions: Would You Rather... ? Radically Repulsive Justin Heimberg, David Gomberg, 2010 Presents an assortment of dilemmas, in a series of questions, such as Would you rather have the ability to ace any test, but only when completely naked or have the ability to be invisible but only while you dance around like an idiot?

twisted would you rather questions: Would You Rather... ? Extra Extremely Extreme Edition Justin Heimberg, David Gomberg, 2009-10 With more than 1200 questions, this new Would You Rather... collection is antic, audacious, comic, comical, hilarious, humorous, hysterical, riotous,

side-splitting, and uproarious and will provide hours of amusing, diverting, jocular, playful, waggish, whimsical, witty, gleeful, merry, and/or mirthful entertainment.

twisted would you rather questions: What Would You Be...? Justin Heimberg, David Gomberg, 2007-10 This delightful book challenges readers with such pressing questions as: If you were a three-course meal, what would you be? How about if you were a song from the '80s? If your mom were a weather forecast, what would she be? The book stretches those metaphor muscles along with the imagination in both solo settings and, most enjoyable, group gatherings. What Would You Be? is a game book that asks readers to look at themselves and each other in a new way.

twisted would you rather questions: Would You Rather ... ? Randy Horn, 2001-01-01 Would You Rather...? takes the idea of parlor game questions to a new level of debate and lunacy. It's a chunky book of 400 questions that range from the heinous to the nauseating to the downright disturbing, each a field-tested conversation starter-because no matter how strange or far-fetched, Would You Rather...? knows that choice provokes thinking, and thinking is fun. Some questions, like a Rorschach test, reveal values: Would you rather . . . Age only from the neck up-OR-age only from the neck down? Be stupid and rich-OR-smart and poor? Some delight in their own grossness: Eat three earthworms-OR-wear a necklace made of them on your wedding day? Be trapped in an elevator with wet dogs-OR-three fat men with bad breath? Some churn up prejudices: Lose your mate to the same sex as yourself-OR-the opposite sex? Some create that squirming sensation: Get a bad case of poison ivy way up inside your nose-OR-inside your inner ear? Or ethical dilemmas: Be president of a firm that poaches endangered species-OR-work for a corrupt politician? And some are just deliciously absurd: Catch a porcupine thrown from a second-story window-OR-a skunk thrown from the same window? Each question is followed up with related, often off-the-wall information, from odd trivia to dumb jokes to the occasional practical advice (go for the skunk--the porcupine's got 30,000 quills, while tomato juice will take away the skunk smell).

twisted would you rather questions: What's Your Price... Justin Heimberg, David Gomberg, 2007-09 Everyone has his or her price; this book attempts to determine what that price is. Authors David Gomberg and Justin Heimberg are sure that at least some readers will eat their own cats or dogs, but how much would they have to be paid for the privilege? And going to Starbucks in a thong and pasties would require how much of a payoff: \$1,000? \$10,000? This droll book is an instant conversation-starter that also holds up a mirror to readers' hidden selves.

twisted would you rather questions: On Hart's Boardwalk Samantha Young, 2018-03-20 One of New York Times bestselling author Samantha Young's most beloved couples returns for the first time in a brand new novella set ten years after her blockbuster bestseller Before Jamaica Lane... Nate and Liv have a great life together but they miss the spontaneity and freedom they enjoyed early on in their romance. Careers and their children have inevitably kept them busy, so when Nate discovers Liv is feeling disconnected from him, he plans an anniversary trip to the idyllic seaside town of Hartwell, Delaware. There he hopes they will have the opportunity they've been craving--a chance to reinvent themselves and fall in love all over again. With each new day comes a new adventure, from wedding crashing at the five-star boardwalk hotel to pretending they are two strangers having a chance encounter at the boardwalk bar. In the midst of this daring, sexually-charged game of romantic rediscovery, Nate and Liv discover the only constant they need is each other.

twisted would you rather questions: Hell has its Demons Mark Lord, 2014-05-15 An Electrifying Plot That Merges Skilfully Actual Historical Events With Fantastical Elements Set in the Middle Ages, Mark Lord's novel tells a gripping story where demons and necromancers engage in a power game with the adventurous protagonists Jake, Roger and the beautiful Isabel, who is accused of witchcraft. Investigating an infestation of demons in the town of St Brett's is the last thing that Jake Savage wants to do this summer. But for his master, the controversial Oxford scholar Roger Sotil, it is a chance to prove his theories about demons and avoid charges of heresy. The Abbot of St Brett's has called for Roger's help to rid his town of demons. Jake owes Roger a massive debt, but St Brett's is a town that holds dark memories for him. Who is behind this plot and what is the ultimate

prize? In *Hell Has Its Demons* a plot unfolds to use demons to take the ultimate prize of all - the crown of Edward III, King of England. With 'Hell Has Its Demons', Jake Savage finally gets a novel and it's a good one. - SFCrowsnest What I enjoy most about Mark Lord's writing is that he manages to convey a sense of period without knocking the reader over the head with detail. His settings feel authentic without being manufactured. - SFCrowsnest

twisted would you rather questions: *State of New York Supreme Court* ,

twisted would you rather questions: *The Book of Horrible Questions* Smith, Doe, 1999-06-12 The authors of the bestselling *What Men Don't Want Women to Know* dare readers to consider the depths to which they would sink in pursuit of personal gain. 5 photos.

twisted would you rather questions: *Power Grab* L.J. Breedlove, 2022-05-31 Someone knows where shifters came from Alpha Abby Stafford sent Benny Garrison, a Teacher in the Hat Island pack, with her mate to the oldest pack in the world — find their stories, she commanded, wishing she could go. But Benny didn't come back, and he's not responding to the pack links. So, Abby is going after him with Cujo Brown as her backup. Because the man who holds the keys to the shifters' past might control their future as well. Book 3 in *Wolf Harbor*, a feminist werewolf story.

twisted would you rather questions: *Electric Boogaloo* Justin Heimberg, David Gomborg, 2006-06 From the authors of the blockbuster hit *Would You Rather...* comes another collection of over 300 absurd alternatives and deranged dilemmas. Filled with wacky wit, irreverent humor, and twisted pop culture references, *Would You Rather 2: Electric Boogaloo* asks you to ponder questions such as: Would you rather . . . be a siamese twin connected at the lips or at the soles of your feet? Would you rather . . . have your hostage negotiator be Ozzy Osbourne or Jessica Simpson? Would you rather . . . have your cellphone ring function set on Taser or Airhorn?

twisted would you rather questions: *No Ice, No Slice* Hugo Tang, 2013 A controversial and touching novel that has been years in the making. If *The Catcher in The Rye*, had a threesome with *Fear and Loathing in Las Vegas* and *A Long Way Down*, this book would be their illegitimate love-child! Harry Chen is living life in the fast lane; part-time entrepreneur, part-time alcoholic, successful nightclub manager and in love with his gorgeous fiancée. For the popular, charismatic young man who has it all, life is good. As his world turns; booze flowing and tongues loosening, dark secrets and disturbing truths are revealed. His circumstances dictate that darkness must prevail. In a quick-paced whirlwind of love, betrayal, hate and vengeance, Harry soon discovers that all good things must come to an end.

twisted would you rather questions: *Outerbridge* , 1996

twisted would you rather questions: *Let's Bake a Deal* Wendy Meadows, An untimely death, a suspicious staff, and a creaky old mansion filled with secrets... The grand annual pumpkin festival has arrived, and crime-fighting twins Rita and Rhonda look forward to a lively day of festivities on a crisp autumn morning. With the whole town caught up in the excitement, what could possibly go wrong? But after murder strikes a remote retirement home, their celebrations are quickly soured. The aroma of pumpkin pies, funnel cakes, and apple cider is replaced by the foul stench of crime... and there's no shortage of sinister suspects. Tasked with diving into a perplexing mystery and smoking out the killer lurking in their midst, Rita and Rhonda must unravel the heartbreaking truths in the halls of an aging mansion that has a dark story to tell. Faced with suspicious nurses, uncanny kitchen staff, and one old man who can barely remember his name, the crime-solving duo will need to act fast if they want to exonerate the residents of the care home and stop the real culprit from slipping back into the shadows. But the ancient manor holds many secrets, and the sisters might not make it out alive... Will Rita and Rhonda solve the murder and prove the innocence of an old man? Or will the care home and its chequered past be their undoing? Great for mystery fans who love fun and intriguing who-dun-its with tons of head-scratching twists and turns, *Let's Bake a Deal* is a riveting novel that will capture your interest from the very first page.

twisted would you rather questions: *Somebody Else's Children* John Hubner, Jill Wolfson, 2003-10 With the narrative force of an epic novel and the urgency of first-rate investigative journalism, this important book delves into the daily workings and life-or-death decisions of a typical

American family court system. It provides an intimate look at the lives of the parents and children whose fate it decides. A must for social workers and social work students, attorneys, judges, foster parents, law students, child advocates, teachers, journalists and anyone who cares about our nation's children.

twisted would you rather questions: Shakespeare and the Modern Novel Graham Holderness, 2024-10-01 The Shakespearean novel is undergoing a renaissance as the long prose narrative form becomes reinvigorated through new forms of media such as television, film and the internet. Shakespeare and the Modern Novel explores the history of the novel as a literary form, suggesting that the form can trace its strongest roots beyond the eighteenth-century work of Daniel Defoe, Henry Fielding and Samuel Richardson to Shakespeare's plays. Within this collection, well-established Shakespeare critics demonstrate that the diversity and flexibility of interactions between Shakespeare and the modern novel are very much alive.

twisted would you rather questions: Damned If You Do . . . Workman Publishing, 2019-05-14 A perennial bestseller that begins with a warning: Proceed with caution. This book is only for those with a twisted imagination. Be prepared to leave conventional thought behind and join the ranks of the demented and insane. Previously published as Would You Rather . . .?, with 356,000 copies in print, Damned If You Do . . . is an addictive game in a book that challenges readers to ask—and attempt to answer—more than 400 questions that range from the heinous to the nauseating to the downright disturbing. Each is a field-tested conversation starter guaranteed to provoke ridiculous fun, break the ice at any party, and, like some kind of sick Rorschach test, open a unique window into the minds of friends and family. Some questions delight in their own grossness: Would you rather . . . Eat three earthworms-OR-wear a necklace made of them on your wedding day? Be trapped in an elevator with wet dogs-OR-three fat men with bad breath? Some force you to reveal values: Would you rather . . . Age only from the neck up-OR-age only from the neck down? Be stupid and rich-OR-smart and poor? Some create that squirming sensation: Would you rather . . . Get a bad case of poison ivy way up inside your nose-OR-inside your inner ear? And some are just deliciously absurd. Each question also features related, often off-the-wall information, from quotes to dumb jokes to delightfully odd trivia (326-pound President William Howard Taft once got stuck in the White House bathroom).

twisted would you rather questions: Booklist's 1000 Best Young Adult Books Since 2000 Booklist, 2014-05-15 With the explosion in YA publishing, it's harder than ever to separate good books from the rest. Booklist magazine's editors' deep and broad knowledge of the landscape offers indispensable guidance, and here they bring together the very best of the best books for young adults published since the start of the 21st century.
